WALTON MAN LOSES LIFE IN ACCIDENT

FIRE TRUCK OVERTURNS PINNING FIREMAN UNDER IT—OPAL SIMPSON ALSO SUFFERS INJURIES

James Isabel, 18, son of Mr. and Mrs. Daniel Isabel was injured fatally Monday, December 29, when a fire pumper overturned on Main St., in Walton, while enroute to a fire. Opal Simpson, driver of the pumper and Richard Collins, who was ridin gon the rear of the truck also suffered severe cuts and bruises.

The accident occurred when the fire pumper was making a sharp curve in Walton and swerved to avoid an oncoming truck. The truck overturned pining Isabel under it.

The firemen were on a call to a home in South Walton. Ironically there was no fire, but merely heavy smoke from an inoperative flue.

Young Isabel is survived by his parents, Mr. and Mrs. Daniel Isabel, Russell Spings, Ky.; two sisters, Ruth Ann and Louise Isabel, and two brothers David and Danny Isabel, all at home and his grandfather, William Isabel, Walton.

Funeral services were conducted from the Chambers and Grubbs funeral home, Walton, at 2:30 p. m. Wednesday, with Rev. R. F. Demoisey officiating. Burial was in Walton Cemetery.

NEW PROJECT STARTED BY HOMEMAKERS

A training class on leather tooling was held Monday at the Burlington courthouse for homemakers handicraft leaders. Eighteen leaders started tooling soft leather coin purses. These purses will be completed and billfolds started at the next training class to be held Monday, Feb. 2nd.

Instruction for the class was given by Mrs. Robert Myers, of Florence and Mary Hood Gillaspie, Home Demonstration Agent. Most leaders for the first time had the opportunity of cutting steerhide for making the design on leather.

Leather tooling will be given at each local club in January. All members are asked to bring pencil, ruler, scissors and a small soft cloth to the meeting, according to Mary Hood Gillaspie, Home Demonstration Agent.

FOUR-H LEADERS' MEETING SCHEDULED

Miss Dorothy Gentry, 4-H field agent, will meet with home economic leaders on Tuesday, January 13th. The meeting will be held from 10:30-3:00 p. m. at the Town Hall in Florence, according to Mary Hood Gillaspie, Home Demonstration Agent.

Home economics leaders from each club are urged to attend this training class. Miss Gentry will give specific instruction in the clothing, foods and housekeeping projects.

VERONA CLUB HOST TO JAMES J. GILPIN

STATE SUPERINTENDENT OF EDUCATION FOR DIVISION OF GAME AND FISH OF KENTUCKY OUTLINES PROGRAM.

Tuesday night, December 30, found a packed house at the Verona School auditorium to hear James J. Gilpin, State Superintendent of Education for the Division of Game and Fish of Kentucky. With a full stomach of baked chicken and all the trimmings together with a battery of home made pies, it was a colossal dinner engagement for all members and families of the club together with their guests. The food committee headed by Charles Ryan had the food situation well in hand with due praise to their wives and helpers.

Mr. Gilpin reviewed the lack of game conservation in other countries and how bleak the picture might be for us if we fail to do our part in going all out for game and fish conservation in its broadest sense here in Kentucky. What enjoyment afforded hunters and fishermen during the past season is only a "drop in the bucket" of what might be made possible by a well organized conservation program in every community of Kentucky. Boone County is blessed with natural cover which is so important to successful game propagation. In the last several years farmers have made good progress in land conservation in Boone County, the result being more and better food crops for all wild life. All of this combined with stricter law enforcement and restocking programs has kept the country from being stripped clean of game by the ever increasing number of hunters each year.

In addition to Mr. Gilpin's timely and helpful address on Game and Fish Conservation, his personally conducted musical program was well received and no doubt was left to his being an accomplished musician. Augmenting this fine entertainment feature was the Game Conservation movie shown by Stanley Shelton, District Supervisor. Other Conservation officers in attendance were Edwin Johnson and Albert Hunt.

Climaxing the evening was the enthusiasm shown for this newly formed club in the high bidding on surplus pies auctioned off by Bill Scroggin, Club President. The proceeds will go to the building fund for the construction of a club house and baseball park.

MAYRIX NEWMAN

Mayrix (Brooks) Newman, 21 Shelby St., Florence, was found dead at his home Tuesday night of last week.

Newman is survived by a son, M. A. Newman, Covington; two brothers, Edward, Covington and James, of Indianapolis, and a sister, Mrs. Carl Blaurock, Cincinnati.

MICHAEL GARRISON

Funeral services for Michael D. Garrison, 17-month-old son of Mr. and Mrs. Howard Garrison, Lawrenceburg, Ind., and formerly of Boone County were held at Florence Methodist Church Monday at 2 p. m., with burial in Forest Lawn Memorial Park.

The child died Friday at Children's Hospital, Cincinnati.

Besides his parents, he survived by one brother Howard Wayne Garrison; his maternal grandparents, Mr. and Mrs. John Burton, of Erlanger and his paternal grandparents, Mr. and Mrs. G. V. Garrison of Burlington.

RIBURN WILLIAMSON

Riburn Williamson, age 67, of 9841 Park Ave., died December 20, at the family home in California.

Mr. Williamson was born at Burlington, Ky., August 2, 1880 and is survived by his widow, Mrs. Mary Elizabeth Williamson; a grandson Del Shepherd, U. S. Marine Corps; and one brother, Grant Williamson, of Kansas. His daughter Jesse Lee Shepherd preceded him in death September 27, 1946.

Funeral services were conducted December 23, 1947 by Rev. Clifford Andrews of the Full Gospel Tabernacle, California. Burial was at Olive Lawn Memorial Cemetery La Habra.

HEBRON TROUNCE EAGLES SATURDAY

TO WIN CHAMPIONSHIP IN BLIND TOURNEY SPONSORED BY BOONE COUNTY SCHOOL NEWS.

Boone County basketball fans were treated to one of the most interesting and exciting net spectacles last Friday and Saturday nights at the local gym where Hebron's Cardinal five won the Boone County School News "blind" tourney before overflow crowds. Herbert N. Ockerman, county school superintendent, who served as tourney manager and sponsoring organization officials expressed their "thanks and appreciation to all who took part in the mid-season tourney."

Hebron went into the championship contest as results of a hard-earned 44-39 victory over New Haven, Friday night. Burlington, the runner-up team earned their final game with a 31-30 nod over Florence.

Hebron, led by big Bill Toadvine, who tossed in 17 points, took an early lead over Burlington and were never headed in the championship game which they won 50-40.

New Haven, in winning the consolation tiff, were hard pressed in defeating Florence 45-44. It took the Tigers an overtime period as the regulation time ended in a 38-all deadlock.

Fans attending the tourney chose the following all-star team after the final tilt: Reynold Todtenbier, Burlington, 268; Bill Toadvine, Hebron 260; Jerry Rouse, Florence, 226; Lafe Miller, Burlington, 110, and Gene Weaver, New Haven, 103.

Honorable mention were George Simpson, New Haven; Doc Baker, Florence; Nathan Clements, New Haven and Galen McGlasson, Hebron.

Tourney officials were Ray Ernst and L. J. Witschger.

Results of Tourney Games

Burlington 31: Ryle 4, Miller 10, Todtenbier 12, McBee 3, Cropper 2.

Florence 30: Baker 5, Lipscomb 11, Rouse 7, Woods 7.

Hebron 44: Carver 6, Elliston 3, Toadvine 15, McGlasson 15, Mulligan 2, Berkshire 1, Hoppenjans 2.

New Haven 39: Weaver 10, Flynn 3, Simpson 10, Clements 8, Dempsey 8.

Second Night

New Haven 45: Weaver 12, Flynn 9, Simpson 5, Clements 9, Dempsey 8, Alexander 2.

Florence 44: Baker 7, Rouse 14, Lipscomb 13, Woods 6, Martin 2, Quinn 2.

Burlington 40: Ryle 8, Cave 4, Todtenbier 17, Miller 1, Cropper 6.

Hebron 50: Carver 8, Elliston 8, Toadvine 17, McGlasson 12, Mulligan 5.

Games This Week

Tuesday: Simon Kenton at Florence.

Friday: Crittenden at Hebron; Burlington at Warsaw; Florence at New Haven.

Saturday: Simon Kenton at Burlington.

Burlington Eagles trounced Holy Cross Tuesday night by 69-42 count on the Holy Cross hardwood. The Burlington reserves also won by a score of 30-15.

Todtenbier led the attack for Burlington, scoring the highest number of points of any high school player in Kentucky for the season, a total of 41.

Engagement Announced

Mr. and Mrs. H. C. Thompson, of Sunset Place, Winton Park, Latonia announce the engagement of their daughter Mary Helen, to Mr. William E. Davis, of Florence. No date has been set for the wedding

Miss Thompson attended Holmes High School, Covington, and is a graduate of Dixie Heights High School. Mr. Davis is a graduate of Lloyd High School, Erlanger, and of the College of Agriculture, University of Kentucky. After four years of service with the Army Air Forces, he is now Boone County agricultural agent.

McCUBBINS-HAWKINS

The home of Rev. and Mrs. T. C. Crume, of Union, Ky., was the scene of a very pretty wedding on Wednesday, Dec. 31, New Year's Eve at 6:30 p. m., when Ruby McCubbins, oldest daughter of Mr. and Mrs. Howard McCubbins of Walton and Daniel Hawkins, son of the late J. F. Hawkins and Lydia Mae Hawkins of Louisville, were joined together in the holy bonds of wedlock.

Their attendants were Mr. and Mrs. Clifford Rouse, aunt of the bride.

The bride was lovely in a teel blue dress. Mrs. Thelma Rouse was very attractive in a rose colored dress. The groom wore a suit of the Marines. The best man was dressed in a suit of blue.

They left after the ceremony for a supper at the home of her parents.

After a few days furlough they will be at home to their friends at Camp Lajune, N. C. Their many friends wish the very best that life can offer.

VATER-WHARTON

A very impressive wedding was solemnized Wednesday, Dec. 31st at 1:30 p. m. at Big Bone Baptist Church when Miss Pauline Elaine Vater of Florence, Ky., was given in marriage by her father Virgil Vater, Sr., to Walton W. Wharton, of Georgetown.

The bride was attended by her sister Jacquine who was matron of honor and five bridesmaids. The groom was attended by Virgil Vater, Jr., who was best man and five ushers. Flower girl was a cousin of the bride and the ring bearer was Master Sammy Hogan.

Bro. DeHart of Grants Creek, Ky., sang "Loves Old Story" and "I Love You Truly." Bro. Sam Hogan performed the double ring ceremony.

A reception was held after the ceremony at the church.

The bride and groom motored to Lexington, Ky., for a visit until Sunday. Pauline will return to her school at Constance, where she is a teacher of the third, fourth and fifth grades. Walter will return to Georgetown College where he is a student.

FLORENCE COUPLE OBSERVE SEXTIETH WEDDING ANNIVERSARY

December 28, 1947 Mr. and Mrs. Theo Carpenter passed another milestone along the pathway of their wedded life, when they celebrated the 60th anniversary of their marriage.

Mr. and Mrs. Carpenter have always been hard workers, fine neighbors and reared a family of four sons, John, Chas. and Eldridge of Florence and Earl of New Haven.

We join in wishing them many more years of wedded life together.

JOHN STROM TO SPEAK AT FARM AND HOME WEEK

John Strom, associate editor of Country Gentleman, one of the few newsmen permitted entrance to Russia, traveled in Europe for five months last year. He will speak at Lexington, January 29, which is the last day of Farm and Home Week. Don't fail to attend this meeting. His topic will be "The People Behind the Iron Curtain."

Miss Celeste Carlyle, Chicago stylist, will speak on "How to Wear Clothes." during the meeting.

BOONE COUNTY WOMEN WINNERS IN CONTEST

Mrs. Earl Morehead of the Taylorsport Homemakers Club won an honor in the Courier-Journal Farm and Home Improvement contest in the clothing project.

Mrs. Clyde Arnold of the Florence Homemakers' Club won her honor in this contest in Food Conversation. Mrs. Arnold was also a winner in last year's contest.

Congratulations, women!

HUNTERS TAKE HEED

The critical time of the hunting season is here if not already past. Just how much game is left now for next year's seed crop is left entirely in the hands of each and every hunter from now on to the end of the season. At least eight quail should be left in a covey and in areas where rabbits are hard to find it would perhaps be best to not hunt at all. The wise hunter will be careful to see that enough seed stock is left for next year.

Hawks and crows that prey upon our wildlife make better targets now than during the summer. Those killed now will not get a chance to multiply and feed on chickens, game, and wildlife this summer and fall.

TWO MEN HELD ON THEFT CHARGE

HELD FOR GRAND JURY ACTION AFTER BEING ARRAIGNED IN JUDGE CROPPER'S COURT—BOND SET AT $5,000 EACH.

Arthur Stewart 23, Crittenden and Eddie Combs, 24, Jackson, Ky., are being held in Burlington jail on charges of breaking and entering in connection with a robbery at the confectionery and grocery at Verona, Ky., owned by Jess Ross.

The two men were arraigned before Judge C. L. Cropper, Saturday, who ordered the men held for action of the grand jury at the April term of Boone Circuit Court. Bond was set at $5,000 each.

Robert Thompson, who occupies an apartment above the grocery aroused Mr. Ross Thursday night when he heard a noise in the store. The two men captured Stewart, who had taken a money box outside. They called Deputy Sheriff Wendell Easton who entered the store and brought out Combs.

Stewart had $8 in cash which was believed taken from the box, and Combs had cigarets and other articles in his pockets.

The pair gained entrance to the store by forcing a window, according to Deputy Sheriff Easton.

FARM RADIO PROGRAMS WILL BE HEARD 12-12:15

Radio station WZIP will present agricultural and home economics programs from 12:00-12:15 p. m. on Monday and Thursday. Programs will be given on every other Saturday on 4-H Club work.

County and Home Demonstration Agents in Boone, Kenton, Campbell, Gallatin, Grant and Pendleton counties will present talks and interviews of interest to farm people.

The January schedule for agents in Boone County is as follows:

January 12; Mary Hood Gillaspie, Home Demonstration Agent.

January 15th: Bill Davis, County Agent.

ERLANGER CHURCH DAMAGED BY FIRE

Fire caused damage to the Erlanger Methodist Church early Saturday estimated at approximately $25,000. The fire apparently started from an overheated furnace.

The blaze was confined to the interior of the building. Flooring in the rear of the auditorium and in several classrooms was burned through. Considerable damage was done to the wall.

Fire Chief Scheben said the fire started in the furnace room and apparently had smouldered for some time before breaking into live flame.

Mr. and Mrs. Keith R. Vice and daughter, of Lexington visited Mr. and Mrs. L. R. Vice several days after Christmas.

Twenty Years From Now

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
814-816 Madison, Covington

Will they thank you for good strong feet?

Oh, you mother of a child—you want his manners to be nice, you want his brain to be quick, you want his hands to be agile—but don't you want his feet to be sturdy and true, well-shaped and graceful? Are those of your daughter?

You mother of a child, twenty years from now his feet will be walking up to get a diploma, or confidently marching in to get a job, maybe walking up to an old church altar to meet a bride in white. (Or it may be the bride herself.) Your child may never thank you for good strong feet, he'll take them as a matter of fact. But what will he think if they're not good strong feet? Sure he'll still love you—but "why didn't mother make sure I was growing up right?"

It is a responsibility, just one of the many a mother takes on when she brings a child into the world. —Adv.

PETERSBURG CHRISTIAN CHURCH

Claude R. Macwonald, Pastor

Church School 10 a. m. Harry Jarbo, Supt.

Services each first, third and fourth Sundays, 11 a. m. and 7:00 p. m.

We invite you to worship with us Sunday.

WHAT WOULD YOU DO?

The "direct loss" figures in the above table explain why we have asked the Kentucky Railroad Commission to promptly authorize the discontinuance of passenger trains Nos. 43 and 44 between Ludlow and Pine Knot, Ky.

We believe even a quick examination of the facts will convince you, and all other fair-minded persons, that this is the only business-like thing for us to do.

DIRECT LOSS $100,000 ANNUALLY

During the three months period ending October 31, 1947, total revenues were only $4,953.89. But *direct expenses* alone were $30,466.73. This is a direct loss of $25,512.84. The monthly loss averages $8,504.28, or more than $100,000 a year. Actually, for every dollar these trains are bringing in, we are paying out more than $6.00 in direct expenses.

The *direct expense* figures do not include, as you will note, such properly chargeable items as supervision, dispatching, maintenance of way and structures, depreciation, and general overhead.

COMPARE WAGES WITH REVENUES

The cost of train fuel during the three months was $7,487.64, as contrasted to total revenues of only $4,953.89. If you think that's bad, take a look at labor costs. Wages plus payroll taxes totaled $16,005.25 — more than three times greater than revenues. Thus, just these two items show how utterly hopeless it is to expect these trains ever to come anywhere near to paying their way in the future.

Wage and fuel costs for August through October are compared with revenues in the following chart —

TRAINS NOS. 43 and 44

MONTH	Passenger and Miscellaneous Revenues	Cost of coal used	Wages and "social security" benefits for train and engine crews
August	$1,667.22	$2,486.00	$ 5,450.74
September	1,456.79	2,478.84	5,177.08
October	1,829.88	2,522.80	5,377.43
Total	$4,953.89	$7,487.64	$16,005.25

What it costs to provide a crew of 5 men to operate these two trains is shown in the following table. Wages are shown for each job during October, 1947, and include the 8¾ per cent payroll tax we must pay for retirement and unemployment insurance benefits. The 15½ cents an hour wage increase, effective November 1, is not included —

	Month of October
Engineer	$1,464.34
Fireman	1,228.33
Conductor	1,074.82
Flagman	855.89
Baggageman	754.05
Total	$5,377.43

WE WANT YOU TO HAVE THE FACTS

We'd like to talk this over personally with each of you. Since that is impossible, we are using this next best means of giving you the facts and asking for your sympathetic understanding.

The simple truth is that the traffic which formerly enabled these trains to "pay their way" now moves, by choice, over the highways. Because it's gone forever, the future thus holds only the bleak prospect of a greater loss each year.

To us, as it would be to any business, a year-after-year direct loss of more than $100,000 is a serious matter. Other businesses can, and do, promptly "plug the leak" when a product or service is no longer needed or used. Knowing the facts, we believe you will agree that the discontinuance of these trains is the only business-like thing for us to do, too.

If you care to have additional information, please write to W. H. Oglesby, Superintendent, The Cincinnati, New Orleans and Texas Pacific Railway Company, Somerset, Kentucky.

HIGHLIGHTS OF FARM AND HOME CONVENTION JANUARY 27-30, GIVEN

Some of the highlights of Farm and Home Convention are:

A talk by Mr. Alfred Paulus, Westinghouse Electric Corp., of Pittsburgh, Pa., on "New Horizons in Lighting." Mrs. Rahmeh Mansour Jacobs, of Jerusalem, Palestine, will talk of "The Crisis of the Holy Land." Mrs. Luella Canterbury, well known psychologist, will speak several times, and will explain why people behave as they do, and will interpret problems of everyday living. Miss Ida Hagman, Home Management Specialist, will discuss "Looking at New Equipment."

There will also be a number of other well known, interesting speakers. Can you afford to miss this meeting?

ATTENTION HOMEMAKERS!

If you are planning to attend the Farm and Home Week Convention in Lexington, be sure to send in your name to Miss Mary Hood Gillaspie, Home Demonstration Agent, Burlington, Ky., at once.

This convention will be held at the University of Kentucky, Lexington, Ky., and the Homemakers meetings will be held in Memorial Hall. A wonderful meeting is planned, an devery effort put forth to attend this meeting will be greatly repaid.

Meeting dates, Tuesday, January 27 through Friday, January 30.

ETHRIDGE TO ADDRESS STATE FARM MEETING

Mark Ethridge, general manager of The Courier-Journal, will be one of the speakers at the farm management session during the annual Farm and Home Convention at the Experiment Station at Lexington. He will discuss the foreign situation as it affects Kentucky agriculture.

The farm management program on Jan. 28 will include a round-table discussion of ways to reduce farm costs and increase incomes and profits.

The 1948 outlook for farming in Kentucky will be discussed by Dr. H. B. Price, Experiment Station economist, at the general session on Jan. 27.

ALFALFA GROWING IN KENTUCKY INCREASES

Alfalfa growing is increasing rapidly in Kentucky, as farmers find that big hay crops can be had where limestone is applied to the land, according to crops men at the Agricultural Experiment Station at Lexington.

Alfalfa in this state is usually seeded in February or March. Ten to 12 pounds of seed to the acre is the amount of seed usually used, although some farmers sow 15 pounds. The seed should be inoculated.

Alfalfa land should be well drained, and in most cases an application of limestone will improve production. Many farmers report yields of three or more crops of hay a year. See your county agent for further details. Ask him for a circular called "Growing Alfalfa in Kentucky."

CANDLEWAX ON TABLE LINEN NOT HOPELESS

If candlewax on table linen is an aftermath of holiday entertaining, it may be removed by scraping and the use of a grease solvent, says Miss Dorothy Threlkeld, clothing specialist at the UK College of Agriculture and Home Economics. The first step is to remove the hardened wax with a dull knife, then sponge the spot with carbon tetrachloride. Finally wash the article in warm soapy water. Although carbon tetrachloride is non-inflammable, it should not be used in a closed room because of fumes evaporating from it, cautions Miss Threlkeld.

Decisions

Men and nations gain or lose by the quality of decisions they make. Founders of this remarkable republic made a wise decision long ago, in favor of personal self-reliance and individual government. America is great today because so many smart people were left free to do as much as they could, as well as they knew how, and gain as much of a reward for themselves as they were able.

Not all Americans are models of progress and success but they all have benefited more or less from the achievements of those who did have the immortal spark. You can't pick successful men before they try, but more men of outstanding talent are sure to come to light where everyone is allowed to do his best. A large number of thinkers at work always adds up to more for everybody.

Not Luck at All

People may orate about America's greatness coming from her vast natural resources. The resources exist all right but the redskins had them before Columbus came and didn't know the use of a wheel. Some people boast of this nation's blue-blood heritage. It was good. Our forebears, in large part, came from Europe. That was probably the smartest thing most of them ever did.

America's economic system is what made America great. It is a system of liberty giving every man the right to pick what he wants and go after it hammer-and-tongs, get it if he can and enjoy it to the extent of his capacity, so long as it does not trespass the rights of somebody else. It is a sprightly and dynamic economy, quickly adjustable to changing times and conditions.

What Developed?

Limitless opportunity and keen competition have borne a rich harvest. Our farmers live better than the peerage of some foreign lands. Our laborers have more than workers elsewhere ever have had at any time. America has 7% of the world's population and 80% of the world's automobiles. We send more children to high school and college than all the rest of the world combined.

During the last two years of World War II, from a startled start in December, 1941, America made more war materials than all her allies and her foes put together. An American carpenter can buy more with his pay for a day's work than any other carpenter anywhere—2½ times as much as the carpenter in Germany or France. And the same goes in all trades; the butcher, the baker and the street-car conductor.

How It Works

Freedom of opportunity fires everybody to try; thus men of great genius come to light and the whole nation benefits. Then competition between men of special ability stimulates them to zealous effort in turning out products of excellence at fair prices to develop and hold profitable markets. This enables America's middle class to enjoy luxuries unknown to run-of-mine kings.

Mass production for volume sales demands fine and expensive tools. Buying this machinery calls for capital investment — averaging $6,000 per industrial job in the United States. The thing that made America great was a decision to be free: Free to work, free to think, free to earn, free to save and free to invest and make a profit. It is called Free Enterprise and it's too valuable to lose.

Despite June floods, the average hybrid corn yield in Knox county was 58 bushels per acre, while open-pollinated varieties yielded 48 bushels.

In Hardin county, the growth of 600 acres of fescue and ladino clover seeded together is causing a demand for seed of this combined crop.

STATE-WIDE EVANGELISTIC CONFERENCE PLANNED

Louisville, Ky., January 2—A State-wide Evangelistic Conference January 13-14 at Walnut Street Baptist Church, Louisville, was announced today by the Baptist State Board of Missions, W. C. Boone, General Secretary. A number of pastors and laymen from this county are expected to attend. The meeting is in preparation for the Soul-winning Emphasis of Baptists for this year. Five outstanding national guest speakers who are specialists in the field of evangelism are on the program: R. C. Campbell, Pastor, First Baptist Church, Little Rock, Arkansas; R. G. Lee, Pastor, Bellevue Baptist Church, Memphis, Tenn.; C. E. Matthews, Supt. of Evangelism, Home Mission Board, Atlanta, Ga.; Ellis A. Fuller, President, Southern Baptist Theological Seminary, Louisville, and L. G. Frey, State Mission Board of Tennessee.

A large number of Baptist Churches in the State held a Watch-Night Prayer Service December 31st to pray for this meeting and the soul winning efforts in 1948. A number of Baptist leaders express belief that a great revival is the only way to keep the peace.

The Rev. A. B. Colvin, of Covington is Chairman of a special Evangelistic Committee for North Bend Association. This committee is helping a number of churches in this section plan a revival meeting at the same time this year.

Of 16 entrants in the Montgomery corn derby contest, 10 produced more than 100 bushels to the acre.

CLUB BOY FINDS FERTILIZER PAYS

After three years of testing, Joe Willett, McCracken county 4-H club boy, is convinced that it pays to use fertilizer in growing corn. Starting in 1945 with two acres of corn, he fertilized only half his field, otherwise giving the same care to the entire field. At harvest time, he picked 52 bushels of corn from the untreated acre and 113 bushels from the one on which he had used $19.80 worth of fertilizer. The next year he followed a similar plan, then harvested 65 bushels from the same unfertilized acre and 135 bushels from the one he had treated with plant food. In 1947, following a severe drouth in his community, the untreated acre yielded only 39 bushels to the acre, while the fertilized acre produced 84 bushels. In each instance young Willett more than doubled his corn yield through the used of fertilizer.

BURLINGTON LODGE ELECT 1948 OFFICERS

At the annual election of officers of Burlington Lodge 264 F. & A. M. the following officers were elected to serve during the ensuing year:

Wilbur Denniston, Master; Frank Maurer, Senior Warden; Alvin Clore, Junior Warden; C. L. Cropper, Secretary; F. H. Rouse, Treasurer; Dudley Rouse, Senior Deacon; R. A. Hodder, Junior Deacon; Wm. Rudicill and Carroll Rice, Stewards.

Testing of the home water supply is a goal of homemakers clubs in Madison county.

BOOK CLUB MEETING POSTPONED UNTIL FEB. 9

The monthly meeting of the Boone County Book Club has been postponed for January, and the next meeting will be held at the home of Miss Gillaspie at Florence on February 9th.

All members are urged to attend the February meeting.

In Rowan county, where unusually good corn yields were produced in 1947, Harce McBrayer harvested 162.8 bushels per acre.

About 90 percent of the tobacco land in Meade county is planted to cover crops.

Poultry records in Simpson county show that flocks with the highest feed costs for 1947 brought in the highest net returns.

Twelve farmers in Boyd county averaged more than 93 bushels to the acre in the corn derbt contest.

THE difference between 1947 and 1948 can be measured in the imperceptible tick of a clock, in the clasp of a hand or in a chorus of Auld Lang Syne. It is the sum of the past, gathered in a moment, and perhaps a swift vision of the future.

When the New Year pauses on that pinnacle of time to draw its first breath, the distance which separates our dreams from their fulfillment appears to be but a short step. Yet, in the same instant, we glance back at the past lying across a gulf too wide for crossing. We find ourselves on a pivot of eternity.

The real significance of the New Year lies in the fact that it marks a rebirth of the will to achieve, and of ambition and hope over the world and among the world's peoples.

We dedicate that renewal of strength to all of you, as we, the publishers, wish you a most sincere

BULLITTSVILLE HOMEMAKERS

The Bullittsville Homemakers held their December meeting at the home of Mrs. Jonas Stevens. Fourteen members answered the roll call by the Christmas I best remembered. The minutes and treasurer's report was given and approved and a committee was selected to meet at the home of Mrs. McCrann to fill and distribute Christmas baskets.

After a delicious lunch the afternoon meeting was opened. Mrs. McCrann gave a wonderful lesson on "Outdoor Wreaths, Mantel and Table Decorations."

We all learned a few tricks on the making over and wrapping of Christmas boxes. Then came the exchange of gifts and what a thrill! Mrs. Ann Stewart gave an interesting talk on her trip abroad.

The afternoon passed all too-soon and after a vote of thanks to the hostess we left for our several homes.

Next meeting will be January 15 at the home of Mrs. Huey Aylor.

—Publicity Chairman.

CARD OF THANKS

I wish to take this opportunity to thank each and everyone who sent me cards, gifts and visited me during my recent illness. I especially wish to thank Dr. Riley for his gracious attention. Your kindness shall never be forgotten. Again I thank each of you. 1p

LAND BANK LOANS ARE GEARED TO THE CAPACITY OF THE FARM TO PAY

- The dollars that will pay your loan come out of the soil of your farm as so many bushels of corn, so many pounds of tobacco.
- Even when crop yields are the same, dollar production per acre may be high one year, low the next.
- That's why Land Bank loan values are based on the NORMAL earning power of the land—average yields and normal prices—not too high, not too low.
- That's why the land banks were able to meet the needs of hundreds of thousands of farmers in the depression.
- That's why we can say

LOANS ARE EASIER TO PAY WHEN MADE THE FEDERAL LAND BANK WAY

NEURITIS PAINS LIKE AN ELECTRIC SHOCK TO A LOCAL WOMAN

Just recently a middle-aged woman of this vicinity told us that she had suffered 3 years of torture with neuritic pains. She said she felt like a sharp knife was being gouged into her muscles, and sometimes these pains would strike her like an electric shock. She said one could hardly stand it. Today this lady is again enjoying life and she says the change is due to taking TRU-AID. Her pains are gone now. No more feeling like a knife gouged into her muscles. She is entirely free of her misery, thanks to this remarkable compound.

TRU-AID is the new liquid formula containing three valuable medical ingredients. These Three Great Medicines, all blended into one, go right to the very cause of rheumatic and neuritic aches and pains. Miserable people soon feel different all over. So don't go on suffering! COVINGTON, KENTUCKY

BURLEY AUCTION WAREHOUSE ASSOCIATION

JANUARY SALES DAYS 7-9-13-15-19-21-23-27-29

Because the re-drying plants cannot take away the tobacco fast enough, we like all other Burley Warehouses cannot sell but 1080 baskets per day. We have lots of room to take care of you and it is our business to see that you get the most for your crop for it has been that way for 30 years.

Because of sickness and necessary repair work to our Warehouse we could not get around to see each and every one of our friends. It costs no more to sell your tobacco with us and there will be plenty of room for your family too. Clean comfortable rest-rooms. We have been located for 30 years at the same location—1 block west of the Kentucky end of the Suspension Bridge on Route 25. When bringing your tobacco in ask for Herb Whiteley or Ed Galloway, who want to personally see that your crops are sold for the High Dollar... HARRY RIGGS RESIGNS CINCINNATI POSITION

Judge Harry L. Riggs

Judge Harry L. Riggs, of Erlanger, widely known lawyer in Boone and Kenton counties (and in Cincinnati), has announced his resignation as attorney and manager of the mercantile claims division of Dun and Bradstreet, Cincinnati credit reporting firms.

In the future, Judge Riggs has revealed, he will devote himself to the practice of law in northern Kentucky. He has, for many years, maintained his private office in the Comunity Bank Building at Erlanger.

Judge Riggs began his practice of law here in 1926 and served three terms, once by appointment and twice by re-election, as Erlanger Police Judge. He is a graduate of Erlanger High School and later attended Bethany (W. Va.) College before earning his law degree at the Salmon P. Chase College of Law in Cincinnati. He enlisted with the U. S. Navy during World War I.

Judge Riggs makes his home at 101 Bartleet avenue, Erlanger, with his wife, son and daughter.

BELLEVIEW SUNBEAMS

The Sunbeams of the Belleview Baptist Church met at the home of Billy and Judy Jones, December 20 for their monthly meeting and Christmas program.

Those present were Bobby Bloss, Rony and Larry Burcham, Betty Rogers, Janice Rhea Ligon, Kathy and Gregory Smith, Mary Sue and Charlotte Rogers, Carolyn and Glenn Sullivan, Billy and Judy Jonesa nd their leader Mrs. Espy Ligon. After the meeting, ice cream and cookies were served.

Each one exchanged gifts and had a good time playing games.

If you have a child that would like to attend these Sunbeam meetings and they don't have a way to go, please get in touch with Mrs. Espy Ligon, or Mrs. Virginia Jones and they will try to arrange transportation.

Mrs. Virginia Jones.

NEW W. S. C. S. OFFICERS

An appropriate installation service was solemnized by Dr. O. W. Robinson at the Florence M. E Church on Sunday, Dec. 28 for the newly elected officers of the Woman's Society of Christian Service organization for the ensuing year.

The new officers are: Mrs. Paul Chaney, president; Mrs. Helen Bethel, vice president; Mrs. Perry Allen, secretary and treasurer; Mrs. Nannie Mitchell, recording secretary; Mrs. A. T. Knox, sec. social relations; Mrs. Mary Carpenter, sec. students' work; Mrs. Allie Markesberry, sec. youth work; Mrs. C. S. West, sec. children's work; Mrs. Geo. Miller, sec. literature and publications; Mrs. Harry Daugherty, sec. missionary education; Mrs. Owen Bethel, sec. of supply work; Mrs. O. W. Robinson, sec. of spiritual life.

The activities of this organization were very prominent during the past year and it is hoping to render a greater service this year.

UTOPIA NOTES

On Friday night, January 2 the Planning Committee of the Utopia Club met at the office of Mr. Davis to make plans for 1948.

After much consideration, plans were made for each meeting in 1948. It is hoped that the program has improvements over last year's.

One of the important facts stressed was a ruling that was made at one of the fall meetings, that any Utopia Club member in order to be eligible to show in the Utopia Department must attend at least four meetings per year.

It is hoped that the outstanding speakers selected will give a different type of a program than ever before.

Don't forget the next meeting on January 22. Be on hand to either accept or reject this program.

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

By LOUIE D. NEWTON, D. D.

SCRIPTURE: Isaiah 40:28-31; Matthew 6:9; John 14:8-14; Acts 17:22-31.
DEVOTIONAL READING: Psalm 33.

What We Know of God

Lesson for January 11, 1948

THE Scripture for Sunday's lesson is Isaiah 40:28-31, Matthew 6:9, John 14:8-14, and Acts 17:22-31, with Psalm 33 as the devotional reading.

Dr. Newton

"Hast thou not known? Hast thou not heard, that the everlasting God, the Lord, the Creator of the ends of the earth, fainteth not, neither is weary? There is no searching of his understanding. He giveth power to the faint, and to them that have no might he increaseth strength. . . . They that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint."

That is the passage from Isaiah. What a promise! In this hour when men are bending beneath the burden of a war-weary world, how it gives lift to one's soul to contemplate the words of this great and blessed promise.

• • •

God Our Maker

"HE GIVES to all men life and breath and everything," Acts 17:25. One of our daily prayers should be to thank God that he has let us open our eyes to the beauty of another dawn. We must not take it for granted. It is the goodness and mercy of God that permits us to open our eyes, to breathe, to have food, to think. He gives us life and breath and everything.

He causes the sun to shine and the tides to ebb and flow. He causes the rain to fall and the winds to bear their blessings. He holds the earth in its course. God is the maker of every good thing.

• • •

And He Is Our Father

NOT only is God the Creator and Sustainer of the physical universe; but he is also our Father. He knows us each by name. He cares for the sparrows, simply because they are sparrows. He cares for us because we are his children, made in his image, capable of fellowship with him. The end of man, as the Catechism clearly teaches, is to enjoy God and glorify him forever.

Read again the passage that describes Paul's visit to Athens, and how he observed that the people, though quite intelligent, were worshipping many different gods. Paul summoned them to worship the one true and living God.

When we acknowledge God as Maker and Father, we are then enable to serve him in conscious assurance of his love and care for us as his adopted children.

• • •

Show Us the Father

READ again John 14:8-14, and join with Philip in the prayer, "Show us the Father." Jesus answered Philip, saying, "He that hath seen me hath seen the Father." We come to know God as Father through Jesus Christ, and only through Jesus Christ.

Jesus goes on to say to Philip, "If ye shall ask anything in my name, I will do it." The greatest need of our day and generation is a fresh understanding of God—his nature and his will. We can know him through Jesus Christ. And we come to know him through faith in the Lord Jesus Christ.

Enoch walked with God. Abraham was the friend of God. David was a man after God's own heart. And Jesus came to perfectly reveal the Father. The determining factor in knowing God as Father is our willingness to believe in the Lord Jesus Christ.

• • •

Belief in God Today

THE Bible is a Book for today—any day, every day. It reveals the purpose of creation, both of the universe and man himself. It reveals the loving concern of God for every soul. It portrays his forbearance and his mercy and his exceeding kindness, even to sinful men and women who reject his love.

Best of all, the Bible tells us the sweetest story ever told — the story of how God gave his only begotten Son that whosoever believeth on him should not perish, but have everlasting life.

Religion, the Christian religion, is the most practical proposition in the world. Every man is constantly in reach of God, if only he will believe on the Lord Jesus Christ. God is yonder in the loneliest watchtower of the timberlands. He is yonder on the storm-tossed ship at sea. He is everywhere, waiting to own and bless any and all who will come to him through Jesus Christ.

Notes and Comments

From the Editor's Desk

Will There Be a General In Your Life?

Straw votes, newspaper stories, columnists' comments and other ephemeral evidences seem trying to make Mr. John Citizen believe that there will be a General in both his life and the White House before long.

We don't pose as a prophet, nor are we a crystal gazer. All we know, as Will Rogers used to say, is what we read in the papers and (we should add) in an occasional book. Then, too, we pick up an old nugget of truth from what people tell us.

One of the solid, meaty truths we've stumbled over here and there is that the people of the United States never have cottoned to the idea of having a professional soldier for president. Many have tried for the job but only two have been chosen President. One was Zachary Taylor, the other U. S. Grant and neither of these professional soldiers made a Presidential record that you'd care to write home about.

Oil and water, we are told, won't mix. Neither will lautocratic military procedures and democratic processes. The professional soldier whose whole training and action has been to give orders and no back talk is seldom, if ever, qualified to rule by reason. Maybe, there's an exceptional professional soldier who could, but you'd never find out he existed without trying him out. And the danger in trying him out, especially at this time, is monumental alongside the possible infinitesimal gain there might come from electing a military man President.

One of the greatest of all dangers which the election of a General as President would create is that it would stimulate war talk rather than peace thinking all over the World. This would happen because the election of a General as President would have the effect of serving notice on the World that we want war, not peace. That such a conclusion would be utterly false is beside the point. The unfortunate phase of the situation is that our selection of a professional soldier for the Presidency might create an incident, and incidents become spark-striking flints in our powder strewn world.

Every man to his calling say we over and over to ourselves as we keep our ballot dry while waiting to see the white's of a political-aspiring General's eyes.

When Good Fellows Get Together

There's still a lot of good in the World. We're speaking of the Benevolent and Protective Order of Elks and the Boy Scouts of America. When these two great public spirited organizations, neither of which has any commercial, political or religious angles, get together for the benefit of American youth splendid things are going to happen. Here's what has taken place:

Lafayette A. Lewis, national head of the Elks, and Dr. Elzert K. Fretwell, chief Scout executive, have made a compact whereby the 1475 Elk Lodges throughout the country, with 900,000 members, will be urged to undertake financially and actively to add to the 600 troops already under the Elks' patronage. This is nationwide effort to discourage juvenile delinquency and to build real American citizenship.

There are now 68,000 Boy Scout troops. It isn't enough. Each year approximately 1,100,000 boys reach the age of 12. About 700,000 of them express the desire to become Boy Scouts. At present only 400,000 can be admitted. So the BPOE has come forward in an attempt to provide units for the 300,000 leftovers, with World War II Elk veterans as troop leaders.

Just another example, and an important one, of the Elks' unselfish work for their fellowmen.

Panama Turns A Tricks

Don't get alarmed about what the Panama Republic has done. Just take a peek into the past when Theodore Roosevelt took over the Canal Zone in less than 24 hours —before the Republic of Panama realized what was going on.

The recent coup of Panama in separating its authority and its local Government from that of the U. S. Zone isn't at all strange or alarming — because — independent Panama in reclaiming its rightful ownership of the territory outside the Canal has exercised its rights. Uncle Sam and the Republic of Panama aren't going to quarrel over the matter. They'll stand shoulder to shoulder in case any foreign nation interferes with the legitimate property rights of the Canal Zone or the Republic.

MRS. IDA ZITT

Mrs. Ida Zitt, 134 Garvey Ave., Elsmere died at her home Monday. She was 59 years old.

Mrs. Zitt was a member of the Elsmere Christian Church and the Kenton Council No. 9 Daughters of America. The D. of A. held services at 8:00 p. m. Tuesday night.

She is survived by her husband, John Zitt; two daughters, Mrs. Daniel Augur, Erlanger and Mrs. Lorna Caballerro, Cincinnati; two sons, Willard, Crane, Ind., and Jack, Erlanger; a sister, Mrs. Marie Siebert, Cincinnati; two brothers, Harry Hauenchild, Cincinnati, and Edwin, Honolulu, and seven grandchildren.

Funeral services were held at 3:00 p. m. Wednesday at the Tallaferro funeral home, Erlanger. Burial was in Forest Lawn Cemetery.

ANNOUNCE ENGAGEMENT

Mrs. Harry McClurg of Orchard Street, Erlanger, Kentucky announce the engagement of her oldest daughter Doris Mae McClurg to Gordon Simpson, of Florence. The wedding has been set for April.

Miss McClurg attended Lloyd high school. Mr. Simpson also attended Lloyd high school and at the present time is a sophomore at the University of Kentucky. Mr. Simpson served for 18 months with the Ninth Infantry Division in Germany.

Mr. and Mrs. Garnett Dolph, of Covington, spent Sunday afternoon with Mrs. Marie Shinkle and children.

DAIRY SHOW SET FOR JANUARY 15

CALVES WILL BE ON DISPLAY AT COURTHOUSE AND TECHNICOLOR FILM WILL BE SHOWN MEMBERS.

A big dairy show will be held in the courthouse at 8:00 p. m. Thursday, January 15th.

An interesting exhibit of calves dropped by artificially bred dams will be on display in the courthouse and a technicolor film on artificial breeding, showing the procedure from start to finish, will be shown.

Several celebrities will be guests of the Boone County Artificial Breeding Cooperative, including John Moser, president of the Kentucky Artificial Breeding Cooperative, Bobby Conner, Secretary of the Kentucky Artificial Breeding Cooperative, Richard Duncan, Manager Falls Cities Pure Milk Cooperative, and Paul Hanna, Dairy specialist from the University of Kentucky.

Free sandwiches and coffee will be served after the show. Everyone is invited to attend.

RURAL ROUTE TO BE ESTABLISHED

FOR FLORENCE POST OFFICE DUE TO INCREASED POPULATION—BOX NUMBERS WILL BE ASSIGNED.

Due to the tremendous volume of mail handled and the increased population served through the Florence Post Office, following signed petitions by patrons and proposed extensions, the First Assistant Postmaster General has seen fit to authorize an additional Rural Route to be known as Route 2, effective February 1, 1948. Route 2 will be a part of the present Route No. 1 and will serve all patrons North of Sanders Drive on U. S. 25 & 42. Also Eastern Avenue, Park Avenue and Kentaboo Drive with extended service on Tee Street, Ridgeway Avenue, and Curtiss Avenue. Also from Burlington Pike and Hopeful Road to Weslers, to U. S. 42 and extended service to Cliff Buckshorns. Thence to Barlow, to John Marshall and U. S. 42 to Florence.

The remaining patrons will be served on Route No. 1 as at present with an extension to Albert Schwibold and from Rouse's Bridge to Norris. New box numbers will be assigned to the patrons of the new Route. Patrons' name and address slips No. 4252 will be placed in the mail boxes to be filled out and returned to the Post Office promptly. If patrons will cooperate by inscribing their names on their boxes, it will greatly accelerate the mail service.

MARCH OF DIMES CAMPAIGN OPENS

JANUARY 15TH, ACCORDING TO JOHN O. McEVOY, BOONE CO. DIRECTOR—PRECINCT CHAIRMEN NAMED.

This January your National Foundation for Infantile Paralysis marks its tenth anniversary of service to the American public.

Today, the fight against infantile paralysis is being prosecuted on every front in the most sweeping offensive ever conducted against a specific disease. More gains have been made in the past decade than were realized in the entire century that preceded it, and the dimes and dollars that you contribute to the March of Dimes are making that progress possible.

We can't fight disease unless we have equipment and financial resources to support an all-out effort. And we can't fight disease unless every American assumes part of the burden and gets into this fight enthusiastically, with a real determination to follow thru until infantile paralysis is no longer a menace to national health.

The March of Dimes is your opportunity to take part in the fight. Your help is necessary if we are to conquer infantile paralysis. So give—and give generous, that this vital work may continue.

The following are the names of the various precinct chairmen appointed for this year's March of Dimes Drive.

$51.90 PAID FOR WEED MONDAY

SETTING NEW ALL-TIME HIGH —9,739,448 POUNDS WERE SOLD FOR $5,054,997.66 — HIGHEST PREVIOUS SALES DEC. 15.

A record all-time high statewide average price of $51.90 a hundredweight was paid for burley tobacco on Kentucky markets Monday, the State Department of Agriculture reported. Highest previous mark was set last December 15, when the average was $51.66.

A total of 9,759,448 pounds were sold for $5,054,997.66. This compared with last Friday's 9,742,480 pounds for $4,921,597.53. The average Friday was $50.52.

Only two markets today reported price declines from Friday. All others had gains, led a $5.40 increase at Harrodsburg, where the average of $54.03 topped all others Monday. Sixteen of the 22 reporting markets had averages in excess of $50. Lexington's big market showed a gain of $2.05, reporting an average of $53.83.

Although much wet tobacco was offered for sale Monday there were enough high-grade crops sold to boost the average to $46.51 a hundredweight at the Covington Independent Warehouse, near Erlanger. A total of 209,986 pounds was sold for $97,196.85. High basket went for $61 and low for $10.

Some auction centers have reported most of the tobacco marketed in their areas. It is probable that a few of the markets will hold final sales this week.

GOLDEN WEDDING CELEBRATED DEC. 28

Mr. and Mrs. A. G. McMullen celebrated their golden wedding anniversary on Sunday, Dec. 28 at their home on Burlington and Florence Road. They were married December 28, 1897 at the home of the bride's parents, Mr. and Mrs. W. P. Sullivan on Gunpowder, where Mr. and Mrs. Robert Gulley now reside. Besides his son George, he survived by two other sons, Elliston, of Burlington, R. 2 and Dallas of Elsmere; one brother Harry Rector, of Aurara, Ind.; four sisters, Mrs. Anna Portwood, of Burlington, Ky., R. 2; Mrs. Susie Perkins, Miss Ethel Rector and Mrs. Grace Poley all of Aurora, Ind., and 10 grandchildren.

Mr. Rector was a member of the Belleview Baptist Church.

Funeral services were conducted from the Belleview Baptist Church today, (Thursday) January 15, at 2:00 p. m., with Rev. W. G. Burkett officiating, with burial in Belleview Cemetery.

Chambers and Grubbs, Florence funeral directors were in charge of arrangements.

HEBRON MAN INJURED IN AUTO-TRUCK ACCIDENT

George B. Pierce, railroad employee, Hebron, Kentucky, received minor cuts and bruises and considerable shock following a truck-car accident near Hebron, Monday.

The accident occurred ½ mile west of Hebron as Pierce attempted to enter the highway from a driveway. The approaching truck, driven by Emmett Carroll Moore, was loaded and could not stop in time to avoid the collision.

Mr. Pierce was removed to St. Elizabeth Hospital, Covington, but was released after treatment and examination. His condition is said to be good.

The car driven by Pierce was damaged considerably, and the truck driven by Moore was damaged slightly.

MISSIONARY SOCIETY MEETS

The Woman's Missionary Society of the Big Bone Baptist Church met at the home of Mrs. Wm. Wesley Aylor for the regular monthly meeting on Feb. 8th. There were 15 members and 3 visitors present. A delightful covered dish luncheon was served and enjoyed by all. The meeting was brought to order by the president, Mrs. Sam Hogan. Mrs. Bruce Ryle was program director. Mrs. Thos. Huff gave the devotional with prayer by Mrs. Frank Sebree.

The program was in commeration of the Womans Missionary Society's 60th year of service. Those taking part in the program were Mesdames D. L. Lewis, Harry Rouse Lloyd Marsh, Olive Gruelle, Kenneth Aylor and Chas. Black.

The meeting was closed with a prayer for our shut-ins by Mrs. Harry Rouse. The next meeting will be on Feb. 12 at home of Mrs. Chas. Black.

All members are invited to be present.

80-ACRE TRACT TO BE SITE OF HOME

FOR HANDICAPPED BOYS—PLOT IS DONATED BY EDWARD E. STOKES FROM SECTION OF FARM NEAR LIMABURG.

Arrangements for the donation of a large plot of ground in Boone County, for the establishment of a national home for handicapped, homeless boys were completed last week by Edward E. Stokes, who agreed to donate part of his farm on Limaburg Pike, and Gene LaRue former nationally known boxer and originator of the plan.

LaRue has been working on the idea since shortly after World War II ended. He met with Stokes at the suggestion of Msgr. Edward Flanagan of Boys Town, Neb., with whom he had conferred.

LaRue pointed out that he hoped to model the home after "Boys Town" with the exception that only handicapped homeless youth would be taken. His plans call for giving the boys a permanent home with a chance to overcome their handicaps and receive an education.

Furniture for the home will be contributed by several charitable families in Chicago and other major cities, when construction is completed.

Mr. Stokes, who is associated with the Field, Richards & Co., investment dealers, agreed to give approximately 80 acres of his Boone County farm for use as the first site of the home.

Judge C. L. Cropper attended a meeting held in Covington last week at which time further details for the campaign to establish the home were discussed.

RECORD SET BY BOONE TEAMS

DURING PAST WEEK—TODTENBIER SETS RECORD OF 41 POINTS, WHILE HEBRON TEAM SETS RECORD

Boone Hardwood teams resumed action this week, following the Blind Tourney and several records were established with the customary well-played games.

Hebron, conference leaders and "blind tourney" champs, turned in the highest score in the county when they passed the 84 points against Penogran's Crittenden five. Every Hebron played scored in the massacre, while Crittenden was barely able to tally 36 times. Big Bill Toadvine, all-conference star, and Galen McGlasson marked up 21 and 20 respectively. Coach Chester Goodridge informed this reporter that Hebron reached their peak in this game.

The Burlington Eagles trounced Holy Cross, eked out a win over Warsaw and dropped a 1-point decision to Simon Kenton to complete a busy week. Reynold Todtenbier, Burlington forward, amassed 41 points against Holy Cross Tuesday night to establish a conference record. Todtenbier had previously scored 27 points earlier this year for the Boone Conference highest mark, but broke his own record with 41. Friday night Burlington and Gallatin hooked up in one of the closest and hardest fought games of the season with Burlington winning 37-35. Miller, Eagles all-tourney forward, scored 13 times while Howell was tallying 16 for the losers.

Saturday night Simon Kenton's Pioneers dropped in a free throw in the last 40 second of play to win a 38-37 victory. The game was always close with neither establishing more than a 4-point lead. "Tote" was high for the Eagles with 16 and Armstrong, flashy Simon Kenton guard was dropping through 16.

New Haven drubbed Florence in the only conference game 48-36. The victory placed New Haven firmly in second place in the standings. Little Gene Weaver, New Haven contribution to the all-tourney team scored 19 points and Al Knox returned to action with 15. Five Florence boys scored 6 points each. The Knights defeated Simon Kenton Tuesday night 37-33. Jerry Rouse, all-tourney guard led the way with 17 followed by Baker with 14. The victory avenged an earlier defeat handed the Knights by Simon Kenton.

Burlington reserves won all three of their games. Florence reserves won both of their games and Hebron's reserves trounced Crittenden.

Coming Games

Friday, Jan. 16:
New Haven at Burlington.
Dry Ridge at Florence.
Walton at Simon Kenton.
Tuesday, Jan. 20:
Florence at St. Henry.

E. W. MARSHALL BUYS FLORENCE GARAGE SITE

E. W. Marshall, who has been operating bulldozers in Boone County for the past five years, has purchased and moved into the new garage building in Florence across from Bob & Gene's on the Dixie Highway.

Mr. Marshall and his family will occupy the flat above the garage and will operate the garage and filling station below.

He moved to Boone County so that he could look after his bulldozer business. Starting with one machine five years ago, he now has three new bulldosers that will be available for pond digging, clearing and any kind of excavating work. Mr. Marshall has built ponds in all sections of Boone County has been called into the adjoining counties.

FISH AND GAME CLUB WILL MEET JAN. 15

The Boone County Fish and Game Protective Association will meet tonight, (Thursday), January 15th, at the club house, Idlewild-Burlington road, at 7:30 p. m., according to Edwin "Skeets" Walton, president.

It is expected that the new president will outline a plan to be followed by the club during this year. Refreshments will be served by the committee.

Mr. and Mrs. Leon Ryle of 29 Park Ave., Erlanger are the proud parents of a baby daughter, born Christmas Day at Booth Memorial Hospital. She has been named Carol Sue.

LAND BANK LOANS ARE GEARED TO THE CAPACITY OF THE FARM TO PAY
- The dollars that will pay your loan come out of the soil of your farm as so many bushels of corn, so many pounds of tobacco.
- Even when crop yields are the same, dollar production per acre may be high one year, low the next.
- That's why Land Bank loan values are based on the NORMAL earning power of the land—average yields and normal prices—not too high, not too low.
- That's why the land banks were able to meet the needs of hundreds of thousands of farmers in the depression.
- That's why we can say

LADY THROWS CANE AWAY AFTER TAKING NEW TRU-AID FORMULA

One lady, who was unable to walk 6 weeks ago, due to rheumatic pains, says she is enjoying a normal life once again since she took TRU-AID. In fact, she says she has thrown her cane away. This lady had to stay in the house for weeks at a time, unable to get out much. Rheumatic pains centered in the joints of her knees and ankles. She says she felt stiff all over. But in less than a week's time, when she started taking TRU-AID, the awful rheumatic pains disappeared from her legs and ankles. She is well and happy today and says she wouldn't take a fortune for the relief TRU-AID has given her.

TRU-AID is the new liquid formula containing three valuable medical ingredients. These Three Great Medicines, all blended into one, go right to the very cause of rheumatic and neuritic aches and pains. Miserable people soon feel different all over. So don't go on suffering! Get TRU-AID. Elsmere Pharmacy of Elsmere and Dahlenburgs Drug Store of Erlanger; also Westerman Drug Store of Erlanger.

Labor Union Refuse to Be Stampeded

You don't need to be fearful that the labor unions of this country are going to support the Communist program or activities.

The United Automobile Workers cleaned house by dropping many of their top officials who were radical left-wing backers. Besides, other unions have been switching from Communist leaders to more conservative top men of their unions.

Of course there are Communists left, but they are on the slide, according to the latest official report in Washington.

FORD Bonus Built TRUCKS
BUILT STRONGER TO LAST LONGER!

THEY'RE here—the great new Ford Bonus Built Trucks for '48 . . . greatest truck line ever! And they're new all through. Three new engines—4 Six and two V-8's—with up to 145 horsepower! New Million Dollar cab with living room comfort! Models? Over 115 . . . five new series . . . two new Big Jobs—the biggest Ford Trucks ever!

And every one of these great new Ford Trucks for '48 is Bonus Built—built with extra strength in every vital part. This extra strength provides WORK RESERVES that pay off for you in two important money-saving ways!

①FIRST: These WORK RESERVES give Ford Trucks a greater range of use by permitting them to handle loads beyond normal duty. Ford Trucks are not limited to doing one single, specific job.

②SECOND: These Bonus Built WORK RESERVES permit Ford Trucks to do their jobs "unstrained," with less strain, less wear. Thus, Ford Trucks last longer because they work easier!

Come in today—see the only trucks that are Bonus Built. No wonder there are more Ford Trucks in use today than any other make!

* Webster says Bonus means "Something given in addition to what is usual or strictly due."

Funeral services for Michael Douglas Garrison, 17-month-old son of Mr. and Mrs. Howard Garrison of Lawrenceburg, Ind., were conducted at the Florence Methodist Church on Monday, Jan. 5 at 2:00 p. m. with Rev. T. O. Harrison, a friend of the family and pastor of the Southgate M. E. Church and Dr. O. W. Robinson officiating. Interment was in Forest Lawn Memorial Park. The sympathy of the community goes out to the parents, grandparents and other relatives in this their hour of trial. The Ralph Stith funeral home was in charge of arrangements.

Mr. and Mrs. Sizelove, (nee Dora Black) of Mt. Healthy, O., were the dinner guests of Mr. and Mrs. Harry Tanner, Sunday.

Jack Renaker has returned from St. Elizabeth hospital and is convalescing nicely at his home on Shelby St.

Mrs. May Bristow and daughter Ruth were pleasant guests of Mrs. Eldridge Carpenter on Tuesday of last week.

At this writing the baby of Mr. and Mrs. Lawrence Rose is very ill of pneumonia at Booth hospital.

Mr. and Mrs. Harve Tanner, of Airport Road and a friend, Mrs. Williams were calling in Florence, Sunday.

Wm. Busby is visiting a couple of days with his sister, Mrs. Harry Tanner and Mr. Tanner, previous to going to Dayton, O., where he will be located at the Soldiers' Home.

Harry K. Daugherty and two boy friends, all of U. K. visited briefly with his parents, Dr. and Mrs. H. R. Daugherty, Saturday evening.

A new and larger stoker has been installed at the Florence school through the labor of Mr. Ockerman, County school superintendent C. R. Garnett, W. K. Souther and others. They say the furnace really furnishes heat now.

C. R. Garnett was host to a number of relatives and friends from Ludlow and Covington at a six o'clock turkey dinner followed by a card party at Dinn's lunchroom on Saturday evening, January 10. The following guests enjoyed the occasion: Miss Lillian Wachs, Mr. and Mrs. Lloyd Garnett Cecil Garnett and girl friend, Miss Betty Earls, Mr. and Mrs. Carl W. Garnett and daughter Carol Ann, Mrs. Fred Anderson, Mr. and Mrs. Chas. Garnett, Mr. and Mrs. Chas. Goodridge and daughter Margaret, Harry Goodridge and girl friend Miss Esther Stenken, Miss Eulalia Elliston and friend and Mr. and Mrs. Alfred Wachs.

William Calvert, a senior student at the Lutheran Seminary was guest speaker at the Lutheran Church on Hopeful Lane on Sunday prior to the arrival of Rev. Herman Andres, who will become pastor of the church on Jan. 15. The community extends a welcome to Rev. Andres and his family.

Nelson Markesberry is driving a new International truck.

Mr. and Mrs. William Meier and family, of Independence were the guests of Mr. and Mrs. Fred Kleemeier, Jr., on Saturday.

Deepest sympathy is extended to M. G. Martin in the loss of his mother in California, the past week.

Mrs. Roy Brooks and young daughter Pamela Raye returned home from St. Elizabeth Hospital, the past week.

Robert Luther Aylor, son of Mr. and Mrs. Robt. L. Aylor, of U. S. 42 is confined to his home with the mumps. We wish for him a speedy recovery.

Rev. and Mrs. J. Paul Rimmer and family returned the past week from a delightful visit with relatives in North Carolina. Rev. Rimmer has accepted a parish in Ohio and will soon depart for his new assignment. The community wishes them much success in the new location.

LOWER GUNPOWDER

The shower given in honor of Mr. and Mrs. Jimmie Black at the home of her parents, Mr. and Mrs. Conner Carroll was well attended. They received many nice and useful gifts. Refreshments of cake and punch were served.

Sorry to learn of the accident in which the Methodist pastor's wife was seriously injured. She suffered a broken jaw bone when the car she was driving plunged over an embankment. We wish for her a speedy recovery.

Miss Alma Schwenke was home over the week-end.

Mr. and Mrs. Harold Love and daughter spent Sunday with her parents, F. H. Sebree and wife.

Several from this community have sold their tobacco since the holidays and report good prices.

Mr. and Mrs. Emerson Bunger, wife and children attended the shower given at the M. E. Carrolls, Saturday evening in Patriot, Ind.

Our W. M. U. met at the home of Mrs. Bud Aylor. The next meeting will be held at the home of Mrs. Helen Black on the second Thursday in February.

Records on a flock of 159 hens owned by Ralph Durbin, Edmonson county, show they produced 3,137 eggs in a month, or 19.7 eggs per hen.

Plug in here.....

for today's biggest bargain . . .

Maybe you're plugging in a percolator . . . or a washing machine . . . or a vacuum cleaner.

Whatever it is, you're getting a real bargain because, instead of going up, the average unit price of electricity has actually come down slightly since the start of the war.

The cost to you remains low because so far rising production costs have been offset by increased use of electricity coupled with sound business management.

Today, the average family served by this company is using 32% more electricity than in 1941, yet paying only 6% more for it.

That adds up to a real bargain anyway you look at it. So make full use of your electric service in 1948 and enjoy more comfort and leisure.

Notes and Comments

From the Editor's Desk

You Are "The Other Fellow"

There is a steel shortage in this country. And it is important that the American people realize what has caused it.

David Lawrence went to the heart of the matter in a recent column when he wrote, "It is estimated that 18,000,000 tons of steel have been lost to America since V-J day, due to strikes in the coal mines and steel mills. That is enough steel to meet all present shortages. It is enough steel to satisfy Europe's needs and still give America her requirements. It is more than enough to meet for nearly two years the demands of those who have been asking 10,000,000 more tons of annual steel production capacity."

The steel industry has a major expansion program underway. Much new capacity has been added in the past year. But the incredible loss caused by the strikes cannot be made up in a hurry. It isn't humanly possible to make and transport enough steel to offset the loss except over a period of time. That is the main reason we are hungry for steel now.

Memories seem to be short. Too many of us wish to have our cake and eat it also. The public, which is pretty much indifferent to strikes, thinking they affect only "the other fellow," is finding out now that it is "the other fellow."

The blow struck at the American economy by the coal and steel strikes was probably the most severe handicap to postwar recovery, and accounts in large measure for present shortages and higher prices.

Mistaken Comparisons

It may be human nature to compare current commodity prices with those prevailing in 1939 or 1940 and conclude that we are now being robbed. But it isn't sound economics. It would be equally sensible to compare 1940 prices with 1840 prices and conclude that costs have been extortionate for decades.

Another fallacy is to compare the coditions which followed World War II with those which followed World War I or some previous conflict, and to attempt to draw exact parallels. As one of the greatest historians said, "Nothing is permanet but change," and what happened in 1920 and the succeeding years won't necessarily happen again. History may repeat itself in principle, but not in detail.

Everybody passes the buck on prices—just as everybody wants a low price when he buys and a high price when he sells. This blindness to the facts of life has clouded the whole price problem. The workingman wants cheap food and clothing—along with all-time record wages. The farmer wants machinery at prewar prices—along with a record price for crops. Of course, such a Utopia is an impossibility, and those who dance must finally pay the piper.

Prices are high. But that doesn't mean they are artificially high. The major retail systems, both chain and independent, report lower unit profits than they earned seven years or so ago. Many manufacturers report a similar operating experience. Both production and retail distribution are more efficient and less wasteful than ever before. The present price level is the inevitable result of many forces, and is a perfectly natural development, regardless of what the trend may be in the future.

Worth Knowing

The vast amount of discussion given to the grain problem, particularly as it is related to the raising of meat animals, has resulted in some misunderstandings. For example, it is widely believed that practically all animals which go to market are heavy consumers of grain which could otherwise be used for human consumption.

The fact is that 50 per cent of all meat of all kinds produced in the United States is grown without the feeding of any grain at all. In the case of cattle, more than 80 per cent of the beef produced is fed no grain. These animals are raised on roughage, grass, beet pulp and a large number of other foods not suitable for human consumption. On top of that, two-thirds of the area of the United States is in grass which would be wasted if there were no animals to consume it and convert it into meat. Lastly when grain is fed, it is mostly corn, a standard animal feed, rather than that which is consumed largely by people.

It is evident that the grain problem cannot be properly solved by such extreme measures as the proposal to reduce our meat animal population. That would have an adverse effect on our standards of nutrition—effects which would be carried on into succeeding generations. It would reduce the fertility of the soil. It would be a blow to the farmer who receives more cash income from meat than from any other crop. It would reduce the supply of the many by-products which come from meat animals—and some of them, like insulin, are vital to the public health. We can and must conserve grain in every practical way—but we must be sure that each step taken is sound and workable.

CHARLES WINSTON

Funeral services for Charles W. Winston, 71-year-old retired Greer Line bus operator and Boone county, resident were held at the Trinity Methodist Church, Latonia, at 2:30 p. m. Saturday, with burial in Independence Cemetery.

Mr. Winston died Wednesday at his home on the Hebron-Limaburg Road.

ANNUAL PLANNING MEETINGS ARE SET

FOR JANUARY AND FEBRUARY —LEADERS GIVEN OPPORTUNITIES TO EXPRESS DESIRES IN PROGRAM.

The annual community program planning meetings have been scheduled for January and February, according to Bill Davis, County Agent.

These programs are held each year so that leaders may have an opportunity to express their desires in formulating the annual extension program.

The schedule is as follows:

New Haven, Monday, January 26, at 8:00 p. m.

Florence, Monday, February 2nd, 8:00 p. m.

Grant, Tuesday, February 3rd, at 8:00 p. m.

Burlington, Wednesday, February 4th, 2:00 p. m.

Petersburg, Friday, February 6th, 8:00 p. m.

Hebron, Monday, Febuary 9th, 8:00 p. m.

Hamilton, Tuesday, February 10, 8:00 p. m.

Constance, Friday, February 13th, 8:00 p. m.

Verona, Saturday, February 14th, 2:00 p. m.

Walton, Tuesday, February 17th, 8:00 p. m.

All meetings will be held in the school houses except at Burlington and Verona. The Burlington meeting will be held in the County Agent's office. The meeting place at Verona will be announced later.

R. F. Carrigan, of Erlanger was a business caller at this office Monday afternoon, and while here had his subscription moved up another year.

EDWIN WALTON IS INSTRUCTOR

OF BURLINGTON HIGH SCHOOL JUNIOR RIFLE CLUB, ACCORDING TO NATIONAL RIFLE ASSOCIATION.

Edwin H. Walton, of Burlington, Ky., has been appointed instructor of the Burlington High School Junior Rifle Club it was announced by the National Rifle Association as it granted the organization a junior club charter in the NRA's national youth program.

Membership in the new club, which will devote itself to the various phases of target shooting, is open to boys or girls under 18 years of age. Under the able instruction of Mr. Walton the youngsters will learn the fundamentals of rifle shooting and the correct way to handle firearms safely.

Elected officials of the new club are: Robert E. Kelly, president of Burlington; Wayne C. Kelly, vice-president, of Burlington; Morton F. Oliver, executive officer, of Route 1, Petersburg; Reynold E. Todtenbier, secretary, of Burlington; and John Carroll Rogers, treasurer, of Burlington.

Mr. Walton was recently elected president of the Boone County Fish and Game Protective Association for the ensuing year, and no doubt bring a constructive program for this organization, as well as a capable instructor for the Rifle Club.

NEW HAVEN AND HEBRON MEET

FRIDAY NIGHT AT NEW HAVEN GYM—FLORENCE AT WALTON —WALTON AND BURLINGTON DEFEATED BY TIGERS.

Games This Week

Friday—Florence at Walton; Hebron at New Haven.

Saturday—Alumni at Burlington.

Monday—Walton at St. Henry.

Tuesday—Hebron at Campbell County.

Highlighting Boone County basketball this week will be the game between Hebron's league leading Cardinals (3-0) and New Haven's fast moving Tigers (3-1) at the latter's gym Friday night. Should the Tigers win they will go into first place in the Boone Conference.

Another Friday night encounter in the Boone Conference will be Florence at Walton.

Saturday night Ralph Maurer's Burlington Eagles will play host to the Alumni in a benefit game for the Burlington School P.-T. A. There will be two games and a volley ball game between high school girls and former students. Price will be twenty and thirty-five cents.

Last Week Results

The New Haven sharpshooters marked up two wins in the Boone Conference last week as they eked out victories over Walton and Burlington. Edmonson's Tigers were host to the Bearcats Tuesday night and came out on the big end of a 48-47. The "Cats" pressed the winners much more than was expected as Little "Dyke" Vest dropped through 20 markers to keep Walton in the lead most of the way. Al Knox scored 17 times followed by Dempsey with 11 to pace the winners. New Haven reserves copped their game.

The Tigers came to Burlington Friday to engage the Eagles in a conference game before a packed house. The Tigers jumped into an 8-2 lead before the Eagles began to click. The Tigers forged ahead and held a four-point lead at the half. Paced by Lafe Miller, dependable Burlington forward, the Eagles began cutting the lead down after the Tigers had pulled up to a nine-point lead and the game ended 57-54 for the visitors. Miller scored 20 and Todtenbier added 16 for Burlington. Dempsey, elusive guard, with 17 and Simpson with 15 lead the way for the winners.

Penogran foes trounced Florence twice last week. Tuesday night the Knights went to Crittenden and were upset 45-31. The Boone boys who were favored to win couldn't get started while Crittenden was piling up a safe margin. Lipscomb was tops for Florence with nine points.

Dry Ridge turned on Friday night and drubbed the Knights 56-40. The Ridgers assuit was led by Hedges who scored 18 times. Dry Ridge, second in the Penogran standing, jumped to an early lead and were never headed. Baker and Lipscomb divided 26 points evenly to take scoring honors for the Knights.

Florence Reserves beat Crittenden and lost to Dry Ridge and New Haven's seconds walked over Walton and Burlington.

It was recently stated in this column that Hebron's 89 points scored in a game against Crittenden was high for the season. Followers of the New Haven Tigers remind us that earlier in the season that they defeated Greendale by a 98-19 score. Our authority on this story was from the Northern Kentucky Dailies' sport writers who likewise did not consider this a regularly scheduled high school team. Ninety-eight points, however is "some shooting." And if it is against a grade school it is a pretty fair average.

DOUGLAS H. SMITH

Douglas Howard Smith, age 69, died at the Veteran's Hospital, Ft. Thomas, Ky., on January 17, after a lingering illness. He was a son of Webb and Lute Smith, formerly of Walton, Ky., who preceded him in death many years ago.

He was also a grandson of Dr. J. F. Smith, a practicing physician in Boone County for 50 years prior to his death in 1905.

Mr. Smith was a veteran of World War I, and saw combat service, being wounded in the battle of Chateau Thierry. For the past 25 years he has lived in Mt. Healthy, O.

He leaves a son, Allen, residing in Los Angeles, Calif., and an aunt, Mrs. O. M. Rogers, Erlanger, Ky. Interment was in the Florence Cemetery, January 21.

HEBRON FIREMEN ELECT OFFICERS

The Hebron Volunteer Fire Department held its regular monthly meeting Wednesday night, January 14th at the firehouse.

The annual election of officers was held and the following officers installed: Chief, Earl M. Aylor; Assistant Chief, Robert Goodridge; captain, Louis C. Hossman; assistant captain, Howard Ledford; lieutenant, Thomas Masters; Engineer, Vernon Masters; assistant engineer Carroll Lee Masters; secretary, N. S. Furnish; assistant secretary, James L. Tanner; treasurer, Hollie Herbstreit; directors, S. M Graves, M. M. Garnett, C. T. Tanner, John Conner, Roy Schwier.

The directors were appointed to contact the Kenton County Airport Board and other persons necessary to see about the possibilities of getting the water main extended to Hebron.

The meeting was adjourned until the next regular session on Wednesday night, February 11th.

UNION MAN SELLS CROP FOR HIGH PRICE

Kirtley McWethy, of Union, sold his burley consisting of 1730 pounds for an average of $52.34 last week. His high basket sold for $59.00 and the low basket sold for $31.00.

Several good sales have been reported since the holiday season, and no doubt there have been many good sales in Boone County which have not been reported at this office.

ADVISORY COUNCIL MEETING HELD

JANUARY 14 AT BURLINGTON— HOBBY SHOW PLANNED FOR LAST WEEK IN MARCH—INTERESTING REPORT GIVEN.

The Homemakers Advisory Council of Boone County met for its annual meeting on January 14th at the Burlington court house.

Those present for the meeting were Lulie Logan, of Lexington; Miss Mary Hood Gillaspie, HDA; Mrs. Joe Hogan, president; Mrs. Earl Morehead, secretary and treasurer; Mrs. Robert Meyers, Handicraft chairman and president of Florence Club; Mrs. Lillard Scott, 4-H chairman; Mrs. Dan Hacker, reading chairman; Mrs. Arthur Ammon, publicity chairman; Mrs. Clyde Arnold and the following presidents of their individual clubs, Mrs. Vernon Pope, Mrs. Wm. Beacom and Mrs. Ed Grater.

The hobby show was discussed, and it was decided to have hobby shows the last week in March, and the program chairman of each individual club is to be chairman of the hobby show. These shows will be held in Hebron, Walton, Burlington and Florence, according to present plans. Men, women and children are invited to exhibit their hobbies in these shows, and the children's exhibits will be judged separately.

It was announced that the next Boone County Broadcast over the Farm and Home program of radio station WZIP will be February 23, at 12 noon, for the Homemakers, and on February 26 for the men. Don't forget these dates

Each chairman gave a very fine report. The handicraft chairman's report consisted of hats made, glassware etched, garments made, all types of fancy work made, slip-covers, draperies, etc., made, and now the various clubs are engaged in leather tooling, a very fascinating craft. Later, in the spring, the women are going to learn to refinish old furniture, which will prove a very fascinating and profitable craft.

The women of Boone County are taking advantage of the lending library which Miss Gillaspie carries with her. A great number of books have been read so far, and also a great number of good magazines have been read, and then exchanged with other members, so that the magazines do double and triple duty. As the major reading projects for this year, the Boone County women are studying their own State of Kentucky, and are enjoying it immensely.

Farm and Home Week will soon be here, and great plans are being made for this convention. Are you planning to go? Mrs. Joe Hogan, president, and Mrs. Earl Morehead, secretary and treasurer, have been selected as the voting delegates to the Kentucky Federation of Farm and Home Week.

SIX CLUBS ARE REPRESENTED

AT FOUR-H LEADERS' CONFERENCE HELD AT FLORENCE— STATE WORKER OUTLINED PROJECTS

Home Economics leaders from six 4-H Clubs attended an all-day conference last week in Florence. Miss Dorothy Gentry, 4-H field agent, outlined the projects for clothing, foods and housekeeping available for 4-H members. She stated that a 4-H member could take the clothing project for as many years as desired if the members worked with all types of materials.

The following dates for special 4-H events was given the group by Mary Hood Gillaspie, Home Agent, February 28th, conference for all 4-H leaders; May 8th, 4-H Spring Rally, and August 20th and 21st 4-H and Utopia Fair.

Four-H project leaders hope to start working with their group the first of February.

HOMEMAKERS TO HOLD BAKE SALE SATURDAY

The Burlington Road Homemakers will have a bake sale at the Stringtown bus stop, Florence, Saturday, January 24. The sale will start at 9:00 a. m. Your patronage will be appreciated by the ladies.

LEATHER TOOLING MEETINGS ARE SET

FOR NEXT TWO WEEKS, ACCORDING TO MARY H. GILLASPIE, HOME DEMONSTRATION AGENT.

Several homemakers clubs of Boone County have planned special afternoon workshops for the next two weeks. Homemakers plan to do glass etching and leather tooling at these meetings.

The following meetings have been scheduled, according to Mary Hood Gillaspie, Home Demonstration Agent:

Petersburg, January 20th, 1.00 p. m. at the home of Mrs. W. O. Rector.

Grant, January 22nd, 1:00 p. m. at the home of Mrs. Lillard Scott.

Verona, January 23rd, 1:00 p. m. at the home of Mrs. Ura Roberts.

Anyone interested in these handicrafts will be welcomed at the meetings.

EQUIPMENT SHOW TO BE FEATURED

AT 36TH ANNUAL KENTUCKY FARM AND HOME CONVENTION JANUARY 27-30, ACCORDING TO BILL DAVIS.

An aluminum drome 36 by 72 feet has been erected at the Agricultural Experiment Station at Lexington to house a part of the huge equipment show being planned as a feature of the 36th annual Kentucky Farm and Home Convention January 27-30, according to Bill Davis, County Agent. Classrooms and laboratories also will be used to display modern equipment for the home and the latest in farm machinery.

Among the equipment for the home will be three electric kitchens and one gas kitchen, two full-size bathrooms, furnace and other types of home heating, electric and gas ranges and other cooking equipment, a fully equipped home laundry, water supply systems, refrigerators, deep freezers, and the latest in home lighting.

Among the modern farm machinery on display will be tractors and their attachments for doing all kinds of field work, hay driers, motorized mowers and garden machines, and special equipment for applying 4-D, DDT and other modern weed and insect killing chemicals.

A new feature this year will show how farm buildings can be protected against lightning. Other exhibits will include farm building paints, making and using concrete on the farm, the removal of sulfur from well water, spray equipment, and the placement of fertilizers in crop production. The equipment show will be open all of the four days, including Tuesday and Wednesday nights.

Persons interested in attending the convention should contact the County or Home Demonstration Agent.

BIG BONE COUPLE CELEBRATE 50TH ANNIVERSARY

Mr. and Mrs. Frank Allen celebrated their golden wedding anniversary at their home near Big Bone Church, Saturday, January 17th.

They were married January 17, 1898 in Big Bone, where they have made their home on the same land ever since that time. Mr. Allen is still active and manages his own farm.

The celebration Saturday was in the form of an open house for their family and friends from 2 to 9 p. m.

Among those attending were four sons, Sam of Burlington, R. 2, Charles of 19 River Road, Silver Grove, Frank, Jr., of 311 Pleasant street, Covington and William of 30 E. 13th street in Covington; a daughter Mrs. Sue Ryle, of Grant, and nine grandchildren and one great-grandchild.

TRUCK OWNERS ARE WARNED

TO OBSERVE TRUCK LOAD LIMIT ORDERED BY BOONE FISCAL COURT—THREE TON IS LIMIT ON RURAL ROADS.

As has been the custom for the last several years, the Boone Fiscal Court has again issued a truck load limit on loads carried on all rural highways throughout Boone County, effective until April 15, 1948.

It has been ordered by the court that no truck shall carry a load in excess of three (3) tons over and above the weight of the truck on any of the roads maintained by the Boone County Road Department during the wet and soft times from this date until April 15, 1948.

The above restriction applies to all rural blacktop roads and other county roads, but does not apply to State or Federal highways in the county.

It is the opinion of the court that the most severe damage to our rural roads occurs during the next few months and that if our loads are reduced during this period that taxpayers can be saved thousands of dollars in road repairs next spring.

The cooperation of all persons living on such roads is asked in reporting such violations as it is to your benefit to help protect your road until this danger period is over.

All violators will be prrosecuted to the fullest extent of the law.

MRS. MINNIE TANNER

Mrs. Minnie Tanner, 56, a native of Florence, who moved to Ohio recently to be near her children attending Wittenberg College, died Thursday at Springfield, O.

She is survived by her husband, Ira M. Tanner; three sons, Ralph and Joseph, Wittenberg students, and Elbert, Boone County; three daughters, Mrs. Virgil Kelly and Mrs. Robert Moore, both of Boone County and a Miss Mary. Tanner, a Wittenberg student.

Funeral services were held Sunday afternoon at 3:00 from the Hopeful Lutheran Church, with Revs. H. M. Hauter, Paul Rimmer, and Herman Andres officiating. Burial was in Hopeful Cemetery.

The Taliaferro funeral home, Erlanger, was in charge of arrangements.

FLORENCE GIRL AWARDED PRIZE ON RADIO PROGRAM

Mary Elizabeth McVene of St. Pauls school is still taking bows for her performance Sunday, January 11, on the Wurlitzer Hour, radio station WSAI, being awarded the first prize, a Gruen wrist watch, was responsible for an invitation to appear on the stage of the Western Plaza Theatre, Price Hill, Cincinnati, The Ridge Theatre, Pleasant Ridge. She was well received at both.

No doubt many of her friends in this section are familiar with the quality of her voice, having recently heard her on the several Utopia Club shows held in this county.

TOBACCO SOLD FOR AVERAGE OF $56.72

Virgil S. Vice, of Woolper sold 2340 pounds of tobacco at the Peoples Tobacco Warehouse, Lexington, Ky., on Wednesday of last week for an average of $56.72.

This crop was grown on 2.1 acres, according to Mr. Vice.

TWO HUNDRED ATTEND MEETING

OF ARTIFICIAL BREEDINGS ASSOCIATION HELD JANUARY 15 —PAUL HANNA, DAIRY SPECIALIST, SHOWS FILM.

Approximately two hundred farmers attended the Artificial Breeding Association Dairy meeting in the courthouse on January 15, according to Bill Davis, County Agent.

Paul Hanna, dairy specialist from the College, showed a technicolor film on artificial breeding and included in his discussion all the necessary sanitary precautions in the handling of equipment both at the bull stud and by the inseminator. The picture also showed the inspections made on the semen to determine its worthiness for shipment. Pictures of the bulls gave breeders a quick view of the type of animals in the stud.

Robert Conner, secretary of the K. A. B. A. was guest speaker as Richard Duncan was unable to attend the meeting.

John Moser, president of the K. A. B. A., Dr. Olds, veterinary in the dairy department at the College and Marshall Carpenter, manager of the bull stud were also present and made short talks.

The meeting was held to build up interest in the artificial breeding program and it is hoped that the discussion by Mr. Conner impressed breeders of the importance of using high type sires.

Anyone wishing to sign up in the association should contact John Meier Taylor or the County Agent.

MRS. NANNIE CASON

Funeral services for Mrs. Nannie Cason, 59-year-old lifelong resident of Boone county, were held at the Ralph Stith funeral home, Florence at 2 p. m. Tuesday, with Rev. Drake and Rev. R. A. Johnson officiating. Burial was in Belleview Cemetery.

Mrs. Cason died Sunday at Good Samaritan Hospital, Cincinnati, after several weeks' illness.

Mrs. Cason was a resident of McVille and a member of the Belleview Christian Church. She was well known throughout this section and will be greatly missed by her many friends.

She is survived by her husband, Carl Cason; a daughter, Mrs. William Rudicill and her stepmother, Mrs. Elizabeth Goodridge, all of Burlington; a sister, Mrs. A. B. Oidham, Danville and two grandsons, William A. Rudicill and James Rudicill, of Burlington.

MASONS WILL CONFER DEGREE

Burlington Lodge No. 264 will confer the M. M. degree at the hall on Thursday, January 22, according to Wilbur Denniston, Master.

All members of the lodge and visitors from surrounding lodges are invited and urged to attend.

CRUSHED BY TREE NEAR WALTON SAT.

ACCIDENT OCCURRED BY THEODORE NEUMEISTER AND HIS BROTHER WERE CUTTING TREE ON FARM.

Funeral services for Theodore Neumeister, 39 were held Monday at 2 p. m. in the Walton Baptist, with burial in Independence Cemetery.

Mr. Neumeister was crushed to death when a dead tree fell upon him on his farm on the Dixie Highway one-half mile south of Walton.

The accident occurred when Neumeister and his brother, Joseph were cutting down the tree with axes because it was considered dangerous to cattle in the pasture where it stood. After the tree fell on his brother Joseph cut through the trunk to free his body before summoning help. Mr. Neumeister's chest was crushed, and he died instantly, according to reports.

He was a member of the Walton Baptist Church, where he had taught a boys' Sunday school class for years.

Besides his brother, he is survived by his widow, Mrs. June Wilson Neumeister; his parents, Mr. and Mrs. Carl Neumeister, who live on an adoining farm; a daughter, Norma Jean; a son, Charles Edward; two sisters, Mrs. Daniel Roberts, of Walton and Mrs. William Deuchman, Portsmouth, O., and another brother, Charles Neumeister, Newport.

Remember when the tasseled top surrey, with its shiny leather dashboard, was the family conveyance? Sometimes the steel tire came off the wheel and rattled down the road. Then everyone had to climb out and find rocks to help pound the tire back on. Remember?

LAND BANK LOANS ARE GEARED TO THE CAPACITY OF THE FARM TO PAY

- The dollars that will pay your loan come out of the soil of your farm as so many bushels of corn, so many pounds of tobacco.
- Even when crop yields are the same, dollar production per acre may be high one year, low the next.
- That's why Land Bank loan values are based on the NORMAL earning power of the land—average yields and normal prices—not too high, not too low.
- That's why the land banks were able to meet the needs of hundreds of thousands of farmers in the depression.
- That's why we can say

LOANS ARE EASIER TO PAY WHEN MADE THE FEDERAL LAND BANK WAY

AND WE CAN PROVE IT.

January 1, 1900, was NOT the first day of the twentieth century! (The same "century" is applied to a period of a hundred years. From 1801 through 1900 is a century; therefore, the first day of the century following the nineteenth would have been January 1, 1901— **The Encyclopedia Britannica**, 14th Edition, Vol. 5, p. 148) (Beginning with 1 A. D. the modern century ends with the hundredth year).

When We Work With God

Lesson for January 25, 1948

Dr. Newton

DR. E. STANLEY JONES was in Atlanta on one of his several visits, and some of us were asking him about his notable and unique experience as a missionary in the Orient "If you had it all to go over, Dr. Jones, would you devote your life to the peoples of faraway Asia, or would you choose to live in America with its abundance of good things?" he was asked. Quick as a flash of lightning he replied: "If I had a thousand lives to give, they would all gladly go to the wistful souls of Asia."

Paul would have been enheartened in the day that he wrote II Corinthians 5:20 to 6:10, and Romans 12:9-21, to have heard someone talk as Dr. Jones talked that afternoon, for in our lesson for Sunday, Paul is summoning every Christian to the highest possible commitment to the will of God as we go forth in the task to beseech all men to be reconciled unto God through Jesus Christ, who hath taken upon himself the iniquity of us all, "that we might be made the righteousness of God in him."

Thus we come to see the significance and the meaning of the memory verse for Sunday's lesson, "We are fellow workmen for God," I Corinthians 3:9.

PEOPLE WHO WORK WITH GOD

READ Hebrews' 11th chapter for a picture of some of the noble souls who really worked with God, by faith, as the writer delights to put it,

Abraham, for exampie, "went out, not knowing whither he went," but when he came to the end of life's day, he was accounted the friend of God. Moses, "choosing rather to suffer affliction with the people of God, than to enjoy the pleasures of sin for a season, esteeming the reproach of Christ greater riches than the treasures of Egypt, endured as seeing him who is invisible."

HOW WE WORK WITH GOD

READ again that eleventh chapter of Romans to discover how the men and women named there worked with God. Two words will quickly come to light — faith and obedience. They believed God, and they obeyed God. Junior boys and girls will do well to recall some of the heroes of history — men like Washington and Lincoln and Lee—and in every instance you will discover that they, too, believed God and obeyed God. Remember the story of Washington kneeling in prayer in the snow at Valley Forge?

We cannot work with God unless and until we believe and obey him. "Can two walk together except they be agreed?" You cannot please your earthly father unless you believe him and obey him.

GOOD WORKMEN ESSENTIAL

WE COME now to the deeper implications of the lesson, revealed in II Corinthians 5:20 to 6:10. "We then, as workers together with him, beseech you also that ye receive not the grace of God in vain; but in all things approving ourselves in much patience, in afflictions, in distresses, in watchings, by kindness, by love unfeigned, by the power of God. . . ."

Here is the acid test of doing the work of an ambassador of Christ — we must first be fully committed to him before we can persuade others to accept him as Saviour and Lord. We shall not have better homes and better churches until we first have better Christians. We shall not have better business until we first have better business men.

And the only way by which we become good workmen is through the redeeming, transforming grace of the Lord Jesus Christ.

JOY OF WORKING WITH GOD

WHY did Dr. E. Stanley Jones answer so quickly about giving a thousand lives to the benighted, wistful souls of Asia? Because he had discovered the unspeakable joy of working with God in reconciling men unto him. The largest, surest wages in this world is the experience of working for and with God. "What I kept, I lost; what I gave, I have."

Do you believe it? It is difficult to believe until you try it. Indeed, I would say that it is beyond all imagination to grasp the meaning of working with God. You have to take Christ at exactly what he meant when he said, "Come and see."

"When we walk with the Lord, in the light of his word, what a glory he sheds on our way!"

BULLITTSVILLE HOMEMAKERS

The Bullittsville Homemakers met at the home of Mrs. Huey Aylor. The meeting opened by salute to the flag, roll call answered by "Resolutions I made," secretary and treasurer's reports given and approved and reported given by other chairmen. Care of Chickens in winter was stressed by Mrs. Aylor.

We adjourned for lunch and to celebrate our hostess's birthday. Two beautiful cakes were presented to her.

After a delicious lunch the afternoon meeting opened and Mrs. Mary Roberts gave a fine lesson on "Leathercraft." Six coin purses were started, used Xmas cards were taken up to be sent to Children's Hospital.

We were glad Mrs. Ware could stop in for a few minutes. We are always glad to have Miss Gillaspie with us and missed all who were absent.

It is our desire that all members can meet with us February 19 at the home of Mrs. Nick Mickelsen. Visitors always welcome.

Publicity Chairman.

IN MEMORY

In remembrance of Myrix Newman, nephew of Mrs. Pearl Newman, of Florence, who passed away at her home December 30 at 2:00. He was about 50 years of age. He left one daughter, two brothers and a niece, besides Mrs. Newman with whom he made his home.

He was an upright kind-hearted gentleman and liked by all who knew him.

SURPRISE BIRTHDAY

A surprise birthday party was given in honor of Mrs. Nannie Bodie at her home, Saturday night, January 17th.

Several of her friends came in while she was attending church and brought a lovely supper, which was placed on the table ready to eat when she returned.

When she entered everyone sang "Happy Birthday to You."

Those sharing in the occasion were Mr. and Mrs. Ivan Ryle and family, Mr. and Mrs. Clayton Ryle, Mr. and Mrs. Jewell Scott and family, Mr. and Mrs. Carl Bodie, Mr. and Mrs. William Feldhaus and son, Mr. and Mrs. John Black and Bobby Glore.

She received many lovely and useful gifts. At a late hour all left wishing her many more happy birthdays.

Madison county farmers dug or cleaned 433 ponds for stock last year, bringing the total to 651.

FLORENCE

Several in this community received invitations to attend the preview showing of the new 1948 Ford Bonus Built Truck and the open house showing of the new Erlanger tractor building on Friday, January 16 from 7:00 to 10:00 p. m. of the Jos. A. Kuchle Co., of Erlanger.

SENDS DONATION

A few days before Christmas the following letter was sent to Mrs. Elizabeth G. Nestor, Executive Secretary of Boone County Chapter American Red Cross with a check enclosed for $10.00 from Miss Betty Littleford, Highway 42, Florence, Ky:

"My dear Mrs. Nestor,

"Just can't let Christmas go by without something to our wonderful Red Cross. Merry Christmas and Happy New Year to you and yours."

It is a fine thing to know that in the hustle and bustle of the Christmas season that someone had the thought of helping suffering humanity by giving to the Red Cross.

Your LOCKER PLANT is made for You

Your locker plant plays an important part in the food conservation program. It helps you do your part to prevent waste and spoilage, to spread short supplies over a longer period.

When you are ready to slaughter, don't risk losing your meat by changeable weather. Don't eat it until you are "tired of it."

Instead, eat only what you want and need. Let us process and freeze the rest. A few weeks from now, when meat is scarce, you'll be glad you did.

The predicted meat shortage will be a serious matter for your family. If you have no livestock ready for slaughter, let us fill your locker at low whole sale prices. Your foresight will protect the health of your family during the months ahead.

RESERVE YOUR LOCKER TODAY.

NOTICE TO TRUCK OPERATORS
LOAD LIMITS

In order to protect and save the roads of Boone County during the winter months, the Boone County Fiscal Court feels that it will be necessary to set a weight limit on loads carried by trucks over these roads during the wet winter months, and the load limit has been set at a weight not to exceed three tons over, and above, the weight of the truck.

It is, therefore, ordered by the Court that no truck shall carry a load in excess of three tons over and above the weight of the truck on any of the roads maintained by the Boone County Road Department during wet and soft times from this date to April 15, 1948.

The above restriction applies to all Rural Blacktop Roads and other County Roads, but does not apply to State or Federal Highways in the County.

PASTOR'S RESIGNATION

To the Saints of God at the East Bend Baptist Church:

"I, Carl J. Wainscott, tender my resignation as the undershepherd of this church to become effective (according to a former agreement) thirty days from the 28th day of December, 1947.

This resignation is offered for the following reasons only: (1). I have in the words of the Apostle Paul, "Heard the Macedonian call, 'Come over and help us.'" and have accepted the call to the Sadieville Baptist Church. I firmly believe the Spirit of God has led me to that field to win many of the hundreds who are lost, to Christ.

There are lost people on this field that I have been unable to win in the five years as your pastor. Therefore I believe I should move on and give the Spirit of God opportunity to work through another man in order that some of them might be saved.

I have witnessed a marvelous growth in you, have loved you and have been loved in return. I wish to leave this message on your hearts which the Apostle Paul has expressed so well in Philippians 1: 2-6: "Grace be unto you and peace from God our Father and from the Lord Jesus Christ."

I thank my God upon every remembrance of you, always in every prayer of mine for you all making request with joy for your fellowship in the Gospel from the first day until now. Being confident of this very thing, that he which both begins a good work in you will perform it until the day of Jesus Christ.

Every memory of you shall remain and grow more precious as the years pass.

Carl J. Wainscott.

BRING YOUR TOBACCO TO KENTON HOUSE

COVINGTON, KENTUCKY

SEAL OF APPROVAL

BURLEY AUCTION WAREHOUSE ASSOCIATION

JANUARY SALES DAYS 7-9-13-15-19-21-23-27-29

Because the re-drying plants cannot take away the tobacco fast enough, we like all other Burley Warehouses cannot sell but 1080 baskets per day. We have lots of room to take care of you and it is our business to see that you get the most for your crop for it has been that way for 30 years.

Because of sickness and necessary repair work to our Warehouse we could not get around to see each and every one of our friends. It costs no more to sell your tobacco with us and there will be plenty of room for your family too. Clean comfortable rest-rooms. We have been located for 30 years at the same location—1 block west of the Kentucky end of the Suspension Bridge on Route 25. When bringing your tobacco in ask for Herb Whiteley or Ed Galloway, who want to personally see that your crops are sold for the High Dollar... Remember, there is only one tobacco warehouse in Covington, Ky.

MAN RAISES HIS ARMS ABOVE HIS HEAD FOR FIRST TIME IN YEARS

A few days ago a man said the rheumatic pains in his arms and shoulders disappeared and now he can raise his arms above his head for the first time in years. He said the pains he used to have from this rheumatism were simply awful. Sometimes his knees and hips were stiff and sore but the pains were mostly in the back of his neck and across his shoulders. Now, however, his suffering is entirely gone and he says the change is due to taking TRU-AID. "Oh! What relief!", states this man. "Why don't other rheumatic sufferers get TRU-AID."

TRU-AID is a new formula. It contains Three Great Ingredients, so it is almost like taking three medicines in one. It goes right to the source of rheumatic aches and pains. Miserable people soon feel different all over. So don't go on suffering! Get TRU-AID. Elsmere Pharmacy of Elsmere and Dahlenburgs Drug Store of Erlanger; also Westerman Drug Store of Erlanger.

24 hours of electric service for the average family served by this company. (The average for 1947 was actually 11.6 cents.)

Although the average family served by this company is using 32% more electricity than in 1941, the average bill for home electric service has increased only slightly during the same period —from 11 cents to 11.6 cents per day.

Electricity remains cheap because so far rising production costs have been absorbed by increased use and careful business management. Your electric service today is more than ever your biggest bargain.

WEAK FEET AFFECT BODY

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
814-816 Madison, Covington

When feet are permitted to pronate inwardly, the bony structure of the foot goes down, shutting off the nerve and blood supply in the bottom of the foot. When you cramp or choke the blood stream and slow up circulation, there is a lack of bone repair; chemical deposits or waste matter form at the joints. Next inflammation sets in at these joints causing pain. That inflammation is often mistaken for rheumatism, arthritis and many other ailments. Altho when you cramp the blood supply you shut off the food supply to the nerves.

When nerves are impoverished muscle tone is impaired because sensory nerves indirectly control motor nerves which in turn control the muscles. When muscles in the feet have lost their tonicity due to impoverishment of the nerves, feet are no longer subconsciously held in normal position.

Surgical shoes give support to the vital arches in the feet releasing cramped nerves and blood vessels to promote better circulation. Gradually as circulation improves, muscles grow strong and regain their tonicity.

With foot health improved the person feels better all over. Research has shown that no less than eighty-seven diseases are indirectly caused by bad feet.

Don't take chances with your health, happiness and peace of mind. With foot comfort you'll live longer and feel better.—Adv.

CONSTANCE HOMEMAKERS

The January meeting of the Constance Homemakers was held at the home of Mrs. Henry Kottmyer Jan. 7th. The meeting was presided over by Mrs. Alice Kenyon president, with all standing committees reporting.

There were 19 members and one visitor present, Mrs. Clarence Peeno and son of Ludlow. Roll call was answered with "The New Year's Resolution, I kept last year." The members voted to send a delegate to Farm and Home Week.

The afternoon was spent working on leathercraft, five ladies starting on coin purses.

The next meeting will be at the home of Mrs. Gilbert Dolwick, Feb. 4th.

Mrs. Henry Kottmyer, Reporter.

Balbo rye seeded on tobacco land in September provided pasture in December for 18 head of cattle on the Bleemed Bros. farm in Bullitt county.

Jefferson county - Homemakers contributed $65 to the Old Folks Home and Sunshine Lodge at Christmas time.

From the Editor's Desk

AFL Chasing Rainbows

One of the strangest moves in Union Labor circles is led by William Green, head of AFL who has replaced John L. Lewis as the foe of the Taft-Hartley labor law. Green says he expects to raise a fund of at least $8,000,000 for the purpose of a political drive to unseat all members of Congress who supported the Taft-Hartley Act and to elect new members more favorable to labor. Major efforts also will be made in those States which have adopted measures restrictive of labor unions.

One unanswered question is whether the AFL will support a presidential candidate. The answer probably will not be forthcoming until after the Republicans and Democrats have nominated their candidates next summer.

Meanwhile, an AFL leader said that John L. Lewis, before he took his United Mine Workers out of the AFL last month, asked for the leadership of the political league as the price of peace.

The proposal was made after the October convention of the AFL when Mr. Lewis broke openly with federation leadership. When the Lewis suggestion met with silence at AFL headquarters, the miners' leader sent the blunt "We disaffiliate" not to Mr. Green.

Last week Mr. Lewis informed the 600,000 UMW members that the final break with the federation was caused by the "increasing hostility" toward the union of the "small group" of men who control the AFL.

Mr. Lewis was one of those primarily responsible for the establishment of the education and political organization.

Bankers Watching Their Step

The American Bankers Association has taken a sensible position in refusing to goose-step for the Federal Government, which is still overloaded with too many politicians who have too much imagination—and little else besides.

Fully fifteen thousand banks have carefully planned their own drive on inflation, and their program is to give credit to individuals and to organizations who are deserving of bank loans.

Put your bets on the banks.

• • •

There's A Reason

Labor leaders have lost most of their power in Congress. Make up your mind that strikes are already being controlled by law. That law is the Taft-Hartley Act. It has force, because it is fair and square to employers and employes and it will render justice to wage earners and their employers. That statement has already been proven—and the probabilities are that riotous and unnecessary strikes have had their day. Higher wages, higher prices and higher costs of living are "sisters under the skin."

Ain't We Got Money?

According to information from the Presidential Mansion in Washington our Nation needs an unlimited number of new schools, airports, and new highways running in all directions. This seems to be a serious matter as the figures indicate that $75,000,000,000 is necessary to put these Federal projects through.

• • •

Have A House

The United States Commerce Department publishes an estimate that about 950,000 new dwelling units—houses and apartments—will be started this year. A total of $4,439,000,000 was spent on home construction in 1947.

Appomattox Surrender House

Famous old "Surrender House" at Appomattox Court House, Virginia, is to be restored. This was the house in which General Robert E. Lee arranged on April 9, 1865, to surrender the Army of Northern Virginia to General Ulysses S. Grant, the act which virtually ended the Civil War.

The McLean House was torn in 1893. Constructed in 1848, this building served briefly as the setting for one of the momentous events in the history of the United States—the meeting between Lee and Grant.

STUDY CLASS TO BE HELD FEBRUARY 2 THRU FEB. 6

There will be a study class on the book of Ephesians starting on Feb. 2 through Feb. 6th at the home of Bro. A. B. Ligon. Services will begin each evening at 7:45. Bro. W. T. Gardner will lead the discussion.

Robt. Brown, Burlington, will be the guest speaker at the Bullittsburg Church on February 8th at 8:00 p. m.

HOMEMAKERS WILL MEET IN BURLINGTON

A training class in leather tooling will be held Monday, February 2nd, in the courthouse at Burlington. Two leaders from each club have been asked to attend, according to Mary Hood Gillaspie, Home Demonstration Agent.

Coin purses started at the first training class will be completed and billfolds, belts and larger purses will be started by leaders.

This lesson will be given in local clubs during February. Over one hundred coin purses were started at January meetings.

LARGE TOBACCO CROP SELLS FOR $55.14 AVG.

M. F. Judy, of Burlington, R. 1, sold 8120 pounds of tobacco at the Carrollton Tobacco Warehouse Co., Inc., Carrollton, Ky., on January 13 for an average of $55.14. This crop was grown on a 6-acre base.

FLORENCE CLERK IS HONORED WED.

WITH SURPRISE PARTY AT ACACIA INN—MRS. SAYRE HAD PRESENTED RESIGNATION ON TUESDAY.

Florence officials honored their retiring Town Clerk, Mrs. Mabel Sayre, at a surprise testimonial dinner Wednesday night of last week at Acacia Inn, Florence. Mrs. Sayre, who is 76 years old, was presented with a radio as a token of appreciation for her many years of faithful service.

She presented her resignation at the Town Board's last regular meeting and board members accepted the resignation with regret.

Despite the fact that she has passed the three score and ten mark, Mrs. Sayre is active and has taken a leading role in Florence civic affairs. She is the widow of Dr. Frank Lee Sayre, who was a pioneer physician in Boone County. She has one son, Francis Sayre, and a grandson, both of Florence.

Throughout her years as Town Clerk, Mrs. Sayre always kept the tax list "up to the minute," Florence officials say. She is ready to vouch that Florence is one of the best-governed towns in Kentucky or any other state.

Mrs. Sayre has many anecdotes of Florence history, because she has watched the town grow from "Stringtown On the Pike," a name immortalized by the late John Uri Lloyd in his book of that name, to its present size.

She is a member of the Florence Homemakers and of the Red Cross, an ardent theatergoer and is an authority on the dramatic arts.

A resident of Florence since 1868, Mrs. Sayre plans to remain in the bustling town at the junction of U. S. 42 and U. S. 25. She has been importuned by many citizens to write a book of Boone County anecdotes and is "thinking about it."

Those attending the dinner on January 20 were: Clifford Coyle, Mr. and Mrs. Alfred Becker, Mr. Mr. and Mrs. Geo. R. Scott, Dr. and Mrs. John Bustetter, Mr. and Mrs. Wm. Fitzgerald, Mr. and Mrs. Bob Eads, Mr. and Mrs. Ervin Bramlage, Mr. and Mrs. O. G. Loomis, Mr. and Mrs. Clarence Weinig, Mr. Ben Doane, and of course, Mrs. Mabel Sayre.

Mr. and Mrs. H. N. Ockerman and sons were dinner guests Sunday of Mr. and Mrs. Clarence Wolfe and Lelah.

REVENUE EXPERT TO VISIT COUNTY

FOR PURPOSE OF ASSISTING TAXPAYERS IN FILING THEIR FINAL 1947 RETURNS AND ESTIMATES FOR 1948.

Collector of Internal Revenue, R. S. Glenn, announces that a deputy, from his office will visit Walton, February 11 through February 13, and Burlington, February 16 thru February 19th, 1948 for the purpose of assisting taxpayers in filing their final 1947 returns and their estimated returns for the year 1948. The returns should be filed by March 15, 1948.

Mr. Glenn says that his deputy is familiar with the laws and is being sent here to be of service to the taxpaying public. The service is absolutely free. Collector Glenn urges the taxpayers of this county to see the deputy and let him help them with their income tax problems.

RECOMMENDATION MADE TO SENATE

TO INCLUDE TOBACCO IN SHIPMENTS TO FOREIGN COUNTRIES UNDER THE MARSHALL PLAN.

A letter received from Rep. Brent Spence last week, states that the State Department has now recommended to the Committee on Foreign Relations of the Senate which is holding hearing on the Marshall plan that tobacco be included in the shipments under that plan as follows: April-June, 1948, $52,500,000; 1948-49, $210,000,000; 1949-50, $217,400,000; 1950-51, $215,600,000; 1951-52, $215,600,000; total $911,100,000.

Mr. Spence writes: "It has long been my opinion that tobacco should be included as incentive goods under the Marshall Plan for foreign aid. Incentive goods are those which would have the tendency to increase production and promote contentment. I have done everything I could to assist in achieving that result."

The State Department only made the recommendation and no bill has been reported, but Mr. Spence reports that real progress is being made in the matter, which is of vital interest to the tobacco growers of Kentucky.

Mr. Spence further stated, "I am confident that if a foreign market is once established it will be permanent and will grow in importance with the years."

LOCAL LADY VISITS EDISON HOME IN FLORIDA

Among the visitors who toured the Thomas A. Edison Winter Home at Fort Myers, Fla., recently was Mrs. Robert E. Grant, of Burlington, Ky., R. 1.

The Edison Home, with its adjoining laboratories and extensive botanical gardens, was presented to the City of Fort Myers by the inventor's widow, Mrs. Mina Miller Edison, a few months before her death last August. In November it was opened to the public for the first time since Mr. Edison chose his winter homesite in 1886.

FARM BUREAU WILL MEET FEBRUARY 3RD

Directors of the Boone County Farm Bureau will meet at 8:00 p. m. February 3rd in the County Agent's office in Burlington.

Directors are asked to bring with them to the meeting five farmers in their community who will help with the 1948 membership drive.

Mr. Jim Ownby, field agent of the Kentucky Farm Bureau, will be present to help start the drive.

STATE HOMEMAKER MEET SCHEDULED

FRIDAY AT LEXINGTON—TEN BOONE COUNTY HOMEMAKERS WILL ATTEND FOUR-DAY SESSION.

The Kentucky Federation of Homemakers will hold their annual meeting Friday, January 30th at Lexington, according to Mary Hood Gillaspie, Home Demonstration Agent. The morning program has been planned for Memorial Hall, University of Kentucky. This will be followed by the annual Homemakers luncheon at the Student Union Building.

The fourteen homemakers who went to the Associated Country Women of the World meeting in Amsterdam, Holland last September will tell about their trip during the morning. Guest speaker selected for the luncheon is W. R. Lee, of the General Motors Corporation.

Ten Boone County Homemakers will attend the four-day Farm and Home Week meeting. Others plan to drive down for the Friday meeting.

PLANNING MEETINGS ARE SCHEDULED

Four community planning meetings will be held in the coming week, according to Bill Davis, County Agent.

Meetings are scheduled in the following communities: Walton, Friday, January 30th, 8:00 p. m. in the schoolhouse; Florence, Monday, February 2, 8:00 p. m. in the Town Hall; Grant, Tuesday, February 3, 8:00 p. m. in the school house; Burlington, Wednesday, February 4, 2:00 p. m. in the courthouse.

Farmers and leaders in these communities are urged to attend.

BURLINGTON STUDENTS TO BE HEARD OVER WZIP SATURDAY, JANUARY 31

Five students of the Burlington School, with Mr. Edwin Walton, acting as moderator, will participate in a round-table discussion of club activities of the local school over radio station WZIP Saturday afternoon, January 31, according to Mr. Ralph Maurer Journalism teacher at Burlington.

Students taking part and the club represented are Joe Smith, Future Farmers and 'B' Club; John Brady Walton, Future Farmers; Cordelia Kelly, Home Ec Club and Glee Club; Dorothy Brown, Rifle Club and Leland Sullivan, Library Club and Journalism Club.

THOMAS EMERY

Thomas Ebery, 49, of Walton, died Friday at St. Elizabeth Hospital, Covington where he was taken Saturday after being injured in an auto accident near Walton.

Mr. Emery was a maintenance worker on the Southern Railroad. He was struck by an automobile driven by Robert Sullivan, 22, of Walton. The victim suffered a skull fracture and multiple rib fractures.

EUGENE RIDDELL

The body of Eugene Riddell, 76, retired farmer, was found Sunday in his home on Burlington Pike near Florence by Chester Brown and Emil Hoffman, neighbors.

H. E. White, Boone County magistrate, who investigated the death said Riddell had been dead more than a day. Death was believed caused by a heart attack.

Mr. Riddell was a native of Gallatin County but had lived near Florence for 15 years. He was a member of the Glencoe Baptist Church.

He is survived by two daughters, Mrs. Paul Cain, Covington and Mrs. Nellie Weaver, Dayton, Ky.; 11 grandchildren and one great-grandchild.

Ralph Stith, Florence funeral director was in charge of funeral arrangements.

MRS. LAMIRA ROUSE

Mrs. Lamira Jane Rouse, 77, lifelong resident of this county, died Thursday at the home of her son, Robert B. Rouse, Florence. She was a member of Florence Christian Church.

Besides her son, she is survived by a grandson, Robert M. Rouse, Lakeside Park, Kenton county.

Funeral services were held Saturday afternoon at 3 p. m. in Florence Christian Church. Burial was in Florence Cemetery.

Philip Tallaferro, Erlanger funeral director was in charge of arrangements.

SALE POSTPONED DUE TO INCLEMENT WEATHER

The large livestock, implement, feed and household goods sale, advertised in last week's Recorder by Boss Clifton for Saturday, January 24 was postponed due to inclement weather. The sale, however will be held Saturday, January 31 at the Ben Tanner farm, Gunpowder, about 2½ miles south of Florence, Ky., at 10:00 a. m.

Listed on the bill are five milk cows, implements of all kinds, 500 bushels of corn, a lot of hay, and numerous household items.

A complete advertisement will be found on another page of this issue. Lunch will be served on the grounds.

Col. Lute Bradford & Co., will be in charge of the sale.

4-H'ERS HOLD LEAF SHOW

The first Pennyroyal District 4-H burley show and sale at Hopkinsville was participated in by 36 members from Christian, Todd, Trigg, Logan and Caldwell counties. They sold a total of 28,556 pounds of tobacco for $13,072.93, or an average of $45.78 per hundredweight. The highest basket sold for $80 per hundred pounds. Prize money of $150 to the youthful growers was contributed by the Hopkinsville-Burley Tobacco Board of Trade.

NOTICE

The Boone County Band will hold their regular practice at the Burlington High School auditorium Monday evening, February 2nd at 8 P. M.

W. H. Burress, Jr., of Taylor county increased his hybrid corn yield from 72 bushels last year to 113 bushels for the county championship.

FEED MEETING IS ANNOUNCED

DEMONSTRATIONS WILL BE FEATURED WEDNESDAY, FEBRUARY 11TH — INTERESTING SPEAKERS ON PROGRAM.

Three companies serving the needs of Boone County farmers have joined in making possible a feed meeting at the Florence high school on Wednesday, February 11 at 7:00 p. m., it was announced this week.

Companies responsible for the meeting are Hodder & Ruppert, of Burlington, Colonial Coal & Supply Co., of Erlanger and Walton Feed Mills, of Walton.

Featured during the evening will be movies, poultry demonstration, cattle and hog demonstration and a calf demonstration.

O. S. Taylor, district manager of Southern District for McMillen Feeds will explain feeding cattle and hogs for profit. Max Kernen, district manager for the State of Kentucky will give a poultry demonstration.

One of the features of the evening which will be of interest to many 4-H club members will be the demonstration of Paul Jackson, famous dairy and cattle judge, formerly with Breezy Hill Dairy Farm in Ohio who will show how to feed and show calves.

Four-H, and Utopia Club members as well as all farmers thruout this section are urged to attend this meeting. You are urged to bring plenty of questions and problems as experts will be present to give you correct answers.

A complete advertisement appears on another page of this issue.

GARDEN CLUB WILL MEET FEBRUARY 3

The Homemakers Garden Clubs of Boone County will hold their monthly meetings Tuesday, February 3rd. Meetings will be held at the home of Mrs. R. C. Garrison, Burlington, and the Florence Town Hall. Both will be at 1:30 p. m.

During 1948, the garden clubs are planning to hold eight monthly community meetings and four county-wide meetings. The officers of the club hope by holding community meetings more people will be able to take advantage of the programs.

Any one interested in flowers is invited to attend either of the February meetings.

JANUARY, FEBRUARY EACH HAVE TWO LEGAL HOLIDAYS

January and February each have two legal holidays. January 19 was Robert E. Lee's birthday and January 30th is Franklin D. Roosevelt's birthday. February 12 is Lincoln's birthday and February 22nd is Washington's birthday.

Inasmuch as February 22nd falls on Sunday, the next day, Monday, is a legal holiday. All banks in Kentucky will be closed on these days.

OWSLEY CORN WINS AT CHICAGO SHOW

Proof that good hybrid corn was produced in Owsley county was indicated when two young farmers exhibited corn at the International Grain and Hay Show held in Chicago. Edward Harvey of Booneville won third place with his 10-ear display of Ky. 203 corn. He produced 125.9 bushels to the acre. In the same show, Stanley Reynolds, whose yield was 115 bushels to the acre, placed fourth, said Farm Agent H. M. Williams.

UTOPIA NOTES

On January 22, 1948 the Utopia Club met at the County Agents office with fourteen members and two visitors present.

The program for the year was read and approved by the club.

There was quite a lot of new business discussed as this was the beginning of the new year. It was voted that we have yearly dues to be paid before Fair time, if dues are not paid by that time and you have not been present at least four meetings from one August until the other you will not be eligible to compete in the Utopia Group at the Fair.

Definite plans were made for a Valentine Dance to be held by the club, watch the Recorder for the place and don't forget the date February 14, 1948.

Some discussion was had in regard to organizing a Jr. Utopia Club, ages 19 to 25 inclusive, this will be taken up in February.

WALTON MAN ENTERS BASIC OFFICER TRAINING

First Lieutenant Paul A. Robinson, R. R. 1, Walton, son of Mr. Walter P. Robinson of the same address, entered a four weeks Basic Officers Training Course at the Medical Field Service School, Brooke Army Medical Center, Fort Sam Houston, Texas, this week.

This is his first assigment to active duty since completing his medical education under the Army Specialized Training Program. The course he is now taking is a highly concentrated one, preparing Reserve Officers for their responsibilities as Regular Officers in the Medical Corps.

PASTOR WILL RETURN FEB. 8TH

Members of the Union, Richwood and Lebanon churches are notified that Rev. Hopkins will be at home from Florida, for services February 8th, 1948.

RIVER TRAFFIC IS HALTED MONDAY

AS RIVER FREEZES OVER—ICE MASSES SHOW LITTLE MOVEMENT — STREAM FREEZING SOLID.

Traffic on the Ohio River came to a halt Monday as the temperature continued to remain near the zero mark. Ice floes which had concentrated into huge masses were showing little movement, according to the U. S. Weather Bureau and the stream was freezing solid from bank to bank and was expected to freeze over for the first time since 1940.

The last shipping movement on the river was the towboat Edward B. Warner with a tow of four barges loaded with gasoline bound for Cincinnati. Approximately 20 barges, several bearing coal for the Cincinnati area, were forced to tie up at New Richmond. The river was immobolized from Paducah to Steubenville, O.

A huge ice gorge was reported in the Ohio just below Carrollton which may force the lowering of wickets on the dam at Madison, Indiana.

Roads Slippery

Snow falling throughout this section, slowed traffic on the main highways. However, few accidents have been reported at this writing, and those reported have been of minor nature.

State road crews have been very busy scraping main highways thruout the county and traffic has continued to move throughout this section.

4-H ORGANIZATION MEETS SCHEDULED

SIX MEETINGS ANNOUNCED FOR FIRST WEEK IN FEBRUARY, ACCORDING TO COUNTY EXTENSION OFFICE.

The organization meetings of the Boone County 4-H clubs have been scheduled for February, according to the Extension office.

Meetings scheduled for the first week in February are: Burlington, Tuesday, February 3rd, 9:00 a. m.

St. Pauls, Wednesday, February 4th, 9:00 a. m.

Burlington Colored, Wednesday, February 4th, 10:30 a. m.

Florence, Thursday, February 5, 9:00 a. m.

Grant, Friday, February 6th, 9:00 a. m.

Petersburg, Friday, February 6th at 10:30 a. m.

Members of last year's clubs are urged to contact other boys and girls who might be interested and bring them to the meeting.

TAILORING CLASS WILL BE HELD FEBRUARY 17-20

Homemakers of Boone County are planning to do something very definite about conserving money on clothing. A tailoring class has been scheduled for February 17-20, according to Mary Hood Gillaspie, Home Demonstration Agent. During the four-day period, each homemakers in attendance will make a coat or suit.

Miss Verna Latzke, clothing specialist, University of Kentucky, will conduct the class. The class has been limited to one homemaker from each club. These homemakers will assist any one interested in tailoring in her local community later in the spring.

HEBRON CARDINALS CONTINUE STREAK

BY DEFEATING NEW HAVEN FRIDAY NIGHT BY SCORE OF 53-44—EAGLES UPSET BY WALTON BEARCATS TUESDAY.

Hebron's Cardinals continued their mastery over Boone Conference teams last Friday as they won their fourth league game—a 53 to 44 win over New Haven at the Union School. Led by McGlasson, who rung up 22 points, the Cards romped rather easily after being on the short end of a 9-6 first quarter count. Toadvine and Carver added 22 points more for the winners as Knox and Weaver led the losers with 11 each.

Walton's Bearcats figured in two upsets last week—one when they upset Burlington in a loosly played contest by a 35-33 count at Walton Tuesday nite, and two when they lost 38-36 to Florence on Friday nite.

In the Eagle-Bearcat encounter both teams were off usual form. Todtenbier with 17 and Cropper with 10 lead the Eagles while Vest and Simpson topped the Bearcat parade.

The Cats fresh from this victory were not enough for the rejuvenated Knights and lost their second of the season to the Florence five. The score was 38-36. Vest again led Walton with Rouse and Lipscomb being high for the Knights.

Monday nite of this week St. Henry's Crusaders clipped the Bearcats 45-33 in another mild upset. The game was played at Erlanger.

Games this week will be featured by the Hebron-Burlington tussle at Burlington Friday nite. Odds favor the leading Cards since they have twice defeated the Eagles but this game is always a natural and coach Maurer has been putting special emphasis on this game and says his team will be at a peak for the battle.

New Haven will attempt to get back in the win column against Bob Tanner's Florence five at Florence Friday nite. This too should be a thriller since their former battles this season have been hair-raisers.

FLORENCE P.-T. A. WILL PRESENT "BLOODY BUCKET"

The Florence P.-T. A. will sponsor an evening of fun Thursday, Jan 29th at 8:00 at the school auditorium when the Juniors and Seniors of the Florence high present a play entitled "Bloody Bucket."

Also the same evening the Freshman class will present a playlet "Always a Gentleman." Homemade candy will be sold. Admission, reserved seats 50c; general admission 35c; children 25c.

FLORENCE YOUTH INITIATED INTO ALPHA CHAPTER OF SIGMA PHI

Harry K. Daugherty, son of Dr. and Mrs. Harry R. Daugherty, of Florence has been initiated into Kentucky Alpha Chapter of Sigma Phi Epsilon social fraternity at the University of Kentucky.

A graduate of Lloyd High School he is a freshman in the College of Arts and Sciences at the university.

Sigma Phi Epsilon was founded at the University of Richmond, Va., in 1901. The U. K. chapter, one of 73 national chapters, was installed on the campus in 1933.

TOBACCO MEETING SET FOR FEB. 5TH

RUSSELL HUNT WILL PRESENT VALUABLE INFORMATION TO BOONE COUNTY GROWERS ON SEVERAL POINTS.

Mr. Russell Hunt, tobacco specialist from the College, will meet with growers at the courthouse in Burlington on February 5th. The meeting will start at 2:00 p. m., according to Bill Davis, County Agent.

Mr. Hunt, one of the best known authorities on burley tobacco, will present valuable information to Boone County growers on varieties, cultural practices, fertilization and diseases.

Everyone is invited to attend the meeting.

Mr. and Mrs. Lamar Congleton entertained with a shower at their home last Friday evening in honor of Mr. and Mrs. James Maxwell.

EXAMINATIONS ANNOUNCED

The Civil Service Commission announced today that it is accepting applications for Student Nurse training at St. Elizabeths Hospital in Washington, D. C., and for Adjudicator positions in the Veterans Administration in Washington, D. C., and throughout the United States.

Student Nurses at St. Elizabeths Hospital, one of the nation's outstanding psychiatric hospitals, receive $752 for the 3-year training period, plus quarters, subsistence, laundry, and medical attention. To qualify, applicants must have been graduated from an accredited 4-year high school and must have completed at least 16 units of study, including 4 units of English, 2 units of mathematics, 2 units of science, and 2 units of social studies. Senior students who expect to complete the required course not later than August 30, 1948, may apply. Age limits are from 17½ to 35 years. A written test is required.

The salaries for the Adjudicator positions range from $4,149 to $7,102 a year. To qualify, applicants must have had from 5 to 7 years of general and special experience. The general experience must have been in legal or quasi-legal activities in Government, business, or industry. The special experience must have been highly responsible experience in the examination or adjudication of claims arising under law, contract or Government order. In addition, for the three highest grades, applicants must show that they have had administrative or supervisory experience. Appropriate law study or membership in a bar may be substituted for part of the general experience. No written test is required.

Full information and application forms may be secured at most first and second-class post offices, from civil service regional offices, or from the U. S. Civil Service Commission, Washington 25, D. C. Applications for the Student Nurse examination must be received in the Commission's Washington office not later than March 9, 1948. Applications for the Adjudicator examination must be received in the appropriate Veterans Administration Branch Office not later than February 24, 1948. Announcement No. 86 explains fully how to apply for this examination and gives the addresses of the VA branch offices.

HICKMAN FARMERS SPREAD PHOSPHATE

Five years ago, only one carload of rock phosphate was used on pastures in Hickman county. In 1947, 37 cars were used and this year it is predicted farmers will buy 50 carloads. According to Farm Warren Thompson, the program is one of the most outstanding undertaken by farmers in that county. Most of the phosphate was used at the rate of 1,000 pounds per acre as a top dressing on legume and grass pactures and hays. Check plots indicated as high as 100 percent improvement.

Fifty-six 4-H clubs have been organized in Carter county, with 1,117 boys and girls enrolled.

In Logan county, homemakers reported having cured 6,955 pounds of pork in December.

FLORENCE

Relatives here of Mr. and Mrs. Elbert Wilson, of Verona, who were married recently, received invitations to a shower given in their honor at the home of Mr. and Mrs. Lawrence Farrell. Mrs. Wilson was formerly, Mrs. Sheba Finnell.

Miss Kathryn Berry, of Erlanger, was entertained at dinner by Miss Jean Carpenter on Wednesday evening.

Mrs. Geo. Markesbery is confined in Christ Hospital, Cincinnati, where she underwent an optical operation. Her friends are hoping her sight will be greatly improved.

Joe Melman is assisting his brother-in-law Bud Gallenstine as clerk in the latters grocery and meat market formerly owned by Mr. and Mrs. Clayton Brown, of Dixie Highway.

Mr. and Mrs. Bert Markesbery are erecting a dwelling on Route 42 near Gunpowder.

Due to the slippery condition of the street, L. D. Oliver, of Price Road was involved in an accident at the intersection of a bridge crossing the Ohio River, when a car skidded into his car ripping off both left fenders. There were no injuries to the occupants, however.

Friends of Jack Renaker are glad to see him out again, after a siege of illness.

Mrs. Sydney Ambrose is not so well at her home on Kenton Drive.

C. G. Stephenson departed Monday evening for Chicago, to spend a couple of days transacting business in connection with the Consolidated Telephone Co.

Miss Elnora Commins was visiting her aunt, Mrs. Mary Carpenter on Tuesday night of last week.

Funeral services for Mrs. Jane Rouse were conducted Sunday afternoon at the Florence Christian Church. Rev. R. H. Carter was the officiating minister assisted by Richard Dawson. The deceased is survived by her son Robt. Rouse, a grandson, Robt. Rouse, Jr., and other relatives. Sympathy is extended to the family in their bereavement. Interment was in Florence Cemetery. The Philip Taliaferro funeral home of Erlanger had charge of arrangements.

Guests of the J. T. Stephenson on Sunday were Mr. and Mrs. Dave Wingate, Mr. and Mrs. Clayton Brown, Mr. and Mrs. Donald Brown and E. Wayne Brown.

The W. S. C. S. of the Florence Methodist Church will meet at the home of Mrs. Harry Daugherty on Tuesday, February 3 at 2:00 p. m.

Homemakers in Boone county canned 60,550 quarts of food and stored 22,400 pounds in freezer lockers.

GARDENER DISCUSSES HOTBEDS, COLD FRAMES

A Kentucky College of Agriculture circular written by John S. Gardener tells how to make and use hotbeds and cold frames to get plants off to an early start. Full directions are given for making hotbeds to be heated by manure, flues or electricity, and how to operate them for best results. Also discussed is the use of cold frames in connection with hotbeds. Copies of the circular may be had at offices of county agents and home demonstration agents, or by writing to the college at Lexington.

Lee county farmers used 2,000 tons of crushed lime, 400 tons of superphosphate, 30 tons of ammonium nitrate and 40 tons of raw rock phosphate last year.

Approximately 30,000 board feet of red and white oak were marked for harvest on 25 acres on the Sam Gold farm in Marshall county.

NOTICE TO TRUCK OPERATORS
LOAD LIMITS

In order to protect and save the roads of Boone County during the winter months, the Boone County Fiscal Court feels that it will be necessary to set a weight limit on loads carried by trucks over these roads during the wet winter months, and the load limit has been set at a weight not to exceed three tons over, and above, the weight of the truck.

It is, therefore, ordered by the Court that no truck shall carry a load in excess of three tons over and above the weight of the truck on any of the roads maintained by the Boone County Road Department during wet and soft times from this date to April 15, 1948.

The above restriction applies to all Rural Blacktop Roads and other County Roads, but does not apply to State or Federal Highways in the County.

3 Unions Block Labor Peace—Refuse Wage Boost Already Accepted by 19 Other Railroad Unions!

The Brotherhood of Locomotive Engineers, Brotherhood of Locomotive Firemen and Enginemen and the Switchmen's Union of North America, representing 125,000 railroad employes, have refused to accept the offer of the Railroads of a wage increase of 15½ cents an hour.

This is the same increase awarded 1,000,000 non-operating employes by an arbitration board in September, 1947.

This is the same increase accepted by 175,000 conductors, trainmen and switchmen by agreement on November 14, 1947.

Agreements have been made with 1,175,000 employes, represented by nineteen unions. But these three unions, representing only 125,000 men, are trying to get more. They are demanding also many new working rules not embraced in the settlement with the conductors and trainmen.

Incidentally, the Switchmen's Union of North America represents only about 7% of all railroad switchmen, the other 93% being represented by the Brotherhood of Railroad Trainmen and covered by the settlement with that union.

Strike Threat

The leaders of these three unions spread a strike ballot while negotiations were still in progress. This is not a secret vote but is taken by union leaders and votes are signed by the employes in the presence of union representatives.

When direct negotiations failed, the leaders of these three unions refused to join the railroads in asking the National Mediation Board to attempt to settle the dispute, but the Board took jurisdiction at the request of the carriers and has been earnestly attempting since November 24, 1947, to bring about a settlement. The Board on January 15, 1948, announced its inability to reach a mediation settlement. The leaders of the unions rejected the request of the Mediation Board to arbitrate. The railroads accepted.

What Now?

The Unions having refused to arbitrate, the Railway Labor Act provides for the appointment of a fact-finding board by the President.

The railroads feel it is due shippers, passengers, employes, stockholders, and the general public to know that throughout these negotiations and in mediation, they have not only exerted every effort to reach a fair and reasonable settlement, but they have also met every requirement of the Railway Labor Act respecting the negotiation, mediation, and arbitration of labor disputes.

It seems unthinkable that these three unions, representing less than 10 per cent of railroad employes, and those among the highest paid, can successfully maintain the threat of a paralyzing strike against the interest of the entire country—and against 90 per cent of their fellow employes.

The threat of a strike cannot justify granting more favorable conditions to 125,000 employes than have already been put in effect for 1,175,000, nor will it alter the opposition of the railroads to unwarranted wage increases or to changes in working rules which are not justified.

A glance at the box shows what employes represented by the Engineers and Firemen make. They are among the highest paid in the ranks of labor in the United States, if not the highest.

Compare these wages with what you make!

Here is a comparison of average annual earnings of engineers and firemen for 1939 (pre-war) and 1947. Also shown is what 1947 earnings would have been if the 15½ cents per hour increase, offered by the railroads and rejected by the union leaders, had been in effect throughout the entire year 1947.

BURLINGTON ROAD HOMEMAKERS MEET

The January meeting of the Burlington Road Homemakers was held at the home of Mrs. Leo Lawson on the 15th. At this meeting all members with the exception of two were present. Mrs. Brady Johnson was a guest for the day.

The business session in the morning included making further plans for the attendance of the delegates to Farm and Home Week. Plans were also made to make up a Friendship Box to send to an unfortunate person in an European country. This box will be made up of necessities that people overseas are needing so badly.

No one has been selected as yet to attend the 4-day sewing session to be held later on in the spring. This will be taken care of at the February meeting.

Mrs. Joe Dringenburg continued the discussion on Kentucky by bringing information on several State Parks.

After lunch Mrs. John Kyle and Mrs. Robert King, leaders on Handicraft, demonstrated how to make leather coin purses with the help of these leaders and Miss Gillaspie, who had necessary materials, each member started on a coin purse. These will be finished at the next meeting, which will be held February 12 at the home of Mrs. Roberta King.

$20 FOR CALF GIVES 4-H BOY GOOD START

From an investment of $20 in a grade Jersey heifer in 1943 Leon Davis, a 4-H club boy in Edmonson county, figures he has made $1,100, according to his story told to County Agent Stanley A. Hager.

He kept the grade heifer until she calved and then sold her and her calf for $150, which he invested in a bred registered heifer. From this start he has built up a herd which is furnishing milk and bull calves to sell. He now has $200 in the bank, two cows, three heifers and a bull.

HAMILTON

Wednesday evening thirty-eight friends surprised Mr. and Mrs. S. B. Kemper and sons William and Sandford, bringing refreshments with them for a social time before they leave our community to move to Glencoe. These fine christian people will be missed here.

We are glad to report Roy Pitcher was able to go back to work Friday after receiving cuts in an auto accident Saturday.

Victor Hamilton called on Mr. and Mrs. Harry Huff Sunday.

Sarah Belle Wood of Georgetown spent the week end with her parents Mr. and Mrs. Alva Wood and returned to Georgetown Sunday.

There is plenty of ice in the river at Hamilton but not entirely froze over.

Dr. Huey was called Tuesday to see Mrs. Dorothy Wood who is suffering from tonsilitis. She is some better at this writing.

Mrs. Mable Readnour called on Mrs. Georgia Ryle Thursday.

Harry Trapp hauled hay from Steele's Bottoms for Lewis Ryle last week.

MAKES BIG PROFIT ON DAIRY PROJECT

Wayne Smith, Green county 4-H club boy, last year made a good profit in nine months on his dairy project. In March, young Smith bought a Jersey cow with calf by her side for $150. At the end of the year, he had sold 5,700 pounds of milk, or 269 pounds of butterfat for $231.85. Hauling expenses and feed costs amounted to $81.85, leaving him a profit of $150 plus a good yearling heifer valued at $100.

DRAIN WET LAND

Forty-nine Elliott county farmers have had bottom lands surveyed and have installed 72,000 feet of tile, bringing back into cultivation 420 acres of rich land. Much of this land had not been cultivated in years, according to County Agent Edgar Rice.

LIGHTS FOR HEN HOUSE

Mrs. Walter McKay of Clinton county reported to Farm Agent D. E. Salisbury that her flock of 138 hens produced 24.4 eggs per hen in a month. Housed Sept. 1 the birds have been fed yellow corn, laying mash and oystershell. Electric lights have been used at night and in the morning.

$50,000 SCHOLARSHIP FUND FOR UNIVERSITY

A $50,000 scholarship fund for students in the University of Kentucky College of Agriculture and Home Economics has been established by Jesse H. Jones, financier, and Mrs. Jones, of Houston, Texas.

A total of $5,000 a year will be made available to Kentucky boys and girls who otherwise could not go to college, with not more than $500 a year going to any one student.

Mr. Jones lived in Logan county, Kentucky, during his early boyhood.

GOOD HALF-ACRE

James H. Jones, Negro farmer in Glensfork neighborhood, Adair county, grew 1,144 pounds of burley on slightly less than a half-acre. The crop followed a heavy bermuda grass sod, with an application of 500 pounds of fertilizer and some manure.

LAND ONCE POOR NOW GROWS GOOD PASTURE

How poor land can be made to produce good pasture was seen by 180 Daviess county farmers on a 35-mile pasture tour last season. Here's what County Agent J. E. McClure said about it:

"The thin land pasture on the farm of Otis Haselrigg is an excellent demonstration of what can be done by a farmer who has the will, even if cash is short and tractor equipment available. His eight-acre pasture provided abundant forage for eight Jersey cows in milk from May 1 to Sept. 15. The land was so poor that the last crop of corn and cowpeas was hardly worth harvesting the year before the grass was seeded. The field was given a nitrogen treatment in early spring."

"BLESSING ON THE DAY I FOUND TRU-AID"—HER RHEUMATIC PAINS END!

One lady recently took TRU-AID three days and said afterward that she never would have believed such a "wonder medicine" existed. She says she couldn't raise her left arm more than a few inches. Rheumatic pains afflicted the muscles of her shoulder and arm. She could hardly move the fingers on her left hand. Now this lady's rheumatic pains are gone since she got TRU-AID and she says she can use her left arm as well as her right, in fact she says she simply blesses the day she got this medicine and she feels like an altogether different woman.

TRU-AID is the new liquid formula containing three valuable medical ingredients. These Three Great Medicines, all blended into one, go right to the very cause of rheumatic and neuritic aches and pains. Miserable people soon feel different all over. So don't go on suffering! Get TRU-AID. Elsmere Pharmacy of Elsmere and Dahlenburgs Drug Store of Erlanger; also Westerman Drug Store of Erlanger.

CARD OF THANKS

Through the Recorder and its staff I want to thank the neighbors, friends and relatives for their kindness and help in every way rendered during the illness and death of my father.

William Merti Rector

I want to thank the flower girls; Virginia Stevens for the lovely music; Bro. Burkett for the songs the kind and consoling words—they will never be forgotten. Especially do I want to thank Chambers and Grubbs for their hospitality shown us a tiheir home and conducting services; to the pallbearers I am most grateful; I want to thank the members of the Christian Church for the courtesy shown us for the use of their church. 1tc

ANNOUNCEMENT

To All Members of New Bethel Baptist Church, Verona, Ky.

There will be a business meeting at the church on Sunday, February 1st at 2:30 p. m. to discuss and vote on the following: "Shall the church building known as Old Bethel be disposed of and the proceeds or materials from such be incorporated into the present rebuilding plans of New Bethel Baptist Church?"

All members are urged to attend this meeting. 29-2p

MORE BORER DAMAGE TO KENTUCKY CORN

Increased damage by the European cornborer to the 1947 Kentucky corn crop is reported from the University of Kentucky Experiment Station at Lexington. The worm was found in several counties where it had not been seen before, and is now thought to be working in probably two-thirds of the counties in the state. It has not been reported in the Purchase area of western Kentucky nor in the extreme southeastern part of the state.

Damage was especially heavy last year in corn in the Blue Grass region. An average of four worms per stalk was found in Woodford county, where considerable breakage of stalks was reported. An average of two worms per stalk was found in Fayette county and the northern part of Nelson county. Several farmers entered in the Kentucky corn derby reported extensive breakage of stalks.

Efforts to control the cornborer include dusting with chemicals called DDT and ryania. Their use has given good results, especially on worms in sweet corn. In some states airplanes have been used extensively to dust corn.

The Experiment Station also has liberated several insect parasites of the cornborer, furnished by the Federal Bureau of Entomology and Plant Quarantine. Evidence has been found which indicated that several of these insects are now well established.

Twenty contestants in the Pike county corn derby averaged 86 bushels to the acre, or more than three times the county average.

NOTICE

Under authority of an order of the Railroad Commission of Kentucky of date January 14, 1948, the operation of passenger trains Nos. 101 and 104 between Louisville and Cincinnati will be discontinued, effective February 1, 1948.

SMOKED HAMS

Delicious hickory-smoked hams and bacon can be yours at moderate cost—with no chance of losing them by a cure which fails to "take!"

At current prices, loss of even one ham is a serious matter. Why risk bone-rot and spoilage from changeable weather? In our refrigerated rooms, we make our own "weather." Controlled temperatures and modern, sanitary equipment protect your meat during the entire curing and ripening process.

If you have none ready for cure, let us buy hams and bacon for you at wholesale prices, cure them, and put them in your locker—whole or sliced, as you prefer.

24 hours of electric service for the average family served by this company. (The average for 1947 was actually 11.6 cents.)

Although the average family served by this company is using 32% more electricity than in 1941, the average bill for home electric service has increased only slightly during the same period —from 11 cents to 11.6 cents per day.

Electricity remains cheap because so far rising production costs have been absorbed by increased use and careful business management. Your electric service today is more than ever your biggest bargain.

CALL NO. 22 BETTER THAN FAMOUS KY. 16

Farm Agent John C. Brown of Boyle county states that many good tobacco growers in that county substituted a part of their Ky. 16 with Ky. 22 tobacco last year, and were well pleased with the yield and quality. The majority of them said that Ky. 22 had a larger proportion of good smoking grades than Ky. 16, and because the former ripened about a week earlier, it was possible to make greater use of farm labor.

Notes and Comments

From the Editor's Desk

Coal Is The Key

The key to European recovery—and to the success of the Marshall Plan—is coal. In the word of Coal Age, "Because of the lack of coal, factories run part time, fields are less fertile, and firesides are cold."

Before the war, Britain and Germany together supplied the bulk of Europe's coal. Now production in the Ruhr is at half the former level, and England can barely produce enough for her own domestic requirements. As a result, Europe has had to go through the costly process of hauling coal from the United States. During the current year, it is estimated, our exports to Western Europe will total the enormous figure of 45,200,000 short tons.

This cannot be indefinitely continued. To quote Coal Age again, "Two developments are vital. First, Western Europe must re-equip its mines. This calls for a vast production effort on its own part, as well as the import of specialized equipment from the U. S. Second a river of coal, 34,200,000 tons in 1951, must breach the iron curtain and flow from Poland to the West."

In this country, free enterprise has created an efficient coal industry, with the best paid workers in the world. It remains to be seen if Europe can profit by our example.

Still In The Ring

Some commentators on military affairs seem to think that new weapons and new techniques have made almost all of the old ones obsolete—and that we should completely junk the traditional in favor of the experimental. As an example, naval surface ships are cited as next-to-useless relics of the past.

Secretary of the Navy John L. Sullivan recently answered that by reminding the country of four past developments which, at one time, were supposed to drive surface vessels from the seas. The first was explosive shells of great calibre—but improved armor plate proved the answer to that. Then the perfection of the torpedo was heralded as the death knell of ships—until compartmentation and other forms of anti-torpedo protection solved the problem. The improved submarine led to a wide belief that shipping had become too risky and too expensive to attempt—a claim which subsequently disproved by such developments as the depth bomb and other defense measures. Finally, the aircraft zealots said thta the high development of the military plane meant that sea power ceased to exist. And that claim, as everyone knows, was completely disproved by the experience of World War II in which surface ships—both transport and combat—played one of the decisive roles.

No intelligent man minimizes the potential importance of new weapons. But, at the same time, no one can say that further inventions will not at least partially neutralize their menace. A first-class fighting force, even as it works aggressively to develop the new, must maintain its efficiency and strength in old weapons and ideas whose decisiveness has been proved time and time again. It must, in short, be ready for combat of the traditional as well as a revolutionary character.

The High Cost of Living

Now the people of our own United States are warned that there will be an average of 10 pounds of meat less, per person, during the year 1948. The Secretary of Agriculture Anderson says that meat rationing may be necessary by Spring.

Holy Moses, haven't we any more sensible way of getting food to the public than by silly methods of rationing? There is plenty of food in this country and there isn't any reason in the world why every American family shouldn't have enough to eat—and enough money to pay for plenty of good food for the family. But, when a Washington taxi cab driver the father of five children, tells you that he has to buy a dozen eggs and five quarts of milk a day for his children and high rent for a small house, you cannot help but wonder how he gets by. This very day, a cab driver told me how he and his faithful wife make the grade. The go-short on their own food and clothing, and most of the necessities of life.

There is no disguising the fact that the most serious question before the American Nation is the high cost of living. It is more important than Secretary of State Marshall's plan to save Europe, or the size of President Truman's budget.

The other day Mrs. Eleanor Roosevelt expressed her fear that war with Russia is brewing. At the same time the President and Congress were not even trying to minimize the dangers of the United Nations folding up as a failure.

Anyone who minimizes the serious dangers that hang over the United States—as a result of the war—isn't thinking straight. And at the very base of the whole trouble in our country is the high cost of living. That great trouble can be solved by sound statesmanship in the White House and in the Halls of Congress.

Building Operations

It is perfectly plain that several million American families want to build new homes of their own. The Government is encouraging them to go ahead. And it is perfectly plain that millions of veterans and private citizens have built, or acquired new homes on long-time credit terms, that it will be impossible to meet in hundreds of thousands of cases So, what are you going to do about it? This Washington correspondent of yours has no axes to grind and therefore he warns our fellows citizens to use a lot of practical common sense and pipe down on his imagination before he mortgages all his life-time earnings in order to get one of these ridiculously expensive new wonder homes. Fellow citizens—watch your step! Conditions in the country as a whole are not improving.

RICHWOOD LADY WINS NEW MAYTAG WASHER IN CONTEST

Mrs. Herbert C. Day, Richwood, Ky., is now the proud owner of a brand new Maytag washing machine, which she won in a recent contest sponsored by the Hagedorn Maytag Sales and Service Store, located at 856 Dixie Highway, Erlanger, Ky.

Mr. Hagedorn started this contest several weeks ago for the oldest Maytag washer now in use. The winner was to receive a new Maytag without any costs in exchange for the oldest machine.

The old Maytag machine will be on display at the Boone County 4-H and Utopia Club fair this year and you will be permitted to inspect this machine on such occasions. Be sure to visit the Hagedorn Maytag display and see the oldest Maytag washing machine that was selected as winner of this contest.

SALE POSTPONED UNTIL FUTURE DATE

The sale of two lots, located on High Street, Union, Ky., advertised at auction, Saturday, January 31st, was postponed until a future date, it was announced this week. This postponement was due to inclement weather. These lots were advertised by the Union Presbyterian Church, Union, Ky.

DUVALL TO VISIT COUNTY

F. E. Duvall, Field Secretary of the Kentucky Disabled Ex-Service Men's Board, Louisville, Ky., will be in Burlington Friday, February 6, from 8:00 a. m. to 4 p. m. at the courthouse for the purpose of aiding in filing claims for veterans and their dependents, and to advise them regarding any other benefits to which they may be entitled.

SPECIALISTS TO ADDRESS FARMERS

AT FRUIT AND TRUCK GARDEN MEETINGS SCHEDULED FOR FEBRUARY 11-12 — PROGRAM PLANNING MEETS SET.

W. W. Magill, horticulturalist of the College of Agriculture, will meet with fruit growers on February 11, according to Bill Davis, County Agent.

The first meeting will be held at the orchard of Dr. W. L. Scheil, Burlington at 10:00 a. m.

The afternoon meeting will be at the orchard of Charles Hempfling, Constance, at 1:30 p. m.

Growers are urged to attend the meetings.

Truck Garden Meeting Feb. 12

John Gardner, garden specialist from the college, will meet with truck gardeners in the courthouse, at 1:30 p. m., February 12.

Mr. Gardner has some valuable information on tomato blight and other diseases that will be of help to all gardeners.

Program Planning Meetings

The program planning meetings scheduled for next week are as follows:

Petersburg: 8:00 p. m. February 6
Hebron: 8:00 p. m., February 9.
Hamilton: 8:00 p. m. February 10
Constance 8:00 p. m. February 13
Verona: 2:00 p. m. February 14.

All meetings will be held in the local schoolhouses.

Carl Anderson, of Florence was a pleasant caller at The Recorder office Monday morning.

BOONE WOMEN ATTEND MEETING

HELD AT UNIVERSITY OF KENTUCKY — PROGRAMS WELL-BALANCED ACCORDING TO REPORTS.

Boone County women attending Farm and Home Week at the University at Lexington, were Miss Mary Hood Gillaspie, Home Demonstration Agent; Mrs. Joe Hogan, County President; Mrs. Earl Morehead, County Secretary and Treasurer and Mrs. Ora Stone, Mrs. Robert Myers, Mrs. Robert Grant, Mrs. J. C. Aylor, Mrs. Florence Florence, Mrs. Joe Northcutt, Mrs. John Kyle, Mrs. Ed Grater and Mrs. Arthur Ammon. These women all agreed the convention was better than last year, and even though there was a lot of snow under foot, it could not dampen the spirits of the delegates to this convention. It is a time of renewance of old acquaintances and friendships, and the making of new. It is a time of good fellowship and fun.

The programs were well balanced, and inspiring and thought-provoking. Those attending felt that they understood the common people of Russia much better after seeing the pictures and hearing the lecture by John Strohm, world traveler.

When new lighting fixtures or lamps are wanted for homes, homemakers will be better able to judge what is best for them, after hearing the talk by Alfred Braun, of Westinghouse Electric Corporation. He also gave an idea of what might be expected in lighting in the future. When new stoves, refrigerators, and other household equipment are selected homemakers will better understand what is best to buy, and will look for the trade marks which mean "good."

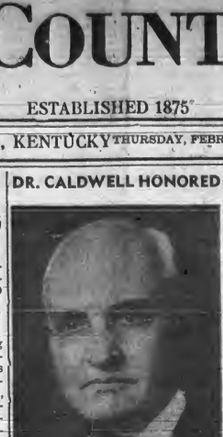
Mrs. Jacobs of Jerusalem, Palestine gave much food for thought as she described the real conditions in Palestine today. She does not believe the partition of this land will work due to the smaliness of the land, and the great number of Arabs and Jews who are living closely intermingled in that land. She used the Bible to show how the feeling of hatred between the Arabs and Jews came about, and she asked every Christian in the audience to pray for these people, and for those who are trying to solve the problem. She feels that only the earnest prayers of Christian people can help in this great problem. Mrs. Jacobs is an Arabian whose home is in Palestine, and she did truly understand their problems.

Mrs. Luella Canterbury, a physchiatrist told the women how they could be happy in the confused world we live in today. Happiness comes from within, and only when we can conquer all our fears and doubts and attain a calmness of spirit and heart, and when we can have the faith in God and His wisdom and love, which gives this inner happiness, can we be happy in this confused old world. She gave this thought: "It is not what happens to you that counts, but what you contribute to it toward it." She assured the audience that 85 percent of the diseases to which we humans fall victims are in the mind alone. We should grow up and learn to control our tempers because when we become violently angry our digestive tract stops functioning, and when we let our tempers rule us we are very apt to fall victims of many diseases of the stomach and digestive tract.

Miss Celest Carlyle, style consultant of Chicago, gave many hints and ideas about "Personal Grooming" and "How to Wear Clothes" and there was not a woman present who did not take many mental and written notes on her talks.

The tea at the president's home on the campus was delightful, and the talk by President Donovan "About Kentucky, Information Please" was very fine.

The banquet in the Student Union Building on Thursday evening was very delightful.



On Friday, the delegates to the ACWW meeting in Holland gave their reports, and each report was received with great enthusiasm. Never were reports given in a more interesting manner, and a great message was in each report. They began with the trip on the Queen Mary and carried through England to Holland. They told of the way the people of Holland are so courageously rebuilding their land, with very little equipment of any kind (all their equipment and tools were stolen) and of the Dutch women's cry—"forget us, we can get along, but help us to feed our children."

HEBRON P.-T. A. MEETING SET

The regular monthly meeting of the Hebron P.-T. A. will be held at the schoolhouse on Thursday evening, February 12th at 8:00 p. m.

All members and interested persons are urged to attend this meeting.

DR. CALDWELL HONORED

Dr. John A. Caldwell of Burlington, Ky., was honored at a dinner given for him at the Camargo Country Club on January 24th, on the occasion of his retirement as Professor of Clinical Surgery at the College of Medicine of the University of Cincinnati and Director of the Fracture Service at the Cincinnati General Hospital. Dr. Caldwell has held this position for many years, and is retiring from it because of having reached the age limit-for service of all Professors at the University. He is not giving up his staff membership at Cincinnati hospitals nor his private practice.

One of his responsibilities as Professor of Surgery has been the instruction of post-graduate students, and since the foundation of this course, sixty-one men have gone through the post-graduate Surgical School on his service. Of this number, forty-one came to pay tribute to Dr. Caldwell, many from great distances.

The high point of the evening was the presentation of the gift selected by these men—two registered Brown Swiss heifers of outstanding pedigrees, bred to freshen this Spring, to be added to the herd of registered Brown Swiss cattle, which Dr. Caldwell has assembled since moving to Burlington.

CHARLES C. CARPENTER

Charles C. Carpenter, 70-year-old retired farmer, and member of a pioneer Boone county family died Saturday at his home on U. S. 42 near Florence.

Mr. Carpenter died in the same house in which he was born, and in which he had lived his entire life. At one time his father was one of the largest landowners in this section of the state.

He is survived by his widow, Mrs. Katie Carey Carpenter and a brother, Edward, of Florence.

Funeral services were held at the residence at 2:30 p. m. Monday. Burial was in St. Mary Cemetery.

Ralph Stith, Florence funeral director was in charge of arrangements.

ALBERT SCHWIBOLD

Requiem High Mass for Albert Schwibold, 75 retired Boone county farmer were sung at St. Paul Church, Florence, at 9 a. m. Tuesday, following prayers at the Ralph Stith funeral home, Florence at 8:30 a. m. Burial was in St. Mary Cemetery.

Mr. Schwibold died Friday at St. Elizabeth hospital.

He is survived by three daughters, Mrs. James Michels, Kenton county; Mrs. Andy Biedenharn, Florence and Miss Alma Schwibold of Florence; seven grandchildren a brother, Conrad Schwibold, of Union; and a half brother Joe Gieger, Erlanger.

E. C. STAEBLER

Requiem High Mass for Eugene Charles Staebler, 42, of 42 McAlpin Avenue, Erlanger, was sung at St. Henry Church at 9 a. m. Monday following prayers at the Taliaferro funeral home, Erlanger at 8:30 a. m.

Mr. Staebler was found dead of carbon monoxide poisoning last Friday on the floor of the garage at his home by his 16-year-old daughter, Marion. The fumes had come from his auot in the garage. A verdict of suicide was returned by Mrs. Tressa Riffe, Kenton county coroner.

The victim's wife, Mrs. Delta Stabeler, is a registered nurse at Jewish Hospital, Cincinnati, and was at work at the time.

According to reports, Mr. Staebler had been in ill health for some time, and recently had suffered a nervous breakdown. No notes were found.

E. G. Stephenson, manager of the Consolidated Telephone Company, of Boone County was a business caller at The Recorder office Monday morning.

FEEDING SUGGESTIONS OFFERED IN HANDBOOK

With the grain supply scanty, the U. S. Department of Agriculture offers "Ten Points" which summarize the more detailed information included in a 72-page "Handbook for Better Feeding of Livestock" prepared for wide distribution to farmers and stockmen. They are:

1. Growing animals make best use of feed—keep them growing.
2. Weaning time is a critical period; start feeding before weaning.
3. Balanced ration supply animals' needs with least feed.
4. Water and salt should always be accessible.
5. Legumes, pastures, and succulent feeds aid production and profit.
6. Feed liberally for large production; mere maintenance yields no profit.
7. Breeding animals should be kept thrifty, but not overfat.
8. Good feeding equipment prevents waste of feed and labor.
9. Parasites, exposure and overcrowding retard growth and waste feed.
10. Feed costs are important; not all balanced rations yield equal profit.

These suggestions are aids toward the realization of the current drive to get full food value from the feed available, under the slogan: "Make Every Pound of Feed Yield a Profit."

PERSONS 65 YEARS OF AGE SHOULD APPLY FOR SECURITY BENEFITS

Could you afford to lose $1454.00 just because you didn't go to ask for it? Elbert M. Bohon, manager of the Covington Social Security Administration office, informs us that a Pennsylvania resident recently had that sad experience.

"Every day last year about 700 retired wage and salary earners who were 65 or over, began to receive monthly benefit checks under the Federal Old-Age and Survivors Insurance program—the program popularly referred to as Social Security," Mr. Bohon said.

"And yet," he continued, "almost every day the Social Security offices are uncovering instances where men and women have passed up the benefits they've earned. The Pennsylvania man waited five and one-half years before applying for his benefits. Payments do not start until application is made for them."

"So important is this matter," Mr. Bohon said "that we not only invite but urge all workers, 65 or over, in private industry and business establishments—those who have done some work under Social Security, even though he is still working—to come and see us. Don't put off knowing your rights under Social Security."

A representative of the Social Security Administration is in Erlanger at the Post Office from 10:00 a. m. to 11:00 a. m., and in Williamstown at the Post Office from 1:00 p. m. to 2:00 p. m. on the 3rd Thursday of each month.

LUTES-SCHMIDT

Graceful arrangements of all-white blooms, palms and lighted candelabra decorated Florence Methodist Church Sunday for the marriage at 2:30 p. m. of Miss Mary Lutes, to Dr. William Schmidt, only son of Mr. and Mrs. John Schmidt of Toledo, O. The Rev. O. W. Robinson, pastor of the church, officiated.

The groom had as his best man Dr. Clinton Dowell of Standford, Ky., and ushers were Dr. Jack Henderson and Francis Sieloff.

The maid of honor, Miss Barbara Lutes, sister of the bride, wore a gold faille gown with a matching bonnett and carried yellow roses tied with gold streamers. The bride, who was given in marriage by her father, was handsome in a white slipper satin wedding gown, made with a court train. Her veil of imported Swiss illusion fell from a white satin bonnet. Her bridal bouquet was of white roses and gardenias.

A small reception followed at the church. The bride who is a member of Burlington School faculty, attended the University of Kentucky, where she was a member of Alpha Delta Pi Sorority.

The groom attended the University of Toledo, and is a graduate of the Louisville School of Dentistry. He is affiliated with Delta Sigma Delta Dental Fraternity. Following a brief honeymoon, Dr. and Mrs. Schmidt will reside at 302 Dixie Highway, Florence, Ky.

Out-of-town guests included Mr. and Mrs. John Schmidt, Mrs. Amelia Proshek, Mr. and Mrs. Eugene Proshek, Mr. and Mrs. H. L. Haze, Barbara Haze, Francis Sieloff, all of Toledo; Mr. and Mrs. Gustave Keplinger, George Keplinger of Cleveland; Dr. Jack Henderson, Mt. Vernon, Ky.; Dr. Clinton Dowell of Standford, Ky., and Mr. and Mrs. Marvin Lutes of Louisville, Ky.

GRANT COUNTY MEN DRAW FINES

Henry Ackman and Orville Bedford, both of Williamstown were fined in Judge C. L. Cropper's Court Monday morning when arraigned Monday morning. Ackman was fined $100.50 on a charge of driving a motor vehicle while under the influence of liquor, and Bedford was fined $19.50 charged with being drunk in a public place.

Both men were arrested Sunday afternoon by Sheriff R. L. Rouse and Highway Patrolman Robert Gordon, after the car driven by Ackman collided with a trailer on U. S. 25, three miles south of Walton.

THOMAS WEGHORN ENTERTAINED SUNDAY

Thomas Weghorn, son of Mr. and Mrs. Howard Weghorn, of Ludlow, R. 2, who won the Boone County Spelling contest last year, was entertained by the Quiz Kids in the Pavillion Caprice, Hotel Netherland Plaza, Cincinnati on Sunday, February 1st. The Quiz Kids program was later broadcast from the Hall of Mirrors.

REAL ESTATE TRANSFERS

The following real estate sales were made by the A. B. Renaker Agency the past week:

William L. Fugate sold his farm of 48½ acres near Rabbit Hash to Cal G. Setters and his brother, George W. Setters.

Edward S. Monohan sold 30 acres unimproved land on the Limaburg-Hebron Road, adjoining the Harvest Home ground, to A. J. Comberger and wife. Mr. Comberger is a tailor in Erlanger and plans to build on this land at a later date.

MRS. ELLA BRADFORD

Mrs. Ella Bradford, 65, passed away Monday at her home in Hebron, after an extended illness.

She is survived by her husband, Robert Bradford and a brother, John Warflinger, of California.

Funeral services will be held this afternoon (Thursday) at 2 p. m. at the Catherman funeral home, Ludlow. Burial will be in Spring Grove Cemetery.

CHIROPRACTORS GO ON THE AIR

A new program called, "Chiropractice and your health" is being sponsored by the Northern Kentucky Chiropractic Association and is scheduled to go on the air Saturday, February 7th from 3:15 p. m. to 3:30 p. m. on WZIP (1050 on your dial.)

Two doctors will speak each week on various diseases and answer many questions regarding Chiropractice and health.

The program is arranged so the people of the radio audience may write in questions and have them answered by the speakers on the program.

Dr. E. R. Royek of Florence, Ky., is the Boone County representative of the Northern Kentucky Chiropractic Association.

CARDINALS HOLD FIRST POSITION

IN STANDING BY DEFEATING BURLINGTON EAGLES FRIDAY NIGHT IN CLOSE CONTEST—TIGERS WIN.

Hebron's Cardinals were pushed to the limit last Friday night to defeat the Burlington Eagles at the local court by a 40-36 count. In beating the Eagles Hebron kept their conference standing intact for the season. It was also victory number 17 for the Goodridge coached quint.

Quarter scores were 9-8, 17-17, 31-29 and 40-36.

Reynold Todtenbier, star senior forward, for the Burlington quint, led the scoring parade with 17 points, which ran his total for the season to 311 points in 18 games. Lanky Lafe Miller added 14 more to keep his season average above ten points per contest. McGlasson, Hebron's dimunitive guard, tallied 14 and Big Bill Toadvine, the Petersburg point-maker, added ten for the winners.

Burlington's rejuvenated reserves defeated the Hebron seconds 21-13. It was Hebron's second loss of the season.

Tigers Win Too

New Haven stayed on Hebron's trail in conference standings by tripping Florence 52-34 at Florence. Knox, with 16 points, paced the Tigers, while Lipscomb was third for Florence with 12.

The Tigers soundly trounced Greendale at the latter's gym Monday night. (Details of this game are not available at this time).

This Week

Games this week will pit Florence and Hebron at the former's gym. This will be the only conference game Friday night. Walton will entertain Dry Ridge, currently No. 2 in the Penogran Conference. (The Penograh is composed of teams from Pendleton, Owen and Grant Counties).

Burlington will play hosts to the Owenton Cubs, who last week won the Penogran Conference tourney and ran their season's record to 19 wins against two setbacks.

MAJOR WHITE IS TRANSFERRED

Howard Field, Canal Zone—Major Harold C. White, son of Mr. John Campbell White, of R. R. 2, Burlington, Kentucky, has just arrived at this Caribbean Air Command Fighter Base from Rio Hato Air Field, which is being evacuated and returned to the Republic of Panama.

Major White is the Commanding Officer of the 805th Engineering Aviation Battalion that was formerly stationed at Rio Hato, but will now be based here at Howard Field, Base Commander, Colonel Hanlon H. Van Auken, announced today.

His wife, the former Ruth Catherine Day, of Florence, Kentucky and their two children, Connie Ruth age 4, andson Joseph Donjphen age 2, are residing with him in quarters here at Howard Field.

He arrived in the Canal Zone 22 April 1947.

WAREHOUSES CLOSE FRIDAY

SHOWING LARGE GAINS OVER PREVIOUS SEASON, ACCORDING TO REPORTS—10 PERCENT CUT ANTICIPATED.

Final sales at Northern Kentucky's two burley tobacco warehouses were held Friday, according to reports. Big gains in average prices paid for burley tobacco were reported over the previous season.

Final sales of the season at the Covington Independent Tobacco Warehouse at Erlanger were held Friday morning, and final sales at the Kenton Loose Leaf Warehouse were held Friday afternoon.

Officials of the Erlanger market reported that the season's average had jumped this season to $45.68 per hundredweight, as compared to a $36.15 average a year ago.

At Friday's sales at Erlanger, the average was a low $37.75 per hundredweight as 63,498 pounds were sold $23,969.84.

The Kenton Warehouse at Covington reported its average had jumped from $37.45 last season to $45.29 this season.

Sales at the Kenton market Friday were 50,160 pounds for $18,402, an average of $36.69.

Representatives of Kentucky's burley growers were in Washington seeking a restoration of the planned new 10 per cent crop cutback for the next year, while the local markets were concluding activity for the season.

LADINO CLOVER TRIED IN MADISON MIXTURES

Ladino clover appears to have a place in pasture mixtures in Madison county, says County Agent J. L. Miller, in reporting on the experiences of 30 farmers who tried growing it last year. Sowed in mixtures of grasses and red clover, many farmers thought it added to the pasture qualities.

James Deatherage, who sowed 20 pounds, said red clover seemed to crowd the ladino clover back in early summer, but later on the new variety forged ahead and in the fall cattle preferred it to anything else in the mixture.

More extensive testing of ladino clover will be made in Madison county this season, Miller said.

FATTENS CATTLE ON GRASS AND ROUGHAGE

A system of fattening cattle largely on grass and roughage was presented by Prof. A. J. Dyer of the Missouri Experiment Station at the Farm and Home Convention at Lexington. Calves which weighed 400 pounds when put on feed received only 10 bushels of corn each until sold as two-year-olds 1,150 pounds.

Sixty percent of their increased weight was made on pasture, 20 per cent on roughage in winter and 20 percent on a full feed of grain in dry lot. Gains through two winters and two summers were about as follows: 100 pounds the first winter, 250 pounds the first summer, 150 pounds the second winter, and 200 to 250 pounds the second summer.

Grazing one steer an acre, the Missourian got about 200 pounds of gain an acre. This was more profitable than the grain that could have been produced on the same land, Prof. Dyer said.

IN LOVING MEMORY

Of our dear mother and grandmother, Anna Ryle, who passed away January 31, 1946.
Just two years have passed since that sad day.
The one we loved was called away;
God took her home, it was His will,
But in our hearts she liveth still.
—Sadly missed by Children and Grandchildren.

COLD FACTS

So you want to buy a home freezer? That's good! Every home should have one.

But what size shall you buy? And what will it cost to own and operate?

To help you answer these questions, we offer a series of COLD FACTS for you to consider.

No matter what size freezer you buy, the biggest item of cost is DEPRECIATION. No mechanical device lasts forever. Moving parts wear out; rust and corrosion destroy metal; other materials change with age. Eventually, every piece of machinery finds its way to the junk pile . . . depreciation has destroyed its value.

How long will a home freezer last? Certain parts of them are guaranteed for five years. The limit, experts believe, is ten years. After that, a new freezer is cheaper than repairs and increased power costs for the old one.

If your freezer lasts 10 years, here is the result:
If it costs $250, yearly depreciation is $25
If it costs $400, yearly depreciation is $40
If it costs $600, yearly depreciation is $60

Figure the depreciation on the freezer you want. It is your largest yearly cost. And you must control it at the time you buy . . . afterward is too late!

Watch this space next week for more COLD FACTS.

GROWS TON AND HALF OF TOBACCO ON ACRE

Al Bryant, an Adair county farmer, grew 3,080 pounds of Ky. 41A burley tobacco on one measured acre, selling the crop for $1,858.60. "Mr. Bryant apparently did about everything that he could think of in order to make the land rich enough to produce a high yield of quality leaf," said County Agent R. B. Rankin.

When tobacco was harvested the fall before, 1,200 pounds of 20 per cent superphosphate fertilizer were broadcast and the land seeded thickly with a mixture of vetch and crimson clover seed. About 30 loads of manure were spread on the acre, and 150 pounds of ammonium nitrate were broadcast last March on the vetch and clover green manure crop.

The heavy growth and clover was turned about the time it began to bloom, and the ground worked down immediately, so the green manure would decay rpeadily. Then another 100 pounds of ammonium nitrate were broadcast and worked into the soil before laying off the rows. Then 300 pounds of 5-10-5 complete fertilizer were drilled in along the rows before the tobacco was set.

FESCUE IMPROVES MONROE PASTURES

That fescue 31 will do a great deal for the livestock of Monroe county as a winter pasture is the opinion of Farm Agent Justus L. Ellis. As examples, he told how Buford Kerr and C. H. Dickerson pastured their fescue continually from October 1 to Jan. 1, the cattle requiring little other feed to keep them in fine shape. Charlie Graves says that his five acres of fescue will pasture 30 head of sheep thru January and February.

COVER CROPS VALUABLE

County Agent Gray H. Williams of Knox county says John W. Campbell made a good demonstration of the value of pasture in raising beef cattle. He bought eight steers in the fall of 1946, let them run on pasture during the year, feeding a little grain, and sold them last fall at a profit of $800.

AWFUL RHEUMATIC PAIN LEFT MAN'S BODY IN 8 HOURS

"For years I had rheumatic pains in the muscles of my shoulders, legs and ankles, which finally got so stiff, sore and painful that when I walked I would flinch with agony. I got TRU-AID and started taking it, and the rheumatic pains began leaving my body in eight hours. Now the pains are gone from my muscles entirely. I feel like some other person, and I praise TRU-AID to the sky." This is a genuine testimonial from a man living right here in this vicinity.

TRU-AID is the new liquid formula containing three valuable medical ingredients. These Three Great Medicines, all blended into one, go right to the very cause of rheumatic and neuritis aches and pains. Miserable people soon feel different all over. So don't go on suffering! Get TRU-AID. Elsmere Pharmacy of Elsmere and Dahlenburgs Drug Store of Erlanger; also Westerman Drug Store, of Erlanger.

GARDEN HELPS KEEP DOWN LIVING COSTS

With the garden season approaching, Mrs. Raymond Phelps of the Crittenden Homemakers Club in Caldwell county relates how her garden of last year is helping to keep down the cost of living. There are five members of the Phelps family. For them she canned and froze more than 650 quarts of vegetables and fruits, using a pressure canner and a home freezing unit. Then she stored 15 bushels of Irish and sweet potatoes, ½ bushels of peanuts, 5 bushels of apples, 5 gallons of sorghum and 2 bushels of black walnuts.

More than 1,000 pounds of beef and pork produced on the farm were cured or frozen, said Home Agent Wilma Vandiver.

FELLOW KENTUCKIANS:

I became an active candidate for U. S. Senator after a careful survey convinced me that I can win the Democratic nomination and final election. To that end I will wage the most energetic and thorough campaign of which I am capable.

After more than twenty years of experience as a Representative in Congress, I can as a Senator in Congress perform more useful and beneficial service than ever before to Kentucky and the Nation. For your support I will be deeply grateful, and I pledge in return a full measure of devoted, diligent, fearless, faithful public service.

From the Editor's Desk

Foreign Affairs

Let's hope that Molotov is right in his statement that "the Western delegation has united into a single front against the Soviet Government." At the end of the war the United States made a magnificent effort to form the United Nations of the World and to restore normal conditions in Europe and Asia. Governments like Great Britain, France and many other countries gave their support to the efforts of America.

The United States was ready to line up behind the Marshall Plan and put our moral and financial strength back of that generous program to help distressed countries to get back on their feet.

When Russia cried out in abusive terms day after day the United States gradually began to realize that the Bear was more than a blackguard, that voiced its hate on the radio, and even at sessions of the United Nations. It is only within recent weeks that the United States Government has pointed out the indisputable fact that the Russians are our enemies, and not our friends.

What is going to happen nobody can tell. The only evidence so far is that the Congress of the United States has made it clear that the amount of financial aid to the European recovery program is certain to be cut by billions of dollars.

So far the United States and Great Britain have been making it plain to Russia that if that country does not change its attitude the military forces of the United States, Great Britain and other nations are ready to meet any hostile military move by Russia.

The condition is very serious, because Russia has been told in plain sentences that it has already "gone too far," and that the United States and its associated Nations are not going to back down.

The tragedy is that the United Nations seems to be weakening and likely to become as inefficient as the League of Nations was after the first World War.

Shortage In Oils

Many parts of the country, including the Capital City of the United States, are in trouble because of a shortage of gasoline and fuel oil. A short run of that kind shouldn't be considered as serious.

During the war-rationing period all automobile owners experienced difficulty in getting enough gasoline for moderately short trips.

Another Payroll Tax?

The proposal that an additional payroll tax be imposed on the income-earners of this country to start building a fund for national compulsory health insurance, poses a number of important questions.

The initial tax would be set at one per cent of individual income up to $4800 per year. That is admittedly insufficient, and would have to be increased to at least 4 per cent and perhaps more. This levy, coming on top of all the other payroll deductions for income tax and social security, would be a heavy burden on families which are having a tough time making both ends meet now. It would largely offset whatever income tax reductions are now in sight.

Going further, is there any real need for compulsory health insurance? The fact that something like 40,000,000 people now have low-cost, voluntary protection, and that the membership in the Blue Cross and other plans is rapidly growing, certainly indicates that the answer is negative—and that the wage earners of the country are perfectly able to solve medical care problems for themselves without creating another paternalistic bureau with a legion of tax-eating employes.

Last, despite the denials, the verdict of history is that compulsory health insurance is just a prelude to the eventual socialization of medicine and related services. Bureaucratic government never goes half way—it operates on the all or none principle. And political medicine is always inferior.

PRICES TAKE SHARP DECLINE

BUTTER, SUGAR, LARD JOIN IN REDUCTION PARADE — BEEF PRICES EXPECTS TO DROP 1½ CENTS.

Butter, sugar, spry, and crisco joined the price-cut-parade Tuesday and further cuts in meat prices were forecast for the latter part of the week.

Butter has been reduced by large chain stores 2 cents, while sugar dropped 2 cents a 100 pounds, and lard was down 2 cents and a further 2-cent cut was predicted by Thursday or Friday.

These reduced prices followed a price decline in flour, bread and meat prices dropped Monday.

Hogs sold for $23 Tuesday following a short break Monday which brought the lowest prices since last April. Observers said the decline is over and that recovery may come later this week. Many predicted, however, that the peak in prices had been reached, and that we were now at the leveling off stage.

Cattle prices declined 50 cents to $1 Tuesday, duplicating Monday's decline. Beef prices are expected to drop 1½ cents retail by Thursday or Friday. Other cuts may drop as much as four cents. Smoked pork, already down three to 3½ cents, probably will drop another cent and a half.

HOMEMAKERS ASK FOR THIRD MEETING

Leaders attending the second leather tooling training class last week requested a third meeting. They plan to meet again Monday, March 1st.

Despite the bad weather, fifteen leaders attended the training class last week in Burlington. Leaders learned the final steps in making coin purses. Afterward they started tooling billfolds.

The leather tooling lessons will be presented at local clubs during February, according to Mary Hood Gillaspie, Home Demonstration Agent.

ROBT. EILERMAN SUCCUMBS SAT.

WAS WIDELY KNOWN COVINGTON BUSINESSMAN AND CIVIC LEADER—DEATH ATTRIBUTED TO BRAIN MALADY.

Robert A. Eilerman, 1172 Cleveland Ave., Park Hills, well known businessman and civic leader, died Saturday at St. Elizabeth Hospital, Covington, after an illness of six days.

His death was attributed to a rare brain malady, according to reports. He was 40 years old.

Mr. Eilerman was Vice President and general manager of H. Eilerman & Sons, Inc., Northern Kentucky's largest men's clothiers, Covington.

He was a member of the Knights of Columbus, the Covington-Kenton County Chambers of Commerce, the Summit Hills Country Club and the Retail Merchants Association.

He was educated in Covington elementary schools, attended a Dayton, Ohio, prep school and later Dayton University. His academic life was interrupted by World War I, during which war he served with the United States Embassy in Spain.

He is survived by his widow, Mrs. Aline Eilerman; two daughters, Misses Mary Jean and Nancy Eilerman, and three brothers, Bernard Eilerman, President of the clothing concern; Arthur, President and General Manager of radio station WZIP, Covington, and Richard Eilerman, display manager of the clothing concern.

Funeral services were held from the residence at 8:30 a. m. Tuesday. Requiem High Mass was sung at 9 a. m. at St. Agnes Chapel, Lookout Heights. Burial was in St. Mary Cemetery, Fort Mitchell.

RICHARD A. HIEDKAMP

Funeral services were held Thursday at 3:30 p. m. in the Stith funeral home, Florence, for T/5 Richard A. Heidkamp, who was killed June 25, 1944, during the invasion of Normandy. Military services at the graveside in Florence Cemetery, were held by Boone Post No. 4, American Legion.

Friends may call at the Stith funeral home until time of services.

The soldier's body arrived in Northern Kentucky Wednesday.

Heidkamp, who was 22 at the time of his death, had been assigned to the 103rd Artillery Division, and had enlisted in the Army in February, 1941.

He is survived by his mother, Mrs. Lloyd Osborn, now living in Plant City, Fla.

MRS. MAMIE SULLENDER

Funeral services for Mrs. Mamie Sullender were held at the Bromley Christian Church at 2:00 p. m. Friday, with burial in Highland Cemetery, Ft. Mitchell.

Mrs. Sullender passed away at her home Tuesday night on the Hebron-Limaburg Road. She was 63 years old.

She was a member of Sunshine Council, Daughters of America No. 97, Bromley, and the Bromley Christian Church.

She is survived by her husband, Geo. Sullender.

KNIGHTS WIN OVER HEBRON

NEW HAVEN WIN OVER GREENDALE BY SCORE OF 94 TO 87—BURLINGTON TROUNCES ST. HENRY FIVE.

The Florence Knights staged one of the major upsets of the current basketball season when they eked out a 35-34 win over the conference leading Hebron Cards last Friday night. Jerry Rouse was the hero of the night as he dropped a long shot through in the final seconds of play to give the Knights the win. The Cards, who had lost to a county team but once before in the last two years, still holds first place in the conference standing. Rouse paced Florence with 14 points, while the Hebron points were equally divided.

New Haven soundly trounced the Greendale Reformatory team last Tuesday night by a 98-27 count. The Tigers led the ball to Gene Weaver, all-tourney forward, who scored 60 points against the hapless Greendale five. This total is one of the highest individual scoring marks in the state. Al Knox, whose 49 points against Holy Cross, remains as the state high in high school competition for this season, scored 29 against Greendale.

Burlington's Eagles met the Pendogran champion Owenton Cubs and received their worst defeat of the year as Owenton drubbed the local 44-31. Owenton, with their strong team and excellent record of 20 victories and but two defeats outplayed the Burlington boys all the way. Todtenbier scored thirteen points to pace the losing Eagles.

The Burlington reserves marked up their 7th straight win as they defeated Owenton 32-21.

The Eagles snapped out of a 6-game losing streak to outscore St. Henry 50-43 at the loser's floor on Monday night. Burlington held an 18-point lead early in the third quarter were tied by the Crusaders in the last period at 41-41. Paced by Miller with two quick buckets, the Eagles pulled away to win in the final minutes of the contest. Lafe Miller, with 21 markers and Todtenbier with 18 led the Eagles scoring parade.

The Burlington reserves were on the short end of a 21-17 score as they lost their second game in their last twelve starts.

EDWARD J. ROGERS

Edward J. Rogers, employee of the Cincinnati Chemical Co., died unexpectedly Saturday at his home in Burlington.

He is survived by his widow, Mrs. Bertie Rogers; a son, William E. Rogers; a daughter, Gloria Jean Rogers, all at home; his father, J. W. Rogers, Anderson, Ind.; three brothers, David Rogers, Honolulu; Clarence Rogers, Paris, Ky., and William Rogers, Newport; five sisters, Mrs. Minnie Frank, Dayton; Mrs. Edward Burnside, Cold Spring; Mrs. Lea Chambers, Cincinnati; Mrs. H. Shawl, Anderson, and Mrs. Clifton Frederick, Cynthiana.

The funeral was held from the Brighton Street Baptist Church, of Newport. Burial was in Battle Grove Cemetery, Cynthiana.

MRS. MARY A. BUSBY

Funeral services for Mrs. Mary Alice Busby, 80, of 524 Spring St., Elsmere, were conducted at 2:00 Wednesday afternoon from the Talaferro funeral home, Erlanger. burial was in Richwood Cemetery.

Mrs. Busby died Saturday at her home. She had lived in Elsmere for many years.

FLORENCE P.-T. A. MEETS FEBRUARY 12

The regular monthly meeting of the Florence P.-T. A. will be held on Thursday evening, February 12 at 7:45 at the school auditorium.

A Founders Day program will be given at this meeting followed by refreshments. All members are urged to be present.

ERLANGER BILL PASSED BY HOUSE

The House of Representatives in session at Frankfort, passed a bill Monday to make Erlanger a city of the fourth class by a vote of 48-9.

The bill was introduced by Rep. E. H. Martin, of Ludlow.

MASONS TO CONFER DEGREE

Burlington Lodge No. 264 F. & A. M. will confer the M. M. degree on a class of candidates Thursday night, February 12, according to Wilbur Denniston, Master.

Members are urged to attend this meeting, and visitors from surrounding lodges are welcome.

Mrs. Howard Lizer returned Sunday from Christ Hospital, where she recently underwent an operation.

CARPENTER-KEYER

In the midst of beautiful flowers that decorated the chancel and in an air of sweet solemnity, and soft nuptial music including "At Dawning" the love song of their choice, two hearts were made to beat as one, when Miss Eleanor Jean Carpenter, attractive daughter of Mr. and Mrs. Eldridge Carpenter, of Florence, became the bride of Richard G. Keyer, son of Mr. and Mrs. Stanley Keyer, of Latonia, in a very impressive double ring ceremony by Rev. W. E. Garriot at the Grace M. E. Church in Newport on Saturday, February 7, 1948 at 10:30 a. m.

Their attendants were Mr. and Mrs. Carl Kurz, of Ft. Mitchell.

The bride was lovely in a coat suit of french gray with matching hat ornamented with black and black accessories and was adorned with a corsage of American Beauty and white rosebuds, intermingled with orange blossoms, while her attendant wore a coat suit of biege with brown accessories and her corsage was of pink rosebuds and carnations.

The groom was attired in a brown suit while his attendant wore a suit of black, and each wore a white carnation boutonaire.

The bride's "something" old was a handkerchief used by her grandmother, Mrs. Theo Carpenter on her wedding day more than sixty years ago.

Following the ceremony, a reception was held at Paradise Gardens in Cincinnati for the bridal party and their immediate family, after which the happy couple departed by train for a brief honeymoon in Michigan and Canada.

The bride graduated from the Florence high school and the groom is a graduate of Holmes high school, Covington. He was inducted into military service soon after leaving school and was assigned to the European theater, where he was in active service with the U. S. infantry in North Africa, Italy and Switzerland. Unfortunately he was wounded in action and was hospitalized in Rome, Italy for a period of six months.

They will reside in Latonia following their honeymoon. May the joy and happiness of their wedding day abide with this worthy couple as they go down the pathway of life together.

McARTHUR-WHITE

A simple but impressive wedding was that of Miss Anna Louise McArthur, daughter of Mr. and Mrs. Hugh McArthur of Belleview, to Mr. Allen White, son of Mr. and Mrs. Charles W. White, of Petersburg, performed at the bride's home January 30, 1948, at 7:30 p. m. in the presence of only the immediate families. The Rev. William Burkett officiated in the double ring ceremony.

Mr. Robert Rouse, accompanied by Mrs. Lillard Scott on the piano, sang "I Love You Truly" and "Always."

The bride was attired in a pale blue gabardine suit with short jacket, and brown accessories, and a shoulder spray of red rosebuds. She chose for her attendant Mrs. Robert White, who wore a light pink gabardine suit with black accessories, and a corsage identical to the bride's.

The groom's best man was his brother, Robert White. Both wore dark blue suits.

After a short trip the bride and groom will be at home in Petersburg to their many friends.

FISH AND GAME CLUB TO MEET FEBRUARY 19

The Boone County Fish and Game Protective Association, will holds its regular monthly meeting at the club house, Burlington-Idlewild Road on Thursday, February 19th at 7:30, according to Edwin Walton, president.

H. C. Anderson's 35-acre farm located on Wilson Road, consisting of two houses sold to Dessie Bentley, of Covington, Ky.

Ralph Page traded his house in Walton, Ky., to Chas. Dennler, of Verona for Dennler's 4-room house with 5 acres of land.

James Coyle's house with 6 acres of land in Walton, Ky., was purchased by John Wilson, of Cincinnati, Ohio.

DOGS VALUED AT $2000 DIE IN ERLANGER BLAZE

Dogs valued at $2,000 were destroyed Monday night in a fire which razed a kennel in the rear of the home of Lee Brock Maxwell, 100 Division Street, Erlanger.

A coal stove which had become overheated apparently started the blaze, according to Chief Andrew Scheben of the Erlanger Volunteer Fire Department.

The dogs, eight Dalmatians, which included three females, two sires and three pups, could not be saved.

Mrs. Maxwell said when she was awakened, she saw the building, a renovated barn, a mass of flames. Sparks from the fire showered the roof of the home, but firemen prevented a blaze.

All the animals lost in the blaze were pedigreed show dogs.

GRANTS CALLED TO OHIO

Mr. and Mrs. Robt. E. Grant were called to Xenia, Ohio by the death of their brother-in-law Burch Smith on Feb. 1st. His wife Hazel McWethy Smith lived in Petersburg, Ky., until her marriage to Mr. Smith in 1922, then going to Xenia where her husband was a member of the Smith Advertising Firm.

This firm is known throughout the United States and abroad as manufacturers of advertising novelties. Its products have been shipped to Egypt and China and during World War II many of its articles were sent to European countries.

Mr. Smith's death came as a shock to his many relatives and friends, although he had been in failing health for two months, only seriously ill one week.

He leaves to murn his passing his wife and two brothers, Frank and Clarence.

Funeral services were held from the Auld funeral home, Xenia, O., February 4th.

CHILD ESCAPES SERIOUS INJURY

Jerry Roberts, 4-year-old son of Mr. and Mrs. Burnam Roberts, of Hebron escaped serious injuries Monday when he fell from the car of his parents, while enroute home.

Mr. and Mrs. Roberts were enroute home when the child opened the door of their car and fell to the highway. Wilton Stephens, who was following the Roberts car was forced to quickly apply his brakes bringing his car to a sudden stop to avoid running over the child.

The child suffered bruises and lacerations about his head and body, but escaped serious injury, according to reports from the Roberts home Tuesday.

RED CROSS TO SHOW MOVING PICTURES

The Boone County Chapter of Red Cross is planning the showing of Red Cross moving pictures in all the schools in the county and hopes to have them ready the last two weeks in February in preparation for the contest in March.

The date selected are Wednesday, Thursday and Friday, February 18, 19 and 20 and 25, 26 and 27th. The contest is open to all the pupils in all the schools in the county and a prize of $5.00 will be given for the best essay on "The Red Cross story and what it means to Boone County."

A brief sketch of the aims and achievements of the Red Cross from its beginning will appear in next week's paper. Watch for it.

REHABILITATION PROVIDES BENEFITS

TO EVERY CITIZEN OF COUNTY WHO ARE DISABLED—PROGRAM IS SET UP BY STATES, WITH GOVERMENT AID.

The following article gives some pertinent facts about this program that every citizen, whether disabled or not, should know:

1. What is it?

The program of Vocational Rehabilitation, as set up by the states with the assistance of the Federal government, is designed to preserve or restore working abilities. The programs are state operated with financial assistance through grant-in-aid from the Federal Office of Vocational Rehabilitation, a Division of Federal Social Security Agency.

2. What Does the Service Provide?

It provides medical examinations; necessary medical, surgical, psychiatric, or hospital services; necessary prosthetic devices, such as artificial arms and legs, hearing aids, and braces; individual counseling and guidance; vocational training in schools, on-the-job, by correspondence, or by tutor; placement assistance on the right job; job follow-up to make sure the work is in a suitable assignment; necessary tools, equipment, and licenses; and even maintenance and transportation during rehabilitation, if it is essential.

3. Who is Eligible?

All men and women of working age (above 16) with substantial job handicaps in the form of physical or mental impairments are eligible for this assistance. Such services are available not only for those with obvious disabilities, such as amputees, paralytics, spastics, and the blind, but those with unseen handicaps, such as T. M., emotional disabilities, deafness, and heart disease. In other words, to be eligible, the individual must be of working age, but have a substantial job handicap because of a physical or mental disability and have a reasonably good chance of becoming employable or securing a more suitable job through the rehabilitation service.

4. Where should interested Persons Apply?

Further information may be obtained from the State Department of Education, Division of Vocational Rehabilitation, Frankfort, Kentucky, or from the local office—Mr. A. B. Mitchell, District Supervisor, Vocational Rehabilitation, 302 City Building, Covington, Kentucky.

Only ninety-two students of Eastern State Teachers College earned a place on the scholastic honor roll for the fall quarter, which closed in December, it was announced by college officials. They include students who received forty or more grade points.

Three of these students are from Boone County, all graduates of the Hebron high school. They are Harry Lee Aylor, Alvin Garnett McGlasson, Lois Fay Youell.

FIRE DESTROYS SLAUGHTERHOUSE

AT PETERSBURG MONDAY AFTERNOON—ESTIMATED LOSS SET AT $5,000 FOR BUILDING AND EQUIPMENT.

The well known Petersburg Slaughterhouse, owned and operated by Elbert Sullivan, was completely destroyed by fire early Monday afternoon before sufficient aid could be summoned to control the blaze.

The fire was thought to have started from a defective flue which was being used for a stove in rendering lard, and had gained considerable headway in the one-story frame building before it was discovered.

The only thing saved from the building were three hogs owned by Roscoe Akin, which were being processed when the fire started. Several cans of lard and some small off-alls were the only meat lost in the blaze.

The slaughterhouse was well equipped with all necessary butchering equipment, including overhead tracks for carrying the animals from the time they were killed until they were finished, complete rendering equipment with grinding mills and presses. All this equipment and the building was valued at $3,000.00 and was covered only by $300.00 insurance.

The Burlington Volunteer Fire Department was summoned to prevent the flames from spreading to a nearby barn and garage. Firemen were unable to be of much assistance due to the distance to be traveled and the icy condition of highways.

SUNDAY SCHOOL LEAGUE TO HOLD MEETING FEB. 23

The first meeting of the Boone County Sunday School Baseball League will be held at Burlington, Monday night, February 23 at 7:30 it has been announced by the Executive Board member Rev. R. A. Johnson and League President Joe Rouse.

All managers or representatives of last year's participating teams are urged to attend this initial meeting. New teams will be accepted into the league and any church interested in placing a team in the loop is invited to send interested representatives to this meeting.

Plans to be presented and discussed at this meeting will appear in this paper next week.

MUDLICK MAN DRAWS FINE ON LIQUOR CHARGE

H. F. Peifer, Mudlick, was fined $100.00 and cost and his beer license revoked, in Judge C. L. Cropper's court Monday, on a charge of selling beer on Sunday.

Peifer was arrested by Sheriff R. I. Rouse Sunday.

Russell Miller, of Big Bone was fined $200.00 and costs in Judge C. L. Cropper's court on a charge of operating a game of chance in his place of business at Big Bone.

Mrs. Irene Kirtley, of Covington, was visiting Mr. and Mrs. Estin Snyder, of Burlington this week.

SCHOOL BUS DEMOLISHED

TUESDAY WHEN STRUCK BY TRAIN AT SOUTHERN RAILROAD CROSSING IN WALTON—BUS WAS EMPTY.

A school bus, owned by the Boone County school system, used for the purpose of transporting colored children to the Burlington school, was completely demolished Tuesday morning when struck by a train at the railroad crossing of the southern on Church St.

The accident occurred when Bill Robinson, colored, driver of the bus attempted to start the vehicle by pushing it down the grade on Church St. The vehicle stalled on the crossing, and Robinson was unable to move the bus.

Robinson ran down the tracks in an effort to flag an approaching train, but his efforts were futile. The approaching train struck the bus completely demolishing it, scattering parts of the body, motor and chassis for several hundred yards down the track. No passengers had been picked up at the time of the collision.

NOTICE TO TRUCK OPERATORS

LOAD LIMITS

In order to protect and save the roads of Boone County during the winter months, the Boone County Fiscal Court feels that it will be necessary to set a weight limit on loads carried by trucks over these roads during the wet winter months, and the load limit has been set at a weight not to exceed three tons over, and above, the weight of the truck.

It is, therefore, ordered by the Court that no truck shall carry a load in excess of three tons over and above the weight of the truck on any of the roads maintained by the Boone County Road Department during wet and soft times from this date to April 15, 1948.

The above restriction applies to all Rural Blacktop Roads and other County Roads, but does not apply to State or Federal Highways in the County.

COLD FACTS

(Number Two in a Series of Five)

A home freezer can add much to pleasant living. We believe every family should have one.

But when you are ready to buy, two questions are important: What size shall it be? And what will it cost to own and operate?

Last week in this space, depreciation was shown to be an important item. It is a "hidden" cost, but a very real one. A 10 or 12 cubic foot freezer, costing about $400, loses $40 of its value each year.

Next comes cost of electricity. The larger the freezer, the higher your electric bill. Even a small home refrigerator, maintaining a temperature of 40 degrees, uses at least $6.00 worth of electricity per year.

A 10 or 12 cubic foot freezer is larger than most refrigerators, and it must hold a temperature of zero instead of 40 degrees). Conservative estimates put the cost of electricity at $15.00 per year.

Adding these two major items:

Depreciation $40
Electricity $15

Yearly Cost is.....$55

But the story isn't yet complete. Watch this space next week for more COLD FACTS.

LORDITE

A NEW WEEDLESS WAY TO GROW TOBACCO PLANTS

Lordite is a new preparation to grow tobacco plants without plowing the ground or burning the bed. The bed can also be made in any kind of weather. Lordite is a mixture of nearly sterile materials so compounded with all primary and rare plant food elements that it makes an almost perfect seed bed for tobacco plants. Lordite is free of weed seeds, insects, and soil-borne diseases. Experiments have shown that many more healthy plants may be grown per square yard with Lordite than is usually the case in soil plant beds and plants grow more rapidly.

Experiments have also shown that due to the greatly increased number of healthy and well developed tobacco plants that can be grown in Lordite, a bed 9 ft. wide and 10 ft. long will grow 13,000 plants, more than enough to set out an acre—and only 4 weeks were necessary to produce plants of suitable size for transplanting.

Do not add soil-use Lordite as it comes, do not fertilize—Lordite contains sufficient amount of plant bed fertilizer.

The ratio is 10 to 1, that is the old way against the Lordite way. In other words, if tobacco canvas sells for $12.00 a hundred feet, it only costs $1.20 the Lordite way.

Lordite can also be used for tomato plants, sweetpotato plants, for flowers and gardens. This will also be an asset for nurserymen and hot house people.

HOMEMAKERS DECLARE WAR ON PANTRY PESTS

Boone County housewives are urged to fight small insects such as the weevil, beetle and meal moth, which get into cereals and other dry foods in home cupboards. Cereal products alone, discarded from home kitchens because insects are found in them amount to a large loss in grain, according to Mary Hood Dillaspie, Home Demonstration Agent.

Entomologists of the United States Department of Agriculture take a serious view of these pests because of the waste of food. If each family in the United States threw away only fifty cents worth of cereal food each year because of insect infestation, the loss would total about fifteen million dollars the entomologists estimate. Actually, they say, the loss from kitchens of the nation from insects probably is greater than this.

Every housewife, therefore, can help the grain-saving program as well as the family pocketbook just by keeping her cupboards free of insects. Simple steps for doing this are: 1. Clean all kitchen shelves thoroughly; 2 spray cupboards with 5% DDT; 3. inspect all packages of food for insects; 4. sterilize food packages in a slow oven (140 degrees F.) for half an hour; 5. keep all food in tightly closed containers. (This will help control ants, cockroaches and other insects as well as the pantry pests).

Starve by Cleanliness

Traces of spilled food and particles sifted from packages and lodged in cracks and corners of cupboards furnish board for pests later or they can get into stores of food in cupboards. Keeping shelves thoroughly clean is the best way to starve these invaders.

Kill by Spraying

Spray cupboards with 5% DDT solution every few months. Clean out cupboards, wash and dry them, then spray interior surfaces. The deposit of fine DDT crystals left after the spray dries will be effective for several months in killing insects that crawl into cupboards. Wait until the spray dries to put packages of food on shelves. The DDT will not harm food inside packages of food on shelves. The insects already in packages.

Examine Dry Foods

Insects sometimes are in food when it comes from the store. They may be in flour, meal cereals, cornstarch, crackers, breakfast food, macaroni, spaghetti, spices, nut meats, dry milk, chocolate, cocoa, dehydrated food, dried fruits, dry soup mixes, dog biscuits, or dry rations and bird seed. But these foods are not ruined just because a bettle or moth has crawled in. An occasional insect in flour, for example, may be picked out and the flour sifted through a fine sieve. Flour or other food should then be sterilized with heat and stored in a clean, tight container. Foods which are heavily infested, however, may only be used to feed pets or chickens.

Sterilize by Heat

Dry food products can be freed of insect life by heating in the oven at 140 degrees F. for half an hour. Small packages can be heated just as they are, sealed or opened. Contents of larger packages should be spread out on a baking pan so that heat can penetrate them more easily.

Store Safely

Foods which have been sterilized by heat should be stored promptly in clean metal or glass containers with tight-fitting covers. Lard buckets, coffee cans or glass jars make safe containers.

Long Illness And Your Feet

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
814-816 Madison, Covington

Long illness or long convalescence often may be the cause of painful muscle spasm in the lower limb and foot. In either circumstance long periods of inactivity, lack of exercise, coupled with the weakened condition of the body cause the muscles to lose tone and become weak and flabby.

The foot, while lying, as in bed, cannot and is not, held in a normal position in relation to the limbs and rest of the body. The foot is held in an extended position, which allows a shortening of the large muscles in the back of the limb, and allows the weaker muscles in the front of the limb to stretch.

When partial strength to the patient, is restored and he finally is allowed to walk, it is imperative that the bones of the foot are properly supported in shoes designed to distribute body weight evenly over the whole bottom surface of the foot, and to relieve further the strain on the muscles, ligaments and tendons, until normal strength and muscle tone return.

An ordinary "strong looking" shoe is not the solution to this problem. Ordinary shoes with so-called arch support and flat base planes, can only allow the foot condition to degrees further.

At this time special attention should be paid to the inner construction of the shoe. The base construction and inner foundation of the shoes should be shaped to the NORMAL CONTOUR of the bottom of a NORMAL FOOT. The inside of the shoe should resemble the normal foot print in soft turf or sand.

Such a shoe with sound construction and foot shaped base planes is found in an especially built surgical shoe.—Adv.

BUILD POOR FARM INTO PRIZE WINNER

When Mr. and Mrs. Elmer Mayne bought their farm in Whitley county four years ago, it was wet, grown up in weeds and of poor fertility. Since that time Mr. Mayne has drained 30 acres and put it in cultivation; he has cleared fields, and by the use of lime, phosphate and cover crops, he has put his land in a high state of fertility, said County Agent J. W. Kidwell. The farm is now carrying six dairy cows five beef cattle, 10 hogs and 75 hens.

Using a pressure canner, and with the aid of two girls, Mrs. Mayne canned 1,491 quarts of food last summer. They also built a concrete block, frost-proof cellar for storing their canned food and other products.

Mr. and Mrs. Mayne were the winners of three district prizes in the Courier-Journal Farm and Home Improvement Contest; food conservation, livestock production and crop production.

WINNERS ANNOUNCED IN STATE CORN DERBY

Winners in the Kentucky corn derby, announced during the Farm and Home Convention at the Experiment Station at Lexington, include Milfred Napier of Harlan county, who grew 174.4 bushels to top the one-acre division, and Charles Gray of Fleming county, who won the fiv-eacre division with an average yield of 136.8 bus.

E. P. Trammel, McCreary county, was second, and J. E. Boone, Grayson county, third in the one acre division. Other farmers among the top 10 in the division were Harve McBrayer, Rowan county; Clay Cole, Lee; Melvin Kenton, McCracken; Lee Ledford, Harlan; Marvin Winders, Crittenden; Thos. Moore, Jackson, and John W. Tuttle of Pulaski.

Paul McGrgeor, Hopkins county, was second and Albert Hatfield, Montgomery county, third in the five-acre division. Others in the top 10 were Everett Simpson, Bullitt county; Berea College Dairy Farm; T. R. Bannister, Daviess; G. C. Wilson, Daviess; Sammie Winders, Crittenden; W. Gaston Cooke, Logan, and Karl Moser, Jefferson.

Harve McBrayer had the best acre and Gray the best five acres grown on the contour, and Trammel had the best acre and Berea College Dairy Farm the best five acres on tile-drained land.

A total of 1,126 farmers finished the contest, according to W. C. Johnston, in charge for the College of Agriculture and Home Economics. Eight farmers won special awards for growing more than 150 bushels to the acre. Forty-six grew 100 to 125 bushels.

SURPRISE MEET

The Busybees from the Bullittsville Baptist Church met with Mary Rogers Saturday evening to help him celebrate his fifth birthday. There were nine old members present and two new members, Robert and Johnny Stutsman. We had several visitors both young and old which we always welcome to our meetings.

After the meeting we played games and then Mrs. Rogers served ice cream and cake, which were enjoyed by all.

Our next meeting will be a Valentine party Saturday, Feb. 14th. Mrs. Robert Hensley has invited us to have the party at her home.

SAVES FLOUR

Mrs. Arnold Ramsey, of Grayson county has found that one of the tricks learned in her homemakers club is an excellent means of saving flour. When she is making cookies, pies, bread or other baked products requiring the use of the bread board, she covers the board with a canvas or other heavy white cloth used only for this purpose. Over the rolling pin, she pulls the leg of a child's white stocking. In this way, only a very small amount of flour is needed to avoid stickiness, and better product results.

THINKS TREES MIGHT PROVIDE RETIREMENT

Farm Agent Hugh Hurst of Pulaski county told members of 19 4-H clubs that one of the best bank accounts they could start would be to set walnut trees, 1,000 of which could be bought for $2.50, and set in three or four days of labor. "Fifty years from now," said Hurst, "these trees probably will be worth $40,000, if set in good ground. I know of no better retirement plan for boys and girls to adopt.

About 75,000 feet of tile was laid in Magoffin county last year.

SPICE OF THE WEEK

There are good reasons for combining canned string beans and celery in a casserole dish. In the first place new flavor and texture are given to the beans, which have become monotonous about this time of year. Then the beans help to stretch the celery—a more expensive vegetable, points out Mrs. Pearl Haak, specialist in foods at the U.K. College of Agriculture and Home Economics.

Scalloped String Beans with Celery

One cup canned string beans, 1 cup uncooked celery, 2 tablespoons butter or margarine, 1 tablespoon flour, one-fourth cup vegetable liquid, one-half teaspoon salt, one fourth cup grated cheese, 1 cup bread crumbs.

Cook the beans and celery for 15 minutes in the liquid from the canned beans. (The celery should be left slightly crisp). Make a white sauce of butter, flour, milk and vegetable liquid. Add salt and cheese. Place half the beans and celery in a greased casserole, cover with half the crumbs; add remainder of vegetables, cheese sauce and remainder of crumbs, which have been buttered. Place in hot oven for 15 minutes blend flavors and brown crumbs.

Menu: Pot roast, mashed potatoes, gravy, vegetable casserole, combination fruit salad, bran muffins, butter and chocolate roll.

HOME SEWING PAYS

By making 2,846 garments at home the past year, Nelson county homemakers estimate they saved $14,230 or an average of $5 per garment. They saved $264 on gloves, when they cut and hand-stitched 66 pairs made of leather. They also made 232 accessories, including bags and gloves of wool and rayon fabrics.

More than 18,000 feet of terraces and diversion ditches were constructed in Bracken county in 1947.

Mrs. George Black (nee Dorothea Aylor) and young daughter Lana Jane returned home from St. Elizabeth Hospital, the past week.

Guests at the home of Mr. and Mrs. Larry Aylor and daughter on Friday evening were Mr. and Mrs. Gustav Gebhard and daughter, Nancy Jane and Mrs. Edward Taylor, of Erlanger.

Mrs. Minnie Dringenburg was the guest of her sister, Mrs. Irene Renaker on Tuesday.

Mrs. Chas. Nicklas (nee Jeanette McEvoy) of Cincinnati, was the guest of her mother, Mrs. Jennie McEvoy on Sunday.

M. M. Lucas, of near Limaburg, who purchased the Buckshorn building recently, moved into one of the apartments the past week. We wish to welcome them to the community.

Mr. and Mrs. S. H. Aylor, of Gunpowder were guests of Mr. and Mrs. Larry Aylor and daughter Cynthia on Sunday.

Mr. and Mrs. Fred Kleemeier, Jr., and Mr. and Mrs. William Meier and son, of Independence were the guests of Rev. and Mrs. Herman Andres and family one evening the past week.

Mr. and Mrs. Burton Wilmhoff and son Jimmy and Miss Patsy Wilmhoff were guests of Mr. and Mrs. Russell Wilmhoff on Thursday evening.

Friends of Clifford Buckshorn, of Gladcliff Acres will be sorry to learn he is confined to the hospital for observation.

Eddie Kessler of Route 42 and New Url St., has opened his "Fix-It Shop" in the Lucas building in the former location of the Florence Cleaners. The community wishes him much success.

Miss Mary Jane Hauer, and daughter of Mr. and Mrs. Ben Hauer, of the Dixie Highway became the bride of Joseph Bertke, of Park Hills at St. Henry Church, Erlanger, on Saturday morning.

Mrs. John Grest and young son arrived here recently by plane from California to be with her parents, Mr. and Mrs. Ben Zimmerman during the absence of her husband who has been assigned to Japan, where will be on duty six months prior to his discharge.

We join in extending congratulations to Dr. and Mrs. William Schmidt, (nee Mary Lutes) who were married recently.

The deepest snow of the season fell on Tuesday night of last week. The blanket of white measured 8 inches in depth in this section and caused much inconvenience to persons who were compelled to go out to business.

Miss Kathryn Berry, of Erlanger, was a guest in the home of Mr. and Mrs. Eldridge Carpenter and daughter, Thursday night.

Emerson Smith and son Robert were calling on Mr. and Mrs. R. E. Tanner, Friday morning.

You'd Be Surprised! by EAST BEND FEEDS

AND WE CAN PROVE IT.

Frostbite should NOT be rubbed with snow! (Frostbite should not be rubbed at all. Treatment prescribed by the **Manual of First-Aid Instruction** issued by the United States Department of the Interior, pp. 228-229, is to cover the affected part with the hand while in a cool place, and gradually warm to room temperature when normal circulation is re-established. If the part cannot be covered by the hands, cloths repeatedly wrung out in water should be placed over it).

Your chicken-raising will really pay off if you use our quality East Bend Feed. This quality feed is scientifically mixed to assure you even, fast growth . . . more profits. Make us your headquarters for complete feeding satisfaction.

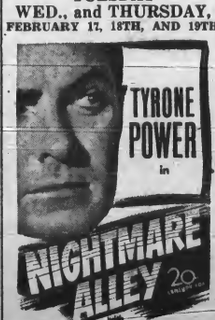
COMMISSIONER'S SALE
Commonwealth of Kentucky
Boone Circuit Court
Frank Boone, et al., Plaintiff
versus
Elmer F. Rogers, et al., Defendant
(Property known as the late Mary E. Rouse, property).

NOTICE OF SALE
By virtue of a judgment and order of sale of the Boone Circuit Court rendered at the December term thereof 1947, in the above cause, I shall proceed to offer for sale at the Court House door in Burlington, Kentucky, to the highest bidder, at public auction on Monday, the 1st day of March 1948 at One O'clock P. M., or thereabout (being County Court day), upon a credit of 6 and 12 months, the following described property to-wit:

Situated and lying and being in Boone County, Kentucky adjacent to the Town of Florence, on the Florence and Dry Creek Road bonded thus: Beginning at a stone in the South side of said road in Dr. S. S. Scott's line, also corner of Albert Price, now William Carpenter; thence with his line N. 18¾, E. 70¼ poles to a stone; thence with his and Barton's line S. 73¼, E. 36¼ poles to a stone and corner to J. R. Clutterbuck's piece of land; then with his line S. 26½ W. 85 1-5 poles to a stone on the northeast side of the road; thence N. 43¼ W. 35 poles to the beginning, containing fifteen (15) acres.



For the purchase price, the purchaser must execute bond, with approved surety bearing legal interest from the day of sale, until paid, and having the force and effect of a judgment. Bidders will be prepared to comply promptly with these terms.

BURLINGTON 4-H CLUB REPORTER 4-H CLUB
The meeting of the Burlington Busy Bodies 4-H Club was held at 7 p. m. February 5, with the attendance of six boys, nineteen girls, and two visitors, making a total of twenty-seven. The purpose of the meeting was to get organized and to elect officers for 1948. They are as follows: President, Joyce Vice, vice president, Peggy Kelly; secretary-treasurer, Vera D. Scott; song and cheerleaders, Warren Ryle and Billie Jo Brown; sergeant at arms, Ronald Jones; and community clubs leaders, Mrs. Marvin Porter and James Gayle Smith.

Ronald Jones passed out our enrollment cards which we then filled out and turned in to our County and Home Agents.

The meeting was then adjourned.

Although Ky. 34 tobacco is popular with Missouri county farmers, they found it failed to provide the income per acre of Ky. 14.

Robert Sipes of Meade county lost 13 head of high-quality cows due to rabies transmitted by foxes or dogs.

RESOLUTIONS OF RESPECT

WHEREAS our Heavenly Father has called from our midst a beloved sister, Dorothy Trossel, on November 20, 1947, and

WHEREAS Sister Trossel was a member of our chapter and that in her passing the family has lost a devoted wife and mother, the chapter a true and faithful member and the community a loyal citizen.

"God saw the road was getting rough,
The hills were hard to climb,
He gently closed her weary eyes
And whispers 'Peace be thine.'"

RESOLVED, that Union Star Chapter No. 461, O. E. S. at Union, Kentucky, extend deepest sympathy to her loved ones. She will be greatly missed but our loss is "Heaven's gain," be it

RESOLVED, that a copy of these resolutions be attached on the minutes of the chapter, a copy be sent to the family, and a copy be sent to the Boone County Recorder for publication.

HOMEMAKERS REPAIR FURNITURE

How to repair broken or wobbly furniture was demonstrated to leaders of McClean County Homemakers Clubs by Miss Vivian Carnutt, specialist in home furnishing at the UK College of Agriculture and Home Economics. The leaders in turn, relayed the information to the members of their clubs. The lesson was one of a series of four to be climaxed with the fitting and making of slipcovers.

A MAN FELT LIKE HIS BONES WERE BROKEN, DUE TO RHEUMATISM

One man recently stated that for years he felt like the bones in his legs were broken. This was due to muscular rheumatism. His muscles were swollen and his legs so stiff and sore that he couldn't walk without limping. He was in misery. Recently he started taking TRU-AID and says the feeling like his bones were broken disappeared the second day. The swelling and stiffness has gone from his muscles; now he can walk with out suffering and says he feels like a new man.

TRU-AID contains Three Great Medical Ingredients which go right to the very source of rheumatic and neuritic aches and pains. Miserable people soon feel different all over. So don't go on suffering! Get TRU-AID. Elsmere Pharmacy of Elsmere and Dahlenburgs Drug Store of Erlanger; also Westerman Drug Store of Erlanger.

W. S. C. S. HOLD MEETING

The W. S. C. S. group of the Florence M. E. Church met in the home of Mrs. Harry Daugherty of 210 Dixie Highway, Florence on Tuesday, February 3 at 2:00. The meeting was called to order by the president, Mrs. Paul Chaney, who conducted the business session, including the reading of various reports, etc.

The devotional period was conducted by Mrs. O. W. Robinson, followed by an interesting reading by Mrs. A. T. Knox, after which the meeting was adjourned.

A social hour followed during which delicious refreshments were served by the hostess. Three visitors were in attendance, Mrs. John Burton, Mrs. Minnie Daugherty and Dr. O. W. Robinson, who spoke briefly.

Five new members were welcomed into the organization, Mesdames C. S. West, Elizabeth Ramey, Hazel Alge, Jean Buckhorn and Florence Sydney. Other members attending were Mesdames Paul Chaney, O. W. Robinson, Mary Thompson, Susie Bethel, Mayme Moss, Alice Mackenzie, C. A. McKibben, Eva Mildred Mae Bristow, Dora Miller, A. T. Knox, Florence Watts, Minnie Mitchell, Owen Bethel, Ethel Daugherty and Lelia Allen.

The next meeting will be held in the home of Mrs. O. W. Robinson at 27 Sanders Drive on March 2 at 1:30 p. m.

TOURNEY DRAWING TO BE HELD FRIDAY

AT WALTON, ACCORDING TO HUBERT BAKER, TOURNEY MANAGER—HEBRON FIVE DEFEAT OWENTON.

The big event in Boone County basketball this week will be the drawing for the district basketball tourney to be held at Walton Thursday, Friday and Saturday, March 4-6. The drawing will be Friday at the host school, according to Hubert Baker, Superintendent of the Walton-Verona Schools and tourney manager.

Recent games by county teams still indicate that this year's tourney winner can be anyone of the five participating quints. Last week Walton's Bearcats trimmed Hebron's highly regarded Cards and then came right back to defeat a strong Williamstown five of the Penogran loop by a 46-37 count. Vest, Maddox and Simpson were the big offensive guns in both games.

Hebron, after losing to both Florence and Walton made a strong comeback by trouncing the Owenton Cubs by a 47-36 score at the Hebron court. It was Owenton's third defeat in twenty-two games. (According to sports writers thruout the state Owenton is a favorite to enter the state tourney from their region).

New Haven's Tigers showed their expected strength last week with a 42-35 win over Covington Catholic at the Tiger's floor. The Tigers, led by "Tony" Dempsey and "Red" Simpson pulled away from the visitors in the second half after being held to a 20-20 count at the intermission. New Haven's seconds won their game also by a score of 17-11 in an overtime.

Burlington trimmed Florence for the third time this season last Friday night at the local court by a 39-24 score. The Eagles took a 8-0 lead at the quarter and were never seriously threatened. Burlington's reserves stayed on their winning ways with a 27-24 victory.

County Boys Named

Two Boone county basketball players, Reynold Todtenbier of Burlington and Al Knox of New Haven were recently selected by Earl Ruby, sports editor of the Louisville Courier-Journal, as two of the eight outstanding prep school players of the Northern Kentucky area. Others named were Ammon of Erlanger, Wherry and Kordenbrock of Holmes, Augsback, of Bellevue, Nabor of Covington Catholic and Davis, of Dayton.

Games This Week

Feb. 20: Holy Cross at Burlington; St. Henry at Florence.

Feb. 24: Hebron at Walton.

John Stevens is recuperating at the home of his mother, Mrs. Huey Aylor, following a recent operation.

LEADERS WILL APPEAR ON WZIP

MISSION SUPT. TO SPEAK

Bro. Chas. Jennings, Superintendent of Baptist Missions of Northern Kentucky will be guest speaker Sunday morning at the 11:00 hour, February 22, at the Belleview Baptist Church and Sunday evening at 7:30 at the Burlington Baptist Church.

Bro. Jennings recently assumed the duties of Superintendent of Missions and it will be his first appearance among us. Pastors of both churches are urging members and friends in their communities to attend the services.

ELECTRIC CURRENT TO BE CUT OFF FRIDAY

The Community Public Service Company of Walton, desire to give notice to their subscribers that there will be a brief interruption in their electric service this week in order that some new equipment can be installed in their sub-station.

New transformers at the Florence sub-station are ready to be installed, and in order to make this installation, the company will be forced to cut the current out from 12:00 Thursday night until 1 a. m. Friday morning; also from 12:30 p. m. until 4:30 p. m. Friday, Feb. 20th.

All persons serviced by this source are requested to make their plans accordingly.

BURLINGTON MAN SUFFERS HEART ATTACK

Fonnie Easton, 71, father of W. H. Easton, deputy sheriff, suffered a heart attack at his home in Burlington, Tuesday.

Mr. Easton was reported somewhat improved Wednesday morning as we go to press. He was reported to have rested very good Tuesday night, and was showing indications of recovery.

Mr. Easton is a retired farmer, having sold his farm near Burlington several years ago. He occupies a part of the residence owned by his son in Burlington.

CONSTANCE CHURCH TO HOLD ALL-DAY SERVICES

The Christian Church of Constance, Ky., will have all-day services Sunday, February 29, on which day they will have a reorganization meeting. Morning services will begin at 10 o'clock and will be followed by a basket dinner for members of the church and their friends.

A musical program is planned for the afternoon session by a group of students from the Cincinnati Bible Seminary, with Miss Marian Zollers, of Muskogee, Okla., in charge.

Following the musical program the annual business meeting and election of the officers will be held. Also at this meeting the church constitution will be introduced and voted upon.

The day will end with evening evangelistic services at which Bro. Gene S. Carter will deliver the sermon.

BIRDS ARE FED DURING RECENT COLD WEATHER

Response to the plea to feed birds, issued by the Division of Game and Fish during the early part of the recent snowy and frigid period, has saved hundreds of thousands of birds, according to reports received from throughout the state by the Game Management section of the Division. These reports, from Conservation officers and club members indicate, however, that some birds have been found dead but they were in areas where intensive feeding was not practiced. The feed was placed primarily for quail, but songbirds and other types too were prevented from starving or freezing by the distribution. Throughout the state, sportsmen's clubs purchased feed and furnished it to farmers to be distributed in their fields and in many cases the farmers themselves established feeding shelters "on their own" to protect their birds.

RED CROSS AIMS, ACHIEVEMENTS

ARE OUTLINED SINCE ORGANIZATION—FIRST SOCIETY ORGANIZED IN WASHINGTON IN 1881.

The organized work of the Red Cross began many years ago, when in 1859, Henri Dunant, a young Swiss non-combatant visited the battlefield of Solferino and did what he could to relieve the sufferings of the Austrians and the Allies, France and Italy. He wrote a book of the horrows he had witnessed and Victor Hugo said of him that "he armed humanity and served Liberty" by the influence which his book created. Dunant persuaded European governments to adopt his idea of helping all who needed help and reducing what the battlefields cost in torture and tears.

At first, the only purpose was to care for the sick and wounded in war, no matter what their nationality, and that hospitals, ambulances and the people looking after patients should be safe from attack.

The Red Cross stopped being just a movement and became a working unit in 1864 after the Geneva Convention at Geneva, Switzerland. Of the 36 delegates representing 16 governments, none signed at the time, but before the year was out, 9 adopted the articles of the Convention and 5 in the following year. The 10 articles adopted at that time are still the principles of the Red Cross. The original Charter is still at Berne, Switzerland and is in charge of the Swiss Government. The emblem of the organization is the Swiss flag with the colors reversed, the flag being the white cross on a red ground.

More than 50 years after this meeting at Geneva the national societies were united into a league which aims at the relief of all kinds of suffering and distress, both military and civilian. In 1919 the league consisted of 5 nations and now has more than 60, with headquarters in Geneva, Switzerland.

The first American Society was formed in Washington in 1881 and a month later the first Chapter was formed at Dansville, New York and was named in honor of its founder, Miss Clara Barton.

In 1905, by act of Congress, the society was re-incorporated under government supervision and from that time on was obligated to furnish volunteer aid to the sick and wounded in times of war—to act in matters of voluntary relief and as a median of communication between the people of the U. S. A. and their Army and Navy—to carry on a system of national and international relief to lessen the sufferings caused by pestilence, famine, fire, floods and other great national calamities.

The American Red Cross has proven its worth in forest fires in Michigan in 1881, the Johnstown flood in 1889, the Ohio and Mississippi flood in 1884, the Sea Island, Georgia hurricane of 1893, the San Francisco earthquake of 1906, and on down the line to the present time. But it really came alive and grew up in World War I. During that time it grew from 562 chapters to 3,724, its membership grew from 486,000 to 20,000,000 and it raised $400,000,000 for relief and expenditures. During this war Boone County, Kentucky, established a record that we must live up to. There were 14 units in the County, 11 of which were making the gauze pads, bandages, etc., which were so necessary; and we were notified that the nicest gauze-work which came into Cleveland, Ohio (depot for Ohio, Indiana and Kentucky) came from Boone County, Kentucky.

The national organization has become so efficient that, at a moments notice, it is ready to respond to any call for help in any emergency. Each year there is a Roll Call drive in which any person, by the payment of $1, may become a member.

The Boone County Chapter headquarters are located at the home of the Executive Secretary, Mrs. Elizabeth Goodridge Nestor, phone Flor. 84, across the street from the Florence Post Office. The Red Cross Nurse is Miss Elizabeth Lowry of Burlington.

Officers and Executive Committee: Chairman, Prof. W. R. Davis, Florence R. 1; 1st vice chairman, John Conner, Hebron; 2nd vice chairman, Ralph Stith, Florence; secretary, Mrs. Robt. Eastman, Florence, R. 1; treasurer, Judge C. L. Cropper, Burlington.

Actual relief given in Boone County in 1947: Loans to War Veterans, $275.00; fire disaster assistance $244.90; hospital care of destitute families, $356.65; assistance of destitute families, $190.50; medical assistance, $3.50; total $1,050.55.

Rules of Essay Contest

All papers must be in the hands of the Executive Secretary, Mrs. Nestor, by Monday, March 22, 1948, so they can be judged and the prize of $5 given by the last of March. The judges will be the County School Superintendent, Mr. Ockerman; Prof. W. R. Davis, County Chairman and Principal of Beechwood School; Mrs. Sibbia Reimer, director of elementary education; and Wm. P. McEvoy, Florence attorney.

The essay must contain the location of Boone County headquarters, the names of the County chairman, executive secretary and county, nurse, actual amount of assistance rendered by Chapter in 1947, facts gathered from the printed story and from the viewing of the pictures.

THREE TRAINING CLASSES PLANNED

Boone County Homemakers will have the opportunity to attend three training classes during the month of March, according to Mary Hood Gillaspie, Home Demonstration Agent.

A leather tooling class will be held in the Burlington courthouse, Monday, March 1, and the Live-at-Home training class will be held in the courthouse Wednesday, March 3. On Wednesday, March 17, a class in Refinishing. Furniture will be conducted in the county.

The Burlington Volunteer Fire Department will holds its regular monthly meeting at the fire house Monday night, February 23, at 7:30, it was announced this week. All members of the organization are urged to attend.

WILLIS R. JONES WILL BE SPEAKER

AT GREATER CINCINNATI DISCIPLES UNION RALLY AT ERLANGER CHRISTIAN CHURCH, FEBRUARY 23.

Willis R. Jones, admissions counsellor of Transylvania College, Lexington, Ky., will speak to the Greater Cincinnati Disciples Union Rally at the Erlanger Christian Church, Erlanger, Ky., Monday, February 23 at 7:45 p. m., announces Ralph R. Hampton, president of the Union Mr. Jones is the son of Dr. Edgar DeWitt Jones, past president of the Federal Council of Churches of Christ in America and Detroit Disciple clergyman.

Mr. Jones will speak on the subject, "Strong Features of the Disciples of Christ As I See Them." Mr. Jones held the post of admissions counsellor at Drake University Des Moines, Iowa and public relations director at William Woods College, Fulton, Mo., prior to his appointment to Transylvania College. He is a graduate of the University of Michigan and during the war served with the American Red Cross as a field director on both Army and Navy installations.

Dr. Edgar DeWitt Jones, Willis R. Jones' father, moved to Erlanger, Ky., in 1900 and served a circuit of four churches: Bullittsville, Petersburg, Point Pleasant and Florence (Stringtown on the Pike). In the fall of 1901 the Erlanger Christian Church was organized under Dr. Jones' leadership. Dr. Jones married Francis G. Willis, of Bullittsville.

The host church will feature special music by the church choir. Refreshments will be served during the fellowship hour following the program. The Rev. Fred Michel is the pastor of the Erlanger Christian Church.

BULLITTSBURG PASTOR HANDS IN RESIGNATION

Brother W T. Gardner has resigned his pastorate with Bullittsburg Baptist Church. He will preach his last sermon there on Sunday, Feb. 22, both morning and evening. He will take up his new work at the Baptist Church, Livingston, Ky.

Brother Gardner was called to Bullittsburg three and one-half years ago, to be the first full time pastor in the history of the church. His brief stay has been a happy one for the congregation and he has endeared himself to the entire community. His going is a great loss. Both Bro. and Mrs. Gardner occupy a place of high regard in the hearts of all with whom they came in contact. Their only child, James William was born here and he is the pet of the whole congregation.

The church is grateful for Bro. Gardner's efforts, smiling through disappointments and deeply concerned for the welfore of his fold. He traveled the byways and hedges locating hundreds of unsaved in the church field, thus breaking a path for his successor. His life and possessions are dedicated to the work of the Master. His throne of power was his work as pastor, taking his working orders from the Lord only. His pulpit was not used to expound politics or ethics, nor to comment on worldly news, nor to entertain with stories, but to preach the Word.

Under his able leadership the following were organized: Girl's Auxiliary, Sunbeam Band, Royal Ambassor group and a B. W. C. Circle of W. M. S.

During his pastorate several thousand dollars has been spent on church improvement, and a parsonage fund is already started. Eighteen persons have made professions of faith and seventeen by letter and united with the church.

His parting words to the membership are to go forward and put into practice the teaching of our Saviour. The best wishes and prayers of Bullittsburg Church are extended in fellowship and love, to Bro. and Mrs. Gardner and son. His favorite verse of scripture is, "I was glad when they said unto me, let us go into the house of the Lord."

MUSICAL FUN FEST PLANNED BY BOONE CO. SCHOOL BAND

Plans are well underway for a new show to be given by the Boone County School Band, under the direction of Dean Bloss.

The child, a student at Elsmere Graded School, had been ill for sometime.

Besides his parents and grandparents he is survived by a sister, Clara Mae, also of Elsmere.

Philip Taliaferro, Erlanger funeral director was in charge of arrangements.

OHIO MAN ARRESTED AFTER LEAVING SCENE OF ACCIDENT THURS.

Sheriff R. I. Rouse, arrested Paul Martin, 38, Hamilton, Ohio, Thursday night on U. S. 42 near Union, after he left the scene of an accident near Jones Filling Station, north of Union.

Martin was found hiding over an embanking not far from the accident. After investigation, it was learned by Sheriff Rouse that the car Martin was driving had been stolen from a parking lot in Cincinnati, earlier in the evening.

The man was brought to Burlington and placed in jail, where he was held until Monday, when he was released to federal authorities.

JACKS-RIDDELL

Miss Javetta Jacks, daughter of Mr. and Mrs. Ben Jacks, of Ludlow, and Mr. Lloyd E. Riddell, son of Mr. and Mrs. Louis Riddell, Florence were quietly united in marriage at the home of the bride, 608 Linden Street, Ludlow, on Saturday, February 14th.

The ceremony was performed by the Rev. Harold Wainscott, pastor of Florence Baptist Church and the couple left shortly thereafter for a brief honeymoon in St. Louis, Mo.

They plan to make their home in Ludlow, upon their return from St. Louis.

REITMANN-BLAKER

The wedding of Miss Vivian Reitmann, youngest daughter of Mr. and Mrs. Fred Reitmann and Mr. Frank Blaker, youngest son of Mr. and Mrs. Jake Blaker was solemnized at 2:30 p. m. Saturday, Feb. 14 at the home of Rev. Harmon Eggleston of Ft. Thomas, Ky.

The bride wore a powder blue gabardine suit with black accessories. She had a corsage of white roses. The groom wore a blue-gray suit and wore a white carnation.

The attendants were Mr. and Mrs. Everett Clifford, sister and brother-in-law of the bride. The bridesmaid wore a blue and rose suit with a corsage of red roses. The best man wore a brown suit with a white carnation.

Following the ceremony, dinner was served at 6:30 at the bride's home by her mother. Later they enjoyed a short honeymoon trip through, Kentucky. They visited the bride's sister and brother-in-law, Mr. and Mrs. Wm. Sebastian, of Lexington.

They will be at home to their many friends at the home of the bride's parents, Mr. and Mrs. Fred Reitmann.

The Boone County National Farm Loan Association will hold their annual stockholders meeting at Burlington at 1:00 p. m., Friday, February 20th, according to Carl Sheriff, secretary-treasurer. Mr. Paul Betcher, secretary of the Cooperative Pure Milk Association, will be the main speaker.

An interesting program has been arranged and all members are urged to attend. The public is invited.

RICHWOOD MAN INJURED FATALLY

WHEN THROWN FROM CAR INTO PATH OF APPROACHING AUTOMOBILE—FUNERAL SERVICES HELD TUESDAY.

Manford Smith, 37, of Richwood was killed instantly Saturday when he was thrown from the automobile he was driving into the path of a car traveling in the opposite direction.

The accident occurred when Smith attempted to close the door of his car. When he attempted to slam the door, the force of air jerked the door open, striking a passing truck, jerking Mr. Smith from the car. He was thrown into the path of a car driven by Leona Courtney of Walton, Ky.

Tom Carr, Boone county magistrate, said the victim was killed instantly when he struck the pavement after falling from the moving vehicle. He said Mr. Smith suffered a skull fracture and a broken neck.

Frank Treegro, Boone county, a passenger in Mr. Smith's car, escaped injury.

Mr. Smith was an employee of the Southern Railroad for 18 years, and had moved to Richwood four years ago from Kings Mountain, Ky. He was a member of Walton Masonic Lodge No. 719, which held services at the grave Tuesday afternoon.

Mr. Smith is survived by his widow, Mrs. Della Robertson Smith; three daughters, Lena, Leonora and Leota, and a son, Leonard Wayne Smith, all at home; three brothers, Manuel, Kings Mountain, and Novis and Granville Smith, both of Dayton, O.; three sisters, Mrs. Eva Jones, Kings Mountain; Mrs. Celestia Williams, Waynesburg and Mrs. Elsie Martin, South Fork, Ky., and his mother, Mrs. Louis Francis Smith, Kings Mountain.

Funeral services were held from the Chambers & Grubbs funeral home, Walton at 1:30 p. m. Tuesday, with burial in Richwood Presbyterian Cemetery.

GEORGE HELLEBUSCH

Requiem High Mass for George A. Hellebusch, Florence resident and tobacco buyer was sung at St. Paul Church, Florence at 9 a. m. Saturday, following prayers at the Ralph Stith funeral home, Florence, at 8:30 a. m. Burial was in Mother of God Cemetery.

Mr. Hellebusch, who was 74, died Wednesday at his home, 25 Shelby Street, Florence. He was a buyer for the R. J. Reynolds Tobacco Co.

He is survived by his widow, Mrs. Laura Hellebusch; a son, Louis F. Hellebusch, Ludlow; a sister, Mrs. Adelaide Ludeke, San Diego, and a grandson.

TRUCK LOAD LIMIT WILL BE REDUCED

ON KENTUCKY AND FEDERAL HIGHWAYS, ACCORDING TO AN OFFICIAL ORDER FROM DIVISION OF HIGHWAYS.

State Highway Commissioner Garrett L. Withers said last week, recent heavy snow and ice have weakened many state roads so that the Highway Department must lower their weight limits in order to prevent serious damage from trucks and heavy vehicles.

In an official order the Commissioner authorized the department's Division of Maintenance to provide for the posting of sections of state and federal highways which are in a weakened condition.

The order stated notices will be posted at conspicuous places along all highways on which the department has reason to believe damage may be caused by motor trucks or semi-trailer trucks whose gross weight exceeds the emergency limits.

"We are asking all truckers operating in the state to cooperate fully in the observance of the emergency limits," Commissioner Withers said.

He added the department has been informed that Virginia and other neighboring states already have established emergency limits and are advising out-of-state truckers that the limits will be strictly enforced.

"All District Highway Engineers have been asked to report any damage observed so that immediate steps may be taken to prevent spread of this damage to adjacent areas," the Commissioner said.

He stated the emergency limits will be kept in effect until the department determines that weakened sections have become sufficiently stabilized to carry normal loads without damage.

"PEOPLE WITHOUT VISION"

It has been said that "People without vision will perish," vision meaning "perspective." One with poor "optical vision" is greatly handicapped, too. In most cases there is no need of this. The science of optometry may give them relief.

Frank Rouse, et al., Plaintiff
versus
Elmer F. Rogers, et al., Defendant
(Property known as the late Mary E. Rouse, property).

NOTICE OF SALE

By virtue of a judgment and order of sale of the Boone Circuit Court rendered at the December term thereof 1947, in the above cause, I shall proceed to offer for sale at the Court House door in Burlington, Kentucky, to the highest bidder, at public auction on Monday, the 1st day of March 1948 at One O'clock P. M., or thereabout (being County Court day), upon a credit of 6 and 12 months, the following described property to-wit:

Situated and lying and being in Boone County, Kentucky adjacent to the Town of Florence, on the Florence and Dry Creek Road bonded thus:—Beginning at a stone in the South side of said road in Dr. S. S. Scott's line, also corner of Albert Price, now William Carpenter; thence with his line N. 19¼ E. 70¼ poles to a stone; thence with his and Barlow's line S. 73¼ E. 30½ poles to a stone and corner to J. R. Clutterbuck's piece of land; then with his line S. 30½ W. 89 1-6 poles to a stone on the northeast side of the road; thence N. 43¼ W. 35 poles to the beginning, containing fifteen (15) acres.

For the purchase price, the purchaser must execute bond, with approved surety bearing legal interest from the day of sale, until paid, and having the force and effect of a judgment. Bidders will be prepared to comply promptly with these terms.

A. D. Yelton,
Master Commissioner Boone C. C.

LORDITE

A NEW WEEDLESS WAY TO GROW TOBACCO PLANTS

Lordite is a new preparation to grow tobacco plants without plowing the ground or burning the bed. The bed can also be made in any kind of weather. Lordite is a mixture of nearly sterile materials so compounded with all primary and rare plant food elements that it makes an almost perfect seed bed for tobacco plants. Lordite is free of weed seeds, insects, and soil-borne diseases. Experiments have shown that many more healthy plants may be grown per square yard with Lordite than is usually the case in soil plant beds and plants grow more rapidly.

Experiments have also shown that due to the greatly increased number of healthy and well developed tobacco plants that can be grown in Lordite, a bed 9 ft. wide and 10 ft. long will grow 13,000 plants, more than enough to set out an acre—and only 4 weeks were necessary to produce plants of suitable size for transplanting.

Do not add soil-use Lordite as it comes, do not fertilize—Lordite contains sufficient amount of plant bed fertilizer.

The ratio is 10 to 1, that is the old way against the Lordite way. In other words, if tobacco canvas sells for $12.00 a hundred feet, it only costs $1.20 the Lordite way.

Lordite can also be used for tomato plants, sweetpotato plants, for flowers and gardens. This will also be an asset for nurserymen and hot house people.

COLD FACTS

(Number Three in a Series of Five)

A home freezer can make real-planning a real pleasure. But when you select yours, it must be the correct size, and it must be economical to own and operate.

If you buy a 10 or 12 cubic foot unit, depreciation and electricity will cost about $55.00 per year. (See your RECORDER for last week and the week before).

Depreciation is a "hidden" cost. You are not constantly reminded of it, but you pay it just the same. Electricity, altho a direct cost, is partially hidden because it gets lost in your monthly electric bill. There is another hidden cost. When you buy any electrical appliance you use money which could otherwise earn interest for you. It could be put into a U. S. Savings Bond, the safest investment in the world, giving you a 2% return. If your home freezer costs $400.00 your interest loss at 3% amounts to $12.00 each year.

Total cost begins to look like this:

Depreciation	$40
Electricity	$15
Interest loss	$12
Yearly Cost	$67

NO! GREYHOUND FARES ARE DOWN! . . .

Back in the depression year of 1933 shopping was easy on your pocketbook when you purchased food and many other commodities. Today most prices have gone sky-high *but not Greyhound fares.* They're lower today than they were in 1933 despite increased costs of new buses, terminals, tires, gasoline, and operating overhead. Now, as never before, you travel in luxurious comfort and save more by Greyhound.

SHELVES DO AWAY WITH PET PEEVE

When Mrs. Ernest Searcy of Carroll county made extra step-shelves and half-shelves for her kitchen cabinets, according to directions given in the Whites Run Homemakers Club, she did away with a pet peeve, that of having to move stacks of dishes in order to reach platters and bowls. Using apple boxes for the lumber, she made 10 additional shelves so that she can now reach needed dishes without moving others. Then she lined drawers with linoleum for easy cleaning and made a drawer rack for spoons, knives and forks. From two and five-pound cheese boxes, she made racks to hang on the inside of the doors for spices and other supplies. The cabinet interior carries out the color scheme of the room, pale yellow, white and light blue.

In Madison county, 470 farmers spread more than 14,000 tons of lime in 1947, in contrast to 285 farmers using 8,010 tons the year before.

ALFALFA PLANT HAS 37-INCH TAP ROOT

When T. A. Ballou of Eubank took to the Pulaski county agent's office an alfalfa plant with a 37-inch tap root, he wasn't sure just how long the root was, since it broke off when he pulled the plant.

"This shows," comments County Agent Hugh Hurst, "that alfalfa goes deep into the soil to get plant food that other plants can't reach. Alfalfa roots also aerate the soil and bring up moisture that ordinary plants do not get. That is why alfalfa stays green during dry weather so much better than other crops."

Ballou sowed an acre and three-quarters of alfalfa five years ago liked it so well that he sowed seven acres more in 1947.

Agent Hurst is recommending alfalfa for Pulaski county farms. This is his advice: March is a good month to sow alfalfa. It needs good ground, land that has been limed and phosphated, and land that is well drained. The seed should be inoculated. It is a good idea to put a little grass seed with the alfalfa, such as orchard grass or timothy seed.

Maytag WASHERS IRONERS HOME FREEZERS DUTCH OVEN GAS RANGES

KENTUCKY ON THE MARCH
by Ewing Galloway

A year ago I visited a dozen Southern cities that were growing industrially and commercially, and several times I asked how come.

Outside capital, business people told me. This was particularly true of Georgia and Alabama cities. In Atlanta I saw six large office buildings in course of construction, more than were going up at that time in both New York and Chicago.

Outside Capital

Why isn't Kentucky growing as fast commercially and industrially as any other state in the South? There is one main answer: We discourage outside capital and brains with tax laws that never should have been put on the books. One of these is a high rate on intangibles—50 cents per $100 on stocks, bonds, accounts receivable. This amounts to 25 per cent of the returns on high grade securities yielding 2 per cent.

The state levies on accounts booked as receivable, but may never be received.

Then there is the inheritance tax, which is confiscatory. Everybody with dependents, and young people who hope to have them, want to save enough to leave widows and orphans enough to live on in comfort. People in other states can do that, but it is hard to do in Kentucky.

Earl R. Muir, president of the Kentucky Chambers of Commerce, writes a convincing indictment of our inheritance tax:

"The inheritance tax is a definite detriment to our progress. Other states, such as Florida and Virginia learned their lesson long ago and abolished this tax, with highly profitable results. Only one state in the nation has a higher inheritance tax than has Kentucky. Not only do outside industry owners and management personnel hesitate to come to Kentucky because of the increased tax burden they would have to bear, but numerous Kentucky citizens have moved to other states to avoid this high tax on their estates."

I wonder if Governor Clements and our State Senators and Representatives realize fully what this inheritance tax will do to their own dependents. More power to the Governor and the state legislature in their plan to revise these two tax laws. This should help to keep "Kentucky on the March."

—Incidentally, this article is strictly my own personal opinion.

As a result of 4-H club project work, John Smiley Collins of Adair county owns 10 registered Aberdeen-Angus cattle, direct descendents of a registered heifer.

BULLITTSBURG W. M. S.

The W. M. S. of Bullittsburg Baptist Church, met Wednesday afternoon February 11th at the home of Mrs. O. H. Grant, with nine members and four visitors present. The meeting was called to order by the president, Mrs. Holladay, and the meeting was opening by singing, "Jesus Shall Reign." Bro. Gardner offered prayer. The watchwords were repeated and after Bible study and business meeting, the following program from Royal Service was given:

Our Country, Mattie Kreylich.

The Home Mission Task, Mrs. Elliott, and Mrs. Ligon.

The Task Unfinished, Mrs. Nell Grant.

Working at the Task, Mrs. Snyder

The Urgency of the Task, Mrs. Campbell.

Prayer, Mrs. Gardner.

Bro. Gardner gave us an inspiring farewell talk. He and Mrs. Gardner and little Bill are soon to leave for Livingston, Ky., where they will take up their work. We greatly appreciate the faithful and conscientious work they have done while among us and it is with regret we see them leave. However, they carry with them the best wishes of Bullittsburg W. M. S. for success in their work on their new field.

There will be an associational Mission Study class at Erlanger Baptist Church, February 26th at 10 a. m. Mrs. R. R. Atkins will teach "Spiritual Frontiers," by Courts Redford. Copies of this book can be bought at the Baptist Book Store 217-19 Guthrie St., Louisville for 50c per copy. Those wishing to attend are asked to bring sandwiches, salad and coffee will be furnished by the Erlanger Church.

Mattie Kreylich, Reporter.

Just Let Me Tell You A Few Facts About Walking, So You'll Realize Just How Much It Can Do For You

N. TULCH

Foot Comfort Specialist at—

PEOPLE'S SHOE STORE

814-816 Madison, Covington

The normal heart, you know beats about seventy-two times a minute and pumps about six ounces of blood with each beat. Now, in fast walking, or at the rate of four miles an hour—(which is how fast you should walk to do you —some —good)—you'll find the normal heart will INCREASE its beat ten times to the minute, pumping six ounces of blood at each beat, gives sixty ounces per minute or 3600 an hour, which is 225 pounds. You can easily see that 225 ADDITIONAL pounds fo blood pumped DAILY through your veins means just that much more life to your whole body.

There's no use of my telling you to get out and walk if you are having trouble with your feet, because I know you won't do it. BUT—if I tell you how to get rid of those aching, paining feet, first—then there's nothing to keep you from walking every day and benefitting your health by this wonderful secretes.

It has also been found that millions suffer without knowing the reason, why—those headaches, those leg pains, and even sleepless nights may be cause by the shoes you are wearing —Adv.

District Tourney Dates Announced For March 3-6

BURLINGTON AND HEBRON RESERVES WILL TANGLE IN FIRST GAME AT WALTON GYM—HEBRON AND NEW HAVEN TO TANGLE IN FEATURE CONTEST

The 33rd district tournament will get under way at the Walton high school gymnasium Wednesday night, March 3 at 7:30 when the Burlington reserves engage the Hebron second team. Hebron's championship Cards tangle with New Haven in the feature contest of the evening.

H. W. Baker, principal of the Walton school, will serve as tournament manager. The principals and coaches chose Willard Bass, Western Hills coach and L. T. Witschger, who officiated in the blind tourney, as the two officials for the district play-off. The official scorekeeper will be James R. Huey and Garland Huff and Malcolm Simpson will serve as official timers.

Trophies will be awarded to the winners and runners-up in both divisions. The winning trophy in the "A" team class is donated by the Walton Bank and the runners-up is given by the Florence Bank. The winning tropny for the "B" team division is presented by the Burlington Bank and the Union Bank has donated the runners-up trophy. A sportsmanship trophy will be awarded to one of the teams. This trophy has been given by J. B. Meader and Mr. Meadows of Walton. Individual miniature basketball will be presented tothe 10 all-star players in the tournament as they are selected by the officials.

Admission will be 60c for everyone the first three nights and 80c for the finals on Saturday night. The doors willopen at 6 o'clock each session. Players, coaches, and cheerleaders will be admitted by the doors will open at 6:00 each spectators will come through door into the gym. Maximum capacity is 1000 persons.

The winners and runner-up will both go to the regional tournament. New Haven won the district last year and Hebron's Cardinals were the runners-up. Both teams failed to win in the regional, however.

Hebron enters as pre-tourney favorites, but all five teams seem to be fairly equally matched with Florence a slight underdog. New Haven is plagued was injuries and sickness and may not be able to put their best team on the floor.

The Reserve team tourney promises to be a thriller as all five teams have good season records and their conference games have all been close. The Florence team is favored slightly in this division.

Todtenbier of Burlington, Rouse and Baker from Florence, Hebron's Toadvine, Dude Simpson from Walton and Knox and Weaver of New Haven will all be making their final appearance on Boone County hardwood as they enter in this tournament.

Games will be as follows:

Burlington Reserves vs. Hebron Reserves at 7:30, Wednesday. Hebron Cards meet the New Haven Tigers at 8:30 the same evening.

Thursday night's hostilities open with the Florence Reserves and New Haven Reserves, and Burlington will tangle with Walton in the feature event of the evening.

Friday night the Burlington-Hebron winner engages the Walton reserves and the Hebron-New Haven winners play the Florence Knights.

The Friday night winners engage the victorious Thursday night teams in the finals Saturday at 8 o'clock.

FARMERS SHOULD WORK TOGETHER

PAUL BETCHER TELLS BOONE COUNTIANS AT MEETING OF BOONE COUNTY NATIONAL FARM LOAN ASSOCIATION.

Farmers should work together more closely than ever during the next few years to protect their interests, Paul Betcher, secretary of the Co-Operative Pure Milk Association, told stockholders in the Boone County National Farm Loan Association at its annual meeting Friday at Burlington.

"There are indications," said Mr. Betcher, "that we may be headed agriculture-wise for some years like those during he period from 1922 to 1929 when the prices of what a farmer sold were low and what he had to buy cost heavily.

"It is too early to tell exactly what the recent break in farm commodity prices means, but I have some fears that there is a move afoot to beat down the prices of farm products while city workers receive fairly high wages and city income remains up."

Mr. Betcher declared that the months ahead were times for being somewhat conservative and watchful as farming enterprise goes.

In his reports to the association, Carl Sheriff, secretary-treasurer, outlined the progress made during the year and said that the financial condition of the organization was "very sound," as evidence of this dividend, checks were distributed to stockholders. Door prizes also were given.

Directors elected to new and unexpired terms are: J. C. Burns, Petersburg; J. C. Acree, Union, and J. C. Bedinger, Walton. O. W. Purdy, vice president, and E. A. Martin, president, still have terms to serve.

VETERANS WILL BE AIDED IN FILING CLAIMS BY DUVALL

F. E. Duvall, Field Secretary of Kentucky Disabled Ex-Service Men's Board, Louisville, Ky., will be in Burlington, Friday, March 5 at the courthouse from 8 a. m. to 4 p. m. for the purpose of aiding in filing claims for veterans and their dependents, and to advise them regarding any other benefits to which they may be entitled.

LIVE-AT-HOME MEETING MARCH 3

NOTED SPEAKERS WILL BE ON PROGRAM AT COUNTY EXTENSION OFFICE, ACCORDING TO AGENTS.

The Boone County Live-at-Home leaders will meet in the County Agent's office in Burlington at 10 a. m., Wednesday, March 3, according to the County Extension offices.

J. E. Humphrey and Mrs. Pearl Haak, from the college, will meet with the group, it was announced. Mr. Humphrey's discussion will be on "Brooding and Raising Poultry." Mrs. Haak will discuss "New Phases In Nutrition."

Bill Davis will discuss garden varieties and practices in place of Mr. John Gardner, who is unable to attend.

Everyone interested in home gardens, poultry flocks and nutrition are invited to attend.

CARNIVAL POSTPONED

The Hebron P.-T. A. Carnival which was scheduled for Saturday night, February 28 at the Hebron school auditorium has been postponed until a later date.

HOBBY WEEK SET FOR WEEK OF MARCH 29 THROUGH APRIL 3

Homemakers are reminded not to forget the date of the Hobby Fairs, March 29 through April 3. Have you planned what you are going to exhibit? Each club is urged to have a good representation.

Fairs held last year were very successful, and it is hoped that fairs scheduled for this year will be even more successful.

The following schedule has been outlined for the vraious clubs:

Hebron and Bullittsville will display at Hebron.

Constance will display at Constance.

Petersburg will display at Petersburg.

Kentaboo, Gunpowder, Burlington Road and Florence will exhibit at Florence Town Hall.

New Haven will display at Union.

Walton will display at Walton.

Verona will display at Verona.

Burlington will display at Burlington.

Watch the papers for the exact location of these exhibits in the above mentioned towns.

Do you have a hobby which you would like to exhibit? Bring it to the nearest exhibit mentioned above—everyone is welcome to enter their hobby in these fairs—men, women and children. There will be separate judging of children's entries. Do come and enter your hobby. You don't have to be a homemaker to enter these fairs—the homemakers are merely sponsoring them.

FIREMEN'S AUXILIARY WILL MEET FEBRUARY 26

The Ladies' Auxiliary of the Florence Volunteer Fire Department will hold its regular meeting on Thursday evening, February 26th at 8:00 p. m. All members are urged to attend.

LOCAL BOYS TO CONDUCT SERVICES AT PETERSBURG

A one time revival service will be held at the Petersburg Baptist Church, Sunday night, February 29. This service is being held by Morton Oliver and Bob Brown of Burlington.

These two young men have held services in churches throughout Northern Kentucky during the winter and the one time revival services will be conducted throughout the spring and summer season. The service will consist of an inspirational song service, original music and poetry and a message from God's word.

These two young christians will be active with the State and Home Mission Boards this summer as they work in revivals, mountain and city mission areas and tent meeting.

Everyone is inveitd to the Petersburg service it was announced by Rev. Otto Pearson, pastor.

Funeral services for Wayne A. Meyers, who died Wednesday at his home 464 Erlanger Road, Erlanger, were held at 2:30 p. m. Friday at the Philip Taliaferro funeral home, with burial in Forest Lawn Cemetery.

Mr. Meyers is survived by his widow, Mrs. Dorothy Meyers; one son, Wayne, Jr., at sea with the Navy and one daughter, Miss Janet Louise Meyers, at home.

BURLINGTON BOY ATTENDING G. C. A. S.

Pfc. James K. Wonderly, son of Mrs. Arthur Maurer, is attending G. C. A. (Ground Controlled Approach) school at March field, Riverside, California.

A graduate of Burlington high school, Pfc. Wonderly entered the service in July, 1946. After he received training in the fundamentals of radar at Boca Raton, Fla., he was assigned to the Airways and Air Communications service. The A. A. C. S. maintain a worldwide communications network to gulde air force pilots and their craft over global airways.

Pfc. Wonderly is learning the highly complex mechanisms of G. C. A. radar equipment, which make safe landings possible in adverse weather conditions.

Upon completion of the G. C. A. course, he will return to his home station with the detachment 102nd A. A. C. S. squadron at McChord Field, Tacoma, Wash.

MASONS TO CONFER E. A. DEGREE TONIGHT

Burlington Lodge No. 264 F. & A. M. will confer the E. A. degree tonight (Thursday) February 26, at the regular stated meeting. Aivin Clore, will have charge of this degree.

All members of the lodge are urged to attend and visitors from surrounding lodges are cordially invited.

$2,334.87 RAISED IN 1947 SEAL SALE

ACCORDING TO FINAL REPORTS —MONEY WILL BE USED FOR TUBERCULOSIS WORK IN BOONE COUNTY.

Reports show $2,334.87 has been raised in the last Boone County Christmas Seal sale. This amount could not have been raised had it not been for the large amount of work done by workers from all parts of the county.

County officers, Mrs. Sibbie Reimer, president, Mrs. Kathryn Cropper, treasurer and Miss Elizabeth Lowry, County Nurse express appreciation to all those who assisted in the work.

Envelopes were late in reaching the officers, so could not be finished at the court house. At the suggestion of Mrs. George Morith, who took the largest, group envelopes were addressed by reliable people in all parts of the county, the material which had been assembled put into them and mailed from various post offices. Through the effort of Mrs. Mabel R. Stansifer nearly $300.00 was raised in Walton by the sale of bonds, over and above the seal sale.

Money derived from the sale of seals and bonds will all be used for tuberculosis work in Boone County. No salaries are paid from the proceeds, as those interested donate their time.

The following letter was received by Mrs. Reimer from Noble J. Swearingen, Director of Health Education of the Kentucky Tuberculosis Association, 620 South Third St., Louisville, Ky.:

"Well, it certainly is very apparent that Boone County has done it again. You and your committee, with their untiring efforts, continue to astound and baffle all the laws of average in regard to the Christmas Seal Sale. We here at the State office certainly do take off our hats to you and want to compliment you on the splendid sale just reported. Especially do we want to remember Miss Elizabeth Lowry who must have been untiring in her efforts judging from the way she bombarded us with requests for additional material. But, believe me, there is no request more welcome.

"I am looking forward to the opportunity of meeting with your group as soon as it is possible to plan further and continue the program aimed at the complete control of tuberculosis in Boone County.

"Again, may I offer my congratulations and thanks to you and your entire group."

NEWSPAPER STORIES SAVE BOONE COUNTIANS FROM LOSS OF BENEFITS

At least two residents of Boone County are grateful to the press for a story which appeared some time ago, according to Elbert M. Bohon, manager of the Covington, Kentucky office of the Social Security Administration, explaining why claims for old age and survivors insurance should be filed promptly.

The first person who saved money is still employed, but his present earnings are considerably less than his average earnings up to the end of the war. By applying now, he has prevented a reduction in monthly insurance payments of as much as $5.00 per month (depending on the length of time he continues to work at the reduced rate).

The second was a widow who would have lost more than $50 if she had called at the office one week later than she did. She told the Social Security representative who interviewed her that she was going to wait until Fall, since her husband's insurance was more than enough to provide for her until then.

If she had waited until Fall to apply for payments for herself and three children, she would have lost three months' payments, or more than $150 in all.

Other counties in the area serviced by the Covington, Kentucky office have produced similar situations, Mr. Bohon concluded. "If you know of anyone who has suffered the loss of a husband or father or child, whose job had been covered by Social Security, you might suggest that he call at the nearest Social Security office at once. Delay may be costly."

TAILORING CLASS WELL ATTENDED

VERNA LATZKE, CLOTHING SPECIALIST OF UNIVERSITY OF KENTUCKY CONDUCTED SCHOOL.

Fourteen Boone County Homemakers attended a four-day tailoring class held at the Burlington school last week. Each woman worked on a suit or coat. No garments were completed because of the time consumed in learning many new tailoring techniques.

Each leader present reported she had learned many pointers that would he helpful to her in future sewing projects. Leaders particularly learned to appreciate high standards of quality in commercial tailored garments.

Following the countywide tailoring school, leaders plan to conduct local tailoring classes in local communities where there is enough interest.

Miss Verna Latzke, clothing specialist of the University of Kentucky, conducted the school. Leaders worked from 9:00 a. to 4:30 p. m. each day.

The Burlington School and county school superintendent's office gave splendid cooperation to the group. The Home Economics room and the use of its equipment was extended to the group.

BASEBALL LEAGUE FORMED MONDAY

JAMES R. HUEY NAMED PRESIDENT—EIGHT TEAMS REPRESENTED AT MEETING, ACCORDING TO REPORTS.

The initial meeting of the Boone County Sunday School League was held at Burlington Monday night with eight teams represented. Joe Rouse, last year's president, resigned and his position was filled by James R. Huey, of Belleview, Walter Brown, of Burlington was reelected as secretary and the executive board will consist of Rev. R. A. Johnson, Rev. Wm. Burkett and Rev. Claude McDonald.

The league will be composed of eight teams again this year with Sand Run, last year's champions, Bullittsville, Bullittsburg, Burlington, Petersburg, Florence, of last season's league participating again. Belleview and Big Bone are the new teams entering the loop this season. Verona and East Bend will not play in the league this year.

The manager's meeting has been set for March 11 at Burlington. The deadline on accepting new teams is April 1, as the season's play will begin April 17. A list of eligible players must be completed by June 6, after which no new names can be added.

Any team desiring to enter is urged to notify some of the officials as soon as possible.

This will be the second year for the Sunday School League, and it is expected to be even more successful than it was last season.

JUNIOR MOSKEET DATES CHANGED

The date for the State Junior Conservation Clubs' annual state moskett and rifle contests has been changed to June 19 and 20 from the original date, June 26 and 27, so that this affair will not conflict with the National Crow Shoot which will be held at Williamstown on June 26-27. The Franklin County Sportsmen's Club, joint hosts to the juniors at its annual Field Day Show, changed the original dates, which necessitated the earlier date for the Juniors. Contestants from the nine districts in the State will compete in rifle (single, doubles and four-man teams) and moskeet during the two-day meeting. A camporee has been arranged for the boys on the night of June 19, with sunrise services and a sightseeing tour of Central Kentucky under the direction of the Division of Game and Fish. Governor Earle C. Clements will be invited to address the boys during the camporee.

FEBRUARY 21-27 OBSERVED AS NATIONAL F. F. A. WEEK

February 21 through 27 is National Future Farmers of America Week. During the week local chapters strive to carry on activities to promote a better understanding of their work.

Following are some of the facts about the National organization:

The F. F. A. is active in 47 states, Hawaii, and Puerto Rico. At present Rhode Island does not have an active F. F. A. but is planning one.

The last membership total as of June 30 was 238,269 boys.

The present membership which will be compiled June 30, 1948, will probably exceed 250,000.

The national officers are actually F. F. A. members who live at home during their term of office. However, they do lots of traveling to carry on the work. Some of them traveled over 50,000 miles last year.

The national convention is held each year, and this being the twentieth anniversary have a slogan, "Twenty thousand for the twentieth year," and it is hoped that many will attend the convention at Kansas City next November.

As to local chapters, there are two in Boone County schools, one at Hebron and one at Burlington. The Burlington chapter, new this year, has 24 members. The officers are John B. Walton, president; Herbert Ockerman, vice president; John C. Rogers, treasurer; Joe Smith, secretary; Jack Cave, sentinel, and J. R. Huey, advisor.

Activities for F. F. A. week included entertaining a group of prospective members with the showing of the F. F. A. picture, "The Green Hand." Several news articles have been published and an exhibit has been placed in the large display window of the Burlington Hardware Store.

The members express thanks for the use of this window in bringing to the public some of the facts about F. F. A. Chapters.

THREE NAMED ON ALL NORTHERN KENTUCKY SQUAD

Three Boone County Conference basketball players were placed on Ralph Boechert's (Kentucky Times-Star sports reporter) all northern Kentucky basketball teams as announced last week. According to the Times-Star Boechert not only picks his teams from viewing the boys in action but he keeps extensive statistical information on the individual players.

His first team squad was Kordenbrock, Holmes and Haverfield, Beechwood, forwards; Davis, Dayton, center; Todtenbier, Burlington, and McGlasson, Hebron, guards. Second squad: Nie, Newport Catholic, and Toadvine, Hebron, forwards, Nabor, Covington Catholic, center; Hundermer, Bellevue, and Dammert, Dixie, guards.

BURLINGTON MAN KILLED IN CINCINNATI

Chas. Kippler, of Burlington, R. 1 was killed instantly early Wednesday morning at his place of employment, Kopgers Co., Columbia Parkway, Cincinnati.

Kippler's clothing caught in a cable which threw him into a large piece of machinery, crushing him, according to reports received at this office. He was 42.

Details of the accident were not available as we go to press Wednesday morning.

NATION HONORS 4-H'ERS MARCH 1-7

SPECIAL RECOGNITION WILL BE GIVEN ON RADIO, IN NEWSPAPERS SCHOOLS AND CHURCHES.

Observance of National 4-H Club Week has been planned for March 1-7. Special recognition will be given on the radio, in newspapers and in schools and churches.

"Creating Better Homes Today for a More Responsible Citizenship Tomorrow" has been selected for week's theme. This will give every 4-H member another opportunity to rededicate himself to the ideals embodied in the 1948 club theme, the 4-H Club pledge, the 10 Four-H guideposts and the 4-H citizenship pledges, to reaffirm his intention of carrying out the 1948 goals already set; and to enlist new members in helping to live in a peaceful world through serving to the fullest in the home, on the farm and in the community.

Four-H Clubs in Boone County were organized for 1948 during the last month. New members may still join until the last of March. Anyone interested in joining is asked to contact the county extension office or 4-H officers in their local school.

Following is a paragraph written by Joy Elmer Morgan on "Begin Your Citizenship in the Home":

"The foundations of your whole life—physical, emotional and mental—are laid in the home. The well-ordered home based on love, mutual helpfulness, and intelligent cooperation is the highest achievement of mankind. It is the cradle of civilization. By giving and working together in the home we acquire the virtues, habits, and skills needed for the highest success in life. By doing your part in the tasks about the home, by helping to keep it clean, orderly, and beautiful; by seeking to make it a peaceful, friendly, and happy place; you learn to think, to plan, and to work with others in ways that will help you to perform well your part in any community. Exalt, enrich, and beautify your home. It is the foundation of your life and happiness; the first school of citizenship and democracy."

LEATHER TOOLING TO BE FEATURED AT TRAINING CLASS

The third training class in leather tooling has been scheduled for Monday, March 1. The meeting will be held in the court room of the Burlington courthouse. Leaders in leathercraft from each local club and any one else particularly interested may attend the meeting. Instructors for the class will be Mrs. Robert Myers, of Florence, and Mary Hood Gillaspie, Home Demonstration Agent.

Leaders plan to finish their coin purses and billfolds started at previous training classes. Some are planning to work on large articles such as cosmetic bags and purses.

Willis Arrasmith and Bill Wallace of Union, were pleasant callers at The Recorder office, Friday of last week.

COUNTY TEAMS ARE VICTORIOUS

IN WEEK-END BATTLES WITH OUT-OF-COUNTY SQUADS—WALTON CRALKS UP THREE GAMES IN WIN COLUMN.

Boone County hardwood teams turned in one of their most victorious weeks paced by Walton Bearcats, who won three games as they trounced New Haven, Dry Ridge and Crittenden. Florence trimmed St. Henry and Holy Cross, while Burlington trounced Holy Cross, New Haven drubbed New Liberty, and Hebron was idle.

The Bearcats, currently one of the hottest outfits in Northern Kentucky, came out on the big end of a 38-36 game with the Tigers. They won over Dry Ridge 60-42 and trounced Crittenden 66-45. Vest and Simpson set the pace in all three games as they totaled 56 and 50 points respectively. Vest is second high scorer in the county.

Paced by Doc Baker's 18 points, Florence avenged an earlier setback by Holy Cross as they trimmed the Indians 60-48. Friday night Tanner's boys took St. Henry by a 50-45 count with Rouse's 17 the highest mark of the night. The Florence reserves won both games.

Burlington doubled the score on Holy Cross they won 60-30. Reynold Todtenbier chalked up 26 markers to lead the way for the Eagles. This was the same team that Todtenbier scored 41 points against earlier this year. The little Eagles also won their game.

New Haven trounced New Liberty 66-25 at the New Haven floor Friday night. Information on the game was not sent in.

Final games this week will see Hebron at Walton, Tuesday; Walton at Burlington, Friday; Covington Catholic at Burlington Saturday; St. Henry at New Haven Tuesday and St. Henry at Hebron, Friday.

EXTENSION ADVISORY COUNCIL MEETING SET

The second meeting of the Extension Advisory Council will be held Friday, March 5, at 1:30 p. m in the County Agent's office, according to William E. Davis, County Agent.

The committee will review the extension program for 1948 to see that it meets the needs of the county and to add projects to the program as they see fit.

The committee is composed of community program chairmen and representatives from the homemakers clubs, Utopia club and 4-H and Utopia Council

All members are urged to attend.

DHIA MEETING ANNOUNCED FOR FEBRUARY 26TH

The Northern Kentucky DHIA will hold a meeting on Thursday, February 26, at 8:00 p. m. in the office of C. A. Wickland, County Agent of Kenton County. Mr. Wickland's office is in room 6 of the Federal Building at 7th and Scott Sts., Covington.

Part of the business to be taken up will be election of a new secretary to replace Mr. O. Y. Kelly, whose business duties make it impossible for him to continue as secretary.

All DHIA members are urged to attend.

4-H MEETINGS ARE COMPLETED

ENROLLMENT TOTALS 340—OFFICERS AND LEADERS TO BE ELECTED AT SECOND SERIES OF MEETINGS.

The first series of 4-H meetings in Boone County were completed this month. Enrollment at these meetings total 340; of these, 178 are girls and 163 are boys, according to the extension offices.

At the first meetings officers and club leaders for 1948 were elected. The second series of meetings in March will be devoted to electing project captains and project leaders. Record books will be given out at the March meetings and project work will begin in earnest.

Boys and girls of club age who may wish to join then, may do so at the next meeting of their local club.

Club meetings during the next two weeks are scheduled as follows:

Burlington—9:00 a. m., March 2.
Burlington Colored—10:30 a. m. March 2.
St. Paul's—9:00 a. m. March 8.
Florence—9:00 a. m., March 9.
Verona—1:30 p. m, March 9.
Walton—3:00 p. m., March 9.
Hamilton—9:30 a. m., March 10.

DISABLED VETERANS GIVEN EXTENSION OF ON-JOB TRAINING

Disabled veterans may continue educational or on-job training courses longer than the usual four years if necessary to attain their vocational objectives under provisions of the Vocational Rehabilitation Acts (Public Law 16), Veterans Administration officials in Columbus, O., explained.

The time-extension provision is applicable in cases where veterans are so severely disabled that no course of training would restore them to employability in four years. Also, it applies to veterans who lose time in their courses because of their health or other circumstances beyond their control. Application for courses of more than four years should be made through the VA regional office nearest the veteran, located in this branch area in Detroit, Michigan, Cleveland and Cincinnati, O., and Louisville, Ky.

The Greatest Mother In The World

Mother nature gives the birds miscroscopic eyes to see tiny grain from a distance, and how she cares for us humans.

For instance, when we bruise our feet by wearing poorly constructed or ill fitted shoes. Nature sets up protective layers, corns, callouses and bunions, at the point where the attack is directed, and by means of pain telegraphs the brain that danger is at hand and how do we respond to nature's signal? Usually, by paddnig these protective layers or paring them. This of course, does relieve the pain but does NOT remove the cause of the trouble. Corns, callouses and bunions are merely symptoms telling you there is something wrong inside your feet.

Permanent relief will be obtained when you relieve pressure on delicate nerves and tissue, when you straighten up weak, inrolling feet that throw the strain of weight bearing into the outer arch. So, if you would really get at the bottom of your foot ills, by all means, see our foot comfort specialists — they will make a scientific foot analysis of your foot. Then foot comfort is absolutely assured.—Adv.

BIG GAME REFUGE PROJECT ANNOUNCED

The Federal Aid Division and the Division of Game and Fish have announced a project to develop big game refuges throughout the state for increased production of game, especially the deer and wild turkey.

The project will be under way by March 1 with Jim Shanahan in charge. Under the plan habitat for big game will be developed on all six refuges now in operation and new refuges to be established, so that more deer and turkeys may be produced.

Harold E. Alexander, Coordinator of the Federal Aid Division, says the increased production will overflow onto other lands and thus the state will become a better big game territory. He pointed out that if the project is successful Kentucky should, within a few years, become an excellent deer hunting state.

PROTESTS RUINOUS PRUNING OF TREES

Homemakers should protest against pruning of shade trees where nothing is left but the trunk and a few large stubs of branches, says Prof. N. R. Elliott, expert in horticulture at the UK College of Agriculture and Home Economics. "Trees trimmed in that manner never outgrow the injury, and usually die in a few years," he adds.

Dead branches of trees, and live ones which it is necessary to remove, should be taken out in February, Mr. Elliott said, as he advocated the use of a sharp saw for pruning. An axe should never be used for this purpose he stated, and all wounds that are one inch or more in diameter should be painted with house paint or shellac.

Haskell Jackson of Bullitt county has spread 18 tons of rock phosphate on pastures.

COLD FACTS

(Number Four in a Series of Five)

So you want to buy a home freezer? That's good! We hope every one of our customers will soon have one.

But what size shall you buy? And what will it cost to own and operate? Here are the figures for a 10 or 12 cubic foot unit (explained in this space in your RECORDER for the last three weeks).

Depreciation	**$40**
Electricity	**$15**
Interest Loss	**$12**
Yearly Cost	**$67**

If you are to spend $67.00 each year, what will you get in return? Such a unit serves in two ways:

1. It is an ideal STORAGE unit. It will hold 350 pounds of delicious frozen foods.
2. You can FREEZE your own meats, fruits, vegetables, and poultry, but not much at one time.

That's the catch! Reliable manufacturers recommend a freezing limit of 10% of the cabinet's capacity — which means freezing 35 pounds or less at one time. Beyond this limit, freezing is too slow to retain flavor and keep down bacteria. If the limit is ignored, spoilage of all food in the cabinet—or permanent damage to the unit—frequently results.

Complete processing involves many operations prior to freezing. Immediately after slaughter, animal heat must be removed by proper chilling without danger of freezing. Beef should then be aged in a uniform temperature above freezing, to give it tenderness and flavor. Hams and bacon must be held at proper temperature for several weeks while in cure.

For a few weeks each year, Nature provides the right temperature for chilling, aging, and curing. But what about all the other weeks of the year? Will you let flies swarm on your meat during and after slaughter? Will you let meat spoil because of too high temperature? How will you prevent souring in warm, changeable weather?

For a well-balanced, healthful diet 12 months a year, the home freezer is a very convenient aid, but is not complete by itself. Watch this space next week for more **COLD FACTS.**

DALTON STORES ANNOUNCE OPENING CELEBRATION

Dalton stores announce their opening celebration in this issue of The Recorder. This double-feature fashion event starts today and runs through next Monday, signalling that two completely new stores, one at 728 Madison Ave., Covington, and the other at 838 Monmouth St., Newport, are ready to serve with great arrays of beautiful Spring and Easter fashions.

The Covington store has been merged with the Madison Apparel next door to the Madison Theatre. With beauty of design and many new features, it is one of the most attractive fashion centers in Kentucky. A completely new girls' department has been added. Members of a great buying syndicate, these stores will be able to offer nationally-known brands sensibly priced, with easier streamlined shopping.

There will be gifts for patrons during the celebration, and bright, colored inflated circus balloons will be given to every child visiting the girls' departments. Store hours today, Friday and Saturday will be 9 a. m. to 9 p. m.

Let our registered optometrist check your eyes. If tests show needed lenses or glasses are needed, choose from modern style frames which you can be sure are the best for your features.

SUNBEAMS MEET

The Sunbeams from the Bellevue Baptist Church met Saturday, February 14 at the home of Mrs. R. A. Hensley for their monthly meeting and a Valentine party.

Those present were Bobby Sloan, Ronnie and Larry Burcham, Sharon Bobby and Danny Newman, Betty Rogers, Janice Rhea Ligon, Billy Rogers, Larry and Ronnie Presser, Kathy and Gregory Smith, Mary Sue and Charlotte Rogers, David Pendry, Judy and Billy Jones, Johnny and Bobby Stutzman, Mrs. Hilda Rogers and infant daughter, Mrs. Espy Ligon, Mrs. Virginia Jones and the hostess, Mrs. Hensley.

After the meeting Mrs. Hensley served ice cream and cake, which was enjoyed by all. After this games were played and the Valentine box opened.

The next meeting will be at the church, March 27. After the meeting there will be an Easter egg hunt.

—Mrs. Virginia Jones.

CONSTANCE HOMEMAKERS

The Constance Homemakers met at the home of Mrs. Gilbert Dolwick on Feb. 4th. There were only seven members present due to the bad weather.

Mrs. Thos. Kenyon, president, opened meeting with singing of "The Star Spangled Banner," salute to flag and club collect, followed by reading Psalm 121 by Mrs. Elmer Reeves.

There was no lesson on leathercraft as the leaders were unable to attend the last leathercraft lesson at Burlington.

The March meeting will be at the home of Mrs. Thos. Kenyon.

Mrs. H. Kottmyer, Reporter.

LOCAL PONDS TO BE RESTOCKED BY STATE

The Fisheries Department of the Division of Game and Fish has started its 1948 pond restock program with the advent of suitable weather and the program will be continued throughout the spring, summer and fall. The first ponds being restocked are in the Fifth district which consists of Anderson, Woodford, Boone, Bracken, Campbell, Carroll, Franklin, Gallatin, Grant, Harrison, Henry, Kenton, Owen, Pendleton, Robertson, Scott and Trimble counties. The applications are filled by districts. That is, the restocking crew will visit one district and take care of all applications in those counties before moving on to another district.

SECRETARY RETURNS FROM REGIONAL CONFERENCE FRI.

Red Cross Executive Secretary, Mrs. Elizabeth Goodridge Nestor has just returned from a regional conference for the States of Ohio, West Virginia and Kentucky, held at Louisville, Friday, Feb. 20th, where she had the privilege of not only hearing him speak, but of personally meeting Hon. Basil O'Connor, president of National Red Cross.

The morning session was given over to the addresses of "Lesser Lights," while Mr. O'Connor's speech followed the luncheon. One of the morning addresses was especially interesting to Mrs. Nestor as it dealt with the Disaster Relief in Kentucky. Mr. Jesse Lay, of Barbourville, Ky., chose for his subject, "When Disaster Strikes." His city of Barbourville lies in a pocket in the Kentucky mountains and has been the victim of several "flash floods" for which there is no remedy and from which there is no defense. The Red Cross furnished $65,000 worth of relief in 1947 and was again helping them for the same cause when he left home this year. Boone Countians should be thankful that our section is so seldom visited by disaster.

The keynote of Mr. O'Connor's speech was "Though the purchasing power of our dollar has decreased, the needs of humanity have not."

Watch next week's paper for information concerning the new "Blood Bank Program."

SIMULTANEOUS REVIVAL PLANNED FOR 1948, IS WORD

Dr. W. R. Pettigrew, pastor of the Walnut Street Baptist Church, Chairman of the Statewide Evangelistic Committee for Kentucky Baptists, reports that 67 of the 80 district Baptist Associations have voted to have a Simultaneous Revival in 1948. Previously, Kentucky Baptist churches had voted in their annual meeting in Owensboro to have as their theme, "Winning souls in 1948." The method they voted to use was to have the churches in a county or larger unit hold revival meetings at the same time. In some cases there will be as many as 90 churches holding services daily for ten days during the same period.

Rev. A. B. Colyin, Covington, has been chosen as director for North Bend Association. Other members of the committee are Rev. John Huss and Rev. R. A. Johnson.

SPECIAL SERVICES ANNOUNCED

Special services will be conducted at the Hebron Lutheran Church on Sunday, February 29 at 11:00 a. m. by E. E. Flack, dean of Wittenberg College.

Seen And Heard Around The County Seat

Rex Berkshire, of Elsmere, was calling on friends here last Friday.

Miss Ruth Stephens is attending school at Campbell Commercial School, Cincinnati.

Mr. and Mrs. J. W. Kelly were dinner guests of Mr. and Mrs. Louis Riddell of Florence, last Thursday.

The Friendship Class met Saturday night at the home of Mrs. Carl Griesser.

Mrs. Tom Marshall was called to Anderson, Ind., due to the death of her sister, Mrs. Ollie J. Ratcliff.

Mr and Mrs. Albert Sebree and family visited Mr. and Mrs. Robert Gulley, Sunday.

Seaman Wyman Stephens, aboard the U. S. S. Lloyd Thomas, arrived at Sydney, Australia, January 30.

Mrs. Lillian Wilhelm, of Frankfort spent several days last week with her daughter, Mrs. Ernest Ruppert and family.

Mrs. William Rudicill was ill several days last week.

Rev. R.A. Johnson was a dinner guest Sunday at the home of Mr. and Mrs. L. R. Vice and family.

The Stepping Stones Sunday School Class held their meeting at the home of Mrs. Carroll Rice, last Saturday night.

Mr. and Mrs. J. D. Jarrell are the proud parents of a baby daughter, born Tuesday night at Christ Hospital.

Rev. Chase Jennings, Superintendent of Missions of Northern Kentucky, supplied the pulpit Sunday night at the Burlington Baptist Church.

Twelve Clark County Farm Bureau members sold 9,168 pounds of tobacco for $4,897.92, or at an average of $53.42 per hundredweight.

In Bourbon county, Ky. 16 tobacco has produced on an average higher yields and greater returns per acre than other varieties.

HINTS FOR WOMEN
WHO SEW AT HOME

Hints to home sewers, who during the slack season are making their cotton dresses for spring and summer, are suggested by Miss Verna Latzke, specialist in clothing at the UK College of Agriculture and Home Economics.

Because the new look, obtained principally through longer and fuller skirts, will cost each wearer from one to several yards more material Miss Latzke advises checking yardage requirements as given on the pattern envelope before the material is bought, else there might be a shortage when the garment is cut. The approved skirt length for spring continues to be mid-calf, she said.

A second safeguard is to buy cotton fabrics which have been sanforized, or are labeled not to result in more than one percent residual shrinkage upon washing, Miss Latzke pointed out. When cottons have not been so treated, the home sewer is cautioned to shrink them before a garment is made. This may be done by first folding the material wrong side out with selvages even, then soaking it thoroughly in warm water and hanging carefully to avoid unnecessary wrinkling. When partially dry, it should be pressed on the wrong side, edges even. Done in this way the original finish of the material will not be lost, the specialist said.

Seam finishes to be used on cotton dresses depend upon the weight and firmness of the fabric. The pinking shears may be used to give a finished edge on such firm fabrics as chambray, broadcloth and gingham. Where there is strain on light-weight fabric, Miss Latzke advises a plain seam with double rows of stitching a fourth-inch apart. An opened plain seam with each edge turned under and stitched is recommended where ravelling is a

HEAVY APPLICATION OF FERTILIZER MAY DAMAGE PLANT BEDS

Too much fertilizer may damage tobacco plant beds, says C. E. Bortner of the Agricultural Experiment Station at Lexington. A sack or 100 pounds of mixed fertilizer used on 100 feet of bed 6 to 12 feet wide may reduce germination of seed as much as 80 percent, he says, and in dry years may cause complete failure.

He advises applying not more than 40 pounds of mixed fertilizer, such as 4-8-4 or 6-8-6, for each 100 feet of steamed bed 12 feet wide. In dry years, unless the bed is properly watered, this amount may lower germination. In dry weather, plant beds should be watered not less than once a week. On heavily burned beds, Mr. Bortner suggests the use of a low-potash fertilizer, such as 4-12-0 or 4-16-0. Other suggestions:

The use of manures or such organic material as cottonseed meal on the plant bed at the time of seeding or thereafter is to be avoided. Poultry, sheep and horse manure have been found to injure stand and growth of tobacco plants at concentration of 64,143 and 322 pounds respectively per 1,000 square feet of plant bed. The use of these manures also may bring weed seeds into the plant bed.

During good growing weather, if the plants are growing slowly and are yellow, the bed should be treated with nitrate. Dissolve 10 pounds of nitrate of soda in a 50-gallon barrel of water. Remove the cotton and sprinkle the nitrate solution evenly over the bed, with a sprinkling can, at the rate of 5 gallons to 18 running feet of bed 12 feet wide, or 24 running feet where the width is 6 feet. Follow at once with an equal amount of clear water to rinse the solution off the leaves and prevent burning.

Cottonseed meal worked into the top inch of soil after burning the bed has been found to reduce the stand of plants by 45 percent and the size of the plants by one-third when applied at the rate of 6 pounds per 1,000 square feet of plant bed.

4-HERS MAKE MONEY

Forty-seven 4-H club members in Woodford county produced 41 acres of tobacco last year, six of them selling 4,048 pounds for $2,396.76, or at an average of $56.73 per hundredweight. These crops averaged 1,445 pounds and brought the members $819 per acre.

AND WE CAN PROVE IT.
Fish is NOT a brain food! (No food feeds a specific organ. This superstitution may have arisen from the fact that both fish and brain tissue contain phosphorous. But so do milk and beef-steak; and phosphorous is also contained in nerves and teeth.—The Readers Digest, February, 1946, p. 85.)
You'll be thrilled with the results you get when you start using East Bend Feed from HODDER & RUPPERT. The high quality and fair prices of these feeds will lead you to bigger profits . . . complete feeding satisfaction.

50-BUSHEL CORN ON DRAINED LAND

Drainage of low, wet land by tiling is causing favorable discussion in Rockcastle and Southern Madison counties, notes Farm Agent Robert F. Spence, who quotes Bronco Abney as saying he got more than 50 bushels of corn per acre on tiled land which never before had produced corn. Abney put in a drainage system in the fall of 1948. Tom Moore of the Conway community reported that despite heavy rains, he produced a good tobacco crop on tiled land last year.

Capitol Comments

By Dave Porter

The General Assembly, its last long holiday behind it, is back at work with crowded calendars and much important legislation still incomplete.

From now until sine die adjournment March 19, the lawmakers will get work and plenty of it. All the one hundred members of the House and the thirty-eight in the Senate have pet measures they will want considered in return for the deals and trades made on other bills, and these pet measures must be moved.

Still in committee is the cigarette tax increase bill which, if it ever gets to the floor, will create some sort of controversy and face the same possible defeat that greeted this type of bill two years ago.

A three-cents a pack tax on cigarettes, with border states selling them for less, would mean cigarette bootlegging in Kentucky and a loss of revenue. It is a safe assertion that the bill could not get through the assembly unless Governor Earle Clements, himself, were to ask for its adoption—and there has been no indication this will be done.

There is little hope, too, for the bill dropped in the House hopper last Friday to tax coin-operated machines such as juke boxes and kindred-type machines. Bills of this nature have been offered in the legislature many times in the past, but all have failed. Chief reason is the powerful lobby the coin machine operators and manufacturers are able to mass against this type of legislation.

Public welfare legislation, such as hospital facilities, possibly a school of medicine, and institutional advancement is also on the agenda for the session before very long, and action on some of these proposals particularly on hospital problems should begin by next week.

Time is running out and the members are beginning to realize it. That's why it is fairly safe to hazard the opinion that the legislature will be plenty busy from now until the end.

Most interesting measures of last week were the so-called "ripper" bills which would enable the governor to oust the present members of the State Public Service Commission, and to name new members without confirmation of the Senate, as is now the law. What will happen to that bill? The answer is simple. If it's the Governor's bill it will pass.

Certain of enactment, too, on the same basis, is the measure which would allow the governor to name the state racing commissioner.

In spite of cold weather and slippery roads, a goodly number of women attended the Feb. 11 meeting at the church.

Ruth M. Kelly, president was in charge and gave the devotional message, after which a short quiz on some W. M. U. fundamentals was conducted.

Mrs. Earl Smith, program chairman presented a very interesting program "The Unfinished Task in Our Homeland," prefacing it with very timely remarks concerning our country.

The various topics were ably discussed by Mrs. Aline Brady and Mrs. Walter Brown. Mrs. Sam Allen rendered two beautiful patriotic selections on the organ. Others participating in the program were, Mrs. M. A. Yelton and Mrs. W. L. McBee..

During the business session plans were made for March regular meeting conjunction with Week of Prayer for Home Mission work will be made. March 3rd, 11 a. m. at the church will be the time and place for this observance. May every member attend and each bring a visitor, if possible. All women of the church and community are welcome.

The members also plan to attend the Associational Mission Study Class at Erlanger Church, Feb. 26, 10 a. m.

—Publicity Chairman.

Notes and Comments
From the Editor's Desk

More Than Untch Needed

When bad weather damages a food crop, the farmer is the first to feel the impact but he is not the last one to be affected.

The consumer is soon hit by the effect of crop damage. A short corn crop means higher corn prices which in turn increase the cost of feed for beef, poultry, and other meat animals. As a result of the shortage in the 1947 corn crop and unfavorable wheat pasture conditions, R. J. Eggert of the American Meat Institute points to a 17 per cent cut in the number of cattle moving into the corn belt compared to a year ago, as a leading factor affecting meat prices.

In a business as highly competitive as food production, price rises are not caused by arbitrary price boosting. Because of a record demand for meat and a scarcity of feed, the total national herd has been reduced by between 3,000,000 to 4,000,000 head according to the American National Livestock Association. Such a reduction in the national herd, at a time when demand for beef is breaking all records, offers little encouragement for reduced prices in the near future. Even with cattle production on the increase, price relief would be doubtful with our present 50-cent dollar.

Price control as a remedy is not the answer. It would not bring more favorable weather to grow more corn to fatten more cattle. Neither would it strike at the causes of our present inflation which advances in all prices. It is like offering a crutch to a man with a broken leg, instead of setting the leg.

Plain Talk On Oil

The American Petroleum Institute has published a booklet which explains some of the facts of life as they apply to oil.

Our thirst for oil has attained almost incredible dimensions. America alone consumes more of it than was required by the entire world only ten years ago. The peak reached in wartime was below the present level. And the United States is consuming 28 times as much oil per person as the rest of the world.

The industry, recognizing its obligations, is engaged in a $4,000,000,000 expansion program which is going forward as rapidly as the necessary materials can be obtained. It has managed to build up oil reserves to a new high level—a remarkable achievement in the light of consumption figures. And, finally, it is developing foreign oil resources which will ultimately relieve much of the pressure on our domestic facilities.

There hasn't been a severe oil shortage—which is a testimonial to prior planning by the companies in the "tight" areas. Reasonable conservation by the using public will prevent a shortage in the future. The public is asked, for example, to keep room temperatures in homes using oil heat to 68 degrees, and to resist the urge to speed in automobiles.

All the indicatinos are that the demand for oil will continue to rise. And the industry is expanding daily to carry the load.

Tips On Prices

The best Washington forecasters are telling the public that butter is going to return to a dollar a pound. Meat is becoming scarcer and it costs more per pound than it did few months ago. As supplies shorten in a few months, new price heights may be expected in midsummer. Building costs are going higher but the building boom is slackening. Rents seem to be anchored for the present, at least. Men's suits are being upped.

The probabilities are that Government spending will continue at about the present level.

No Slump In Business

Bank credits are being tested by business interests throughout the country and people and corporations who are entitled to credit aren't having much trouble in business at their banks. The records show that bank loans are continuing to rise, which indicates that the U. S. Treasury policy is favorable to business, industry and corporate plans that keep the great American system riding easily on the top of the waves.

Synthetic Oil

The next new wonder is going to be synthetic oil. The Department of Interior shows a good deal of enthusiasm over the new industry which is operating in a small way in Colorado. The plans are being made to back the synthetic oil development with billions of dollars. Don't say it can't be done. Nothing's impossible in the synthetics.

JAMES H. FREE

James Henry Free, 18, son of Mr. and Mrs. Henry Free, of 11 Lloyd Ave., Florence, died of virus pneumonia at Good Samaritan Hospital, Lexington.

Jimmie was attending the Arts and Science College, University of Kentucky, Lexington. He was a first-year premedical student, and lived in Breckinridge Hall on the campus, where he became ill a week ago.

His parents received word of his illness through school authorities Friday. However, at that time they were told there was no need for alarm. On Sunday night they were summoned to Lexington when their son's condition became serious.

Besides his parents he is survived by his grandfather, Anthony Hauck of Covington.

Funeral services were held at 2:00 p. m. Friday at the Catherman funeral home, Ludlow, with burial in Highland Cemetery, Ft. Mitchell.

VETERANS TO BE ADVISED

Veterans and their dependents will be advised in filing claims by F. E. Duvall, Field Secretary of the Kentucky Disabled Ex-Service Men's Board, Louisville, Friday, March 5th, when he will be at the courthouse in Burlington from 8:00 a. m. to 4:00 p. m.

HARRY DAUGHERTY IS HIGHEST BIDDER

AT COMMISSIONER'S SALE OF FLORENCE PROPERTY—BRICK HOUSE AND FIFTEEN ACRES SOLD TO SETTLE ESTATE.

Dr. Harry R. Daugherty, of Florence purchased the brick house and fifteen acres of land in the town of Florence, known as the late Mary E. Rouse home, sold at the court house door in Burlington, on Monday, March 1st by A. D. Yelton, and other outbuildings with fifteen

The property is located off U. S. Highway No. 18 on Price Pike, and consists of a six-room house, barn and other outbuilding with fifteen acres of land. The price paid for the property was $19,000.

A large number was present at the sale and bidding was spirited, according to reports.

The property was sold to settle the estate, Mr. Yelton said.

FAIR GROUNDS LAKE SURVEY MADE TUES.

J. T. Cox, State Superintendent of Farm Pond Management for the Division of Game and Fish, Edwin Johnson, State Conservation officer and a corps of workers made a survey of the 4-H and Utopia Fair grounds lake at Burlington Tuesday to determine the amount of fish in the lake .

After test netting the lake, Mr. Cox stated that the lake was overstocked with bream, which should be removed. Arrangements have been made with the State Division of Game and Fish to seine the lake, remove all bream possible, and to restock the pond with several thousand bass, furnished by the State.

Seining work at the fair grounds lake is expected to be done within the next thirty days, according to Mr. Cox. Several other surveys were made by Mr. Cox and his workers while in this section.

BURLINGTON MAN ELECTED PRESIDENT

OF DAIRY HERD IMPROVEMENT ASSOCIATION AT MEETING HELD THURSDAY IN COVINGTON.

Dr R. C. Garrison, Burlington, was elected president of the Dairy Herd Improvement Association at its annual meeting Thursday night at the offices of C. A. Wicklund, Kenton county agricultural agent, in the federal building, Covington.

Orville Kelly, Burlington, who has served as secretary for several years resigned due to his having accepted employment out of the state, and Albert Hatcher, Alexandria, was named the new secretary. C. J. Grift, of Kenton county, was elected vice-president.

The organization voted to notify all members that the dues for herd testing would be payable in advance, either in lump sum or for one quarter with post-dated checks for the three remaining quarters of the year. Six new testing herds were added to the list served by the group.

Discussions were led by Joe Rust, tester for the association; Wilford Scott, Burlington; C. A. Porter, Campbell county agent.

LOSS SET AT $8,000 IN FIRE

AT RED ARROW TOURIST CAMP, U. S. 25, TWO MILES SOUTH OF FLORENCE—ORIGIN OF BLAZE NOT DETERMINED.

Damage estimated at $8,000 was caused by fire late Friday at the Red Arrow Tourist Camp, two miles south of Florence on the Dixie Highway, according to Harold Martin, assistant fire chief of Florence.

Approximately $5,000 damage was caused to the main building on the grounds, a two-story frame structure and damage to the contents of the building was estimated at approximately $3000.00.

Florence and Elsmere volunteer firemen fought the flames for more than two hours, and prevented the fire from spreading to adjoining buildings. There are nine cabins at the tourist camp, and a three-room cottage occupied by the owner, Mrs. Clara Moore.

Fire Chief Martin said the cause of the blaze could not be determined accurately, but said he believed defective wiring was responsible.

The large structure which was destroyed housed the camp restaurant and bar and also a private apartment.

ARMINTA SEDERBERG

Miss Arminta Sederberg, 60, died last Friday, February 27 at her home in Tillamook, Oregon. Miss Sedreberg was a former resident of this county, formerly residing in the Beaver neighborhood, leaving Boone County 22 years ago.

She is survived by one sister, Mrs. Gussie Moore, Burlington, R. 2, and one brother William Sederberg, of Oregon.

The body arrived in Cincinnati Wednesday evening and friends may call at the Ralph Stith funeral home, Florence Thursday noon until time of services.

Funeral services will be conducted Friday afternoon, March 5 from Florence Christian Church. Burial will be in Hebron Cemetery.

The Ralph Stith funeral home is in charge of arrangements.

COUNTY CHAIRMAN IS GIVEN PRAISE

A letter from Dr. L. E. Smith, Director of Kentucky State Tuberculosis Association,, Louisville has just been received, and much appreciation is expressed to Mrs. Justin Dolph, county chairman for the sale of Health Bonds in connection with the Christmas Seal Sale.

Quoting from Dr. Smith's letter: "We especially want to thank you for your continued interest, willing cooperation and leadership. Please express our appreciation to all those who worked with you for we want them to know how much their help means to the success of the program. We are all working together to save the lives of our people from tuberculosis and the harder we work the sooner the day will come when we can lift this blight from our state. We feel much encouraged to have such a splendid group as the Boone County Tuberculosis Association working with us and only wish there were more such groups."

HEBRON P.-T. A. TO MEET

The Hebron P.-T. A. will meet at the Hebron school on Tuesday, March 9th at 8:00 p. m. A Red Cross film will be shown. All members and friends are urged to attend.

TOBACCO PLANT BED MANAGEMENT

IS OUTLINED BY COUNTY AGENT —HEAVY APPLICATIONS OF FERTILIZER SHOULD BE AVOIDED.

Growers who used cyanamid on tobacco plant beds last fall should be very careful about working the ground before sowing the seed, according to William E. Davis, County Agent.

Only a light raking of the soil is necessary for sowing seed in such treated beds. Heavy cultivation or working of the ground will bring to the surface live weed seeds that will, of course, destroy the effectiveness of the cyanamid. Cyanamid beds should not receive fertilizers high in nitrogen as the cyanamid itself contains 21% nitrogen.

Heavy applications of fertilizer should be avoided on all beds regardless of the treatment used to kill weeds. Salts from heavy fertilizer applications may injure plants, particularly in dry weather. Forty pounds of fertilizer per 100 feet of bed is sufficient. On heavily burned beds a 4-12-0 fertilizer is very satisfactory.

Many growers sow too much seed in tobacco beds. Thick growing plants are more susceptible to blue mold as the ground under the plants receives no circulation of air to remove excess moisture. Two or three level teaspoons of seed are sufficient for 100 feet of bed either 9 or 12 feet wide.

Beds should be boxed tight and the canvas drawn tight. This will help keep out flea beetles and cutworms. The canvas will also last longer if this practice is followed.

Wildfire and angular leaf spot must be controlled in the plant bed if healthy plants are to be set in the field. A 3-4-50 bordeaux mixture (3 pounds bluestone and 4 pounds lime in 50 gallons of water) should be applied to the bed when the first true leaf appears and again 10 days later. Fifty gallons will treat 200 feet of a 9 foot bed or 150 feet of a 12 foot bed. The mixture may be applied through the canvas by sprinkling with a sprinkling can.

Blue mold may be controlled by treating with fermate, either dust or spray, twice a week from the time blue mold first appears in the community until setting time. Use 3 level tablespoons of fermate in 1 gallon of water and apply 4-6 gallons of spray per 100 square yards of bed may also be used. Beds severely affected should be nitrated to hasten recovery.

More information on tobacco plant bed management may be obtained from the County Agent.

MUSICAL FUN FEST TO BE GIVEN IN APRIL

Due to the basketball season and the Easter holiday, the musical fun fest, production of the Boone County School Band, will be held in April instead of this month.

Monday evening the band held a rehearsal with over fifty members present. You'll be proud of the band when you hear them. Several of the special numbers sound like the best yet.

A more complete program will appear in The Recorder in the near future.

Mrs. Walton Smith, mistress of ceremonies met with her committee Monday evening and plans were completed for the audience participation part of the show. Committee members are Mrs. Courtney Pope, Mrs. Lillard Scott, Mrs. Ruth Cooper ,Mrs. Ed Grater, Mr. J. K. Cropper, Paul James and Mrs. Dean Bloss.

After hearing the music and program plans, a good show is assured those attending.

HEBRON YOUTH WINS SPELLING CONTEST

Two boys won the Cincinnati and Kentucky Fifth Division spell-down eliminations Saturday in the Post WCPO spelling bee. Thomas Wegehorn, 13, of the Hebron Consolidated School, said he "just had to win" for his mother. She is a patient in St. Elizabeth Hospital, Covington, Ky. Runner-up was Fern D. Erbs, 11, of the 11th district school in Covington.

AAA OFFICE WILL BE CLOSED SATURDAYS

Effective immediately, the Boone County Agricultural Conservation Association (AAA) office at Burlington will be closed all day on Saturdays. The office hours Monday through Friday are 8:00 to 12 and 12:30 to 4:30.

This change in office hours is made with the authorization of the Office of the Administrator, and upon the recommendation of the state AAA committee

MARY F. HANKINSON

Funeral services for Mrs. Mary Frances Hankinson, of Bellevier were conducted from her home on Monday at 2 p. m., with burial in East Bend Methodist Cemetery. She was 85 years old.

Mrs. Hankinson passed away late Friday, following a long illness.

She is survived by three daughters, Mrs. Elbert Louden, Bellevier; Mrs. N. B. Kirtley, Madison, Ind.; Mrs. Robert Lampkin, Marion, Ind.; four sons, Raymond Hankinson, Rising Sun, Ind; Robert Hankinson, Burlington; Edward Hankinson, of Walton, and Hubert Hankinson, of Patriot, Ind., and nine grandchildren.

Chambers and Grubbs, Walton funeral directors were in charge of arrangements.

LEATHER TOOLING TRAINING CLASS WELL ATTENDED

The third leather tooling training class held in Burlington, Monday, was attended by leaders from eleven clubs. Twenty-four leaders attended the meeting. Each leader worked on a coin purse, billfold or cosmetic case. The majority worked on two articles during the day. The finishing processes, such as cleaning, sheilacing, lacing, putting in shape were demonstrated by Mary Hood Gillaspie, Home Demonstration Agent.

Homemakers who have not completed their leather work are asked to bring it to the next community meeting.

BURLEY AVERAGE IN KENTUCKY IS $49.52 FOR '47-'48 SEASON

Final figures compiled showed that Kentucky's burley tobacco growers this season sold 331,547,901 pounds for a total of $164,183,814.91. That made the average price per hundred pounds for the season on all Kentucky markets $49.52.

Markets at Covington sold 5,088,874 pounds for $2,310,021.94, an average of $45.39 per hundredweight. At Carrolton, a total of 19,275,893 pounds brought $9,479,189.82, an average of $49.18.

SURPLUS MATERIAL SALE ANNOUNCED

AT SHARONVILLE, OHIO—ALL CLASSES OF TRADE AND INDUSTRIAL USERS INVITED TO BID AT SALE.

A large quantity of surplus miscellaneous materials, ranging from adhesive tape to farm tractors will be sold by the War Assets Administration in a spot bid sale starting at 9:00 a. m., EST, Tuesday, March 9, at WAA Warehouse No. 2, U. S. Engineers Depot, State Route 25, Sharonville, Ohio, Harry E. Ritter, Regional Director, stated today.

All classes of trade and industrial users are invited to bid at this sale which includes property located at the Sharonville Depot and also at WAA Warehouse No. 32, 71st and Millcreek, Cincinnati.

Such items as adhesive tape, auto parts, bolts, nuts, barrage balloon assembly, portable flood lights, office furniture and equipment, and spare parts for industrial equipment are at Sharonville; and automobile light bulbs, farm tractors, fire brick, men's raincoats, service shoes, miscellaneous industrial and electrical accessories and parts are located at Warehouse 32. Property may be inspected at both locations on Monday, March 8, between 9:00 a. m. and 3:00 p. m., EST.

Ritter stressed the point that while the property is situated at the two locations, the sale will be conducted at Sharonville. Shipping instructions will be issued on the day of the sale and purchases must be paid for in full.

YOUTHS TO BRING SERVICE AT LOCAL BAPTIST CHURCH

A one time revival service will be held at the Burlington Baptist Church Sunday night, with Morton Oliver and Bob Brown in charge. These two young men have been active in church work throughout this section for the past two years and the one time revival services are their latest work.

The service will consist of an inspirational song service, original poetry and music, testimonies and the speaker will bring a message on "The Meanest Man in the World."

Everyone is invited to this revival service, and christians are urged to bring their lost friends. A special consecration and prayer service will be held at 6:30, with the evangelistic hour beginning at 7:30.

34TH DISTRICT TOURNEY UNDERWAY AT WALTON

NEW HAVEN AND HEBRON FIRST TO BATTLE FOR HONORS—WALTON AND BURLINGTON MEET TONIGHT.

The climax of the 1947-48 basketball season is here. Boone county fans will see their favorite teams reach the heights or fall by the wayside this week as the 34th District tourney gets underway at the Walton high school gym Wednesday night (last night).

The first whistle of the season will bring together the reserve teams of Burlington and Hebron and the big attraction of the evening will be New Haven's Tigers against Hebron's conference winning Cardinals.

Thursday evening's session will find Florence and New Haven reserves opening the play followed by the Burlington Eagle-Walton Bearcat clash. On Friday evening Walton's reserves will clash with the opening night reserve winner—Hebron or Burlington. The big game of that night will be Florence Knights against the New Haven-Hebron victor. Finals will be Saturday night.

Admission prices for the tourney as announced by Mr. Hubert Baker, tourney manager, will be sixty cents for the first three sessions and eighty cents for the final session. There will be no reserved seats and the gates will open at 6:00 o'clock, Mr. Baker stated.

Officials for the tournament will be L. J. Witschger and Willard Bass, referees; James Hney, Garland Huff and Malcolm Simpson, scorers and timers.

Tigers Crippled

New Haven's Tigers, plagued by injuries and ineligibilities all season enter the tournament with two and possibly three of their starters unable to play. Knox, their star center, and Weaver are both casualties of mumps and an injury may prevent another star from seeing much action. But even with these handicaps many believe the Tigers will be tough for Hebron in the opening game. The Cardinals appear in top form with Toadvine again able to take his regular turn. Hebron won their last two outings against Walton by six points at Walton and St. Henry by three points at Erlanger.

The opening night reserve game between Burlington and Hebron appears to be a toss-up. Each team has about the same record and each has trimmed the other once this season.

Probably the two best second teams of the county will hook-up Thursday evening when Florence and New Haven go into action. Both have good records, plenty of size and experience. The winner of this game should be tourney winners.

Thursday night's main go between the Eagles and Bearcats shapes up to be almost the tourney standout since the recent games between the two schools have been of the nerve-wrecking variety. The Cats defeated the Eagles at Walton a month ago by two points and the Eagles turned the trick by one point at the local court last week. The winner of the game is assured of the finals and the regional tourney.

Florence, and unpredictable team, will be gunning for another one of its famous upsets Friday night against the New Haven-Hebron winner. The Knights haven't won many games this year but they have been able to knock off the big ones —Lloyd, Simon Kenton, Hebron, etc.

Probable Lineups

Hebron: Elliston (f); Mulligan, (f); Toadvine (c); McGlasson (g); Carver (g).

New Haven: Flynn (f); Alexander, (f); Simpson (c); Clements (g); Dempsey (g).

Burlington: Cave (f); McBee (f); Miller (c); Todtenbier (g); Ryle (g)

Walton: Simpson (f); Meadows (f); Maddox (c); Readnour (g); Vest (g).

Florence: Baker (f); Markesbery, (f); Lipscomb (c); Rouse (g); Zimmerman (g).

COX-VEST

The marriage of Miss Rebecca Katherine Cox, daughter of Mrs. Harry S. Cox, to Mr. Walker Vest, son of Judge and Mrs. John L. Vest, of Walton, was solemnized at 2:30 p. m. Saturday at the home of the bride's mother. The Rev. C. O. Dearing of Erlanger Methodist Church, officiated in the presence of members of the immediate families.

Mr. and Mrs. Lawton Daly of Park Hills were the couple's only attendants.

The bride selected a dressmaker suit of aqua sheer wool, with an orchid cluster at her shoulder, for her betrothal outfit. She was given in marriage by her brother, Mr. Harry S. Cox.

Following the ceremony, Mr. Vest and his bride departed for a month's sojourn in Florida. On their return they will reside in Walton.

BURLINGTON TO HAVE RESTAURANT

KIRKPATRICK BUILDING PURCHASED AS SITE — ERNEST RUPPERT WILL BE RESTAURANT OPERATOR.

Business men of Burlington, in a meeting held recently discussed plans for the erection of a restaurant building for the town. After investigation, the Kirkpatrick building was purchased by several business men and remodeling work is now underway to convert the building into a modern restaurant.

The building when completed will consist of two large rooms and a kitchen, and will be completely remodeled. Floors will be covered with inlaid linoleum, and walls will be covered with attractive wall covering.

Ernest Ruppert has been selected to operate the business, upon completion of the remodeling work. He was a partner in the Hodder & Ruppert firm, and prior to that time had considerable experience in restaurant work. He is well known in this community, even though he has resided here only a few short months.

Mr. Ruppert plans to equip the building with modern restaurant equipment. He also plans to have a modern soda fountain, which will occupy a part of the front room. He expects to serve regular meals, plate lunches, sandwiches, soft drinks, and ice cream at all times.

No definite date has been set for the opening of the new business, however, remodeling work is progressing nicely, and plans are being made to open the business as soon as possible upon completion of the building.

AUXILIARY TO MEET

The Ladies' Auxiliary of the Florence Volunteer Fire Department will have a call meeting Tuesday evening, March 9th at 8 o'clock at Town Hall.

Plans are to be made and discussed for a supper, which is to be given the latter part of March. The place and date will be announced later.

THREE INJURED IN ACCIDENT

WHEN TRUCK STRIKES POLE, OVERTURNS ON U. S. 25 NEAR WALTON—ONE SAVED FROM BURNING TRUCK.

Three men were injured and one of them narrowly escaped from the burning truck in which they were riding after the vehicle struck a pole, overturned then caught fire. The accident occurred on U. S. 25 three miles north of Walton.

Frank Cordle, 20 of Ludlow, suffered a severe head injury, cuts and possible internal injuries when he was pinned in the truck. Two other men, although injured, succeeded in pulling Mr. Cordle from the burning vehicle before the flames reached him.

They are Clarence Patrick, 39, of 1705 Sycamore street, Cincinnati, driver of the truck, scalp cuts and chest and leg injuries, and Joseph Watts, 17, of Harrodsburg, possible fracture of the right shoulder and scalp cuts.

The three men were removed to St. Elizabeth Hospital, where it was reported that Patrick and Watts' condition was fair, while the condition of Cordle was reported as serious.

2700 PASSENGER CAR LICENSES ISSUED BY COUNTY CLERK

C. D. Benson, County Court Clerk stated that 2700 passenger car licenses had been issued from his office Tuesday afternoon and 275 commercial and 390 farm truck licenses.

This number is only 250 short of all licenses issued from his office last year, Mr. Benson reported, which is far above average at this time of year.

March 1st was the deadline to obtain vehicle licenses, and persons operating cars after this date with 1947 license will be cited into court by State Highway patrolmen, and other officers.

Ninety-nine out of a hundred babies are born with good feet, even if they do appear to be flat at the start. We say babies are born with flat feet because the bony masses in a new-born baby's feet are held in place by fat pads. As the baby starts to stand and walk, these fatty pads are absorbed and muscles take their place. But about the third year the arch of the foot should be pretty well defined if the child is going to have an arch. We say if, because everyone is not meant to have the same color of hair or eyes.

Perhaps when the child starts to stand he is overweight, or undernourished or has gone through a serious illness. In that event the muscles may not develop enough to produce an arch in the foot. He then grows with a natural flat foot. The condition is rarely painful. However, many cases of flat feet can be averted if the child is provided with shoes that hold the weak foot in alignment. Such shoes are usually wedged slightly under the inner border of the heel bone. This prevents tipping in of the ankles and by over correction has a tendency to cause the muscles on the inner border of the leg to shorten. These muscles are the ones which keep the foot arched.—Adv.

REPAIRS TO BLIND VETERAN'S EQUIPMENT WILL BE MADE, IS WORD

Blind veterans, who have been issued equipment by Veterans Administration to aid them in overcoming their handicap, now may obtain minor repairs to such equipment without prior VA approval, VA Branch Office officials in Columbus, O., said today.

Approximately 6,400 blind veterans are eligible for the new VA prosthetic service cards, similar to those used by amputees to obtain immediate minor repairs to their artificial limbs.

By presenting their cards to any repair shop in any section of the country, blind veterans will receive, without delay, repair service up to a limit of $20, without VA's prior approval.

Under the new plan, repairs to the following items were authorized: Typewriters, radios (excluding batteries), Braille writers, recording equipment, electric razors, Braille watches of any type.

The cards will be issued by the Prosthetic Appliances Unit in each VA regional office.

RED CROSS NOTES

The information about the blood bank has not yet been officially released, so our news this week will be about our quota. It is higher this year than last and our County is asked to raise $3995.00, $2640.00 of which remains in Boone County for our own needs and $1155.00 goes to National Red Cross for national needs.

The amount has been apportioned as follows: Burlington, $470; Florence, $580; Walton, $580; Verona, $250; Belleview, $150; Hebron, $350; Petersburg, $275; Richwood $100; Beaver $200; Union $325; Constance $200; Carlton $125; Hamilton, $90.

We had hoped to have the names of the local chairmen but they will be given next week.

If the rural sections can be as thoroughly canvassed as the towns, we feel sure that our quota can be met. Try it!

BULLITTSVILLE HOMEMAKERS

Bullittsville Homemakers met at the home of Mrs. Nick Mikkelsen February 19 the meeting opened by all pledging allegiance to the flag. Roll call was answered by "the way I use canned meat." Motion was made that we send $5.00 to Leprosy fund and a box of food to be sent to England. Mrs. Robt. Grant gave a wonderful report on Farm and Home Week.

After a delicious lunch we opened the meeting by all reading the club collect. Then the leaders on Leathercraft gave a fine lesson, after which we all enjoyed two games which our program leader had arranged. We then sang "Bring Your Way Home."

Next meeting will be at the home of Mrs. Lee Marshall March 18. Visitors always welcome.

HEBRON LUTHERAN CHURCH

The Rev. Day B. Wertz of St. Marks Lutheran Church, Newport, Ky., will preach at Hebron Lutheran Church at 11:00 a. m. Sunday, March 7th. Sunday School will be held at 10 a. m.

Everyone cordially invited to attend.

NOTICE

COLD FACTS

(Last in a Series of Five)

A home freezer can add much to pleasant living. Every family needs one. But when you are ready to buy, two questions are important: What size shall it be? And what will it cost to own and operate.

If you have read COLD FACTS in this space for the last four weeks you will agree that a 10 or 12 cubic foot unit costs at least $67 each year to own and operate.

In exchange for $67 a year, such a unit gives you STORAGE capacity for 350 pounds of food, and FREEZING capacity for 35 pounds or less.

But this storage capacity and this freezing limit are not adequate for most families. Too little can be frozen at one time, and the unit is soon filled. No more food can then be stored or frozen until some is used.

You can, of course, buy a unit two or three times as large, but the yearly cost will be proportionately greater. $134 or $201 a year is a lot to pay for owning a home freezer!

There's a much more economical way: Use your locker plant, plus a Crosley F ROSTMASTER at home—a total of

10 CUBIC FEET OF FREEZER SPACE

for only $165.45

installed in your home—guaranteed for five years—including

A YEAR'S LOCKER RENT

Compare the cost of 10 cubic feet of space in a home freezer:

Depreciation	$40
Electricity	$15
Interest loss	$12
Yearly cost	$67

With the same space in a locker plus a FROSTMASTER can be purchased separately for $156.45

Depreciation	$15.64
Electricity	6.00
Interest loss	4.69
Locker rent	9.00
Year's cost	$35.33

The combination of locker plant and FROSTMASTER offers you:

1. More than $30 saved the first year—enough to pay for all your processing for **two** years.
2. More than $240 saved in first cost—enough to pay for all your processing for TEN years.
3. All the convenience of a home unit for FREEZING small amounts and STORING a plentiful supply.
4. Plus unlimited freezing and storage space in the locker plant, letting you make bargain purchases "in season."

Come in and talk it over! If you want a large home freezer, we have them. But the FROSTMASTER at home, plus a LOCKER here, will fulfill all your dreams of economy and convenience.

ONLY $165.45 for a total of 10 CUBIC FEET with a year's locker rent.

Nowhere else can you get so much zero storage space for so little.

Poor Telephone Service Is Subject of Discussion

AT OPEN MEETING AT COURT-HOUSE MONDAY NIGHT—ULTIMATUM IS ISSUED TO LOCAL TELEPHONE COMPANY.

At an open meeting of interested subscribers and employees of the Consolidated Telephone Company, of Florence, Ky., on Monday night, March 8th, at the courthouse, Burlington, severe criticism was directed at the local telephone company for their neglect in not rendering adequate telephone service to its subscribers in Boone County and any territory held within their franchise.

Approximately fifty persons from all parts of the county were present and freely expressed their opinions as to the type of service that they were receiving and had received for the past ten to twelve years. The opinions of all were that they were paying for first class telephone service, and were receiving the worst possible and in many cases the telephones were not rendering any service for long periods.

E. G. Stephenson, manager and vice-president of the Telephone Company outlined the future plans and intentions of the company, which include a complete automatic dial system for the entire county starting with the Walton exchange, Burlington exchange and finally the Florence exchange. This program was estimated to take several years to carry out, but when completed would afford better telephone service.

Immediately following Mr. Stephenson's report, a representative served by the Hebron exchange gave a report on the service that is now being rendered by the present dial system at Hebron and the type service they receive. In this report it was stated that the Telephone Company has violated their agreement in placing more than eight persons on any one party line, and that many lines now in use have from eleven to sixteen phones which are rendering less service now than the subscriber was able to receive under the old manual operated system.

It was the general opinion of all present that the old, wornout lines, poles and telephone equipment was the cause of all complaints and in all cases the operators at all exchanges were praised for their efforts, but could not render service without equipment capable of handling the job.

At the conclusion of the meeting, the Telephone Company was handed an ultimatum to either render service comparable to the rates they are charging for their service or show cause why this could not be done. The company was also asked to declare a state of emergency on the entire system and put sufficient men, material and trucks on the road at once to put the present lines in condition to render sufficient service.

A committee of five men was named by the group to represent the subscribers. They were Frank Milburn, chairman, A. B. Renaker, J. C. Acree, C. L. Cropper and Wilford Scott. The Telephone Company was given one week to give their answer to the ultimatum and to meet with the above committee on Monady night, March 15th. Should the company's answer seem unfavorable to the committee, they will in turn call a mass meeting of all subscribers for the purpose of taking action against the company as they deem necessary to accomplish their goal.

THREE MEN FINED ON DRUNKEN CHARGES

Clifford Osborn, Carrollton, Ky., was fined $104.50 in Judge C. L. Cropper's Court Monday on a charge of driving while under the influence of liquor. His driver's license was also revoked.

The two companions riding in the car with Osborn were also charged with being drunk in a public place and fined $10.50.

Both companions were able to pay their fines, but Osborn being unable to pay his fine was placed in Boone County jail until he could secure sufficient money to meet the fine.

MRS. GEORGIA ARNOLD

Mrs. Georgia Arnold, 73, died late Sunday at her home in Walton. She was a native of Carrollton, Ky.

Mrs. Arnold was a member of the Ladies' Aid Society, the Missionary Club and the Homemakers' Club, all of Walton. Her husband, the late Morgan Arnold was killed by an automobile on Dixie Highway in 1933. He managed the Walton Tobacco Warehouse for several years and was owner of the Boone Lake farm.

She is survived by a daughter, Mrs. Marie Iseley, Park Hills; a son Hugh Arnold, Casa Maca, Calif., a well-known tobacco auctioneer; four sisters, Mrs. S. E. Wilson, Florence; Mrs. Neil Shearer, Carrollton; Mrs. Tommie Darbmo, Washington, D. C., and Mrs. Craig Daan, Hollywood, Calif., and two grandchildren.

Funeral services were held at 2:00 p. m. Wednesday at the Chambers Grubbs funeral home, Walton, with burial in Highland Cemetery.

HAMILTON WOMAN INJURED IN ACCIDENT

Mrs. Amy Turner, 41, of Hamilton Ohio, suffered a fractured right clavicle in a wreck involving three vehicles on the Dixie Highway at Florence, Sunday. She was removed to Booth Hospital.

Mrs. Turner was seated in a truck which became stalled on the highway, and an automobile struck the truck from the rear and drove it into another vehicle, according to Lee Shears, Florence Town Marshal.

NEW HAVEN P.-T. A. DISCUSS BUILDING

PROGRAM AT MARCH MEETING —PLANS UNDERWAY TO ERECT PRINCIPAL'S HOME, ACCORDING TO REPORTS.

At the regular March meeting of the New Haven P.-T. A., the critical housing situation and its effect upon the community's educational program was vigorously discussed. The group wholeheartedly agreed that every effort should be made to make New Haven's school more attractive to the most capable leaders in the teaching field.

As a start in the right direction, the P.-T. A. unanimously voted to build a principal's home this summer at New Haven. The group decided that the building should cost approximately $5,000.00 when completed and that the sum would be raised by solicitation of donations from the voters and property holders of New Haven School District only, and from those friends of the school who benefit directly from the school's progress.

It was further decided that those unable to contribute the minimum $10.00 per family financial donation, could contribute 3 days of greatly appreciated labor, thus assuring complete community participation in this educational improvement. Monday, March 15th, 8:00 p. m. was set as the time for the next P.- T. A. meeting when the fund raising committees will be organized and the 45-day drive put into action. All members and friends who will help are urged to attend.

Watch this paper for names of contributors, and watch New Haven cars and business places which will bear pennants in the school colors reading: "We are contributors to New Haven's P.-T. A. Building Fund."

NURSES REQUESTED TO TURN IN THEIR NAMES

All graduate registered nurses and graduate nurses not registered are requested to send names and addresses to Mrs. J. C. Aylor, Burlington, R. 1. This request is being made by the Red Cross in order that their names will be on file in case of disaster, emergency or securing volunteer nurses for teaching classes.

EXTENSION WORK REVIEWED FRIDAY

BY ADVISORY COMMITTEE AT MEETING HELD IN COUNTY AGENT'S OFFICE—HOMEMAKERS PROGRAM OUTLINED.

The Boone County Extension Advisory Committee held its annual meeting in the County Agent's office on Friday, March 5th.

The committee reviewed the annual extension plan of work including the 4-H club and Utopia club programs. The annual agricultural plan of work, as set up in the community planning meetings, was approved by the committee as meeting the needs of the county.

The annual homemakers program for 1947-48 was outlined by Mary Hood Gillaspie, Home Demonstration Agent.

Officers for 1948 were elected as follows: Mr. H. E. White, Burlington, chairman and James B. Jones, Hamilton, secretary.

CINCINNATI MAN FACES FEDERAL CHARGE, ARRESTED AT WALTON

Douglas Seals, colored, Cincinnati, Ohio, was arrested Thursday, March 4, at Walton on a charge of car theft by Sheriff R. I. Rouse, Deputy Sheriff Wendell Easton and Robert Gordon, State Highway Patrolman.

Seals was arrested after he had attempted to trade the car at the B. & M. Sales Co., and attempted to trade a pistol in exchange for repairs to the car.

Seals was brought to Burlington placed in jail where he is being held for federal authorities.

The car was stolen from Ralph Green of 649 West 9th St., Cincinnati.

BENEFIT SHOWS ARE ANNOUNCED

FOR VARIOUS SECTIONS OF COUNTY—PROCEEDS TO BE USED TOWARD ERECTION OF BUILDING FOR VETERANS.

Frank Miller and his Kentucky Fiddlers are to be featured in a series of shows sponsored by the Boone County VFW. Those featured in the show are Uncle Frank Miller, Jimmy (Turkey) Feeley, Steve Ammerman and Fred Fields. Cecil Wayman will donate his services as emcee, and a very good job he has been doing. "Cedric and Rip" will be on hand to tickle your funny bone.

The schedule follows:

March 19—Florence high school 8:00 p. m.

March 26—Hebron high school at 8:00 p. m.

April 2—Burlington high school, 8:00 p. m.

April 9—New Haven high school, 8:00 p. m.

The veterans are putting forth a lot of effort in an attempt to build a home. Here's a chance to help a fine group of fellows who put on a very good performance in a little affair, called World War II. Remember? You can help and enjoy it.

CONSTANCE MAN IN SERIOUS CONDITION

FROM INJURIES RECEIVED WHEN STRUCK BY AUTOMOBILE THURSDAY NIGHT—CONDITION IS CRITICAL.

Ed Hall, 65, of Constance, was in serious condition at Booth Hospital, Covington, where he was removed after being struck by an automobile on Lower River Road near the Boone-Kenton line Thursday night.

He suffered head cuts and bruises and compound fracture of his right leg, according to reports received here. He was unconscious for several hours following the accident, it was reported.

Kenton County Patrolmen Ralph Schneider and Pat Ryan said the car which struck Hall was driven by John Bennett, Burlington, Ky., R. 1. Bennett said Hall walked into the path of his car.

INFORMAL RECITAL TO BE GIVEN MARCH 13TH

The piano pupils of Dean Bloss will give an informal recital Saturday, March 13, at 2 p. m. in the Burlington school auditorium.

Those expected to participate are Dixie Anderson, Joan Anderson, Gene Bonta, Billie Jo Brown, John Ed Carver, Judy Cook, Nancy Dolwick, Gwendolyn James, Norma Jarboe, Dorothy Knox, Vera Dean Scott and Phyllis Whitton.

The public is cordially invited.

BASEBALL MANAGERS' MEETING DATE CHANGED

CLAUD ARRASMITH

Claude Arrasmith, 53, lifelong resident of Boone County, died Tuesday evening at Christ Hospital, after an extended illness. He was a resident of the East Bend Road near Burlington. He served with the U. S. Army in World War I.

Mr. Arrasmith is survived by his wife, Mrs. Alice Arrasmith; one daughter, Mrs. Gene Burris, Burlington; one son; three brothers, Frank, James and Willis Arrasmith; two sisters, Mrs. Stella Sullivan and Mrs. Maude Peck.

Funeral services will be conducted today, (Thursday) at 2:00 p. m. from the Chambers & Grubbs funeral home, Florence. Burial will be in I. O. O. F. Cemetery, Burlington.

WINNERS OF 34TH DISTRICT TOURNEY

HEBRON BASKETBALL SQUAD

34TH DISTRICT RUNNERS-UP

BURLINGTON BASKETBALL SQUAD

PETERSBURG PASTOR DELIVERING SERIES OF PRE-EASTER MESSAGES

The Rev. Claude R. MacDonald, pastor of the Petersburg Christian Church, Sunday delivered the first two in a series of six pre-Easter sermons under the general theme, "The Social Sins that Crucified Jesus."

Sunday morning's message discussed "Religious Bigotry" as it existed in Jesus' day and as it prevails today. "Religious intolerance among Christians today often is worse than that which exists among pagan groups," said the minister, who in his evening message spoke on "Graft and Political Power" and the part they played in Christ's crucifixion.

The schedule for the remaining sermons in the series is: March 14, "Perverted Justice" and "Mob Violence"; March 21, "Militarism" and "Class Contempt." The public is invited to all services.

MRS. LOUISE MORGAN

Funeral services for Mrs. Louise Morgan, 93-year-old former resident of Northern Kentucky, were held at the Taliaferro funeral home, Erlanger, at 2:30 p. m. Tuesday. Burial was in Forest Lawn Memorial Park.

Mrs. Morgan died Saturday at the home of a daughter, Mrs. Cora Geller, Springfield, O. She was a native of Fleming county.

Besides Mrs. Geller, she is survived by her husband Edward Morgan; another daughter, Mrs. Edward Shaw, Chicago and two sons, Fred Miracle, Erlanger, and James Miracle, Covington.

4-H CONFERENCE IS ANNOUNCED

FOR SATURDAY, MARCH 20 AT BURLINGTON — TROPHIES TO BE AWARDED 4-H CLUB WINNERS.

A conference for all 4-H leaders in Boone County has been scheduled for Saturday, March 20th in Burlington. Four-H leaders, both community and project, will be invited to the meeting.

Specific instruction for various types of project leaders has been planned for the all-day meeting.

Winners of trophies for the best 4-H club in 1947 in grade and high school clubs will be awarded at the conference, according to the County Extension offices.

MUSCIAL FUN FEST SET FOR MARCH 27

SPONSORED FOR BENEFIT OF BOONE COUNTY SCHOOL BAND —MRS. WALTON SMITH WILL BE MISTRESS OF CEREMONIES.

To avoid conflict with various church meetings, the Musical Fun Fest previously announced for April will definitely be presented on March 27th.

The program is sponsored for the benefit of the Boone County Band and will be a mock radio program with Mrs. Walton Smith as mistress of ceremonies. Patterened after the numerous give-away programs now on the air, contestants will be called from the audience to answer questions and awarded prizes for their answers.

Mrs. Dean Bloss and Mrs. Walton Smith spent Thursday in Covington soliciting merchants and many wonderful prizes have already been donated, among them a maple floor lamp, a gold tie clasp of the latest novelty design, a china coffee pot, a musical powder box, and a woman's spring hat. A complete list of donors and prizes will be announced next week. In addition to the contestant prizes, there will be a valuable door prize awarded to the person answering correctly the door-prize riddle. Any person attending has a chance to take home a lovely gift.

Solo musical numbers include a trumpettrio, a singing due, two piano solos, a bell solo with a saxaphone background, and a trumpet solo. The band also promises many grand selections.

Remember the date, March 27, at the Burlington high school. Support your Boone County Band and have a hilarious time doing it! You may win the door prize, so watch this paper for the door-prize riddle to be announced.

HOMEMAKERS' DISTRICT PLANNING MEETING SCHEDULED MARCH 19

The planning conference for the North Bluegrass District meeting has been set for Friday, March 19. The meeting will be held in Covington, according to Mary Hood Gillaspie, Home Demonstration Agent.

Mrs. Joe Hogan, county president and Mrs. Leo Flynn, district director, plan to attend this meeting. As director of the North Bluegrass District, Mrs. Flynn will preside at the meeting.

Mrs. Ernest Ruppert entertained a group of friends at her home on Tuesday evening of this week.

Hebron Cops 34th District Tourney at Walton Saturday

BY DEFEATING NEW HAVEN, FLORENCE AND BURLINGTON —BURLINGTON TAKES RUNNERS-UP HONORS

In the 34th District playoff the Hebron Cards, who copped the conference championship, eked out a 41-37 win over New Haven in the opening round of the tournament and went on to overpower Florence and Burlington to win the meet. The Cards were harder pressed by the injury ridden New Haven Tigers than by their other opponents.

Burlington earned their way to the finals by scoring three points in the last minute to defeat a stubborn Walton five in probably the best contest of the tourney. Todtenbier and Vest paced their respective teams with 17 and 14 points. With Carver leading the way with 19 points Hebron took Florence by a 55-36 count in the semi-finals Friday night. The Knights playing their delaying tactics, played on even terms with the champs the first quarter, but Hebron soon pulled away. The final game Saturday night was fever as close as many fans participated as the Cardinals chalked up a 50-37 win. Toadvine, all tourney center, scored 16 points to lead the winners.

The Florence Reserves won their tourney championship as they defeated Hebron 27-24 after having disposed of New Haven 31-26 in the semi-finals. Hebron reached the finals by edging Burlington 18-15 in the opening round of play.

The all tourney ten-man team as selected by the referees was composed of Bill Toadvine, Galen McClasson and Jimmy Elliston, of Hebron; Ren Todtenbier and Lafe Miller, Burlington; Don Lipscomb and Jerry Rouse, of Florence; Dyke Vest and Billy Meadows of Walton and Red Simpson, of New Haven.

Ed. Note: This writes does not like to second guess officials, but we still wonder how Johnny Carver, tourney high scorer, was omitted from this team.

LEATHER TOOLING CLASS PLANNED SAT.

There will be a "Leather Tooling" class for Burlington Homemakers Saturday, March 13, beginning at 12:30 at the home of Mrs. Alvin Clore. Anyone interested in leather tooling or glass etching is cordially invited.

LOCAL YOUTH DROWNS IN OHIO

RIVER NEAR RABBIT HASH, SATURDAY—WAS ONLY SON OF MRS. NANCY MALLICOAT, BURLINGTON.

Charles Allen, 15-year-old son of Mrs. Nancy Mallicoat, Burlington, Ky., R. 2 was drowned Saturday, February 28th in the Ohio river near Rabbit Hash in what was thought to be a futile attempt to cross the river alone in an old boat.

The youth was employed in Rising Sun, and had been in that city the day of the tragedy. He was conducted by boat to the Kentucky side by Charlie Wilks, of Rising Sun, who said the boy apparently had been drinking, but was not in too bad a condition.

Later the youth obtained an old row boat and attempted to cross the river again alone, but due to the rough water was unable to get only a short distance from shore when his boat was capsized and the youth thrown into the water. Mr. Robert Wilson saw the tragedy about to happen and went to the aid of the boy, but was unable to reach him before he sank, and was never seen again.

The boat in which the youth was traveling was later found near Big Bone, Ky., but the body of the boy has not been found at this writing on Tuesday morning.

DR. GEORGE C. MOORE TO SPEAK AT PETERSBURG

Dr. George V. Moore, professor of practical theology at the College of the Bible, Lexington, will speak Saturday evening at Petersburg. The occasion for Dr. Moore's visit to Petersburg will be a membership dinner of the Christian Church to be held at the schoolhouse beginning at 6 o'clock. The dinner will be a covered dish or bring-what-you-like affair. All members of the church and their friends are urged to be in attendance for Dr. Moore's address.

SPECIAL SERVICES ANNOUNCED FOR EAST BEND CHURCH

Special services will begin Monday night, March 15 at the East Bend Methodist Church. The services will continue for one week. Rev. Valis V. Hill, pastor will do the preaching. Rev. C. N. Ogg, of Williamstown, Ky., will be in charge of the singing and music. Miss Joyce Ogg will be at the piano. Rev. Ogg is an outstanding singer, having had wide experience in radio and evangelistic work. Everyone is invited.

Rev. Valis V. Hill, director of the Boone County Parish, has been invited to take part on the annual Rural Leadership Institute, to be held at the University of Kentucky, April 6-8.

NEW PROGRAM TO BE DEVELOPED

BY BOONE COUNTY RED CROSS—BLOOD BANK WILL CARE FOR CIVILIAN AS WELL AS MILITARY NEEDS.

The Red Cross is developing a new program by again tapping into the richest bank in the world—the veins of the American people. The Blood Bank, this time is to include civilian as well as military needs and make whole blood, plasma, and the other blood derivatives available to all the people, free, except for the cost of administering it by a hospital or physician.

This will again call for a blood donor service, but it will not have to be so extensive as during the war. Blood will be used to meet the needs in the communities where it is collected, and all cost of collecting, processing and distributing will be borne by the Red Cross.

This program has received the whole hearted support of the Kentucky State Medical Association.

REGIONAL HOOP MEET UNDERWAY

BURLINGTON AND HEBRON WILL MEET AT NEWPORT THURSDAY NIGHT—INITIAL GAMES PLAYED WEDNESDAY NIGHT.

Boone County's two representatives in the Ninth Regional basketball tournament will be pitted against each other in the final session of the first round games of the tourney when Hebron's 34th District winning team engage the Burlington Eagles, who were runners up in the district. Hebron copped the district crown in the final game as they trounced Burlington 50-37.

The regional playoff will be held at Newport gymnasium, beginning Wednesday night, March 10, at 7:30 p. m. when the Beechwood Tigers and the Corinth Braves—both runners-up in their respective districts. The Burlington-Hebron game is slated for Thursday night at 9:00 p. m.

Officials for the tourney as selected by eight coaches of representative schools are Leo Sack and Carl Dunning, both of Cincinnati. John Schaar of Bellevue will be official timer and Orville McAtee of Newport will serve as official scorer, according to J. S. Cobb, principal of Newport Public School, who is tournament manager.

Admission prices will be fifty cents for students of the participating school, if tickets are bought through the school, and one dollar for all other tickets. All students holding these tickets and player and officials having tourney passes enter at separate doors, Mr. Cobb announced.

Besides the winner's trophy and one for runners-up there will be an all-star tourney team of ten men selected by sports writers of the Kentucky Post, Kentucky Times-Star and Kentucky Enquirer. These select players will receive a gold basketball.

The lineup of games will be: Upper bracket—Beechwood vs. Corinth, Wednesday 7:30 p. m.; Dayton-Holmes, Wednesday 9:00. Lower bracket, Williamstown vs. Newport Catholic at 7:30 p. m. and Burlington-Hebron at 9:00 p. m. Semi-finals will be Friday night at 7:30 and 9:00.

O. E. S. SPONSOR CARD PARTY

The Ways and Means Committee of Evadell Chapter No. 453 will sponsor a card party at the Hebron Ma-8:00 p. m. The public is cordially invited to attend.

AND WE CAN PROVE IT.

Owls do NOT avoid daylight! (The owl is usually a noturnal bird of prey—though some varieties are day hunters—hence, he must rest during the day. However, during his waking hours, when vision is all-important to him, he does not relax his vigilance even to the extent of shutting out vision by winkling with the two curtain eyelids. When you see an owl in the daytime with eyes dull and glazed, the third eyelid is drawn partly across them, diluting the strong glare of light and yet enabling the bird to distinguish much that is going on.—New Wonder World Encyclopedia, Vol. X, p. 192, 1937.)

Prepare your soil for spring—use fertilizer this winter! We are dealers in quality fertilizer for your every requirement. Contains nitrogen, phosphorus and potash—the three most important elements to essential plant growth. Come in today.

NOT WHEN YOU TRAVEL GREYHOUND!

It didn't cost much back in the depression year of 1933 to travel by automobile. But times have changed. Today, prices of automobiles, automotive products, gasoline, service and parking have spiraled through the ceiling, *but not Greyhound fares.* They're lower than they were in 1933 despite increased costs of new buses, terminals, supplies and operating overhead. Now, as never before, you enjoy more luxurious comfort and save more travel money when you travel by Greyhound.

REGENBOGEN-HAINES

One of the late winter weddings was that of Miss Virginia Mae Regenbogen, daughter of Mr. and Mrs. Emil Regenbogen, of Constance, to Mr. John Keith Haines, son of Mr. John Haines and Mrs. Maude Haines both of Indianapolis, Ind., Saturday, Feb. 28 at Constance Christian Church.

At the candle-light ceremony performed at 6:30 p. m. by Rev Arthur T. Tipton, large white vases filled with gladiolis and foliage, and candlebras graced the altar.

Preceding the ceremony Robert Braun, of Ludlow, Ky., sang, "I Love You Truly," and "Because," accompanied by Mrs. Paul Craven of Ludlow.

The maid of honor, Miss Joyce Miller, cousin of the bride, Miss Kathleen Goodridge and Mrs. Selyn Vahising, friends of the bride was the bridesmaids. Little Miss Jacqueline Herbstreit and Miss Barbara Easter, nieces of the bride, were flower girls.

The maid of honor wore a becoming gown of dusty rose tafetta and the bridesmaids were attired in aqua tafetta. The fitted bodice with its round neck line framed the neck. The full skirt was gathered from a pointed hipline forming a bustle effect. They carried old fashioned bouquets of pink carnations and fern. Their becoming headpieces were tulle matching their gowns.

The adorable flower girls wore gowns and accessories of identical aqua tafetta, even to their tiny ballerina slippers. They wore a single strand of pearls, a gift of the bride.

Mr "Mac" Haines was his brother's best man. Ushers were Mr Howard and Leo Regenbogen, brothers of the bride.

Given in marriage by her father, the bride wore an exquisite gown of ivory satin. The fitted bodice had a rounded yoke of seed pearls, and small covered buttons down the back to the waist. The sleeves tapered to a point at her hand. The full skirt gathered at the hipline which ended in a graceful train of satin folds. Tiara of tiny pearls held in place the bride's fingertip veil. Her bouquet of white roses and ribbon held loops of stephenotes.

Mrs. Regenbogen chose wine crepe, with black accessories and a white carnation corsage for her daughter's wedding. Mrs. Haines selected a beige suit with which she wore brown accessories and a white carnation corsage.

Following the ceremony a reception was held at the home of the bride's parents. The table was centered with a three-tiered wedding cake, ornamated with miniature bride and groom. More than 100 guests were at the reception. After a honeymoon for which the bride wore a blacksuit with red accessories, the bride and groom will reside in Indianapolis.

The bride is a graduate of Hebron high school and St. Elizabeth School of Nursing R. N. The groom served overseas with the Army.

CONSTANCE CHURCH HOLDS ALL-DAY MEETING FEB. 29

The Constance Christian Church held an all-day meeting on Sunday, February 29. The morning hours were of the usual procedure. At the noon hour a beautiful dinner was served to quite a large crowd and all reported having enjoyed it very much.

At 2:30 p. m. the group was entertained by a musical program by three girls from Cincinnati Bible Seminary.

A business meeting was held in the late afternoon, after which the group adjourned for the evening meal. In all, a very enjoyable day was had by all.

PRESSURE COOKER GAUGES NEED TESTING

Now is the time to check gauges on pressure cookers for accuracy, according to Mary Hood Gillaspie, Home Demonstration Agent. The gauge on a pressure cooker should be tested every year, says the specialist from the Department of Agriculture, Washington, D. C.

The best time for testing gauges is between the meat canning and vegetable canning season. This gives the homemaker time to return the gauge to the factory for repairs if the gauge is registering four pounds above or below the master gauge.

Anyone wishing to have their pressure cooker gauge compared to a master gauge may bring the top of the cooker to the Home Demonstration Agents' office. The gauge must be partially unscrewed from the top before bringing to the office.

BOONE HOMEMAKERS TO REFINISH FURNITURE

Homemakers of Boone County are making preparations to refinish furniture during the next three months. Each homemaker has been asked to refinish at least one piece of furniture—large or small, during the spring.

The first training class has been scheduled for Wednesday, March 17, according to Mary Hood Gillaspie, Home Demonstration Agent. The class will be held in the Town Hall at Florence. Instruction in the training class will be given by Miss Vivian Curnutt, Home Furnishing specialist, University of Kentucky.

TEEN SHOP OPENED AT COPPIN STORE

Girls Ahh is the stuff.

Yes, it's a spot just for you where you can just oooh and ah all over the place. All Boone County high school girls are invited to visit it.

We're talking about the Teen Shop at the John R. Coppin Co. department store, Seventh and Madison Avenue, Covington. It opened Saturday with loads of sharp clothes for you teen-agers. And, what is more the styles are those top-notch designs advertised in such magazines as Charm, Seventeen, Calling All Girls, and Mademoiselle.

The Coppin store has devoted 480 square feet to this new department. Several weeks have been required for the remodeling. Many of your high school girl friends will be there Saturday to sell you those top lines in coats, suits, dresses, skirts and blouses.

Mrs. Margaret Friend and Mrs. Henry Black were shopping in Covington, Thursday.

Mr. and Mrs. Dick Houston and family are happily located in their new residence they purchased from Mrs. H. H. Clark in Beaver.

Deepest sympathy is extended to Mr. and Mrs. Martin in the triple loss of dearly loved ones, who were killed in an auto accident in Florida.

Again we extend sympathy to Mr. and Mrs. Wm. Roch in the death of another relative. This makes five deaths in their family in one month.

Tuesday evening the Carder and Klasick families entertained with a six o'clock dinner for Mr. and Mrs. Alan Cain of Northport Point, Mich., and Mr. and Mrs. Otis Kreiger of Elijah Creek.

Mr. and Mrs. Harold Schneider welcomed into their home a few days ago a little daughter, named Diane Lois.

Sorry to hear that Mrs. Minnie Dalehl is on the sick list.

Mr. and Mrs. Wilsher Koffman, of Norwood, Ohio, called on their uncle Sunday afternoon.

On February 28, Mrs. W. D. Carder and Mrs. A. D. Klasick attended the wedding of Miss Virginia Regenbogen, and Keith Haines at the Constance Christian Church. The reception was held at the home of the bride's parents, where they received many beautiful and useful gifts. This happy couple are now residing in Indianapolis.

Friends of Mrs. Howard Weghorn are sorry to hear that she is again a patient in the hospital.

Mr. and Mrs. Arthur Stevers, of Dayton, Ky., recently bought a lot from Mr. and Mrs. Lehman Goodridge and will soon start building a modern brick bungalow.

A. D. Kissick has returned home from Owingsville, where he had been for several days helping his parents get ready for their sale, and helping them move into their new home.

Rev. Arthur Tipton, former pastor of Constance Christian Church, called on A. D. Hunter, Sunday.

Mr. and Mrs. John Whitefoot entertained recently with a card party for the following guests, Mr. and Mrs. Herbert Hetzel, Mr. and Mrs. Lehman Goodridge and Mr. and Mrs. Ray Hill.

Cal B. Moody of Henry county found that Ky. 56 tobacco was superior in quality and yield to Ky. 41A, Ky. 16 and Ky. 22, produced last year.

Thirty-one 4-H club members in Logan county exhibited $4,139 pounds of tobacco, netting it for a total of $6,353.

In 1947 over 10 billion feet of Southern pine lumber was produced, an increase of approximately 9 percent over 1946 production.

CARD OF THANKS

I wish to express my appreciation in all of my friends who remembered me with such beautiful flowers, gifts, cards or in any other way during my stay in the hospital.

Mr. and Mrs. George Eubanks and son Joe of Crescent Springs, spent a pleasant Sunday evening with Mr. and Mrs. S. B. Graves.

Mr. and Mrs. Edgar Graves, Mr. and Mrs. Robert Graves, Mr. and Mrs. William Graves, Mr. and Mrs. J. D. Aylor and Mrs. Laura Aylor, Mr. and Mrs. O. B. Riddell all attended the Milk Co-op banquet at Weatherland Plaza, Thursday. All enjoyed the day.

Mrs. Laura Aylor spent Saturday with her brother Emmett Riddell and wife, of Hebron.

Mrs. Josie Baker and son Jake, of Erlanger enjoyed a visit Saturday with Mr. and Mrs. Jake Baker.

William Sapperton has been confined to his home the past two weeks due to illness.

Mr. and Mrs. Frank Baker spent Saturday afternoon in Covington, shopping.

Mr. and Mrs. Franklin Ryle and daughter Jean entertained with a six o'clock dinner on Thursday evening in honor of Mrs. Ryle's brother Bernard Wilson and family of Bullitsville.

Mr. and Mrs. Norman Craddock and children spent Sunday with Mr. and Mrs. Arnold Housley, of near Burlington.

The many friends of Tommie Gross regret to learn he remains ill at his home.

Quite a number from this community attended the sale on Saturday afternoon of the property of Mrs. Kittie Smith McClung.

Rev. L. M. Hamilton and family moved last Monday to Shelby County. We regret to lose them from this community.

Several of the W. M. U. members attended the all-day meeting at the Sand Run Church on last Thursday.

Mr. and Mrs. Henry Shinkle, Jr., and children, of Cleves, O., spent from Friday until Sunday with her parents, Mr. and Mrs. Lee Craddock.

Miss Betty Lou Craddock is confined to her home with an attack of mumps.

Mr. and Mrs. Arthur Noonan had for week-end guests their daughter and husband of Ludlow.

Mr. and Mrs. Cecil Shields spent Saturday afternoon in Covington, shopping.

Mrs. Lee Craddock and daughters spent Thursday evening with Mrs. John Kilgore and daughters.

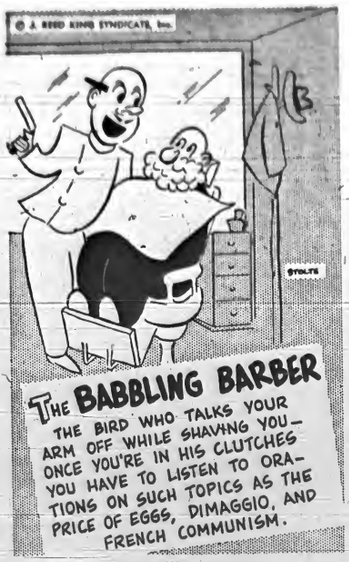
Hebron

Mrs. Mary Harris, of Erlanger, called on Mrs. C. V. Lucy, Saturday afternoon.

Marion Riddell returned home Saturday discharged from the Navy.

Mrs. Sallie Moore underwent an operation at Christ Hospital, Saturday. Her friends wish her a speedy recovery.

Mrs. Addie Buckhorst left Sunday morning for her home in Detroit, Mich., after nursing her mother, Mrs. Kittie Smith McClung several weeks. Mrs. McClung had improved so as to be moved to the home of her daughter.



Terry Wayne, little son of Mr. and Mrs. Jerry Brown was christened in the Lutheran Church on Sunday morning by Rev. Day B. Werts, pastor of St. Marks Lutheran Church in Newport. He delivered a very interesting sermon to the congregation here Sunday morning.

S. C. Garnett, who had been ill for several days was removed to St. Elizabeth Hospital, Sunday evening.

Mrs. Addie Aylor returned home Saturday from a week's visit with Mr. and Mrs. Edgar Garnett, of Crescent Springs.

Miss Virginia A. Mathiesen was the Sunday guest of Miss Mary Margaret Fowler. In the afternoon they attended the Erlanger Christian Church services, where the choir from Transylvania College rendered special music.

that's FRIGIDAIRE

•Yes, Frigidaire is full of conveniences, full of beauty, full of quality, dependability and value.

It's true of the Frigidaire refrigerator, electric range, automatic washer — or any of the nine household products that Frigidaire makes.

And it has been true ever since Frigidaire first began making refrigerators more than 25 years ago.

Today, more than 8 million Frigidaires have been built and sold, and Frigidaire's great plants are working at top speed to meet the demand for new Frigidaire home appliances.

BELLEVIEW W. M. S.

The members of the Woman's Missionary Society of the Belleview Baptist Church observed the Week of Prayer for Home Missions by having prayer service at the home of Mrs. R. S. Horsley on Monday afternoon and at the home of Mrs. May Sandford on Tuesday afternoon, and the regular monthly meetings at the church on Wednesday afternoon. These meetings were well attended and good programs were given at each meeting.

A special Annie Armstrong offering was taken for Home Missions.

After the business session which was in charge of our president, Mrs. Christena Kirtley, it was decided to have a mission study class at our next meeting on Wednesday, April 7th at the church beginning at 10 a. m. A covered dish luncheon will be served at the noon hour. All the ladies of the church are invited to be present, also the members of the young peoples organizations.

PHONE OFFICIALS PROMISE REPAIRS

TO ALL PRESENT LINES IN BOONE COUNTY WITHIN THREE MONTHS—ADDITIONAL LINES PLANNED.

G. B. Foscue, president of the Consolidated Telephone Company, of Florence, Ky., in his statement to a committee representing the company's subscribers Monday night, promised to repair and put up all lines in Boone County and make an effort to secure as much material for putting the lines in shape to give better telephone service as soon as possible.

The company was given three months in which to do the necessary repair work and are to meet every thirty days with this committee to advise them of their progress. At the end of the ninety-day period there will be another mass meeting of all the subscribers for the purpose of getting a check on whether or not the service has been improved and what steps should be taken in the future.

The meeting Monday night was well attended with over one hundred subscribers present from all parts of the county. The theme of the entire discussion was the very inefficient service now being rendered by the company in comparison with rates being charged by other companies which give good telephone service.

The telephone company was represented by G. B. Foscue, president and owner and E. G. Stephenson, vice-president and manager.

Future developments will be carried by this newspaper as well as all dates of meetings for both the committee and subscribers.

During the next three months, all persons who have complaints are requested to report them first to the telephone company and if no action is taken, then to the committee which is made up of Frank Milburn, chairman, A. B. Rensaker, J. C. Acree, Wilford Scott and C. L. Cropper.

The meetings for the subscribers have been conducted by C. Liston Hempfling, who has done a masterful job of holding the meetings in order and bringing out constructive criticism along all points.

THREE DRAW FINES IN JUDGE CROPPER'S COURT, MONDAY

Three Carrollton men drew fines when arraigned in Judge Cropper's Court Monday morning. They were Charles Stevens, fined $104.50 and his drivers license revoked, charged with operating a vehicle while intoxicated, and William Cotton and Alan Jones fined $19.50 on a charge of being drunk in a public place.

The three men were arrested Sunday by Robert Gordon, State Highway patrolman.

IMPORTANT BAND REHEARSAL SCHEDULED

The Boone County School Band will hold a closed rehearsal Monday evening at 8 p. m. in the Burlington school auditorium. All band members are requested to be present at this time as it will be the final rehearsal before the Musical Fun Fest. For this reason it is closed to public.

MOST OF BURLEY CUT RESTORED

UNDER NEW QUOTA, 1948 FARM ACREAGE ALLOTMENTS WILL BE REDUCED ONLY LITTLE MORE THAN 2 PERCENT.

The 1948 national marketing quota for burley tobacco proclaimed last November by the Secretary of Agriculture has been increased to reflect market reports showing the 1947 crop to be several million pounds short of the November crop estimate.

This increase in the quota will permit restoration of most of the 10 percent cut in 1948 farm acreage allotments which was ordered when the original 1948 quota was proclaimed.

The new quota for 1948 is 514,000,000 pounds compared with the 474,000,000-pound quota announced in November.

Under the new quota, 1948 farm acreage allotments will be reduced only a little more than 2 percent below 1947 acreage allotments. Where such a percentage of reduction would result in a cut of not more than 5 hundredths of an acre, no reduction will be made. Under this rule, no reductions will be made in allotments of 2.3 acres or less.

GIRLS JUNIOR RIFLE CLUB INSTRUCTOR NAMED BY NRA

Edwin H. Walton, of Burlington, Ky., has been appointed instructor of the Burlington Girls Junior Rifle Club, it was announced by the National Rifle Association as it granted the organization a junior club charter in the NRA's national youth program.

Membership in the new club, which will devote itself to the various phases of target shooting, is open to boys or girls under 18 years of age. Under the able instruction of Mr. Walton, the youngsters will learn the fundamentals of rifle shooting and the correct way to handle firearms safely.

Elected officials of the new club are: Dorothy Brown, president; Florence Feldhaus, vice-president; Cordelia Kelly, executive officer; Loretta Jones, secretary; Wilma Easton, treasurer.

PRINCIPAL'S HOME DISCUSSED MON.

LABOR WILL BE DONATED TO ERECT NEW BUILDING—USE OF SCHOOL GROUNDS GRANTED BY BOARD.

The New Haven P.-T. A. is doing something about the housing situation insofar as their school principal is concerned.

At a meeting Monday night of the organization citizens of the New Haven School district were invited to hear Mrs. Kirtley McWethy, P.-T. A. president, tell of the plan to erect a house for Walton Smith, principal, and his wife and two children.

Committees were appointed at the meeting to go among the citizens for donations. Many have offered labor, some materials have been donated, and with these donations, it is expected that cost of erecting the home will be materially reduced.

The group meeting Monday night was enthusiastic over the outcome of solicitations and predict that the residence will be erected by August, thus relieving the principal of a 30 mile drive daily.

According to reports, the school board has granted use of the school property for the erection of a five-room house.

It is believed that through this forward step, New Haven school will be in better position to acquire first-rate principals in the future, as the housing situation in this district has been critical for several years.

ALL-STAR BENEFIT GAME SCHEDULED

AT FLORENCE SCHOOL GYM—SENIORS AND THOSE INELIGIBLE FOR COMPETITION ANOTHER SEASON TO PLAY.

An All-Star benefit basketball game will be played for the Boone County School Band at the Florence gym Tuesday night, March 23, according to Dean Bloss, band director.

Seniors and those ineligible for competition another season from Florence, Hebron and Burlington will play a similar team from New Haven and Walton.

Ralph Maurer of Burlington will coach the former quintet with George Edmonson handling the New Haven-Walton all-stars.

A preliminary game will be played between the "Bandettes" of New Haven and a girls' team from Florence.

Among the players selected for participation in All-Star fray are Toadvine, Huey, Mulligan and Conrad of Hebron; Todtenbier, Kelly, Brown, Cave and Smith, Burlington; Rouse, Baker, Zimmerman, Arnold, Markesbery, Woods, Millar, Doyle, of Florence; Knox, Weaver, Howard, Simpson and Alexander, of New Haven and Simpson, of Walton.

Game time will be 7:30 p. m. Admission 25 and 35 cents.

MUSICAL FUN FEST DONORS NAMED

PLANS COMPLETE FOR ENTERTAINMENT AT BURLINGTON SCHOOL AUDITORIUM MARCH 27TH.

Plans have been completed for the Boone County Musical Fun Fest which will be given at the Burlington school auditorium March 27 at 8:00 p. m.

Donations from Covington and Boone County merchants have been so liberal that there are more gifts than there will be time for contestants to compete for them. Prizes amounting to over $125.00 will be awarded to contestants on the stage during the program, after which all surplus donations, plus any prize that has been added to the jackpot because of contestant's wrong answers, will be auctioned off by Dave Tanner, a former member of the Boone County Band.

The door prize riddle will be published in next week's paper so that all will have a chance to try to answer it. Answers to the riddle must be written on the back of your ticket, together with your name and address, and deposited in the box at the door before 8:00 p. m. the night of the program in order to be eligible to compete for the door prize. The door prize has been donated by the Burlington Locker Plant and is a year's free rental on a drawer type locker, worth $20.50. Along with the locker, a month's supply of Bird's Eye frozen foods will be added.

Merchants donating prizes to the Fun Fest are as follows:

Mr. Jones, who was 74, died Saturday at his home in Walton. He is survived by his widow, Mrs. Grace Jones.

Chambers and Grubbs, Walton funeral directors were in charge of arrangements.

22 ATTEND CONFERENCE

OF HOMEMAKER LEADERS HELD AT BURLINGTON MARCH 3—FOOD AND NUTRITION SPECIALIST HEARD.

Twelve Homemaker clubs were represented at the Live-at-Home Leaders' conference at Burlington court house on Wednesday, March 3, with 22 women present.

Mrs. Pearl Haak, food and nutrition specialist from the University of Kentucky spoke at the morning session. Among the many interesting facts brought out in her talk were:

Where it is possible, raise your own vegetables, as it is in eating the vegetables fresh from the garden that we really get full nutritive value which nature has prepared for us. But, (and this is very important) even though we get our vegetables fresh from our garden, and we do not cook them properly, we are destroying the food values. Most vegetables are ruined, as far as saving the important vitamins is concerned, by cooking too long, cooking in too much water, and by too much seasoning.

If possible, eat a great deal of plain, raw fruit, or can it in plain syrup, and serve just the plain canned fruit. In this way we derive most of the good food value from our fruits. Long cooking destroys so many of our important vitamins.

If we will cook our meat at a low temperature, 300 to 325 degrees, it will retain its volume, and will be very tender.

All children should have at least 1 quart of milk and 1 egg in their daily diet, and adults should have at least 1 pint of milk and 1 egg. This assures us of a good supply of Vitamin A, B and C. We should also all have at least 3 tablespoons of butterfat, a good serving of green or yellow vegetables, a serving of wholewheat bread, or bread made from enriched flour, and some kind of cereal.

Few know that it is now a law in Kentucky that all bleached flour sold in the state must be enriched—that is a certain amount of the Vitamin B and Iron must be put back which was lost in the bleaching and refining process.

Butter, eggs and fish oils are about the only pure sources fo Vitamin A. Butter made from fresh sweet cream, at 54 degrees temperature will give as high as 40,000 units of vitamin, but butter made from very sour cream, and which has been heated by hot water to quicken the butter-making process loses much of its vitamin content—and will run as low as 2,000 units of vitamin A. How much of nature's good health-giving ingredients do we throw away unintentionally? We often throw important vitamins out, and then go to the doctor who gives us these vitamins in the form of pills, which cost quite a bit.

Since the price of butter has soared so high, a great many people are eating margarine, and here again we must be careful what kind of margarine we buy. Many of the brands on the market today are enriched with vitamin A, which is where the great difference is between real butter and margarine. When margarine is enriched with vitamin A, it is very close to butter in food value. The amount of vitamin A added is marked on the carton—most brands are enriched to the extent of 15,000 units per pound.

Mrs. Haak stressed the importance of correct temperature in making homemade butter and cheese. She stressed the need of a good dairy thermometer, to do away with guess-work in this very important business, as so much valuable vitamin content is lost by too much heat.

Women, don't try any of the new quick-mix recipes if you use butter for shortening, as it will not work. Butter needs to be well creamed when used in a cake. Well, with butter still so high, there are not many who need to worry about making cake with butter, even though many desire to do so.

ONE TIME REVIVAL TO RETURN TO BURLINGTON

The one time revival service will come to the Burlington Baptist Church Sunday evening March 21 for second time this month. This service is under direction of Morton Oliver and Bob Brown. At the last meeting of this kind at Burlington there were six additions, and christians are urged to bring their lost friends to this service.

The service will be composed of good inspirational singing, special music, prayer time and a gospel sermon.

These two young men have purchased a portable organ for street services, tent meeting and mountain mission work.

Everyone is invited and urged to attend this revival service.

JUNIOR UTOPIA CLUB ORGANIZATION MEETS

The organization meeting of a Junior Utopia Club will be held Thursday, March 18, at 8:00 p. m., in the grand jury room of the Burlington courthouse, according to William E. Davis, County Agent, and Mary Hood Gillaspie, Home Demonstration Agent. Anyone who is out of school and up to 20 years of age is eligible to join. Mr. Carl W. Jones, state club worker, will be present at the meeting. All who are interested in the organization of this junior club are urged to attend.

ESSAYS MUST BE MAILED BY MARCH 22

Those essays in the Red Cross must be mailed in time to be in the hands of Mrs. Elizabeth G. Nestor, Florence, Ky., by March 22nd, so hurry!

KY. DRAFT BOARDS ARE REORGANIZED

TO MEET ANY EMERGENCY—FRAMEWORK OF RESERVE ORGANIZATION BEING SET UP TO PROVIDE FOR ANY NEED.

Col. Solon F. Russell, Kentucky director of the Office of Selective Service Records, revealed last week that draft boards in Kentucky and other states were being reorganized to meet any emergency.

Maj. Gen. Lewis B. Hershey, wartime draft director for Kentucky and now head of the Office of Selective Service Records, has declared in San Francisco that the framework of a reserve draft organization was being set up to provide reasonable preparedness in case of future need.

All of this is a part of the planning stage and no orders yet have been issued for the organization of any of the world War II draft boards, it was emphasized.

The nationwide program is being carried out under orders from Washington as a matter of preparedness should an emergency arise or Congress pass the Universal Military Training bill.

Maj. Sam Hicks, assistant to Col. Russell, of Louisville, said, "We have been quietly planning for several weeks. Another emergency may come quicker this time."

Hicks said Gen. Hershey had ordered the draft boards be reoganized, and that the old draft boards now could begin operating on 24 hours' notice.

EAGLES UPSET HEBRON CARDS

IN NINTH REGIONAL TOURNEY BY SCORE OF 43-39—ELIMINATED FRIDAY NIGHT BY NEWPORT CATHOLIC.

The Burlington Eagles upset the dope basket Thursday night in the first round of the Ninth Regional Tourney when they trimmed Hebron 43-39. The Eagles surprised everyone except Burlington fans as they displayed some of their best basketball to trounce the county champs.

Paced by Jim Ryle, the Eagles took a 6-point lead in the first half and were never headed. Todtenbier and Miller led the scoring parade in the third period as the winner amassed an 11-point margin. With Toadvine hitting consistently Hebron cut the score down to a 4-point lead. Reynold Todtenbier was high for the victors with 14, followed by Lafe Miller and Ryle with 12 and 10 respectively. big Bill Toadvine marked up 16 for Hebron.

Burlington, losing to the Cards four times this year, passed better, shot better and rebounded better than the 34th district winners.

Burlington's Thursday night win advanced them into the semi-finals with the Newport Catholic Thoroughbreds, Friday. The Boone County boys were still the underdogs as they took the floor Friday night. The two teams played on even terms the first half, with Newport holding a 5-point margin at the end of the second period. Newport took command the second half and soundly trounced the Eagles with the final score standing 53-24. Burlington's Ryle, Miller and Todtenbier had 6 points each.

Two of the Boone County boys were chosen on the All-Star tourney team, which was selected by the sports writers. These two were Reynold Todtenbier and Bill Toadvine, both boys are seniors and have set the pace for their respective teams all year.

THREE BASKETBALL PLAYERS HONORED MONDAY NIGHT

Reynold Todtenbeir, senior, forward of the Burlington Eagles, along with Bill Toadvine of Hebron and James Vest of Walton were honored at the Cincinnati Post All-Star banquet Monday evening, March 15 at the Gibson Hotel.

Todtenbier, who was first choice last year while playing with Erlanger Lloyd was sixth in this year's balloting.

Toadvine and Vest received honorable mention according to the Post announcement.

BASEBALL MEETING WILL BE HELD MON.

A baseball meeting will be held Monday, March 22 for the purpose of organizing a Saturday afternoon league, it was announced this week. An effort is being made to have at least six teams in the league, and eight teams would be better.

Last season there were only five clubs, causing one bye each week.

It will soon be time to start the season, so if interested come out Monday at 7:30 p. m. at Burlington courthouse.

AUCTION

MAYO FARM

41 ACRES

6-ROOM HOUSE

SAT., MARCH 27, 1 P. M.

ONE OF THE PRETTIEST SPOTS ON THE DIXIE HIGHWAY BETWEEN COVINGTON AND LEXINGTON, KY.

A six-room modern home; two stairways in home, large solarium, inlaid linoleum throughout house including stairways two baths, one on first and one on second floor; oil-fired furnace; large fruit bin; new electric water heater, 50 gallons. Outside and inside entrance to basement. Storm windows and screens for entire house, including doors. Large reception hall, large front porch. New roof on house and all outbuildings. Modern cement block milk house; large smoke house, large chicken house; new cement block two-car garage with living quarters over; new aluminum overhead doors.

Modern dairy barn for 14 cows, including drinking fountains and barn sewered; feed room 20 ft. by 20 ft. adjoining barn; new cement block outside toilet; one calving barn with four box stalls; two well-fenced garden spots; new fence on entire farm, with fenced lane from front to back of place. Large lake, ever-running spring.

Two creeks on farm (and spring), plenty of water; two large cisterns on farm. Two acres of woods. This farm averages $5000 per year income, but could be increased. This farm has electric in all buildings, with separate fuse boxes. Bus passes the door every hour. This farm is located on Route No. 25, just four miles from Walton, four miles from Florence, just 15 miles from Cincinnati. School bus, baker truck, newspaper, mailman—all at your door. If you are looking for a real modern farm with very nice income—P. S.: This farm has good, rich soil—everything that was taken off was put back on. Has pastured 25 head of cattle for the past five years.

3 Tags belong on every bag of CHICK STARTER...

Which is Most IMPORTANT?

How do you buy chick starter? Do you look at the ingredient tag and try to figure out what it contains? Or do you look only at price tag and buy the the cheapest?

Or do you ask "which feed will help me keep my chicks living and growing the best?" When you're buying feed for delicate little baby chicks, the "results" are the most important. And when you buy Purina Startena, you know you're buying results.

This Year PURINA CHICK STARTENA is Better Than Ever for Life and Growth

AND WE CAN PROVE IT.

Stars CANNOT be seen in daylight from the bottom of a well! (The moon and the stars are shining during the day as well as at night, but the sun is so bright that it outshines them all. It is only when the sunlight has gone an hour or two that we can really see the moon and stars in their brillance. When we look at the heavens we can see much farther by night than by day. Visibility of the heavens is not enhanced by their being seen from the bottom of a well, but by the setting sun.—New Wonder World Encyclopedia, 1937, Vol. 1, pp. 18-19.)

You can get healthier plant growth by using quality fertilizer from HODDER & RUPPERT. This plant food will promote faster plant growth and a greater yield in your crops. Try it now and see for yourself.

SEE YOUR *Future Cow* AT 4 MONTHS

RAISE BIG CALVES WITH DAIRY QUALITY ON

PURINA CALF STARTENA

A big-framed, quality, 4-month-old heifer almost always makes you a real milk cow . . . that's why it's so important to you to grow a *strong, deep-ribbed calf,* instead of one that is paunchy, and soft with "milk-fat."

You'll find that Purina Calf Startena grows good calves: *big and loose-hided with strong bones and rugged frames* . . . calves that are capable of developing into strong-bodied, heavy-milking dairy cows.

This year, raise a couple of calves on Calf Startena, and see for yourself the difference it makes in size and dairy quality. You'll save about one-half the cost of milk feeding, too.

NAVY AIRCREWMEN CANDIDATES IN DEMAND

The U. S. Navy has a critical shortage of aviation ratings and at the present time is putting on a special recruiting drive to obtain young qualified men to enlist as aircrewmen. To become an aircrewman candidate the following qualifications must be met: 20-30 eyesight, not over 72 inches in height, not weigh over 185 pounds, 17 to 27 years of age, make a score of 55 on the applicant qualification test and must not be married.

A successful applicant who enlists at Cincinnati will be sent to Great Lakes, Illinois for recruit training for about 12 weeks. From there the candidate will be sent to Jacksonville, Florida for an 8-week course of aviation fundamentals. Upon completion of fundamental training the candidate may then decide what special branch of aviation he would like to take up. The present program offers the following special rating from which to choose: Aerial Gunner, Aviation Machinists Mate, Aerographers Mate, Aviation Metalsmith, Aviation Electricians Mate, Aviation Storekeeper, Control Tower Operator and Aviation Ordnanceman.

GUNPOWDER HOMEMAKERS

The regular meeting of the Gunpowder Homemakers Club was held at the home of Mrs. Katherine Garner, March 9th.

"Live at Home" was the topic discussed by Mrs. B. M. Stevens and Mrs. G. W. Clark.

Many coin purses, cosmetic bags and billfolds were completed by members of the club.

Next meeting will be held at the home of Mrs. G. W. Clark, April 13.

Club Reporter.

BURLINGTON 4-H CLUB

The Burlington Rose Ribbon 4-H Club met March 2. The meeting was called to order by our president Joyce Vice. The secretary's report was read and roll was called. Our club was organized with 24 members but has gained very much, now having 30. New members filled out enrollment cards.

Groups captains were elected as follows: Unit I, Clothing, Dorothy Hensley; Unit II Clothing, Billie Jo Brown; Unit III, IV, V Clothing, Cordelia Kelly; housekeeping Sherry Holbrook; dairy and sheep, Frank Thamen; tobacco and garden Ronald Jones. One clothing leader, Mrs. William Schmidt was elected.

With no other business, the meeting was adjourned.

Vera Dean Scott, Reporter

Three Magoffin county 4-H'ers, Paul Anderson and Cledith and Edith Rowe, each produced more than 100 bushels of corn per acre.

FORMERLY WITH CHAS. OF THE RITZ, 5TH AVE., NEW YORK

Florence

The Ladies' Auxiliary of the Florence Christian Church are conducting their annual Easter bakery sale at Linn's Lunchroom on Saturday, March 27 starting at 10:00 a. m. A bazaar table also will be featured.

P. J. Allen and wife were calling on her cousins, Mr. and Mrs. Lou Crutcher and Mr. and Mrs. Howard Ledford, of Hebron, Sunday afternoon.

Those from a distance attending the funeral service for Brice Darby were Mr. and Mrs. Marshall Johnson and daughter, of Lexington and Mr. and Mrs. Otto Souther, of Lawrenceburg, Ind.

Mrs. Nannie Mitchell, Mrs. Eva Miller and Mrs. Allie Markesbery and daughter were delightfully entertained by Mrs. Marie Thompson, of Erlanger.

Rev. W. S. Mitchell and family, of Covington were dinner guests of Mr. and Mrs. W. R. Miller, Sunday.

Funeral services for Miss Minta Sederberg, 60, were held at the Florence Christian Church March 5 with Revs. R. H. Carter and Richard Dawson officiating. Mrs. Kathryn Rowlette of Ft. Mitchell was soloist. The deceased was a native of Boone County, where she lived until some 22 years ago, when the family moved to Rockaway, Ore. where she died Feb. 27 at the home of her brother. She is survived by a sister, Mrs. Gussie Moore, of Burlington; a brother William, of Rockaway, Ore., and other relatives. Interment was in Hebron Cemetery. The Ralph Stith funeral home was in charge of arrangements. Sympathy is extended the family in their sorrow.

Mr. and Mrs. Frank Rouse, of Richwood, were calling on his brother Carl on Tuesday.

Mr. and Mrs. John T. Stephenson were visitors in the home of Mr. and Mrs. John Ryle, of Erlanger on Monday of last week.

Walter Arnold, of Price Road is the owner of a new Mercury.

Mesdames Stella Carpenter and Minta Tanner visited Mrs. Jennie Dobbins, at Louisville Lutheran home on Tuesday of last week. Mrs. Dobbins remains ill, however.

Brice Darby 49, was fatally injured when he fell from the hayloft on the farm of his brother-in-law, Court Hollis, of Hebron. Funeral services were held Sunday afternoon from the Chambers & Grubbs funeral home, Florence, with Rev. R. S. Carter officiating.

Corey S. Acra, of California, arrived here by plane Saturday, to visit his mother, Mrs. Emma Acra, who is ill in Booth hospital.

Mrs. Rose Burkett is very ill in the home of her daughter, Mrs Francis Dixon.

Several more silos will be built in Daviess county this year, farmers who built them last year recommending them highly.

PERFECT DIAMOND

Keeping to the Motch policy of purchasing only diamonds that measure up to a definite high standard has made Motch's synonymous with high quality.

This is most important to the purchaser who has not had the opportunity to KNOW diamonds, and gives you the valuable assurance that your purchase is amply protected by the House of Motch.

that's FRIGIDAIRE

•Yes, Frigidaire is full of conveniences, full of beauty, full of quality, dependability and value.

It's true of the Frigidaire refrigerator, electric range, automatic washer — or any of the nine household products that Frigidaire makes.

And it has been true ever since Frigidaire first began making refrigerators more than 25 years ago.

Today, more than 8 million Frigidaires have been built and sold, and Frigidaire's great plants are working at top speed to meet the demand for new Frigidaire home appliances.

MEASURED HEAT!

ANOTHER REASON WHY

Cooking's going Electric

You can measure heat as accurately as you measure other ingredients when you do top-of-range cooking *electrically*.

Switch positions provide selected heats for *every* cooking purpose. Simply click a switch to the heat you want and you get the same amount of heat every time.

There's no guesswork—it's easy to get uniform results—when you cook *electrically* with *measured* heat. Make your next range an electric.

VOLUME 72 — BURLINGTON, KENTUCKY, THURSDAY, MARCH 25, 1948 — NUMBER 39

STORM CAUSES $200,000 DAMAGE

Boone County Hard Hit; Phone Service Disrupted

MOST SEVERE STORM IN HISTORY OF COUNTY, ACCORDING TO REPORTS — HURRICANE SWEEPS THRU NINE STATES.

Boone County farmers and rural folks suffered what is believed to be the worst disaster in many years last Friday when a 65-mile an hour wind, accompanied by heavy rains picked its patch about one-half mile wide through the entire length of the county, leaving behind property damage estimated at $200,000.

Boone County, however, was considered fortunate in many ways, since no causalties or injuries were reported.

Reports from various sections of the county indicate that approximately twenty-five barns were leveled by the hurricane, and approximately that many more were damaged. Many farmers reported outbuildings completely destroyed, and roofs of many homes in the path of the wind were badly damaged.

Heaviest damage was reported in the East Bend neighborhood, the storm center apparently being in that area.

Damage to hay stacked in fields was said to be heavy, as the stacks were scattered by the heavy wind. This damage alone will probably mount into the thousands of dollars.

Barn and house roofs were scattered over a wide area as the storm seemed to gather momentum as it progressed.

In the Belieview and McVille area damage was heavy, not only to buildings but to trees. In one section the heavy wind mowed a path through a wooded area, twisting the tops from trees as though they were match sticks.

The southern section of the county suffered little damage ,according to reports, the storm apparently centering in the Northwestern and northern part of the county.

Telephone service was disrupted when the hurricane struck a section of the Consolidated line between Burlington and Florence, completely destroying poles and lines in its path. Approximately 100 poles were broken, and twisted in a section approximately three miles long. Service was resumed Monday after new poles were set and new lines strung. Damage to the company's lines was reported at $8,000.00.

Boone County was without electricity for several hours Friday afternoon as a result of the storm. Service, however was resumed Friday evening.

BASEBALL MANAGERS WILL MEET MARCH 29

There will be a meeting of managers in the Sunday School baseball league at the courthouse at 7:30 p. m. Monday, March 29th.

This will be the last meeting before the season opens, April 17th.

BURLEY GRADING DEMONSTRATION

ANNOUNCED AT HEBRON HIGH SCHOOL APRIL 26—GOVERNMENT GRADER WILL BE PRESENT.

There will be a tobacco grading demonstratfon at the Hebron high school, on April 26th, at 9:00 a. m.

The demonstration will be in charge of a U. S. government grader for burley tobacco and has had much practical experience with tobacco. He will be glad to work with all farmers so that you may be better qualified to grade your own tobacco according to government grades.

Since it is known that tobacco is graded at the warehouses by these government graders you should plan to take full advantage of this valuable help. He will bring several grade samples with him for inspection.

The Tobacco Marketing Division of the Production and Marketing Administration is making these demonstrations available to the departments of vocational agriculture this spring as they have during the past several years.

It is hoped that every grower of burley tobacco in Boone County can attend this demonstration.

RONNIE BURCHAM REPORTED IMPROVED

Ronnie Burcham; 9-year-old son of Mr. and Mrs. Alan Burcham of Belleview, is reported somewhat improved from injuries received when he was kicked by a horse one day last week.

The youth, who was playing on the farm of his grandfather Sherman Burcham was kicked by a colt, and did not report his injuries for two days after his parents had noticed he seemed to be ill. He was removed to Children's Hospital, Cincinnati, where it was learned he suffered an injured kidney.

According to reports from the hospital, his condition is improved, but will be unable to return home for several days.

GEO. SPERTI BUYS AGAR-AGAR PLANT

IN NORTH CAROLINA—PRODUCT USED EXTENSIVELY IN PHARMACEUTICAL FOOD AND INDUSTRIAL FIELDS.

Announcement was made Monday of the purchase of Beaufort Chemicals, Inc., Beaufort, N. C., by Sperti, Inc., thus making Sperti, Inc., the largest producer of agar-agar in the eastern half of the United States.

Purchase of the North Carolina company, was announced by William D. Albers, chairman of the Sperti Board of Directors.

Agar-agar, a dried gelantinous substance evtracted from seaweed, is used extensively in the pharmaceutical food and industrial fields.

The purchase price, although not disclosed, was believed to be in the neighborhood of $300,000. The plant covers 40 acres with large processing and storage buildings. A fleet of barges is used for collection of seaweed.

The Sperti organization will correlate its production activity with the Sperti-owned Jensen Beach Fla., agar-agar plant. Officials explained that the Beaufort company was purchased because of the limited production facilities of the Florida plant.

Until the start of World War II, production and marketing of agar-agar were largely under Japanese control. When cut off the supply of this vital substance to America. The Sperti interests started extensive marine research ,to locate and test Atlantic coastal beds of seaweed.

Under the scientific research of Dr. George Sperti, formerly a principal consultant of the War Production Board, a floating research laboratory was developed. Exploration of the Florida coastal waters resulted in the discovery of seven types of seaweed which yielded agar-agar.

These discoveries led to construction of the plant at Jensen Beach. While this activity was conducted purely as a war project to supply America with this vital substance and to break the Japanese blockade, the Sperti organization received inquiries from manufacturers about the product because of the large demand for agar-agar. The plant then was converted to a full peacetime commercial operation.

HOMEMAKERS START REFINISHING FURNITURE

The first processes of refinishing furniture were started by homemakers at their training class held last week at the Florence Town Hall. Twenty-one leaders representing thirteen clubs started work on removing the old finish from furniture.

Prior to the work, Miss Vivian Curnutt, Home Furnishing Specialist, University of Kentucky, gave a discussion on identifying woods.

Refinishing furniture will be the major lesson given in all clubs during April. This work will be conducted also during May and June, according to Mary Hood Gillaspie, Home Demonstration Agent. The goal for the homemakers is that each one refinish at least one piece of furniture, either small or large.

HARDWARE STORE OBTAINS EMERGENCY ROOFING SUPPLIES

The Burlington Hardware Store has been successful this week in obtaining an emergency order for a large quantity of metal roofing and supplies to be used by the residents of this area who were so severely damaged by the recent hurricane that struck here last Friday.

All dealers in this type merchandise are still on a strict allotment basis and can secure only small amounts of roofing at a time, which cannot possibly supply the needs of the community following such a disaster as was suffered in Boone County last week.

The management of the local hardware store states that all persons who are in need of any roofing should contact them at once and get your order on file so you will be assured of your part.

A complete advertisement of this store will be found in this issue.

CARD PARTY WELL ATTENDED

A large crowd attended the card party at the Hebron Masonic Hall Friday night given by the Ways and Means Committee of Evadell Chapter No. 453 O. E. S.

The ton of coal donated by Stanley Graves was given as a door prize and won by Mrs. Lehman Goodridge.

The second door prize was an electric table lamp given by Mr. and Mrs. Wm. Reinhardt, of Ft. Mitchell and was won by George Kottmyer.

First prizes for the various games were won by J. P. Dolwick, euchre; Miss Elizabeth Lowry, bridge; Mrs. Beulah Poston, pitch; George P. Casper, five hundred and Frances Acra and Sue Rogers tied in rook.

The committee wishes to thank all of the donors of the gifts and everyone who helped in any way to make the party a success.

Mrs. Lillian Willeim and Mr. Wolfe Rosenstein, of Frankfort spent Sunday and Monday with her daughter, Mrs. Ernest C. Ruppert and family.

CONSERVATION WORK UNDERWAY

IN COUNTY——WORK SHEETS MAY BE COMPLETED BY FARMERS AT COUNTY ACP OFFICE OR AT SIGN-UP MEETINGS.

The 1948 Agricultural Conservation program is now under way with county and community committeemen assisting farmers in planning their conservation work for the year.

The 1948 "Farm Worksheets" may be completed by farmers at the county office or at sign-up meetings to be held soon throughout the county.

Although less federal assistance is available for carrying out conservation practices this year, farmers may still obtain assistance on six practices which are of major importance in the county.

At the time farmers sign their 1948 "Farm Worksheets," they may also file applications for lime and phosphate for use in the 1948 program. Those farmers desiring phosphate for use this spring are urged to make their request in the next few days at the county office, as phosphate has already been ordered for the county.

In order to qualify for payments in the 1948 ACP, Farmers are required to file "Farm Worksheets" by April 30, 1948.

A top limit of $500.00 on payments to any individual participant in the 1948 ACP is fixed by the 1948 Department of Agriculture Appropriation Act. This limit applies both on conservation materials furnished by the Government and on cash payments. The limit also applies regardless of the number of farms or tracts of land owned or operated by the participant whether the participant is one person, a partnership, or a corporation.

REAL ESTATE TRANSFERS

The following transactions were made through the Jones, Conner and Gaines real estate agency:

One hundred seven acres near Hebron owned by Mr. and Mrs. Bert Loomis to Mr. and Mrs. Fryer, of Woodford County.

The farm of 127½ acres near Pt. Pleasant, owned by H. P. and Lucille Rucker to C. Shaffer, of Erlanger.

The 8-acre trace on Hopeful Road owned by Mr. and Mrs. E. W. Evans of Hebron to Mrs. Phillips, of Erlanger.

FUN FEST RIDDLE IS ANNOUNCED

DOOR PRIZE AT ENTERTAINMENT WILL BE YEAR'S RENT ON DRAWER TYPE LOCKER AT BURLINGTON PLANT.

A feature of the Musical Fun Fest to be given by the Boone County School Band, Saturday March 27th at Burlington is the door prize, a $20.50 drawer-type locker for 1 year with 24 packages of frozen Birdseye foods donated for this event by the Burlington Locker Plant. Everyone attending the Fun-Fest is eligible except Band members and the committee.

This is the riddle:
You can see it,
You can hear it,
You can get very near it
It can make you laugh,
It can make you cry,
But it is something you don't buy.
What is it

Write your answer to the riddle on the back of your ticket with your name and deposit in the box at the door on Saturday night. Tickets must be in the box by 8:00 p. m. to be eligible.

Additional doners of merchandise are: Shriveer and son, Craig's Grocery, Sam Ryle, Hedder's, Anderson's Greeery, Don's Grocery, Robert's Grocery and Sebree Grocery.

Come prepared Saturday night for an evening of music, laughter and prizes. Don't forget the auction conducted by Deve Tanner. This auction is possible due to the generosity of all merchants and patrons of the band approached. Prizes to be given away to contestants total more than $125.00 in value.

Tickets for the Fun Fest are 60c and 30 cents and are available thru band members or Dean Bloss, director.

LOCAL BOY WILL BE TRANSFERRED TO TURKEY

Chief Warrant Officer and Mrs. W. W. Aylor, USN, son of Mr. and Mrs. Paul Aylor of 342 Dixie Highway, Florence, arrived by plane from San Diego, Calif., Friday, March 12 for a two weeks' visit with his parents. He is enroute to Turkey where he will be attached to the U. S. Naval Mission for one year on the staff of Commander of Submarine Division 100, instructing the Turkish Navy in the operation and maintenance of American submarines. For the past ten years he has been on submarines, submarines bases, and submarine tender ships better known as the "Pig Boat Navy." Mrs. Aylor will return to San Diego, Calif., by plane April 1st to await instructions from the Navy Department for passage to Turkey where she will join her husband.

CATTLE SHOW IS SCHEDULED

AT ERLANGER TODAY—PURPOSE IS TO PROMOTE ESTABLISHMENT OF FINE STRAINS OF GUERNSEY CATTLE.

The Kentucky Guernsey Breeders Association will sponsor a show and sale of Guernsey cattle at the Erlanger Tractor Co., Erlanger, today, (Thursday).

Purpose of the show and sale will be to promote establishment of fine strains of the breed in northern Kentucky. It is to be non-profit, according to Earl F. Metcalfe, of Independence, a director.

A judging contest will be held from 10 a. m. until noon. The sale is to begin at 1 p. m.

Edward Pruett, of Winchester, president of the association, is to have in the sale a heifer that was bred to Quail Roost Noble Maximum, which he bought last May in North Carolina for $15,000. That was the second highest price ever paid for a bull calf in the United States and the highest ever given in the South.

He said the purpose of the affair was to place blooded stock in the hands of farmers in the nine counties of northern Kentucky, particularly 4-H Club members and other young persons looking forward to a farming career. John Evans, of Ashland, is chairman of the sales committee.

STATE PATROLMEN ACTIVE IN COUNTY

FIVE ARRESTED DURING PAST WEEK ON VARIOUS CHARGES—TWO RELEASED TO KENTON OFFICIALS.

State Highway Patrolmen Robt. K. Gordon and Robert R. Miller, active in Boone County during the past week, reporting five arrests and four wrecks.

Among those arrested by Gordon and Miller and tried in Judge Croppers Court are: C. Burton, Ollie Burton, charged with being drunk in a public place, and fined $19.50 and $14.00 respectively. Both men gave addresses as Cincinnati, Ohio.

Langdon Ransdell, of Cincinnati, Ohio was fined $104.50 on a charge of operating a motor vehicle while under the influence of liquor.

Dawson Courtney, of Glencoe and Harold Edmonson, of Folsom, were arrested, charged with having a stolen car. Both of these men were turned over to Kenton County officials.

State and federal highways in this county, no doubt, will be made safer to the motoring public by the active work of State patrolmen in arresting those who are violating the motor laws.

LILLIE M. PFANSTIEL

Funeral services for Mrs. Lillie M. Pfanstiel were conducted from Fiskburg Baptist Church, Friday at 2 p. m. with Rev. Geo. Hoffman, pastor Walton Methodist Church officiating. Interment was in Independence Cemetery.

Mrs. Pfanstiel died early Wednesday at her home on Green Road, following a long illness.

She is survived by two daughters, Mrs. Wilma Lunsford, Green Road; Mrs. Eva Gillispie, Rossmoyne, O., and four grandchildren.

Chambers and Grubbs, Walton funeral directors were in charge of arrangements.

DISTRICT MEETING PLANNED APRIL 22

AT SUMMIT HILLS COUNTRY CLUB—BOONE COUNTY LIMITED TO ONE HUNDRED LUNCHEON RESERVATIONS.

The Northern Kentucky District planning meeting was held last Friday in Covington. Definite plans were made for the annual district meeting to be held Thursday, April 22.

Mrs. Leo Flynn, district director, presided at the meeting, attended by county presidents and Home Agents from Bracken, Kenton, Gallatin, Campbell, Harrison, Grant and Boone.

Kenton County extended an invitation for the district meeting. They plan to have the meeting at the Summit Hills Country Club on Dudley Pike. Boone, Kenton and Campbell, will each be limited to one hundred luncheon reservations. Lunch will cost $1.00 each. Boone homemakers are urged to send in their reservations with one dollar soon, since the money must be sent to Kenton county by April 16.

VEGETABLE VARIETIES FOR FREEZING GIVEN

Vegetable varieties to be used for freezing must have some characteristics that are not necessarily essential for canning or cooking, according to the County Extension Agents. Vegetables must be young and tender, have high color and be picked during the early stages of maturity. Some varieties that have proved most satisfactory are:

Asparagus, Washington.

Lima Beans, Fordhook 242, Burpee Improved, Algreen, and Henderson Bush.

Snap Beans—Kentucky Wonder, Stringless Green Pod, Full Measure, and Stringless Valentine.

Corn—Hybrids of Golden Bantam, Country Gentlemen, and Stowell's Evergreen.

Peas—Wando, Thomas Laxton, Gradus, and Little Marvil (wrinkled varieties with deep color).

Spinach—Bloomsdale Savoy and King of Denmark.

Broccoli—Italian Green Sprouting

Fruits that have proved good for freezing are:

Apples — Winesap, Stayman, Grimes Golden and Wealthy.

Peaches—J. H. Hale, Halehaven, South Haven, Elberta and Belle of Georgia.

Plums—Damson, Green Gage, Italian, Prune, Wild Goose.

Grapes—Concord and Fredonia.

Cherries—Early Richmond and Montmorency.

Blackberries and Dewberries—Common Wild, Eldorado, Lucretia, Youngberry and Boysenberry.

Red Raspberries—Lathan and St. Regis.

Black Raspberries—Cumberland.

Strawberries—Blakemore, Premier, Dorsett, and Fairfax.

Other varieties of vegetables that have proved good for home garden production are listed below: Crosby Egyptian beets, Garden Acre and Wisconsin All-Season cabbage, Chantenay carrots, Golden Self-Blanching celery, Lucullus chard, Siberian kale, Southern Curled mustard, Grand Rapids lettuce, Guernsey parsnips, Irish Cobbler, Triumph and Sequoia potatoes, Puerto Rico sweet potatoes, scarlet turnip radish, Break O'Day and Rutgers tomatoes and Strap-Leaf Purple-Top turnips.

HOBBY FAIR DATES ARE ANNOUNCED

Mitchell, Mr. and Mrs. William Stock, of Cincinnati, Mr. and Mrs. R. A. Hodder, Jr., Mr. and Mrs. Frank Maurer, Mr. and Mrs. William Jarrell, Mr. and Mrs. Raymond Combs, Mr. and Mrs. J. D. Jarrell and daughter, Mr. and Mrs. Arthur Maurer, Mr. and Mrs. Robert Maurer, Mrs. Ralph Maurer, Mrs. Mary Bess Middendorf, Mr. and Mrs. Luther Smith, Mr. and Mrs. Pete Stephens.

Mr. and Mrs. H. R. Forkner and and family, of Versailles, Kentucky spent Sunday and Sunday night with Mr .and Mrs. Raymond Combs and son.

Ralph Maurer, Donald Kirkpatrick, Reynold Todtenbier and Warren Kirkpatrick attended the state basketball tournament at Louisville over the week-end.

TWO MEN KILLED IN CRASH FRIDAY

TRUCK PLUNGES THROUGH BRIDGE ON U. S. 42—CAUSE OF ACCIDENT UNDETERMINED — BOTH MEN OF MILTON, KY.

Two Milton, Ky., men were killed late Friday when a small truck in which they were riding crashed into a bridge railing and then plunged into Gunpowder Creek on U. S. 42, about two miles south of Florence.

James Wade, driver of the vehicle was pronounced dead by a physician at the scene, while Robert Chandler, his companion was dead upon arrival at St. Elizabeth Hospital, Covington.

Hubert White, Magistrate of Boone County, said Wade's death was apparently caused from a broken neck, while Thompson's death was caused from a skull fracture and internal injuries.

The truck left the highway 200 feet from the bridge abutment, smashed into the railing at the entrance of the bridge and plunged into the creek 15 feet below, according to Sheriff R. I. Rouse, who was called to the scene.

The exact cause of the crash was uncertain, but motorists who saw the two men shortly before, said that Mr. Wade appeared to be dozing at the wheel, according to Sheriff Rouse.

Sheriff Rouse stated that the highway was not extremely wet at the point of the accident, although there had been heavy winds and rain earlier in the day. The truck was loaded with fertilizer and was enroute to Milton.

PRESS WEST INJURED IN FALL FROM BARN

Press West, farmer of the McVille neighborhood received minor cuts and bruises in a fall from the loft of his barn Monday morning of this week.

Mr. West was attempting to loosen some boards and timbers in the wind-damaged building to make temporary quarters for his dairy cows when the accident occurred.

He was brought to Dr. M. A. Yelton, Burlington, for treatment, and after a thorough examination, it was thought that he was suffering from shock and minor cuts and bruises.

MRS. ETHEL CONNER

Funeral services for Mrs. Ethel Graff Conner, 43, Youell Street, Florence, were held at the Ralph Stith funeral home, Florence at 3 p. m. Wednesday. Burial was in Florence Cemetery.

Mrs. Conner, who was 68, died Monday at her home. She was a member of First Christian Church, Covington and had been a resident of Florence for 43 years.

She is survived by her husband, Roy Conner, and a daughter, Miss Hope Conner, Florence.

Mrs. William Rudicill returned last week from Good Samaritan Hospital after undergoing a recent operation there.

FOUR-H LEADERS' CONFERENCE HELD

SATURDAY, MARCH 20 AT BURLINGTON—THEME DISCUSSED BY LEADERS, MEMBERS AND EXTENSION AGENTS.

The annual 4-H Leaders' Training Conference was held in the Burlington courthouse, Saturday, March 20. Twenty-five 4-H leaders and club officers attended.

The theme of the meeting, "How Can I Best Serve the 4-H Clubs?" was discussed by leaders, club members and the extension agents. Mrs. Lillard Scott, Grant, Betty Hood of Florence, and Grant Maddox, Florence, discussed this theme, giving both the leaders and club members point of view. The extension agents led a discussion group and enumerated several ways which leaders might help club members in project work.

Howard Dean Bloss, Grant, led the group singing and sang a solo. Mr. Joe Rouse, Verona, discussed "Games for 4-H Clubs" and led leaders and officers in two games that might be used in club meeting. Mr. John E. Crigler, president of the 4-H and Utopia Council presided at the meeting.

Tom Easton and family and Al Pennington and wife visited Mr. and Mrs. Alois Gasser of near Union on Sunday of last week. Mr. Gasser is not so well, they report.

Mrs. L. J. Thompson was in Terre Haute, Ind., over the week-end, visiting relatives and also attended funeral services for her nephew, whose body arrived from overseas.

Mrs. Bertha Dixon visited Mrs. Jennie Dobbins recently at Louisville Lutheran home. Mrs. Dobbins' health is improving, she reports.

Mr. and Mrs. Wm. Wilson, of Covington were guests of Mr. and Mrs. R. E. Tanner on Sunday of last week.

Tykie, the 6-year-old son of Mr. and Mrs. William Haun is recovering from a siege of virus pneumonia.

Jack Busby and family of Marlemont, O., visited with Mr. and Mrs. Harry L. Tanner, on Sunday of last week.

Funeral services for James D. Lucas were held at the Florence Baptist Church last Thursday afternoon. Rev. Leo Drake, of the Trinity Baptist Church, Newport, was the officiating minister. The deceased is survived by his widow, Mrs. Mallie Lucas, two sisters, Mrs. Grant Moddox and Mrs. Emmett Baxter, of Ind., and four brothers, Broadus, Albert, Stanley and Rev. Elmer Lucas, of Washington, D. C. Ralph Stith was the funeral director in charge and interment was in Florence Cemetery. Sympathy is extended the family in their bereavement.

Stanley Tanner and family, of Covington were Sunday afternoon guests of his parents, Mr. and Mrs. Harry L. Tanner.

Mrs. A. L. Thompson, of Kentaboo was hostess to the "Sewing Circle" last Thursday. Guests included Mrs. Russell Miller, Mrs. Margaret Bass, of Erlanger, Mrs. Jeanette Nichols and other friends from Erlanger. Lunch was served and all in attendance enjoyed the occasion.

Mrs. Kirby Marshall, of U. S. 42 was very pleasantly surprise Saturday evening of last week when she returned home to find 23 guests who had assembled to join in the celebration of her birthday. Her daughter Charlotte had arranged for a delicious dinner including the traditional birthday cake and many other delicacies. Mrs. Marshall was the recipient of a number of gifts and both she and the guests enjoyed a delightful evening. We join in wishing her many happy returns of the day.

Mr. and Mrs. R. E. Tanner were visiting Mr. and Mrs. James Bristow on Wednesday afternoon. Mrs. Bristow is recuperating from a thyroid operation.

Telephone service was disrupted in some sections of the community due to the violent wind storm of last Friday. Shingles were torn from roofs, window panes broken, etc.

We regret the error in our items of last week, where we stated that Revs. R. H. Carter and Richard Dawson officiated at the funeral of Minta Sederberg. It should have read Revs. Roy Johnson and Richard Dawson.

Don't forget the annual pre-Easter bakery sale at Dinn's lunchroom Saturday, March 27 at 10 a. m. by the Ladies' Auxiliary of the Florence Christian Church.

Wm. Markesbery and wife visited Mr. and Mrs. T. C. Rouse Sunday afternoon. Mr. Rouse has been quite ill at his home on Dunaldson Highway.

Mrs. O. W. Robinson entertained with a six o'clock dinner on Friday the 18th in celebration of her husband's birthday. Those participating in the celebration were Miss Jane Morgan and Hal Lancaster, of Corinth and Dr. Robinson's son David, his wife and daughter Judy, who have recently returned from Germany. We join in wishing Dr. Robinson many happy returns of the day.

Mrs. Lois Dinn and Mrs. Leona Loudon visited Mrs. Dinn's sister-in-law Mrs. Will Weeks of Lawrenceburg, last Thursday. Mrs. Weeks is very ill.

The community joins in extending deepest sympathy to Mrs. Mallie Lucas in the loss of her husband, J. D. Lucas, who passed away suddenly last week.

Fay Uta Barbara Lutes and Dr. Daugherty's two sons were week-end guests of their respective families. They are enrolled at the University of Kentucky, Lexington.

Mrs. Carlton Crisler and son Gary were guests of Mrs. Irene Kemker on Friday.

"COMPARISONS ARE ODIOUS"

That is a popular saying. It could possibly apply to the person who thinks his vision is as good as that of most other persons, whereas an examination of his visual skill reveals that his vision is considerably below normal.

Don't guess! Let a competent optometrist give you the correct answer.

IT ALL ADDS UP TO *Dependable* RESULTS
...AND THAT'S WHY IT'S AMERICA'S FAVORITE

With today's cost and today's profit opportunity you can't afford to feed your chicks *less* than the *best!* We honestly think that there's no chick starter better than Purina Chick Startena.

In every bag of Startena you get the Purina know-how and research that mean *results.* Quality ingredients, scientific blending of those ingredients, laboratory and farm research—they make the difference.

Ask the folks who feed Purina Chick Startena. We can tell you many of the outstanding records they're making. Startena has *always* been *good*—but this year it's *better than ever,* for Life and Growth. See us for your Startena and all your chick needs.

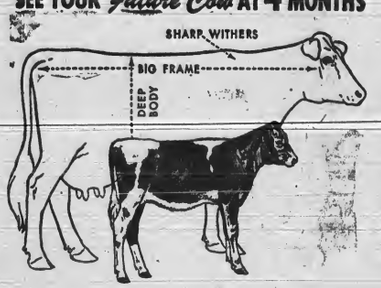
FROZEN FOOD LOCKERS PAY

OVER ONE MILLION AMERICAN FAMILIES now save on food bills the locker way.

More and more people are discovering the joys of better living at less cost through the use of frozen food locker plant facilities.

The drudgery and uncertainties of outdated kitchen methods of preserving perishable foods is now nothing more than a sad memory to the modern, up-to-date housewife.



Start NOW to let a locker serve YOU!

SEE YOUR *Future Cow* AT 4 MONTHS

RAISE BIG CALVES WITH DAIRY QUALITY ON

PURINA CALF STARTENA

A big-framed, quality, 4-month-old heifer almost always makes you a real milk cow... that's why it's so important to you to grow a *strong, deep-ribbed calf*, instead of one that is paunchy, and soft with "milk-fat."

You'll find that Purina Calf Startena grows good calves: *big and loose-hided with strong bones and rugged frames*... calves that are capable of developing into strong-bodied, heavy-milking dairy cows.

This year, raise a couple of calves on Calf Startena, and see for yourself the difference it makes in size and dairy quality. You'll save about one-half the cost of milk feeding, too.

FRIGIDAIRE

•Yes, Frigidaire is full of conveniences, full of beauty, full of quality, dependability and value.

It's true of the Frigidaire refrigerator, electric range, automatic washer — or any of the nine household products that Frigidaire makes.

And it has been true ever since Frigidaire first began making refrigerators more than 25 years ago.

Today, more than 8 million Frigidaires have been built and sold, and Frigidaire's great plants are working at top speed to meet the demand for new Frigidaire home appliances.

HAMILTON 4-H CLUB

The Hamilton Silver Leaders held their second meeting of the year with 19 members present. The meeting was called to order by the president Shirley Riggs. Hazel Sullivan led us in our devotional, then our song leaders led us in a song "I'm Looking Over a Four Leaf Clover." Our secretary called the roll and read the minutes of last meeting.

We were sorry that Miss Gillaspie could not be with us, but we are glad to report that we have 19 new members.

The song leaders led us in another song, "Tuedin' and a Fightin'." Motion was made and seconded that we adjourn.

Our neighborhood was hard hit by the storm Friday.

Mr. and Mrs. Elmer Jarrell had as Sunday guests Prof. Drake, Mr. and Mrs. Oakley Lambert, and Mr. and Mrs. Alton Buckler.

Little Camile Ryle is on the sick list. We wish for her a speedy recovery.

Mr. and Mrs. Cam White, Mrs. Alice Cook and George Cook were Sunday guests of Mr. and Mrs. Lon Williamson. Other callers in the afternoon were Prof. Drake, Jack Purdy, and Mr. and Mrs. Paul Cook.

Mrs. Frances Ryle was shopping in Covington, Friday.

Several of the ladies attended the Stanley brush party at the home of Mrs. Charlie Dolph in Belleview.

Charles Porter Shinkle and Harold L. Presser are due to arrive home from the U. S. Navy today.

Mrs. Geo. Shinkle and granddaughter spent Wednesday with Mr. and Mrs. Leslie Shinkle.

According to the most recent survey, Southern forests contain approximately 338 billion feet of timber, or 27 times the average annual production of Southern lumber.

BURLINGTON W. M. S.

Nineteen members and four visitors attended the March meeting of W. M. S. at the church.

The Bereaved session was given over to regular monthly program and business affairs.

Ruth M. Kelly, president, gave the devotional message on "God and the Family." Mrs. Earle Smith was in charge of the program, the study topic being "The Christian Home." This was most ably and interestingly presented by Mrs. Brien Snyder and Mrs. Sam Allen.

After enjoying a tasty covered dish luncheon and a nice social hour, the afternoon session was devoted to the observance of March Week of Prayer for Home Missions and the taking of Annie Armstrong Offering.

Miss Estelle Huey had charge of the program which was presented in an inspiring and informative manner. The following rendered the various parts of the program:

Miss Estelle Huey, Mrs. W. L. Mc-Kay and Mrs. Robt. Clore. This was followed by a round table discussion with the remaining members and visitors participating, namely, Mrs. Clayton Brown, Miss Virginia Sprague, Miss Mattie Kreyfish, Mrs. King, Mrs. Thos. Hensley, Mrs. Ruth Brown, Mrs. Ella Jarrell, Mrs. Jesse Riddle, Mrs. Manley Ryle, Mrs. M. A. Yelton, Mrs. Anna Gaines, Mrs. Elmer Horine, Mrs. Walter Brown, Mrs. Earle Smith, Mrs. Chas. McFarland and Mrs. Bess Huey.

This was indeed a great meeting and the members deeply regretted the absence of all women of our church.

—Publicity Chairman.

You'd Be Surprised! by EAST BEND FEEDS

AND WE CAN PROVE IT.

Sir Walter Raleigh did NOT introduce tobacco into England! (Ralph Lane, first governor of Raleigh's colony in America, learned to smoke from the Indians and brought the habit to the attention of his eminent patron, Sir Walter Raleigh, who with Sir Francis Drake popularized it at Queen Elizabeth's court.—**Popular Questions Answered,** by George W. Stimpson, 1932, P. 39).

Away from Electric Lines!

Kite flying is great fun but danger lurks when kites are flown near electric lines. Many a child has lost his life using wire for a kite string or climbing a pole to get a tangled kite. Play safe by following these rules:

1. **Use only dry, cotton string to fly your kite.**
2. **Do not use metal or wire on kites.**
3. **Do not climb a pole to get a tangled kite.**
4. **Fly your kite only in open fields away from power lines or busy highways.**

If your kite becomes entangled in electric wires, don't risk injury by trying to get it down yourself. Call our office and we'll send a man to remove it for you safely.

VOLUME 73 — BURLINGTON, KENTUCKY—THURSDAY, APRIL 1, 1948 — NUMBER 39

DIPHTHERIA CLINIC PLANNED FOR CO.

TEN SCHOOLS WILL BE VISITED FROM APRIL 6 TO 21ST, ACCORDING TO COUNTY RED CROSS NURSE.

Boone County physicians, Parent-Teacher Associations and Miss Elizabeth Lowry, County Nurse will conduct a countywide diphtheria immunization clinic in schools on the following schedule:

April 6—10:00 a. m. Hebron.
April 6—3:00 p. m., Constance.
April 7—9:30 a. m., Walton.
April 8—9:30 a. m. Verona.
April 9—9:30 a. m., Burlington.
April 9—2:30 p. m., Burlington Colored.
April 13—9:30 a. m., New Haven.
April 12—2:30 p. m., Hamilton.
April 13—9:30 a. m., Florence.
April 20—10:00 a. m. Belleview
April 21—10:00 a. m., Petersburg.

This clinic is for school children up to ten years of age and for babies from eight months up.

Quoting from a national health authority: "Diphtheria is a disease resulting from neglect. If all parents would take their babies, when they are from six to nine months of age, to a doctor or to a clinic and have them protected against diphtheria, there would be no more infant deaths from this disease. Successful treatment known as toxoid will keep a child from having the disease. Therefore any case of diphtheria that occurs during infancy is largely the result of neglect."

A Warning To Parents

"Parents must not make the mistake of thinking that, because the death rate from diphtheria has been marked reduced, their babies are safe without immunization. Only when all babies are immunized before reaching nine months of age will the conquest of diphtheria be accomplished."

At the clinic there will be two doses of toxoid given one month apart. For any child over ten, who often gets a marked reaction from toxoid, and for any child who has had immunization, go to a private doctor's office.

To cover expenses, a fee of fifty cents per dose will be charged, paying the dollar with the first dose, to avoid bookkeeping.

For those unable to pay, provision will be made. A member of the P.-T. A. will be present to pass on this decision.

Chief Carpenter William W. Aylor U. S. N., after spending the past 2 weeks with his parents, Mr. and Mrs. Paul Aylor, of Florence, left Tuesday for New London, Conn.

VETS-ALL STARS WILL MEET MON.

VETS' RECORD IS NINETEEN VICTORIES AGAINST FOUR DEFEATS — NEW HAVEN-FLORENCE VICTORS.

The Boone County V. F. W. Post basketball team, winner of nineteen games and loser of only four games this season, will attempt to make it 20-4 for the year next Monday night, April 5 at the Walton school gym at 7:30 when they take on a strong team of all-star high school players who recently finished their last season of eligibility.

On the star-studded high school squad which will be handled by Ralph Maurer, Burlington high school coach, will be Ammon and Carl Lloyd, Dammert of Dixie, Huey and Toadvine, of Hebron, Todtenbler and Kelly of Burlington, Knox, Weaver and Simpson, of New Haven and Miller, Rouse and Baker, of Florence.

Among those helping the V. F. W. quint to a successful season and who will be in action in their final tilt will be Wynn, A. Judge, S. Howard, K. Cason, E. Goodridge, E. Aylor, W. Davis and V. Judge. This team lost in the state V. F. W. tourney last week by a one-point 45-44 margin to Hazard.

Since both team are carrying large squads there will be two games according to the Post's athletic officer. He also stated that proceeds from the games would go to the local V. F. W. Post. Admission will be twenty-five and fifty cents.

New Haven-Florence Winners

Even though Reynold Todtenbler ran wild and pushed through 38 points, a combination Hebron-Burlington-Florence all-star high school senior team could not beat a similar all-star outfit from New Haven-Florence last last week in a Boone County Band sponsored game at the Florence school. The final score was 70 to 63.

Others who hit the hoop with regularity were Weaver, Knox and Simpson who combined to score 57 points for the winners.

TO SING AT EAST BEND

Special services will be held April 3 at East Bend Methodist Church with the Calvary Heralds bringing special gospel singing and negro spirituals, also Lewis Brevard playing on the double electric Hawaiian guitars accompanied by Mrs. Lewis Brevard on the piano.

Mr. Brevard, better known as Bro. Lewis, recently toured the islands of Jamaica and Cuba, playing his instruments to thousands who have never heard nor seen such an electrical instrument.

Come out and listen to the quartet solos, duets and hear the testimonies of each.

4-H COUNCIL MEETING

The 4-H and Utopia Council will meet at 8:00 p. m., Tuesday, April 6, in the County Agent's office.

Several important items will be decided at the meeting and all council members are urged to attend the meeting. All 4-H leaders are invited to attend the meeting as guests.

BOONE OFFICERS HOLD MEETING

AT TOWN HALL IN FLORENCE, MONDAY, MARCH 22—REPORTS SHOW RED CROSS ACTIVE IN BOONE COUNTY.

The meeting of the directors and service chairman of the Boone County Chapter American Red Cross at the Town Hall in Florence, on Monday night, March 22, was well attended with representatives from many localities. Business of importance was disposed of and the excellent report of the executive secretary, Mrs. Elizabeth Nestor, showed that the Red Cross is active in Boone County and is rendering splendid service.

It was decided to hold the next annual meeting at Acacia Inn on the new highway in Florence and as the fiscal year of the Red Cross begins July 1st, the date of the meeting is June 15th, 1948 at which time the officers for next year will be chosen. Another notice of this meeting will be published nearer the date, giving information of the price of the dinner and to whom to apply for reservations, as each member attending will pay for his or her own meal.

JUNIOR UTOPIA MEETING APRIL 8

The Junior Utopia Club will meet at the Florence Town Hall at 8:00 p. m., Thursday, April 8th.

The club constitution and the annual program will be presented for adoption by the members. All members are urged to attend and bring prospective new members.

LOCAL BOY ABOARD U. S. DESTROYER LLOYD THOMAS

United States Naval Task Force 38, consisting of the carrier Valley Forge and four destroyers, left San Diego, October 9th. The first stop was Pearl Harbor, where they remained for three months. Next they went to Sydney, Australia and Hong Kong, and Tsingtao, China.

The return trip to San Diego of the Valley Forge CV 45, escorted by the William C. Lawe DD763 and the Lloyd Thomas DD764, is scheduled via the Suez and Panama Canals. This will make a complete around-the world trip for these three ships. Seaman Wyman Stephens, Petersburg, is aboard the destroyer, Lloyd Thomas.

Blankenship - Clarkson

Alfred Lynn Clarkson and Roda Marie Blankenship were united in marriage March 13th in Salem Evangelical Church.

The groom is the son of Olga and the late George W. Clarkson, formerly of Union.

The wedding was a beautiful formal double ring ceremony, with Mrs. Evelyn Day as bridesmaid, and the groom's brother, George W. Clarkson as best man.

A reception was given at the brides home following the ceremony.

There at home to their many friends at 3133 Imperial St., Cincinnati, Ohio, after a week's honeymoon.

Their many friends wish them a long life of happiness and prosperity together.

NINE HIGHWAY DISTRICTS SET UP

FOR CLOSER SUPERVISION OF CONSTRUCTION AND MAINTENANCE — REPLACE SEVEN-DISTRICT SYSTEM.

Creation of nine highway districts "to provide for closer supervision of construction and maintenance" and replacing the present seven-district system was announced last week by Highway Commissioner Garrett L. Withers. The new districts will start operation with the beginning of the Highway Department's new fiscal year, April 1. New district headquarters will be in Pikeville, Elizabethtown and Flemingsburg. Present offices at Lexington, Covington, Somerset, Paducah and Louisville will be continued. Probable removal of the Bowling Green office to Madisonville was announced.

"The need for closer supervision has been recognized for some time," Mr. Withers said. "With the new rural program to be inaugurated, it is entirely possible that sub-districts may be required. It is the feeling that the reduced district areas will make possible better maintenance and advance a more workable formula for equitable distribution of the additional revenues provided under the increased gasoline tax."

Engineering residency parties will be maintained for construction purposes in both Ashland and Bowling Green, it was announced. Present state-owned modern garages will continue to handle district equipment maintenance in both towns. The zone location office will be continued in Bowling Green.

It was pointed out that the new district headquarters will move into state-owned modern offices in Flemingsburg and in Pikeville. The top floor of the new heavy equipment garage in Elizabethtown is to be used as the district office there. Rental quarters will be required for the new location in Madisonville.

Until the new districts have been set up with first consideration given the requirements of supervision. While some follow the general lines of the old districts, others are subject to special problems which define the areas to be covered. Both the Louisville and Covington areas represent a large amount of metropolitan type construction and maintenance. Mountain areas present unusual conditions which are not found in central and western districts."

Boone County will be in the Covington district with Trimble, Gallatin, Kenton, Grant, Carroll, Campbell and Pendleton making up the remainder of the counties in the the fifth district.

ST. PAUL CHURCH TO SPONSOR LEAP YEAR DANCE APRIL 3RD

The Merry Makers Club of St. Paul Church, Florence will sponsor a Leap Year Dance Saturday, April 3rd begins at 8:30 p. m., it was announced this week.

Don Stahl's orchestra will furnish the music for the evening. Refreshments will be sold.

The public is cordially invited to attend.

Mr. and Mrs. Jack Lizer and Mrs. Buddy Stephenson, of Union, were Sunday guests of Mr. and Mrs. Howard Lizer and daughter.

SOIL TESTING SCHOOL APRIL 8

TWO MEETINGS WILL BE HELD WITH S. C. JONES, FIELD AGENT IN AGRONOMY PRESENT.

S. C. Jones, field agent in agronomy, will be in Boone County on Thursday, April 8, beginning at 10 a. m. where two meeting will be held. The morning session will be in the agriculture building at the Hebron high school, beginning at 10:00 a. m. The afternoon seslon, beginning at 1:30 p. m. will be held in the agriculture room of the Burlington high school.

All farmers, homemakers, veterans, 4-H club members and vocational agriculture students are urged to attend the meetings and bring soil samples to be tested.

Directions for taking the soil samples are as follows:

Take samples with an auger or shovel from four or five representative places in the field. Take a sample from each place from the soil surface to plow sole depth. Mix the sample well, air dry, pulverize and bring a teaspoonful for testing.

Soil testing is an important phase of farming and all persons are urged to take advantage of this opportunity of testing.

TO CONDUCT SONG SERVICE

Morton Oliver

YOUTH CRUSADE FOR CHRIST SCHEDULED

The annual youth revival at the Burlington Baptist Church will begin Sunday, April 4 and continue through April 11. Rev. W. L. Cloud of Wheatley, Ky., will be the evangelist, with Morton Oliver serving as song leader. The young people of the church are leading in this effort to win the lost to Christ.

Oliver has planned an excellent musical program each night. The high school Glee Club will sing Monday night and the Boone County Male Chorus, Thursday night. Other special numbers will be a girls' sextette, musical quartet, instrumental numbers and vocal solos.

Prayer services will be held each night at 7:15 and the evangelistic hour begins at 8:00. Rev. Johnson will lead the adult prayer service, Oliver has charge of the young people and Bob Brown will work with juniors. The entire revival is being built on prayer, as cottage prayer meetings are being held throughout this week.

Everyone is urged and invited to attend. Christians, bring your lost friends to hear the Gospel.

MUSICAL FUN FEST IS HUGE SUCCESS

The Boone County School Band's Musical, Fun Fest presented last Saturday evening was thoroughly enjoyed by all those attending, according to reports.

The musical part of the program was well received and the audience participation show with Mrs. Walton Smith as M. C. proved a novel form of entertainment enjoyed by everyone except the "pooch" belonging to the Paul James family. All contestants proved to be good sports.

The riddle was answered by only one person, the answer being "telephone," but as she was not present at the time the door-prize was held with Warren Ryle as the winner of the $20.50 drawer-type locker for 1 year with 32 packages of Birdseye food donated by the Burlington Locker Plant. The "catch" word in the riddle was "don't" you don't buy telephones. You rent them from the Phone Company, excepting for private lines between neighbors. Mrs. Jaul James, of Hebron, was the originator of the riddle.

The auction, conducted by Dave Tanner, of surplus prizes was very successful, a nice gesture on the part of Russell Taylor who purchased the Crosley table radio donated by Cress & Sons for $25.00 and then gave the radio to the County Infirmary in Burlington for the enjoyment of the folk there.

Dean Bloss, on behalf of the band and himself wishes to extend his sincere thanks at this time to all those, and there were many, who contributed in any way to the success of this presentation.

NO BAND PRACTICE MONDAY

Due to the extra rehearsal held in March and the Fun Fest, there will be no band practice Monday, April 5th. The next scheduled band practice is Monday evening, May 3.

JUNIOR CAMP SITE WILL BE ON KENTUCKY LAKE

A site for the summer camp for Junior Conservation club members at Kentucky Lake will be selected Friday by Director Earl Wallace and Clubs Superintendent Ed Adams in a meeting with TVA officials at Kentucky Dam. The Kentucky Lake camp will open on June 6 and continue for 10 weeks with boys from the First, Second and part of the Fourth District participating. The Kentucky Lake camp will be under the direction of Tom Lewis, field supervisor of Junior Clubs. Site for the camp will be leased by the Division, free of charge, from TVA officials, as was the case last year.

Loretta June Maynard spent the past few days visiting relatives in Mt. Sterling, Ky.

HOBBY FAIRS HELD THIS WEEK

EACH FAIR IS OPEN TO PUBLIC—HOMEMAKERS ARE ANXIOUS TO HAVE MANY EXHIBITS ON DISPLAY.

Boone County residents will have the opportunity to display their hobbies at one of four places this week. Each fair is open to the public. Homemakers clubs are sponsoring the shows. Members feel that hobbies are appreciated more if they are shared by others. They are anxious for anyone living in the county who has a hobby to display it.

GOOD RESULTS REPORTED FROM CLASSIFIED ADS.

R. T. Heiser who placed an advertisement in our paper several weeks ago in the classified section reports he has had good results. He writes to continue his ad. for four more weeks as he has approximately ten more purebred Hereford bulls for sale. He says in part:

"I might say that we have had good returns from these ads in the Boone County papers, having sold eight of these bulls since we first ran the ads."

SUNDAY SCHOOL LEAGUE SET UP

WITH NINE TEAMS PARTICIPATING—MEETING HELD MONDAY NIGHT, BURLINGTON COURT HOUSE.

The Boone County Sunday School Baseball League completed plans for the second season with nine teams represented at the managers' meeting at the courthouse Monday night. Two new teams will see action this year, Union and Big Bone.

The line-up of teams composing the league and their managers are as follows: Sand Run, last year's champions, will have Franklin Ryle as the pilot again; Myron Garnett will guide second-place Bullittsville; Burlington has Clayton Brown, former Queen City umpire and Sam Ryle at the helm; "Wattie" Hodges will direct the young Petersburg team again this year; Joe Rouse, last year's president, will manage Verona; "Dud" Rouse will be the skipper for Florence; Dick Gaines and Mel Aylor will manage the Bullittsburg nine; Bill Greenup and Jimmy Black will be in charge of the Union boys and Big Bone has Bruce Ryle and Harry Rouse as managers.

The season opens Saturday afternoon, April 17 at 2:30. The schedule will be published next week. Any players wishing to play in this league must contact their manager and be recorded on the player list by June 1.

The North-South all-star game which was such a success last season will be a 3-game series at the close of regular season play this year.

On Monday night April 12th, the services will be moved to the Hughes Chapel Methodist Church to continue that week. Rev. L. J. Scudder will be the guest evangelist for all the services. The two churches are having their revival together this year.

Rev. Scudder, of Ashland, Ky., is an outstanding preacher and pastor of the Kentucky Conference. He has served some of the best churches in our Conference. The people will want to hear these messages. Rev. V. W. Hill, pastor, will have charge of the singing. The services will begin at 7:45 p. m. each evening. Plan now to attend.

THIEVES COLLECT $600.00 IN LOOT

FROM FOUR BUSINESS HOUSES IN WALTON FRIDAY NIGHT—$552.40 TAKEN FROM WALTON FEED MILL.

Thieves collected approximately $600.00 in loot from three business firms and the school in Walton last Friday, according to Sheriff R. I. Rouse, who was called to investigate the theft.

Sheriff Rouse reports that Walton Readnour lost $5.00 in cash, James Theater $15.00 in cash, Walton Feed Mills $552.40 and an undetermined amount was removed from the Coca-Cola machine in the Walton school building.

The culprits, gaining their largest loot from the Walton Feed Mills, removed the office safe to the mill room where crowbars and a sledge hammer were used to open the safe, which yielded $552.40 in cash.

Sheriff Rouse reported that the threft occurred between the hours of 12:00 and 2:00.

Sheriff Rouse said that special agents are also investigating the theft, and it is expected that the culprits will be arrested in the near future.

BURLINGTON SENIORS WILL GIVE PLAY APRIL 30

The Burlington seniors have written the 3-act comedy "Your Home Can Be Happy Without Pests" to be presented at the high school gym April 30th. This original drama has been written and will be directed by members of the class. You think you have troubles, wait until you see poor Herman Drinkwater and Freddie.

Watch the Recorder for further announcements concerning this production., Remember the date, April 30.

EYE-SAVING SUGGESTIONS

It is not amiss to cite the need of taking good care of the eyes.

Have a good light when reading; sit with your back to it, and let light come over your right shoulder preferably. Don't rub eyes with dirty fingers or wipe them with dirty towels. Don't rub your eye when a foreign object gets in it—serious injury may result.

BURLINGTON ROAD HOMEMAKERS MEET

The March meeting of the Burlington Road Homemakers was held at the home of Mrs. Arthur Ammon. At this meeting eleven members were present.

Mrs. Robert Myers was a guest for the day and very ably assisted the members in their leathercraft work. The club would like to take this opportunity to thank Mrs. Myers for giving so unselfishly of her time and talent to help them.

Old business consisted of discussion of the box which was made up and sent to Europe. It was sent to a social worker who will distribute the needed items.

New business consisted of discussion of the hobby fair to be held at Florence on April 1 and 2. The president placed Mrs. Paul Ammon and Mrs. Robt. King on refreshment committee and Mrs. Val B. Dolwick, Mrs. Joe Dringenburg and Mrs. John Kyle on committee for registering. Mrs. Arthur Ammon will assist in arranging the exhibits and the club as a whole will help to clean and prepare the Town Hall of Florence for the fair.

Mrs. Ammon, live-at-home chairman, gave the lesson for the day. In the afternoon a discussion was held on "Music" in Kentucky and all members continued to work on their leather purses and billfolds. It was decided that a call meeting to be held at the home of Mrs. Val B. Dolwick to complete the leathercraft project.

The next regular meeting will be held at the home of Mrs. Val B. Dolwick. The date is April 8th.

UNION W. M. S.

The Union W. M. S. met Wednesday afternoon, March 10, having 13 members and 2 visitors present.

The meeting was called to order by singing our hymn, "Jesus Shall Reign." The business session was conducted by the president and she is especially inviting all members and women of the community to our next monthly meeting, April 14th, as a mission study class will be held at the church, beginning at 10:30 a. m.

Program chairman, Mrs. Bernice Hedges took charge of the program, "The Christian Home—Our Immediate Task." Bible study was given by Mrs. Edith Hedges, and remainder of program was conducted by the chairman in a very interesting manner.

We were dismissed in prayer by Mrs. Anna Smith.

—Pub. Chairman.

BELLEVIEW Y. W. A'S

The members of the Y. W. A's of the Belleview Baptist Church met at the home of Mrs. Robert White on Saturday afternoon. There were nine members with the leader and three visitors present.

This meeting was well attended with a special Annie Armstrong offering that was taken for Home Missions. Plans were discussed for an Easter program to be presented by the Y. W. A. girls.

Our next meeting will be at the home of Miss Jean and Irene White. All the members and young women of the church are invited to attend.

THREE HIGHWAY ENGINEERS NAMED

The appointment of three Highway Department District Engineers, effective April 1, was announced by Highway Commissioner Garrett L. Withers.

Commissioner Withers named Edward L. Lyons district engineer with headquarters at Elizabethtown. Lyons held the Elizabethtown post from 1937 to 1944 and since January, 1947, has been assistant district engineer at Louisville.

Rubel L. Parker, assistant district engineer at Ashland, has been promoted to district engineer with headquarters at Pikeville, the Commissioner said. Parker, who has had 24 years service with the department, held the Pikeville post from 1937 to 1944.

Commissioner Withers said Henry H. Sandusky, since 1945 office engineer at Somerset, has been advanced to Somerset, district engineer.

Sandusky's service with the department totals 20 years and Lyons' 28 years.

The Commissioner said due to an expanded construction program I. C. Jolly, acting district engineer at Somerset, has been transferred to the construction division as location zone representative. He will be located at London.

NEW CLUB ORGANIZED

On Thursday evening, March 18, the courthouse at Burlington was the scene of much activity. Thirteen Boone County youth met there to organize, under the guidance of the state and county extension departments, a Junior Utopia Club. This club will include young people who are out of school up to the age of 29. After members reach 29 they will graduate into the present Utopia Club, which was organized here in 1930. This club has done much good work in the county, especially in promoting and developing the annual Boone County Fair.

For the time being the newly organized club will be known as the Junior Utopia Club, but at a later date a permanent name will be selected.

The group has chosen the second Thursday of each month as a meeting date and the town hall in Florence as general meeting headquarters. The club charter will hang in that building.

The purpose of this new club is primarily the same as the one now in the county—to provide an opportunity for young men and women to study their economic, social and recreation needs and problems and to engage in useful enterprises and activities to the end that their life will be more satisfying.

Stanley Aylor acted as chairman of the meeting until the president was elected. Then David Tanner presided over the remainder of the meeting. The other officers are as follows: Stanley Aylor, vice-president; Barbara Huff, secretary-treasurer; Patricia Scott and John M. Taylor, directors; and Mildred King Taylor, reporter and publicity chairman.

Plans were made to attend the district Utopia meeting to be held at Warsaw by the Gallatin County Utopia Club on Saturday, April 3.

Charter members of the club are as follows: Charles Aylor, Stanley Aylor, Wendell Aylor, Barbara Huff, Patricia Scott, David Tanner, John M. Taylor, Mildred King Taylor, Mary Helen Thompson, Jack Turn-Turner, Harold Zimmerman, Marvin Long and Lindy Sebree.

Mr. and Mrs. Carl Jones from Lexington were at the meeting, so "Pop" could give his advice and benefit the club by his long years of work in organizing and working with Utopia clubs.

Mary H. Gillaspie and Bill Davis county extension workers and Bernice Sebree were also at the meeting.

BIRTHDAY PARTY

BULLITTSVILLE HOMEMAKERS

The Bullittsville Homemakers met at the home of Mrs. Lee Marshall, March 18th . The meeting opened by slaute to flag. After the business meeting we adjourned for a delicious lunch.

The afternoon meeting opened with all reading the club collect. Live-at-Home was given by Mrs. Robert Grant. She stressed that we all have a bigger and better garden this year, and told of the new variety of seeds We then heard a talk on "Chickens." We were told there would be fewer this year and that we all raise what we want to eat and keep for egg production.

Six members finished leather work.

Next meeting will be held at Mrs. Sam Roberts' April 15th. All who are displaying articles of the hobby fair, please bring card table to use for display.

—Publicity Chairman.

BOOK CLUB BEGINS SECOND YEAR FEB. 9TH

The Boone County Book Club started on its second year at the apartment of Miss Mary Hood Gillaspie on February 9, with ten ladies present.

The new president, Mrs. Pfalzgraf presided. For roll call an original valentine verse ,was written and read by each.

Mrs. Garnett Tolin chose to review a short story, "Winter Night" by Kay Boyle, which held the attention of all.

Delightful refreshments were served and an invitation extended by Miss Kreylich for the next meeting.

At the regular monthly meeting on the 8th of March in the home of Miss Kreylich. Fifteen ladies met to enjoy the program of the afternoon. The roll call was interesting having been answered with "My Philosophy of Life."

As the meeting was held in the Easter month the program in charge of the chairman, Mrs. Rogers was opened with a Bible quiz of ten questions. A poem depicting the religious life of the ancient Greeks, taken from the book Cometh Forth by Day" was given by Mrs. Pfalzgraf.

A review by Mrs. Snyder of the book, "The Bishop's Mantle," by Grace Trumbull held the interest of the group to the finish.

The meeting was then adjourned to enjoy a social hour and lovely refreshments.

—Publicity Chairman.

CONSTANCE HOMEMAKERS

The Constance Homemakers met March 3rd at the home of Mrs. Thos. Kenyon with 16 members and 3 visitors present, Mrs. Lou Crutcher of Hebron club, Mrs. Earl Moorehead and daughter June of Taylorsport club.

Mrs. Thos. Kenyon, president opened the meeting with singing of "Star Spangled Banner," salute to flag and club collect, followed by reading Psalm 148 and poem entitled "Salutation of Dawn" by Mrs. Elmer Reeves.

We want to thank Mrs. Earl Moorehead for giving us such a good report on Farm and Home Week, and Mrs. Lou Crutcher who assisted in the "Leathercraft" lesson.

The April meeting will be at the home of Mrs. Joe Domaschko with the first lesson in refinishing furniture.

Mrs. H. Kottmyer, Pub. Chmn.

A cow IS 60% WATER

Yes—60% of her is from the stuff that comes from your well—and for every pound of milk she gives, she needs 4 to 5½ pounds of water. A Fairbanks-Morse Automatic Water System can give you big increases in farm profits. It will replace periodic watering with an ever available supply. Ready-to-Plug-In—a Fairbanks-Morse Water System needs no special wiring or extra equipment. Just connect to your water supply line and plug it in!

SEE YOUR *Future Cow* AT 4 MONTHS

RAISE BIG CALVES WITH DAIRY QUALITY ON

PURINA CALF STARTENA

A big-framed, quality, 4-month-old heifer almost always makes you a real milk cow . . . that's why it's so important to you to grow a *strong, deep-ribbed calf,* instead of one that is paunchy, and soft with "milk-fat."

You'll find that Purina Calf Startena grows good calves: *big and loose-hided with strong bones and rugged frames . . .* calves that are capable of developing into strong-bodied, heavy-milking dairy cows.

This year, raise a couple of calves on Calf Startena, and see for yourself the difference it makes in size and dairy quality. You'll save about one-half the cost of milk feeding, too.

Would-Be Surprises! by EAST BEND FEEDS

AND WE CAN PROVE IT.

A drowning person does NOT rise three times before finally sinking! (The general belief that a drowning person must rise three times before he finally sinks is a fallacy. The number of times which he rises varies with the degree of consciousness and other factors.—**The Encyclopedia Britannica**, 14th Edition, 1937, Vol. 7, p. 673).

Sometimes you farmers and stock owners may think that fate has taken a hand in the way things turn out. If you aren't getting the profits you think you should be getting, switch to East Bend Feeds . . . manufactured by HODDER & RUPPERT.

Away from Electric Lines!

Kite flying is great fun but danger lurks when kites are flown near electric lines. Many a child has lost his life using wire for a kite string or climbing a pole to get a tangled kite. Play safe by following these rules:

1. **Use only dry, cotton string to fly your kite.**
2. **Do not use metal or wire on kites.**
3. **Do not climb a pole to get a tangled kite.**
4. **Fly your kite only in open fields away from power lines or busy highways.**

If your kite becomes entangled in electric wires, don't risk injury by trying to get it down yourself. Call our office and we'll send a man to remove it for you safely.

FORMER BOONE COUNTIAN DIES IN LLANO, TEXAS

Llano, Texas—Funeral services were held at the Methodist Church here Sunday for O. W. Appleton, 64, well known Llano resident, who succumbed to a long illness at his home here Saturday, March 27. The Rev. H. H. Hescock held the service, and burial was in the city cemetery.

Appleton was born in Boone County, Kentucky, on July 11, 1883, and was a son of the late Mr. and Mrs. William Appleton. In the late 70's he came to Texas and spent one year in Austin, moving from there to McCulloch County, Texas, when told by his physician that he had only one year to live. He became engaged in the sheep business with his cousin, Percy Appleton, spending the major portion of his time herding sheep in the Western outdoor climate.

In 1886 he moved to Field Creek, Llano County, and entered the mercantile business, which he was engaged in until he moved to Llano town in 1902. He retired from active business about 10 years ago, after a successful career as a merchant and banker.

Survivors include his widow, the former Edna Vance of McCulloch County, several nieces and two nephews, Roy and Charles Appleton.

BASEBALL SEASON TO OPEN APRIL 17

FOR SUNDAY SCHOOL LEAGUE WITH ELEVEN TEAMS PARTICIPATING—MANAGERS WILL MEET APRIL 11TH.

The Boone County Sunday School Baseball League will get under way Saturday, April 17th with 11 teams taking part in this season's play. The thirty-game schedule will be one of the heaviest ever attempted by an amateur baseball league. Besides the regular Saturday games there will be games on holidays and one Tuesday twilight game each month. The Saturday games will be called at 2:30 and the twilight contest at 5:00. There will be a bye each Saturday.

The final managers' meeting will be held at the courthouse April 12 at 7:30, according to James R. Huey, league president. Every manager must be present.

The large number of games will be necessary because of the number of participating teams. If a 20-game schedule had been drawn up the season would have ended in the early part of August, thus a 30-game schedule was necessary.

KY. SCHOOLS WILL BENEFIT

UNDER PROPOSED BILL AUTHORIZING GRANT OF $300,000,000 YEARLY TO EDUCATION IN STATES.

The Senate, later Thursday passed and sent to the House of Representatives a bill authorizing a Federal grant of $300,000,000 a year to aid education in the States. The vote was 58 to 22. Senator John Sherman Cooper of Kentucky was one of the sponsors of the measure.

Designed to improve and more nearly equalize opportunities for education in the States, the bill is intended to provide a base average annual expenditure of at least $50 for each pupil in public elementary and secondary schools, with the Federal Government supplementing State funds to reach that level. It is estimated that Kentucky would receive approximately $13,000,000 during the first year of the bill's operation.

The bill requires continuous effort on the part of the States to meet educational needs. A most important feature of the bill is the requirement that the Federal Government shall not directly or indirectly, regulate, control or interfere with State educational systems.

In a speech on the floor of the Senate, urging passage of the bill, Senator Cooper declared that it is "clear that the inequalities of educational opportunity existing in this county are limiting the full freedom of opportunity which is one of the ideals of our political system" and that "the only hope for educational equality is Federal air to education." He pointed to deficiences in salaries which are forcing many teachers to leave their profession, and to substandard equipment and facilities which many schools now must use because of lack of adequate funds. Senator Cooper emphasized the value of the bill "in maintaining and giving life to representative government," adding "education can give that information to the people which is needed for effective self-government. It can strike out the prejudice and intolerance that grow from lack of understanding. It can give new values to the individual in opening the doors of opportunity."

COPPIN'S OBSERVING DIAMOND JUBILEE YEAR

The 75th anniversary of the founding of the John R. Coppin Co., Covington, is being observed with special sales events this week, William R. Macklin, president, has announced.

Bargains will be offered during the Diamond Jubilee Sale to aid housewives fight the "battle of high prices," the management said.

The department store, at Seventh street and Madison Avenue, Covington, was established in 1873 by John R. Coppin. It was purchased by Frank F. Thorpe in 1915 and now is operated by William and Fred T. Macklin.

The present generation of operators, nephews of Thorpe, pointed out that Mr. Coppin, Mr. Thorpe and the Macklins, all natives of Covington, insure the store's slogan—"Owned and operated by Kentuckians."

NEW RESTAURANT OPENED MONDAY

IN BURLINGTON WITH LARGE NUMBER OF PATRONS IN ATTENDANCE—NEW FIRM IS FAR ABOVE EXPECTATIONS.

A new restaurant, the Eyren Grill of Burlington, opened Monday for business, with a large number present at the noon meal and throughout the day, it was reported.

Several months ago a community meeting was called for the purpose of promoting a restaurant for Burlington, and after several meetings of Burlington business men and interested citizens, definited plans were morulated. Today, Burlington has a first class restaurant and is modern in every respect.

The new business is under the management of Mr. and Mrs. Ernest Ruppert, and from all indications they are well acquainted with the restaurant business, and will be able to give the best of service at all times.

Featured by the new firm will be plate lunches, sandwiches, coffee, pie, cake, ice cream, etc. Regular dinner will be served daily, and a room will be available for special parties by appointment.

The new concern is located in the former W. L. Kirkpatrcik building, across from the courthouse. The building has been completely remodeled inside and out, and complete new equipment has been installed by the management.

Although the business was opened Monday, complete installation of equipment had not been made, as a complete counter will be installed with leather stools, and a new fountain will be placed near the front door. This equipment is expected to arrive this week, according to the management.

Patrons who visited the restaurant Monday and Tuesday were loud in their praise, complimenting the type meal served and the appearance of the building and fixtures.

The management announces that special dinners will be served on Sunday and holidays, and they expect to specialize in country ham, chicken and turkey dinners.

FLORENCE DRIVE-IN THEATRE RE-OPENS

The Florence Drive-In Theatre, at Florence, Ky., has reopened for the season and once again the people of this vicinity are taking advantage of seeing their favorite movies under the stars.

Many improvements have been made including a larger and better playground. The screen has been made larger increasing the picture size by 20 per cent, assuring clearer vision.

This popular theatre has inaugurated a new policy this season of admitting all children under 12 in cars free.

The Florence Drive-in Theatre is open nightly. There are two complete shows each evening and a midnight show every Saturday

To give the children more time to use the playground, box office opens at 6 p. m.

Mrs. Bess Rouse spent last Monday and Tuesday with relatives in Cincinnati.

LARGE BARN BURNS ON HOLLADAY FARM NEAR IDLEWILD WED.

A large stock and feed barn located on the farm of H. M. Holladay, Idlewild, was completely destroyed by fire last Wednesday afternoon, following the electrial and windstorm which struck here shortly after noon.

According to Mr. Holladay, the barn was struck by lighting and the fire was out of control before he discovered the blaze, as the barn was located quite some distance from the house. He estimated his loss at $4,000.00 which was mostly covered by insurance.

The Burlington Fire Department answered the call, but were unable to be of any assistance because they could not get to the barn and it was beyond saving when they arrived.

KENTUCKY FIDDLERS GIVE SPLENDID SHOW AT BURLINGTON

Frank Miller and his Kentucky Fiddlers, gave a good performance at the Burlington high school gym Friday night, April 2, according to reports from those who were in attendance.

This group, WZIP radio stars, have made several appearances throughout the county during the past month, giving shows under the sponsorship of the Boone County VFW, who are attempting to build a new home.

This week, Friday, April 9th, the radio stars will be heard at New Haven school gym, when they will give a complete show.

The Kentucky Fiddlers are composed of Frank Miller, Steve Amerman, Fred Reid, Jimmy "Turkey" Feeley. Cecil Wayrman, Master of Ceremonies has appeared in these shows, donating his services.

POINTERS GIVEN ON HOW TO PREVENT BLOAT

Every year when dairy cows are first turned out on early spring pasture containing high percentages of legumes—especially white clover or alfalfa—there are many death losses due to bloating. Even if the bloating does not result in death, the cow is thrown off feed and losses in production follow.

The first step in preventing bloat is to gradually accustom the cows to the change from dry winter feeding to green pasture. Give a good feed of hay before turning on pasture and then leave them out only a few hours the first day and gradually increase the time each day.

Even after the cows are remaining in pasture all day the regular grain feeding and a small feeding of hay should be continued. The presence of dry feed, along with soft stemmed legume pasture, tends to keep sufficient gas from accumulating in the paunch to cause bloating. The hay feeding should also be continued because the early pasture are "washy" and do not fulfill the nutrient requirements of the cow for full production. If hay feeding is not continued more grain will be required by the animal and this will, of course, increase the production cost. Salt requirements are especially high when cows are on spring pasture. The cows should have access to loose salt at all times.

If a cow does bloat, keep her on her feet and moving about. In more severe cases, fasten a stick about the size of a broom handle in her mouth, like a bridle bit, and keep the cow walking until the bloat goes down.

One pint of mineral oil, or one-half ounce of formalin in one quart of water, given as a drench is helpful in many cases. In case one of these drenches is used, give one pound of epsom salts as a drench after the bloating goes down.

Forcing an opening in the paunch should be used only as a last resort, and then only by an experienced person.

CINCINNATI MAN ARRESTED SUNDAY

BY STATE HIGHWAY PATROLMEN AFTER 80 MILE-AN-HOUR CHASE OVER DIXIE HIGHWAY —DRIVING STOLEN CAR.

State Highway Patrolmen Robert Gordon and Robert Miller arrested Dillon McGowan, 3749 River Road, Cincinnati, O., Sunday night, after a 80-mile-an-hour chase over U. S. 25, south of Florence.

Milton was charged with reckless driving, but it was later discovered that he was driving a stolen car. Upon being apprehended near Florence, after the patrolmen fired several shots over the top of the vehicle, McGowan resisted arrest, striking Patrolmen Gordon. However, he was subdued and released to Covington police who had a charge against him for larceny.

Martin Evans, of Michigan, recently arrested on a charge of driving without an operator's license was turned over to F. B. I. officials after it was learned that he was driving a stolen car. Martin was arrested last week by Patrolmen Gordon and Miller.

BURLINGTON SCHOOL NINE WILL OPEN OPEN SEASON FRI.

The Burlington high school baseball team will begin their season play Friday afternoon at 2:15 when they engage the New Haven nine at the Belleview ball park. The Eagles will field one of the best high school teams in Northern Kentucky this year with nine of last year's team back this season. Last year the B. H. S. boys came through with an 8-1 record.

Burlington has entered the State baseball tourney, with the state championship as their goal. Coach Ralph Maurer will be assisted by Edwin Walton and Walter Brown in guiding the Eagles throughout the spring season and the play-offs.

The schedule hasn't been completed yet, but the blue and white will play 11 games, plus the tournament, according to Mr. Maurer.

Wednesday, April 14, Burlington tangles with Florence at Belleview.

BURLINGTON LODGE POSTPONES MEETING

The next regular meeting of the Burlington Masonic Lodge No. 264 has been postponed until April 22, at which time all work and matters of business will be transacted.

This announcement was made this week by Wilbur Denniston, Worshipful Master, since a revival meeting at the local Baptist Church is in progress this week and the two meetings would conflict and work a hardship on several members.

All members are urged to take notice of the above announcement.

BURLINGTON SENIORS BEGIN PLAY PRACTICE

The Burlington Senior class have begun practicing on their original three-act comedy, "Your Home Can Be Happy Without Pests." The play was written by members of the class and will be presented April 30.

Plan now to come and see the exotic screenstar, Sultry La Bean as she converses with Herman Drinkwater. Don't forget April 30 at 8:00.

WOOL POOL MEETING HELD

AT BURLINGTON COURTHOUSE MONDAY, APRIL 5—SIGN-UP SHEETS GIVEN TO SOLICITORS.

Barley Yields Upped, Quality Is Improved With Plant Food Use

CHICAGO—Fertilizing barley with the plant food it needs is a profitable investment, yield records from several midwestern agricultural colleges reveal. As many as 20 more bushels of barley on some soils in favorable years have come from the use of fertilizer, according to a statement released here by the Middle West Soil Improvement Committee. How big the increases are depends on how

Plant Food Helps Give Top Quality Malting Barley Like This Sample.

fertile the soil is at the start and how favorable conditions are during the growing season.

Adding needed plant food boosted barley yields in Iowa by 15 bushels per acre. Experiments in Michigan showed 16 bushels increase. In Wisconsin fertilizer boosted yields an average of 14 bushels per acre. In South Dakota nitrogen and phosphate boosted barley yields by 15 bushels.

Top yields most generally give top quality, too, says the statement. And when this extra quality is combined with proper seed and careful threshing, farmers can get a premium price for the barley as malting barley.

The right kind and amount of fertilizer to use depends on the kind of soil you have and the way you have handled it in the past. You can find the kind of fertilizer needed for your crops by consulting your county agricultural agent, state agronomist, and by checking with your neighbors who have used fertilizer on barley.

Low Wheat Prospects, Big '48 Food Demand, Spurs Need for Ordering Plant Food Early

CHICAGO—Prospects for a lower winter wheat yield in the West this is scanty autumn rains were cited as a reason why farmers should make immediate arrangements for their 1948 fertilizer supplies.

"With the outlook for another bumper wheat crop dimmed by unfavorable weather," says a statement made public by the Middle West Soil Improvement Committee, "the need for higher production of other food grains will be more critical than ever. Fertilizer will play a vital part in making possible that bigger output.

"That is why it is so important for farmers to heed the 'Order Early' slogan for plant food supplies.

"Only by teamwork between farmers and producers can every pound of available plant food be distributed in time to do the most good in promoting peak food production in 1948.

"For farmers, that means ordering now, taking delivery during the coming months and storing the fertilizer in their barns until spring seeding time. By doing this, farmers will have their plant food when and where they need it most."

The statement points out that in addition to its benefits in boosting per acre crop yields, fertilizer is

Plant Food Will Boost Crop Output.

"one of the best buys a farmer can make today."

"Farm production cost studies by Purdue University's department of agricultural extension showed that the price of fertilizer per ton had risen only 36 per cent above pre-war levels," says the statement. "Prices of all goods and services needed in farm production have increased an average of 85 per cent since 1935-39."

Capitol Comments

By David M. Porter

The tax reduction bill sounds good on the face of it and should have been a popular bill; but when you go into it you can see that it was a mistake and should not have been passed. When it was passed over the President's veto, I think some of the Representatives may have been thinking of this coming election instead of the welfare of the nation. This may be unfair and I would like to explain it. The reduction as passed will just about pay the interest on our National Debt, and this must be paid along with the principal at some future date to maintain the people's confidence in our government and our national integrity. The reduction when broken down individually is so small it will not materially aid anyone and yet collectively will mean a lot in running our government. There is a definite and recognized emergency in our dealing with Russia and war seems eminent. Unless we prepare for it and they realize we mean business and will back up with force our agreement to protect free people and help them stay free, war is inevitable. With a strong preparedness program and great military strength they would hesitate toward any acts of aggression. This will take huge sums of money and must be done at once, but most of all the taxes taken off this year will in all probability be greatly increased in the future and we may not be as well able to pay them.

• • •

The coal strike is gradually throttling the nation's industries and has already affected many industries in Kentucky. It is certain that with the curtailment of coal and steel production that soon millions will be out of jobs. Mining is a hazardous occupation and I have been in sympathy with the actual workers who produce the coal, but not with some of their leaders or the mine officials who will not arbitrate a dispute that affects the life and welfare of a nation.

Senator John Sherman Cooper pledged his support to the Federal Aid to Education bill now up for passage. The bill would provide 300 million dollars to the States for education and Kentucky under the provisions would get sixteen million one hundred and twenty thousand dollars as our part which would amount to around 22.30 a child. This would help us to raise our standards and the teachers pay which may raise us above our present standing of 39th in illiteracy among the 48 states.

Senator Henry Ward of Paducah was appointed Commissioner of Conservation and will accept the place the middle of next month. He replaces Harold Browning, of Williamsburg who served under Governor Willis and has made a name for himself for his work as Conservation Commission. Henry is a newspaper man who has been actively interested in Conservation and State Parks for a long time. He was one of the leaders in the promoting of Kentucky Lake as an important part of Kentucky and the nation's recreational features and has long been interested in civic and state affairs. He backed Harry Lee Waterfield for Governor and I think this is another sign that the Governor is going to have an administration of efficient and capable assistants to help make Kentucky progress.

BOONE HOMEMAKERS URGED TO WATCH RADIATOR PAINT

Now is the time when many home housewives are thinking about house cleaning and painting, according to Mary Hood Gillespie, Home Demonstration Agent. Consider fuel saving next fall when painting radiators this spring. Heating engineers of the U. S. Department of Agriculture suggest to home owners who are freshening up interiors with a new coat of paint. The paint on the radiator may help or hamper it in giving off heat.

Metallic paints, such as the bronze or aluminum often used on radiators, cut down the amount of heat given off. Shiny white paint has the same effect. This is because these paints give the radiator a bright surface which reflects heat inward as well as outward, and therefore prevents full radiation. In contrast, a flat paint with some color in it may improve the heating efficiency of the radiator.

In general, the darker the color, the more heat given off by the radiator. Few people would like black radiators in their homes, but a dark shade of flat paint that harmonizes with the color of the room can be used to make the radiators both efficient and inconspicuous.

Other radiator tips for fuel conservation offered by the engineers are: Avoid covering the top of the radiator with a cloth, books or other articles which prevent free circulation of air. Keep the radiator clean. A heavy coat of dust or cobwebs acts as an insulator and encloses the heat. Use a sheet of shiny mentaol in back of radiators in wall recesses to reflect the heat out into the room. Before turning on the heat next fall, check the radiator air vents to see that they are working properly and that air is not trapped in the radiators.

BURLINGTON P.-T. A. WILL MEET APRIL 12TH

Mr. and Mrs. George Baker and sons, Mr. and Mrs. Wm. Wilson and Bobby Lee Slayback have returned to their homes here, after a pleasant vacation in Florida.

A windstorm or cyclonic proportions visited this section Friday afternoon and caused quite a lot of damage. Sam Sleet's barn was completly wrecked, Harry Moore had two barns partly unroofed; Robt. Slayback and Geo. Baker each reported damage to their barn roofs; Wm. Wilson had a chicken house blown over and many trees were blown down and telephone service was disrupted.

WORKERS URGED TO SEE EVERYONE IN COUNTY

It is greatly feared that Boone County will not make her Red Cross quota this year and, as we have always gone "over the top," we don't like to lose our good reputation. Won't all the workers please see that they contact everybody in their appointed territory?

OBITUARY

J. Albert Clore, son of Wm. and Laura Clore, was born April 26, 1874, departed this life April 1, 1948 age 73 years, 11 months and 5 days.

He leaves behind to mourn his loss, two brothers Hubert M. Clore and Bluford W. Clore, also several nieces and nephews. His wife preceded him to his grave several years ago; also 1 brother and two sisters.

The call was sudden, the shock severe,
We little thought such grief was near;
Only those who have lost can tell
The pain of parting, without farewell.
A silent prayer, a silent tear,
Beautiful memories, brother dear.

HOME CANNERS URGED TO OBTAIN BULLETIN

Be sure to get the new canning bulletin which is now available. After 4 years of research, the processing time for pressure canning has been changed on many foods, especially when canned in pints, so get your copy before canning time. Now is the time to have the gauges tested on your pressure canners, so they will be in shape when canning time comes. And while on the subject of pressure cookers, there are double-boiler pressure cookers on the market now. There are also some of the smaller saucepan size pressure cookers which are equipped with gauges just like the big pressure canners, and with these it is possible to can 3 or 4 pints. Shop around women and see all these new cookers which are coming on the market.

Do you like your bread toasted? Better try eating it without toasting, because 12 to 24 percent of thiamin is lost in toasted bread. Another way for us to waste nature's gifts.

Did you know that light and air were two of the worst enemies of vitamin C? Milk which is allowed to stand outside after delivery loses a great deal of its vitamin C. Get this valuable food in the ice box just as quickly as possible. All vegetables and fruit lose a great deal of their vitamin C content when allowed to stand around in the light, at room temperature. Crushing and fine cutting of vegetables hastens the loss of vitamin C as this allows the air to get into all the vegetable. It certainly is important for us to take care of our fresh vegetables and fruit, and milk and butter if we are to give our families all the nourishment which is meant for them.

The total value of the burley crop in Ballard county is estimated at about a million dollars.

'Input' Needed to Build Your Soil For Big Crop Yields

CHICAGO—"Input" as well as "stop-loss" moonrod are a must if you want to make soil management pay its own way and give you dividends, too, according to a statement made public here by the Middle West Soil Improvement Committee.

"You can slow down water runoff, save some topsoil and plant food and hold back the march of erosion," says the statement, "by such

Grass Waterway Is Good "Stop-Loss" Measure.

'stop-loss' steps as contour cultivation, strip cropping, terracing and building dams where necessary.

"These are key steps in soil-saving.

"But you need plenty of 'input,' too.

"That means organic matter from manure, green manure crops, deep-rooted legumes in the rotation and crop residues. It means the use of mixed fertilizers containing nitrogen, phosphorus and potash as needed, to boost crop yields and the tonnage of organic matter returned to the soil.

"Among the 'input' steps, the growing of deep-rooted legumes is especially important. The tap-roots of well-fed legumes will push organic matter deep into the soil and improve the tilth in the top 18- to 25-inch soil layer. The legumes will open up tightly-packed soil and admit oxygen down under. By improving tilth and building organic matter, they will make the soil a better water reservoir for thirsty crops."

Lesson for April 11, 1948

His Message to Exiles

Lesson for April 11, 1948

CONTINUING the theme of last Sunday's lesson, we go further into the ministry of Ezekiel as God's messenger to a people in exile. For this Sunday we have chapters 18 and 34, and portions of the 36th and 37th chapters.

Dr. Newton

The 18th chapter opens with a revealing rebuke to Ezekiel. God tells him expressly that he is not to say any more to the Jews that "the fathers have eaten sour grapes, and the children's teeth are set on edge. As I live, saith the Lord God, ye shall not have occasion any more to use this proverb in Isreal. Behold, all souls are mine." And then God adds, "The soul that sinneth, it shall die."

• • •

GOD'S LOVE AND CARE

ALL through these chapters in Sunday's lesson, two solemn truths appear—God's love for his people, manifest in unwearied care; and the responsibility of each soul for the sin which such commits against God.

This truth, or these truths, I should say, are equally applicable for us today. As Ezekiel was sent to remind the people of God's love and care, so must we, early in our youth, accept the responsibility of accepting his love or rejecting his love.

We cannot claim his care if we despise his will. That is the message of Ezekiel for us.

• • •

WHAT GOD IS LIKE

NOWHERE in the Old Testament is the love of God more manifest and compelling than in Ezekiel 34:11-27. I hope that you will open your Bible to this passage. Here the Bible speaks in words that burn with the compassionate love of God for sinful souls.

"I will both search my sheep, and seek them out. As a shepherd seeketh out his flock in the day that he is among his sheep that are scattered; so will I seek out my sheep, and I will deliver them out of all places where they have been scattered in the cloudy and dark day . . . And I will bring them to their own land, and feed them upon the mountains of Israel by the rivers."

One is reminded here of Jesus, when he said, "For the Son of man is come to seek and to save that which was lost."

• • •

A NEW HEART

"A new heart also will I give you, and a new spirit will I put within you," Ezekiel 36:26.

Here we have, perhaps, the sublimest sentence in the prophecy of Ezekiel. God is speaking. Ezekiel is merely the messenger — the voice, as John the Baptist delighted to describe himself.

Ezekiel has faithfully declared that each individual is responsible unto God, and just as faithfully he has proclaimed God's love and care, and now he adds the third great truth, nameiy, that God waits to bestow the new heart and the new spirit to every repentant soul.

A new heart and a new spirit. That is what the Jews needed. That is what the world needs today—a new heart and a new spirit. Only God could give a new heart then, and only God can make such gift today.

• • •

EZEKIEL'S MESSAGE FOR US

WOULD we listen to Ezekiel today? He has the message we need above all other words that may be spoken. He called the Jews to repentance of sin. That is what America needs today. Boys and girls need it. Men and women need it. And just as God waited patiently to bestow the new heart and spirit to Israel in the long ago, so does he wait to grant us today a new heart and a new spirit.

"Our God, our help, in ages past,
Our Hope for years to come;
Our shelter from the stormy blast,
And our eternal home."

There's No Substitute

"I thoroughly believe in a university education for both men and women, but I believe that a knowledge of the Bible without a college course is more valuable than a college course without the Bible. Every one who has a thorough knowledge of the Bible may be truly called educated, and no other learning, or culture — no matter how extensive and elegant—can be a proper substitute."

Notes and Comments

From the Editor's Desk

Legion's Freedom Booklets.

The American Legion has come up with a new Americanism program that sparkles with the promise of tremendous good for keeping America aligart American.

On April 1 it will start distributing to 1,000,000 American homes the first of a series of 12 monthly brochures designed tobuild a new and increased appreciation of the the blessings of American citizenship.

Very aptly it calls these pamphlets its Freedom Booklets Explaining the Dividends from Democracy. We could think of no better title.

They are about the most dramatic and forceful presentations of the inherent values of the American way of life that we have yet seen. Written simply, printed in color, these FREEDOM BOOKLETS take up the various aspects of our form of Government and portray their superiority over any other system. They do this in terms of every day living—in terms of individual rights and beneftis, freedoms, purchasing power, automobiles, radios, electric refrigerators, vacuum cleaners, life insurance and other ordinary American necessities which are luxuries everywhere abroad.

This is a powerful weapon with which to combat allen subversive propaganda. It arms our people with up-to-the-date-minute factual information about the actual margins of our superiority in every respect, with which torebut attacks on our institutions and ideals by communist elements and other "ism" groups. That's an effective way to bolster faith in America

The American Legion hopes eventually to reach a distribution of 10,000,000 Freedom Booklets a month. It is offering the opportunity to groups of all kinds to participate in this campaign thru a non-profit subscription plan. Leaders of all walks of life, including Government, business, labor and civic organizations have endorsed the FREEDOM BOOKLETS with enthusiasm.

More power to this American Legion drive to revitalize Americanism!

"Don't Try It Again"

A letter recently appeared in the Omaha World-Herald which has received national acclaim. It later developed that it had been written by Chester E. Beltz, a fireman who works for the Union Pacific Railroad. Mr. Beltz had long been interested in the cause of safety, partly as a result of the safety training which he received from the railroad. Here, in part is his letter, addressed to the spinners driver of a car which was almost struck by a train:

"I don't know who you are, but I do know you were scared to death when you drove your car across directly in front of a speeding passenger train. It was so close that I, in the cab, could see the young girl (your sweetheart, I presume) throw her hands up in front of her face and cringe up against you in stark horror.

"If I were that young girl I'd pull away from you, fast. You didn't have good sense, son. You probably say you love her. I wonder. Those we love we try to protect. But not you.

"Wouldn't that have been a nice present to hand your mother—a broken and battered body. And how do you think that we in the cab of that engine would feel? We are human beings too . . .

"You and your girl were one second from Eternity, son.

"I hope you read this and know it means you, and that the girl will, too. Next time you go driving around, stop and look. We don't want to hit you, but we are helpless, as we cannot swerve away from our given rail.

"If I were you, I'd thank God for that split second He granted you.

"I said a prayer for all when I realized you were going across. Perhaps that's what saved us all.

"Now think it over, both of you. And I'll bet you are both still shaking in your shoes. And please, for God's sake, don't try it again."

Mr. and Mrs. Jerry Fowler and daughter entertained Rev. and Mrs. A. C. Young.

Mr. and Mrs. S. C. Garnett left Friday for a visit with their son Leslie and family, of Louisville.

Rev. and Mrs. A. C. Young moved from Lexington, last week to rooms in Sam Roberts' residence.

Mr. and Mrs. Ed Baker were the Sunday afternoon guests of his brother Homer, of Ludlow.

Mrs. Wm. England spent Sunday afternoon with her son, Robert and family, of Florence.

EXPERIMENT RESULTS ANNOUNCED ON HOW COOK FROZEN FOODS

Whether or not to thaw frozen meat before cooking is a question of importance to the many housewives today who are using meat from home freezers and frozen lockers, according to Mary Hood Gillespie, Home Demonstration Agent.

An answer to this and other cooking questions comes from Isabel Nobel of the Minnesota Experiment Station, who recently carried on a series of cooking tests with frozen meat.

Equally satisfactory results may be obtained by thawing meat before cooking and by putting the meat on to cook while still frozen. Miss Noble reports if cooking time and temperature are adjusted accordingly. Unthawed meat needs considerably longer time to cook and always a moderately low temperature so that the meat can thaw in the first part of the cooking and cook to the desired doneness during the last part.

Slow-thawed and fast-thawed meat give equally good results in cooking, Miss Noble reports. She found no difference in flavor, juiciness and shrinkage between the meats thawed slowly in the refrigerator and thawed rapidly out on the kitchen table. No exact time for thawing can be given because the thawing time depends on size, shape, thickness and other characteristics of the meat. But roughly, a 4-pound roast takes from 1½ to 2 days to thaw in the refrigerator and 8 to 10 hours to thaw at room temperature, and an inch thick steak takes overnight in the refrigerator but only about 4 hours at room temperature.

After thawing, the meat should be cooked by the same methods used for a similar cut of fresh meat. Moderate temperatures now are recommended for both roasting and broiling. Roasting in an open pan with no added water without searing first is another recommendation.

If meat is put on to cook while still frozen, it takes much longer to cook, and the temperature should be moderately low, Miss Noble reports. A beef roast put into the oven frozen takes from 2½ to 3 times longer to cook "rare" and as much as 4½ times longer to cook "well done" than a thawed or fresh roast. A frozen inch-thick steak takes 3 times as long to cook "rare" and 4½ times as long to cook "well done" as a thawed or fresh steak. A good deal of heat is required to melt the ice crystals before actual cooking of the entire piece can get underway.

Unless plenty of time and moderately low heat is allowed for frozen meat, the outside of the piece may be overdone while the inside is still frozen. This may happen not only to large pieces like roasts but even to steaks which are broiled at high heat, Miss Noble says.

Not so much extra time is needed when frozen meat is used for pot roasts or stews as when cooked by the dry heat of roasting or broiling. A frozen pot roast of moderate size will need 45 minutes to an hour longer to cook than a thawed or fresh pot roast.

Even the best cooking methods, Miss Noble says, will not make up for poor quality in the meat. Freezing does not improve the quality. It simply may increase the tenderness slightly, Minnesota tests show.

.....liming...

IS AN INEXPENSIVE FARM OPERATION

It costs less each year to keep each acre of your farm properly supplied with lime than it does to:

1. Plow an acre of land.
2. Take a 10-mile trip in your car.
3. Take the family to the movies.
4. Buy the seed to sow an acre of wheat.
5. Prepare the land and plant an acre of oats
6. Harvest an acre of corn with a mechanical picker.

Make liming one of your regular farm operations—the cost is low and the returns are high, not only in the money you get for the higher yields of better crops, but in the satisfaction of knowing that you are doing a better job of farming.

See us about your limestone needs.

GOVERNOR CLEMENTS ISSUES PROCLAMATION

The following is a proclamation by the Governor of Commonwealth of Kentucky:

To all to whom these presents shall come:

WHEREAS, the Kentucky Field Army of The American Cancer Society is engaged in a program of education, service and research to protect the health of the public against cancer; and,

WHEREAS, cancer is the second cause of death in the United States, killing more than 180,000 annually; and,

WHEREAS, the preservation of health is fundamental to the welfare of the State; and, .

WHEREAS, the Kentucky Field Army will conduct throughout the month of April its twelfth annual Enlistment Campaign to obtain funds with which to carry on the fight against this dread disease;

NOW, THEREFORE, I, Earle C. Clements, Governor of the Commonwealth of Kentucky, do hereby designate the period from April 1 to April 30, 1948, as

CANCER CONTROL MONTH IN KENTUCKY

and recommend that all citizens cooperate on behalf of the Kentucky Field Army to the end that our citizens may learn the early signs and symptoms of cancer and be aware that prompt consultation with their physicians is imperative if a fatal termination of the disease is to be avoided, and contribute to the research program sponsored by the American Cancer Society.

Done at Frankfort, Kentucky, this the twenty-sixth day of February in the year of our Lord one thousand nine hundred and forty-eight, and in the year of the Commonwealth the one hundred and fifty-sixth.

EARLE C. CLEMENTS
Governor Commonwealth of Ky.

JUBILEE TO BE HEARD OVER WZIP

Rel C. Wayman, prominent Covington real estate agent and auction broker, and WZIP will present every Saturday night a "Jubilee," featuring WZIP hillbilly radio stars —Kentucky Fiddlers, Western Rhythm Boys, Fiesta Time Gang, Ray Scott and Joy Whitaker.

These shows, 6:30 and 8:30 p. m. will be staged at the Covington Library Auditorium, Scott and Robbins, the first show every Saturday being broadcast by Mr. Wayman. The first of these Saturday shows will be April 10th.

F. H. S. JUNIOR CLASS WILL PRESENT ANNUAL CLASS PLAY, APRIL 9

A 3-act comedy, "Shoot the Works" will be presented by the Junior class of Florence high school April 9, 1948, at the Florence gym.

The setting of the presentation is at the Restful Home for Restless people, an establishment located in the country. The hilarious characters, Lou and Homer, will keep you rolling in the aisles. Lou has a peculiar phobia about chairs and Homer is deaf but interested in buying the home. Lou is played by Wanda Clifton and Homer by Robert Utz.

Other important characters are: Janet Byrne, Beverly Markesbery, Patricia Osmun, Carolyn Rouse, Wade Loftin, James Goley, Don Lipscomb, Don Martin, Pat Day, Alfred Roberts, Wendel Cooper and Ella Pearl Bethel.

The director, Miss Clara Watts, has set 8:00 p. m. as the time for the curtain to rise. Admission is 25c, 35c and 50 cents for reserved seats.

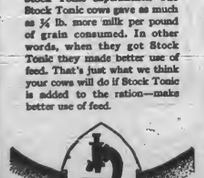
STOCK TONIC

helps cows use feed

A cow's digestive system is not very efficient. Dr. Hess & Clark have demonstrated this in their Stock Tonic experiments. The Stock Tonic cows gave as much as ¾ lb. more milk per pound of grain consumed. In other words, when they got Stock Tonic they made better use of feed. That's just what we think your cows will do if Stock Tonic is added to the ration—make better use of feed.



Hogs Lazy Inside
Waste Feed

Lazy inside is our way of describing the tendency of hogs to waste feed after they have consumed it.

Hog Special, a Dr. Hess product, has helped overcome this *lazy inside* tendency in experiments at the Dr. Hess Research Farm. Shoies getting Hog Special (in addition to the ration) finished out on 1/3 less supplement and 1/10 less grain.

We believe Hog Special can help you out during this critical feed situation.

Notes and Comments

From the Editor's Desk

How About the American School System?

There is no question but what demands for more pay for school teachers in rural districts and in small communities must be met. In Washington Congressmen wag their busy tongues and administration officials insist that special appropriations must be made by the government to strengthen the American school system.

The educational organizations and committees join the chorus in behalf of the teachers. But local communities will have to meet this big issue, and the place for real help must be found in local and State Governments. That seems to be the real practical way to get timely action.

There are practically 2 million children in the United States within the age limits of 6 and 7 years attending no school. It also appears in the federal census of 1940 that there were 10 million adults in the United States who had less than five years of schooling. Eight per cent of the young men who were examined by the Selective Service in World War II, were rejected for not having educational backgrounds.

The Senate has been definitely advised that education lies at the basis of all forms of republican government. The making of decisions by the people can exist only if the people have some ability to understand the problems of government which are presented to them. Unless there is a satisfactory educational basis, there cannot possibly be hope for success in any democratic form of Government where the people are expected to rule and to decide the questions which are placed before them . . . When the Declaration of Independence said that all men are created equal, it perhaps made an extreme statement, but we have always felt that what was meant was that all men in the United States entitled to equality of opportunity. No child can have equality of opportunity, in our opinion, unless to start with he has a basic minimum education.

Another Mix-Up

The cut in income taxes certainly means that the public treasuries will get less money from taxes. But if the taxpayer doesn't have to shell out so much tax money to the tax collectors the probabilities are that the individual will have more spending money. Another theory is that National industries will produce more goods for the markets than they have turned out in recent years—because, so the guessers figure it out—the general public will have more money to spend. Sppose you do a little guessing, and the chances are you'll come out as well in solving these problems as all the other smart people in Washington, D. C.

Another little puzzle we would like to have the reader solve is the claim of financial editors in New York that tax reduction from the National Capital in Washington benefits would go to make issues higher on the New York Stock Market. This writer tried to figure out the problem, but he couldn't when he bumped into news that there was a strike in the Wall Street Market. Period!

Some Day

It would take several pages of reading matter to list the numbers of conditions that have been raising hob with living conditions, big and small business, the high cost of living, etc. But don't get discouraged we overcame those same difficulties after the first and second World Wars, and the United States of America will get back on a sound footing—maybe before you know it! This is not a real prophecy; but we are holding our own right now—and we will always continue to hold top place No. 1.

NEW FEDERAL AID PROJECT ANNOUNCED

A new Federal Aid Project for Kentucky has been announced by the Federal Aid Unit of the Division of Game and Fish. Division personnel will work with the Soil Conservation Service in the furtherance of a farm small game development project in order to provide better habitat for the birds and small animals of the State. The project has been mapped but has not yet been put into operation pending location of properly trained personnel. When in operation, the project will seek better habitat for wildlife in the farming sections through farm land plantings, fencerow development, prevention of soil erosion and protection of watersheds.

Mrs. B. C. Graddy, of Wheatly, spent last week with Miss Mattie Kreylich.

PAT SCOTT SELECTED MEMBER OF BASEBALL TEAM AT CHICAGO

Patricia Ann Scott, 18, daughter of Mr. and Mrs. Wilford Scott, of Burlington was selected as one of ten outstanding girl baseball players at Chicago several weeks ago from a group of 90 girls who tried out for the team.

Pat is now in Florida receiving training and instruction to become a permanent member of one of the twelve teams composing the American Girls' Baseball League.

She will be assigned to one of these teams after she completes her five weeks training.

FOUR-H AND UPTOPIA COUNCIL MEETS

The Boone County 4-H and Utopia Council met in the county agent's office on April 6.

The Council voted to receive bids on the fair grounds lake for 3-year and 5-year periods. Bids will also be received later on the fair grounds pasture.

The building committee reported that construction on the horse barn will be started as soon as weather permits. Tom Cason, Burlington, will do the work.

The new show ring has been graded and will be finished soon.

The Council adopted a budget of $157 to promote 4-H Club work other than the fair.

SATURDAY LEAGUE TO OPEN SEASON

WITH PETERSBURG TRAVELING TO BELLEVIEW AND FLORENCE WILL VISIT CONSTANCE —VETS ANNOUNCE GAME.

Boone County's Saturday afternoon league will have its initial games of the season Saturday, April 24th with four teams, Belleview, Florence (Bob & Gene), Constance and Petersburg battling it out for first win honor.

Drawings for the first games were held at the courthouse, Burlington on Monday, April 12th. In the openers Petersburg travels to Belleview and Florence opens with Constance at Constance park.

Saturday, May 1st Constance plays at Petersburg and Belleview at Florence.

A meeting of league managers will be held Monday, April 19th at 7:30 p. m. at the courthouse to adopt a complete schedule for the season.

Vets To Meet Ft. Mitchell

The Boone County VFW nine will entertain the Ft. Mitchell Boosters Sunday, April 18th at 2:30 p. m. at the Florence park for the initial game of the season. Florence will probably send Steffen and Ryle to the hill while Ft. Mitchell Boosters will have Bogenschultz and Schulte serving them up.

Both teams are entered in the Buckeye league, which is composed of twenty teams. Competition is expected to be keen in this league, and some good baseball games are in store for followers of the sport.

The Vets produced a splendid team last year, and no doubt will have an outstanding team this year.

HELP NEEDED BY RED CROSS DISASTER SERVICE IN COUNTY

All Utopia members and persons willing to assist in flood disaster work, are urged to contact David Tanner, Florence 329 or Mildred Taylor, Walton 582. The purpose is to assist the Red Cross Disaster Service in Boone County.

RILEY ARNOLD TO BE GUEST SPEAKER

AT BOONE COUNTY FIFTH ANNUAL FARM BUREAU BANQUET, APRIL 15—RESERVATIONS MUST BE MADE.

Riley Arnold, organization director of the Southern Region of the American Farm Bureau, will be guest speaker at the Boone County Fifth Annual Farm Bureau banquet, April 15th. The banquet will start at 7:00 p. m., at the Florence School.

The program also includes group singing, special music and recognition of corn derby winners and 4-H project champions. Mrs. Greenwood Coconougher, Director of the Associated Women Division of the Kentucky Farm Bureau Federation, will bring greetings to members of the Associated County Women.

All members are urged to attend. Reservations for the banquet tickets must be made immediately.

BASEBALL SEASON OPENS SATURDAY

FOR BOONE COUNTY SUNDAY SCHOOL LEAGUE — PLAYER LIST DEADLINE SET FOR MAY 17TH.

At 1:30 Saturday afternoon the Boone County Sunday School League will inaugurate their regular season play. Leading citizens in the various communities will throw out the first ball to get things under way.

East Bend dropped out of play and Bullittsburg combined with Bullittsville to cut the loop down to nine teams again. The 24-game schedule will be published next week. At a meeting Monday night the managers set the deadline on player lists as May 17; professional umpires from the Queen City Umpire's Association will also begin work in the league on that date.

Two of the new teams, Union and Big Bone, promise to be evenly matched with no reports yet of their players. Burlington, with the same team, plus three new players will engage the always tough Belleview nine. Brown and Smith will probably hurl for Burlington, while Cason and "Turk" Aylor will be on the hill for Bob White's outfit. The promising Florence squad travel to Verona to play on the best ground in the county. Utz and Beach will probably get the nod for mound chores. Bullittsville, with newly acquired sluggers, Dick Gaines and Mel Aylor, will go to Petersburg where they will face Campbell and McGuire. Last year's champs, Sand Run, drew the bye for this Saturday.

This year the Sunday School League promises more and better baseball than ever before. Come out this first Saturday and support the team of your choice. See you at the ball game.

Saturday's Games

Burlington at Belleview.
Big Bone at Union.
Florence at Verona.
Bullittsville at Petersburg.

FORKNER-PERRY

Mr. and Mrs. Holly R. Forkner, of Versailles, announce the marriage of their daughter, Betiye Jean to Robert Perry, of Woodford county.

The vows were exchanged at 2:30 o'clock Friday afternoon, April 2, at the home of the officiating minister, the Rev. R. W. Bealer, pastor of Trinity Methodist Church in Lexington.

The bride wore an aqua suit with black accessories and a shoulder bouquet of gardenias.

Miss Ruth Perry, sister of the bridegroom, was the only attendant. She wore a grey suit with black accessories and a yellow orchid at her shoulder. George Godbey, of Lexington, served as best man.

The bride is a graduate of Burlington high school and was a member of the teaching staff here last year. She is now a senior at the University of Kentucky. Her father is the Woodford County Farm Agent.

The bridegroom is attending the University of Kentucky.

The young couple will make their home in Woodford county, where Mr. Perry is engaged in farming with his father.

PRACTICE WORK BEGUN ON NEW HAVEN PLAY

The seniors of the New Haven high school have begun play practice for a 3-act comedy entitled "Everybody's Crazy" to be presented Friday, April 23rd, 8:00 p. m. in the school auditorium.

Senior members of the cast are Carl Alexander, Harold Marsh, Gene Weaver, Kathleen Kenney, James Arnold, Bettie Sturgeon, George Howard, Herget Sewell, George Simpson and Albert Knox. Underclassmen include Donna Slayback, Jeane Judge, Beryl Jones, Mary Knox and Joan Anderson.

FISH AND GAME CLUB WILL MEET THURSDAY

The Boone County Fish and Game Protective Association will hold its regular meeting tonight, (Thursday) April 15 at the clubhouse, Burlington-Idlewild Road, it was announced by the president, Edwin Walton.

The refreshment committee will serve refreshments, and the regular business will be disposed of at this meeting.

All members of the organization are urged to attend, and visitors are always welcome.

Frank Maurer, Burlington dairyman, injured his left hand severely Saturday afternoon when he fell on a milk bottle, cutting a deep gash in his hand.

GLEE CLUB RECEIVES EXCELLENT RATING IN MUSIC FESTIVAL MON.

Burlington's Glee Club received an "excellent" rating in the music festival held at Holmes high school Monday evening, according to reports. Approximately 1,000 students from northern Kentucky schools participated in the contests.

Contests in piano, solo, vocal solo and ensembles were held Monday. Instrumental soloists and band contests were held Tuesday.

The festival is one of several held throughout the state under the auspices of the University of Kentucky. Those winning top rating are eligible to compete in the state festival held at the University in May.

As a result of the rating given at Holmes, Burlington is eligible to enter the contest to be held at Lexington.

The Burlington Glee Club is under the direction of Edwin Walton, principal.

REVIVAL MEETING CLOSED SUNDAY AT LOCAL CHURCH

The Youth Crusade for Christ revival which closed Sunday night at the Burlington Baptist Church was one of the greatest ever held at the church.

There were eighteen additions, with the following for baptism; Ernest Ruppert, Mrs. Irene Kerns, Wilda Kerns, Buddy Rice, Carolyn Spurlock, Marjorie Hambrick, Shirley Jacobs, Audrey Rouse, Loretta Jones, Jeanetta Maynard, Bobby Brinegar, Betty Maxwell, Mrs. Alice Arrasmith, Gerald Jones, Margaret Bybee, Winston Jones, Barbara Hodder and Mrs. C. G. Jones by letter from the Belleview Baptist Church.

Splendid messages were brought each evening by the evangelist, Rev. Cloud, and a splendid song service was led by Morton Oliver. Special music was rendered thruout the services.

Much credit is due the young people of the church for the splendid manner in which the services were conducted and for their participation on the program.

Baptismal services will be held at the Florence Baptist Church next Sunday afternoon at 3 p. m. The street service conducted by Bob Brown and Morton was held each night at 7 p. m. on the steps of the courthouse and was received favorably and it is hoped that this type of service will be carried on in the future.

COURT ADJOURNS UNTIL APRIL 23RD

AFTER BEING IN SESSION ONLY ONE DAY — THREE INDICTMENTS RETURNED BY GRAND JURY.

Boone Circuit Court convened Monday morning of this week with probably one of the lightest dockets in history. After being in session Monday, Judge Yager ordered the court adjourned until April 23rd when civil cases will be heard.

The grand jury in session Monday, returned three indictments and were dismissed at 2:00 p. m. by Judge Yager, after completing their duties.

Petit jurymen were ordered to return to Burlington Friday, April 23rd when final affairs of the session will be completed, according to reports.

HENRY FEHRING

Requiem high mass for Henry Fehring 78, Erlanger was sung at 9 a. m. Tuesday at St. Henry Church, Erlanger, following prayers at 8:15 p. m. at the Middendorf funeral home, Covington. Burial was at St. Joseph Cemetery, Enright Ave., Cincinnati.

Mr. Fehring was a retired machinist of the Baltimore & Ohio Railroad. He died Thursday at St. Elizabeth Hospital, Covington. He made his home with his daughter Mrs. Ambrose Gier, Devon, Ky., the past eleven years.

He leaves a son Harry, North College Hill; two daughters Mrs. Loretta Gier, Devon and Mrs. Jacobs, of Cincinnati, and six grandchildren.

W. B. STEPHENS

W. B. Stephens, retired farmer, passed away Friday morning at the home of Mr. and Mrs. John W. Woods, of the East Bend neighborhood.

Mr. Stephens was 82 years old, and was a life-long resident of the East Bend neighborhood.

He is survived by two brothers, E. L. Stephens of Rabbit Hash and Joe Stephens, of Walton, nieces and nephews.

RURAL CARRIER TO BE SELECTED

AT FLORENCE—RECEIPT OF APPLICATIONS WILL CLOSE ON APRIL 23—DATE OF EXAMINATION WILL BE ON CARDS.

The United States Civil Service Commissions has announced an examination to fill the position of rural carrier at Florence, Ky. The examination will be held at Walton, Ky.

Receipt of applications will close on April 23, 1948. The date of examination will be stated on admission cards mailed to applicants after the closing date for receipt of applications.

The salary of a rural carrier on a standard daily route of 30 miles is $2020 a year, with an additional $20 a mile a year for each mile or major fraction thereof in excess of 30 miles. Salaries on routes of shorter length or of less frequent service are proportionately lower. A rural carrier serving one tri-weekly route shall be paid a salary on the basis of a route one-half the length of the route served by him. A rural carrier serving two tri-weekly routes shall be paid a salary on the basis of a route one-half the combined length of the two routes. All rural carriers must furnish and maintain at their own expense all necessary vehicle equipment for the prompt handling of the mails, but they are allowed an equipment maintenance of 6 cents a mile on the basis of the daily mileage schedule (this amounts to $540 per year for a 30-mile route). They are permitted to use motor vehicles, but are required to furnish sufficient equipment to handle postal business properly.

Rural carrier shall be promoted successively at the beginning of the quarter following one year's satisfactory service in each grade to the next higher grade until they reach the 11th grade (for a standard 30-mile daily route, an increase of $84 a year is provided in each grade, through grade 11.) Carriers who perform faithful and meritorious service shall be promoted to grade 12 after three years of such service in grade 12, and shall be promoted to grade 14 after seven years of such service in grade 13. (Public Law 134, 79th Congress of July 6, 1945).

The examination will be open only to citizens of, or persons who owe allegiance to, the United States who are actually residing in the territory of the post office where the vacancy exists, who have been actually residing there for one year next preceding the closing date for receipt of applications, and who meet the other requirements set forth in Form AN-1977. Both men and women, if qualified, may enter this examination, but appointing officers have the legal right to specify the sex desired in requesting certification of eligibles.

Form AN-1977 and application blanks can be obtained from the vacancy office mentioned above or from the United States Civil Service Commission at Washington 25, D. C. Applications must be on file with the Commission at Washington 25, D. C., prior to the close of business on the date specified above.

ONE TIME REVIVAL TO BE HELD AT ELSMERE

The one time revival service will be held at the Elsmere Baptist Church Sunday night, April 18th. This service is under the direction of Morton Oliver and Bob Brown.

The service will consist of original music and poetry, prayer time, good song service, testimony and a message entitled, "Time Out."

Everyone is invited.

SPRING LAKE STUD FARMS SOLD TO BRINK AND GAINES

The 176-acre Spring Lake Stud Farm on Dixie Highway, between Richwood and Walton, has been sold to James M. Brink, owner of the Lookout Stud Farm and Marvin Gaines, racing horse breeder.

The farm, previously owned by Lou Nier, has been used as a thoroughbred breeding farm and probably will be continued in that capacity by its new owners.

FURNITURE COMPANY CONDUCTING BOONE COUNTY SPECIAL WEEK

Superb Furniture Co., 125 Pike Street, Covington, is conducting a Boone County special-price-week in its great going-out-of-business sale.

J. P. Gaincola, proprietor, in telling a Recorder representative of his plans, made the following statement: "I wish to show my great appreciation to the people of Boone County for their past liberal patronage and I hope I can some time again render service to the people of this great county."

HOUSEWARMING GIVEN PASTOR OF CHRISTIAN CHURCH SATURDAY

Rev. A. C. Young, pastor of the Bullittsville Christian Church for the past two and one-half years, and his wife have just recently transferred their place of residence from Lexington, Ky., to a nice apartment in the farm Roberts home near Hebron.

This new abode of the minister and his amiable wife was the scene of a very happy and congenial gathering on Saturday night, April 10th, when approximately fifty members of their flock made a surprise appearance bearing gifts of canned goods, groceries, eggs, glassware, tablecloths, and other handy things for the home, including a beautiful set of dishes contributed by the women of the Bullittsville Church.

After an evening of fine fellowship and friend association, topped off with refreshments of ice cream and cake, Brother Young and his wife bade their guests goodnight, convinced more than ever that old Boone County is a pretty good place not only to live in but work in, and he, his wife and all the members have planned a program of church activity designed to have a beneficial and uplifting influence upon the community at large in the days that follow.

BURLEY ASS'N. OPPOSES BILL

WOULD REDUCE ALLOTMENTS 200,000,000 POUNDS, CUTTING PRESENT ALLOTMENTS ALMOST IN HALF.

A long-range Agricultural Act introduced by Senator Aiken (R.-Vt.) may utterly destroy the burley industry if it is passed in its present form, directors of the Burley Tobacco Growers Cooperative Association were informed at their monthly meeting last week.

Primarily the bill would cause a reduction of burley acreage amounting to 200,000,000 pounds. This would cut present allotments almost in half. By another provision of the measure, the Support Price would be reduced $5.00 on the hundred pounds.

Other provisions would set aside the effective machinery by which the present Support Price system, a feature of the Agricultural Adjustment Act of 1938, is enforced.

After hearing an outline of the bill, the Burley directors voted unanimously to oppose it and recommended that the present program be continued.

"Nobody could afford to grow under the bill. If we couldn't produce but 314,000,000 pounds, it would wreck the industry," said W. L. Staton, Executive Secretary of the Association.

As computed under its provisions, the 1948 Marketing Quota would be 314,000,000 pounds instead of the 514,000,000 pounds under a section of the present act. This would mean a decrease of 200,000,000 pounds despite the industry's recent successful efforts to have tobacco included in exports under the Marshall Plan and the rapid disappearance of surplus burley during recent months. The Aiken bill fails entirely to consider these factors, but provides support and quota figures on the basis of statistics alone.

UTOPIA CLUB MEETING SCHEDULED APRIL 22ND

The Boone County Utopia Club will hold its regular meeting on Thursday, April 22, at 8:00 p. m., in the Burlington courthouse.

The boys' group will discuss home gardens and the girls' group will continue leather tooling study.

All members are urged to attend.

FAIR GROUNDS LAKE TO BE LEASED

BY 4-H AND UTOPIA COUNCIL—BIDDERS TO SUBMIT BIDS ON TOTAL RENT OFFERED FOR 3-YEAR OR 5-YEAR PERIODS.

The Boone County 4-H and Utopia Council will receive bids for rent on the Boone County Fair Grounds Lake.

The Council wishes to rent the lake to private parties who will develop it for public fishing. Bidders will submit bids on the total rent offered for three-year or five-year periods or both. Equal rental installments will be paid annually, the first payment due July 1, 1948. Possession of the lake will be given immediately. Bids will be opened April 20, 1948.

The Council reserves the right to reject any or all bids.

CHAPIN LIBRARY OPENED APRIL 5

IN TEMPORARY HEADQUARTERS LOCATED IN PETERSBURG CHRISTIAN CHURCH — 1,500 VOLUMES TO BE HOUSED.

The Chapin Memorial Library, a gift to the community of Petersburg by the heirs of William and Betsy Chapin, was opened for use by the public on April 5 in temporary headquarters located in the Petersburg Christian Church. The library, totaling approximately 1,500 volumes, will be housed permanently in one section of an annex to the church, construction of which is scheduled to start soon. At present only about 500 volumes can be made available due to the limited facilities.

Establishment of the library fulfills a long cherished dream of Mr. Edward Young Chapin I of Chattanooga, Tennessee, a grandson of William and Betsy Chapin in whose honor the gift was made. Mr. Chapin was born at Petersburg in the house now occupied by the family of Perry C. Carver and as a young man engaged in the grocery business there before going to Covington to study law in the office of the eminent John G. Carlyle. Upon the invitation of a friend to visit Chattanooga, he found that city so interesting and the business possibilities so inviting that he settled there and later joined with a Mr. Probasco in founding the American Trust & Banking Company, a concern whose assets now total more than sixty million dollars.

Mr. Chapin's gift to the community aggregating nearly $10,000 includes the books, costing approximately $4,000; furniture and equipment costing $700; a gift to the Petersburg Christian Church toward the building of $3,000, plus additional amounts to cover organization expenses and the training of a librarian.

William L. Brown, a Chattanooga business man, has joined with Mr. Chapin in setting aside a piece of residential property in Chattanooga, the income from which will serve as a permanent endowment for the library. The library has been receiving this income since the latter part of 1946. In recognition of Mr. Brown's generosity, the children's books will be placed in a section to be known as the William L. Brown alcove, which will be designated by an engraved bronze plate. A large bronze tablet at the entrance to the library will read: "Chapin Memorial Library: the gift of the descendants of William and Betsy Chapin to this community."

The library will be operated by the Petersburg Christian Church under terms of a written contract with Mr. Chapin. Mrs. Justin Dolph has been appointed librarian.

Temporary hours when the library will be open will be on each Tuesday afternoon from 3 to 5 o'clock and every Friday evening from 7 to 9.

Formal ceremonies attending the opening of the library will not be held until completion of the building.

OFFICERS NAMED BY CHRISTIAN CHURCH

The first regular monthly meeting of the church board of the Constance Christian Church was held Monday evening April 5th.

Officers of the board were elected at this meeting and they are as follows: Chairman, Rev. Gene Carter; vice chairman, George Kottmyer; secretary Howard Regenbogen and treasurer, Mrs. Freda Kottmyer.

Plans for remodeling and redecorating the church were put under discussion. This, along with other business will be taken up at the next meeting.

The regular monthly board meeting will be held the first Monday of each month at 7:30 p. m. All board members are asked to be present at these meetings.

Officers are anticipating a larger attendance in church and Sunday School services, and cordially invite each and every member and non-members to be present for these services.

MEN'S BIBLE CLASS WILL HEAR REV. G. R. FERGUSON, SATURDAY

Bro. Scudder held a week's revival at Big Bone last week and at the Chapel this week. He brought splendid messages each evening. Bro. Hill led the singing.

We extend sympathy to the relatives of Willie Stephens, who was buried Sunday afternoon in East Bend Cemetery.

The river is climbing rapidly at this writing.

Mr. and Mrs. Marshall Hankinson and two sons spent Sunday with the Shinkle family.

Rose Shinkle had the misfortune to have a horse kick him on his leg below the knee. He was injured considerably.

Several from this community have been attending church at the Spring the past week.

E. H. Behrns and wife were in Covington, Friday.

Mrs. Dick Schwenke, Sr., entertained the two ministers Bro. Scudder and Bro. Hill on Thursday of last week for dinner and supper.

Plans were made to serve dinner to the members of the Boone County Farm Bureau April 16th. Committees made reports on the basketball banquet which is to be given for the boys April 26th at the school gym.

The newly elected officers for the coming year are: President, Mrs. Margaret Hopper; vice president, Mrs. Willis Schneider; secretary, Mrs. Sarah Markesbery, treasurer, Robert Tanner; historian, Mrs. Lucia Houston; auditor, Prof. Jones.

The next meeting will be held May 13th at the Acacia Inn, where the officers will be installed.

WHY LIMING IS "A MUST" FOR FARMERS; KENTUCKY USED 1,300,000 TONS IN '47

Effective soil conservation and good crop production makes liming of the soil a primary necessity. This is reflected in an analysis of the consumption of liming material made by the Conservation Materials and Service Section of the Production and Marketing Administration, U. S. Department of Agriculture. This report estimated that under the Agricultural Conservation program, with the same funds available as in 1946, and assuming that the lime is available, Kentucky would consume 1,300,000 tons of ground limestone or its equivalent in 1947.

The reasons why lime is needed are given in the following article. Emil Truog of the University of Wisconsin stated in a speech to the Agricultural Limestone Division of the National Crushed Stone Association in Cincinnati in 1946 the following facts:

"Legumes are lime-loving. That means they not only use large amounts of lime or calcium as a nutrient but usually also grow best when sufficient lime is present in the soil to prevent severe acidity.

"Lime makes nutrient elements more available. Application of lime to acid soils in proper amounts tends to promote the availability of the nutrient elements which plants obtain from the soil proper. In fact in many cases this favorable influence on phosphorus availability alone is sufficient to pay the cost of liming.

"The physical condition of a heavy soil as regards structure or workability, rate of water intake and drainage, are all affected favorably by an adequate supply of lime.

"Of very great importance is the favorable influence of an adequate supply of lime on the desirable bacteria and fungi which inhabit the soil. The root-nadule bacteria of alfalfa and clover which in cooperation with these legumes fix atmospheric nitrogen multiply, flourish and persist best in soils that are well supplied with lime.

"Soils become acid because of the leaching effect of rainfall. The passage of the water over the soil and through it dissolves the soluble lime and carries it away. Another reason is that plants use more of the bases of which lime is one, than the acid components of the soil.

"The cost of liming is relatively low. Experiments indicate that about 200 pounds of lime per acre in cropped land is lost each year. After the soil is one adequately limed it is necessary to apply only about one ton per acre every ten years to sustain the supply. The annual cost of doing this is only $5 to $6 cents per acre. The value of the increased yield due to the lime may easily be 100 times the cost."

Capitol Comments

By David M. Porter

With the coming of Spring, not only the robins come to Kentucky but the horses as well, and the "hardboots" from Florida, New Orleans, New York, Maryland, and all points of the compass, converge on Kentucky. For Kentucky has its Keeneland and the Derby at Churchill Downs.

This year the "Old Colonel" symbol of the State of Kentucky will be looking at the races with an extra gleam in his eyes, for his joy in racing will be greater now that the State is getting some additional revenue from the sport. The last session of the Legislature passed a bill taxing pari-mutuel betting and now three cents of every dollar bet on a race at Churchill Downs or Dade Park will go to the State. This is a just tax and a fair one but more than that would be a burden on the people who enjoy the sport and a drawback to racing, from which Kentucky gets so much wealth. The breeding and raising of horses is one of Kentucky's largest sources of revenue.

There is a strong sentiment growing throughout the ranks of the Democratic Party that Truman cannot be re-elected this year. It is as evident and as strong as the feeling in the Republican ranks about the Governor's race was last year, and you know how right that feeling was. The leaders of the Democratic party are quietly but definitely planning to do something about this sentiment and all of their plans are centered on getting Truman not to try for the nomination and get some one popular with both the left and right wings of the party to accept the nomination. They have Senator Barkley of Kentucky in the back of their minds and they are working with that in view. He would make a strong candidate, a forceful speaker, twice keynoter at his party Conventions, with a record of action in the Senate that can not be besmirched or belittled. He may get the nod.

OUR OIL RESERVES

During 1947, consumption of oil reached a record peak. Yet the nation's proved petroleum reserves increased by 20,000,000 barrels. This important fact is found in the annual joint report of the American Petroleum Institute and the American Gas Association.

The achievement was the result of the industry's aggressive, accelerated work in discovering new oil pools and extending the known fields. During the year, we used up 2,000,000,000 barrels of oil—and we found 3,718,000,000 barrels. At the end of the year, our proved reserves within the United States were close to 20,000,000,000 barrels as compared with 16,000,000,000 ten years ago.

These figures refer solely to proved or blocked-out reserves, and they include only oil and natural gas liquids recoverable under existing economic and operating conditions. They do not include crude oil in unproved portions of partially developed fields; oil in untested prospects; oil that may be present in regions believed to be favorable; oil that becomes available by secondary-recovery methods, or synthetic fuels that may be made from coal, shale or other materials. In other words, the estimates take no cognizance whatever of production from sources which the scientists believe may be virtually without limit.

Here is the answer to those who fear a drastic and increasing oil shortage. As we use more oil, the industry blocks out even more oil. Furthermore, in the past, the known reserve statistics have always proved to be very low. In all probability that will continue to be true.

JUNIOR UTOPIANS SELECT NAME

The Junior Utopia Club met last Thursday in the Florence Town Hall. The meeting was called to order by the president, David Tanner. Lucille Bell was elected secretary to fill the vacancy caused by the resignation of the former secretary Jessie Stephenson, of Beaver Lick was elected a director to replace Pat Scott, who will be away for the summer. Our best wishes go with Pat. The charter members of the newly organized club were delighted to welcome nine new members and invite all the young folks of the county to come out and enjoy our meetings.

The name of "Carl W. Jones Utopia Club" was chosen in honor of the state leader. Complete information will be given later regarding the work, play and life of "our" Jones.

Hospitality was extended by the club to Mary Helen Thompson in the line of her father.

Plans were made to ask several industrial arts classes to make some crescents, emblem of Utopia clubs, to be placed in the meeting place and at the gates of the fair grounds.

Due to conflicting dates of important events, Miss Gillespie was absent, but before leaving prepared a treat for the club.

The next meeting will be held May 23 at Florence Town Hall, and the club again says "Welcome Youth of Boone County."

Forty-six Mercer county 4-H club leaders attended a dinner where the organization of a 4-H association was discussed.

SUGGESTS EFFORT TO REDUCE FARM COSTS

Reducing costs of production probably will be the most promising way for farmers to increase incomes this year, thinks Harry M. Young, Jr., economist at the College of Agriculture and Home Economics, University of Kentucky. He fears costs may continue to rise this season, and possibly set a new record.

Suggests of Mr. Young: Make a budget of expenses for the year; avoid debts; strive for higher yields per acre and fewer cultivated acres; control insects and diseases; make full and efficient use of all feed including pastures, and increase use of labor-saving methods and equipment.

"Of course there are no general rules that will work on all farms," Mr. Young admitted, "but the man who studies and knows his farm business can make adjustments in his spending. It's always good management—it's a "must."

Limestone
MAKES PROTEIN

Protein is the nutrient which, when eaten by farm animals, is converted into lean meat, hair, hide, hoofs, eggs, and milk. All rations must contain a goodly amount of it.

You can buy it in a feed bag or you can grow it. Smart farmers grow all they can. The first step is to lime the soil. Practically all high-protein plants, such as the legumes and better grasses, require a properly limed soil.

Use agricultural limestone regularly on your farm and you will grow not only more feed but it will have a higher content of protein and minerals.

NEW SPEED!
COOKS AS FAST AS FOOD WILL COOK
ANOTHER REASON WHY
Cooking's going Electric
If you still cling to the old-fashioned idea that electric cooking is slow — prepare to revise your thinking.
New 1948 model electric ranges are fast — *really fast*. New high-speed surface units start foods cooking in a matter of seconds. Ovens reach baking temperatures with amazing speed. Broiling starts almost instantly.
Ask for a demonstration of today's faster, more efficient electric ranges. It costs less than you think to cook the modern way—*electrically!*

"Talk about VALUE," says America
"CHEVROLET and ONLY Chevrolet IS FIRST!"
You'll get much better performance with economy from Chevrolet's world's champion Valve-in-Head engine. It has the finest record of dependability of any automotive power plant! And Valve-in-Head engines are exclusive to Chevrolet and more expensive automobiles.
You'll find that new front-end styling—new colors—new and even more luxurious interiors add still further to the Big-Car beauty of Chevrolet's Bodies by Fisher. They're the world's finest bodies, found only on Chevrolet and higher-priced cars.
CHEVROLET
You and your family will have Big-Car safety, too. For Chevrolet brings you the three-fold protection of Fisher Unisteel body-construction, the Knee-Action Ride, and Positive-Action Hydraulic Brakes—another combination of features found only in Chevrolet and more costly cars.
As you know, public demand for new 1948 Chevrolets is at the highest level in all Chevrolet history. For that reason, we urge you to keep your present car in good running condition, pending delivery of your new Chevrolet. Come in, get skilled, dependable service, now and at regular intervals.
Yes, from one end of the country to the other, public enthusiasm for the new 1948 Chevrolet points to a great public conviction that CHEVROLET AND ONLY CHEVROLET IS FIRST in all-round value as in popularity. More people drive Chevrolets, according to official nationwide registrations and more people want Chevrolets, according to seven independent nationwide surveys than any other make of car. Your own judgment will tell you that this is because Chevrolet gives more value . . . because it alone offers BIG-CAR QUALITY AT LOWEST COST!

Notes and Comments

From the Editor's Desk

In Case of War

Under the Constitution of the United States only Congress can declare war. Before the first World War, Woodrow Wilson addressed Congress and appealed to the Legislative groups to recognize the probability that the United States would eventually be drawn into the conflict.

The discovery of radio played an important part in the prewar days of World War II. Hitler and Mussolini bellowed defiance to the World, including the United States, and every radio station in our country was packed with listeners. The same listeners came back in a day or two to hear their own President Roosevelt defying the German and Italian leaders. Finally, many of our ships were sunk by German submarines and Congress followed the lead of the President and declared war. We won the second World War just as we had won the first World War.

Today Uncle Sam is "champing at the bit," apparently hoping against hope to avoid being drawn into a third World War. Nevertheless, Washington wonders if it is only a matter of time before the United States will have to meet and lick Communist Russia by force of our superior military strength.

Right now the United States Government is patiently trying to avoid being drawn into a third World War.

We Can Show By Example

Viewed from the historical perspective, American leadership of the democratic forces of the world has come with unprecedented suddenness. It took England centuries to reach a comparable pinnacle of power and prestige which found its climax in the Victorian area. The same thing was true of France in her great days. Now, only a few years after our long-established policy of isolation was abandoned all the Western powers are looking to us to blueprint the future.

We have assumed this leadership at a time when some of the most difficult and dangerous issues the nations have ever known are coming to a head. And the fate of the world depends to a greater degree than most of us realize on the wisdom of the American people and their government.

Many may still believe that our obligation can be discharged entirely through economic relief, military support, and other purely material factors. That attitude could be a sure road to disaster. Material things will gain nothing unless they are backed up by an example that will help to reestablish ethical and spiritual values in the Western world.

Most of the troubles of the world, from economic depression to war itself, can be traced back to a single cause. That cause is Statism—the idea that the people exist for the government, instead of the government existing for the people. That has been the philosophy of every dictatorship from Mussolini's to Hitler's to Franco's to Stalin's. It has led to the planned terrorization of whole peoples, and to a complete degradation of every ideal of freedom and the dignity of man.

What can the United States show the world by example? First, and most important it can show that the principles of equality, freedom and opportunity for all on which this country was built are not out of date. It can then show that the free enterprise system, which the government can regulate but with which it was never intended to compete by the founders of our country, can do infinitely more to raise the standard of living of a people than any other system. Lastly, it can prove that a nation can achieve greatness and power thru encouraging the individual abilities and ambitions of its people instead of through coercion and brutality and suppression of debate.

This is a permanent contribution that America made to the world.

NEW LINES TO BE CONSTRUCTED

BY REA IN BOONE, GRANT, GALLATIN, PENDLETON AND CAMPBELL COUNTIES — CONTRACT AWARDED.

According to an announcement made public on April 15, by Marvin DeBell, manager of the Owen County Rural Electirc Cooperative Corporation, REA has approved the contract for construction of approximately 164 miles of new line located in Grant, Pendleton, Gallatin, Boone and Campbell counties.

The above mentioned contract was awarded to the Irby Construction Company, of Jackson, Mississippi. This company has 30 calendar days to move its equipment on the job and an additional 90 days to complete the entire construction.

In the communities of Rabbit Hash, Union and a section of Boone-Gallatin counties between U. S. Highway 42 and Verona there will be approximately 25 miles of new line constructed and will serve 80 members.

S. S. LEAGUE OPEN SEASON

UNION, BULLITTSVILLE, VERONA AND BURLINGTON WINNERS IN OPENING ROUND OF PLAY.

The Boone County Sunday School Baseball League opened season play Saturday with high scores, slugging and ragged fielding featuring the play. Bullittsville trounced a stubborn Petersburg nine 20-11 at Petersburg. Bullittsville stand out as favorites to cop the championship with their powerful hitting team. Saturday they gathered 9 hits while committing 5 errors. Joe Hogan, big righthander was on the bill for the winners with Garnett behind the bat. Sammy Huey hurled for Petersburg with Bom McWethy on the receiving end. "Stump" Lyons drove out a home run to lead the Petersburg attack. The losers had nine hits and errored 7 times. All of the high scores in Saturday's play can be attributed to lack of fielding practice and lack of control by the pitchers.

Dud Rouse, Florence manager, drove out two home runs and a double, but that wasn't enough as Verona drubbed Florence 18-7. The Verona squad was red hot as they garnered 14 hits from the offerings of Bob Rouse and England. Coyle, Verona catcher, came through with four safeties and Mike Ryan had three blows to pace the winning team. Coyle and Ryan both hit homers. Ryan, Cheesemen and Rice divided the mound chores for Joe Rouse's Verona squad with Coyle receiving. Dud Rouse was in the cage for Florence. Florence collected 7 runs, had 9 hits and 4 errors, while Verona had 18 runs, 13 hits and two errors. Roy Brooks and England both had 3 hits for Florence.

Union defeated Big Bone 8-5 in the best played game of the day. Manager "Pill" Greenup had veteran Scott Jack on the hill with Ned Mason receiving. Jack limited the losers to 8 hits. Gruella was the starting twirler for Big Bone, but had relief from Charlie Black, former East Bend hurler in the fifth. Harry Rouse caught for Big Bone. Roger Knox swung the big bat for the winners as he collected four hits, while Bruce Ryle was the hitting star for Big Bone with four bingles. Ivan Clements and Hank Fischer reportedly umpired a good game.

Burlington marked up a win over Belleview by a 16-10 score in a poorly played contest. Brown, starting pitcher for Burlington was hit freely and was relieved by Smith. Ivan Cason, Belleview southpaw, and "Turk Aylor worked on the hill for Belleview. Star of the game was Phil Yelton, first baseman for Burlington, as he slugged out three doubles and a triple driving in four runs. Bill McBee came thru with 2 doubles and Johnny Cropper had a double and single to aid the Burlington cause. John Walton, veteran Belleview third sacker poked out two doubles and two singles to lead the losers batting attack. Cason had three safe blows for the losers. Belleview collected 14 hits and Burlington had 13, with each team being charged with 5 errors.

Sand Run drew the bye.

BOONE VETS TAKE OPENER

AT FLORENCE GROUNDS SUNDAY BY TRIMMING FORT MITCHELL BOOSTERS BY 9-6 COUNT.

The Boone County Vets won their opening game Sunday in the Buckeye Semipro Baseball League by trouncing the Fort Mitchell Boosters 9-6 on the Florence grounds.

Jay Ryle, on the hill for the Vets gave up ten scattered hits, while his teammates collected 13 from the offering of Schultz and Bogenschultz. Ryle issued three bases on balls and fanged five. Schultz whiffed three and Bogenschultz fanned two.

Boone County scored in the second inning as Graham opened with a single but was out attempting to take third on "Socks" Benson's hit to center. Benson took second on play and scored on Dennistons's hit. Fort Mitchell tied the score in the third inning, Lyons leading off with a single and going to second as Roenker walked. He scored when Schultz was thrown out.

Each team scored two runs in the fourth inning before the winners forged to the front with two runs in the fifth and three in the sixth to clinch the game.

Socks Benson and Denniston led the winners with three hits each, while Stunteback and Bautz obtained three hits for the losers.

The Vets will entertained the Northern Kentucky Sportsmen nine at the Florence park Sunday, April 25th. Game will be called promptly at 3:00 p. m.

REAL ESTATE TRANSACTION

Mr. and Mrs. Paul Aylor; of Florence purchased the Sam Clark property on Gunpowder road last week. Mr. and Mrs. Clark have purchased a larger farm near Goshen, Ohio and will move there in the near future.

This transaction was handled through David L. Tanner auctioneer and real estate agent.

APRIL 30 LAST DATE FILE WORKSHEETS

IN 1948 AGRICULTURAL CONSERVATION PROGRAM—HALF OF FARMERS HAVE FAILED TO PARTICIPATE.

April 30th is the last date for farmers to file Farm Worksheets in the 1948 Agricultural Conservation program. Although many farmers have signed up at the meetings held throughout the county in the past week, it is estimated that at least half of the Boone County farmers have not yet signed up to participate in the program.

All farmers who have failed to sign up are urged to do so immediately at the A. C. A. office at Burlington. The office is open each week from 8:00 a. m. until 4:30 p. m., Monday through Friday and closed on Saturday.

MRS. MAGGIE BROOKS

Funeral services for Mrs Maggie Clarkson Brooks, 78 year-old life long resident of Boone county, will be held today (Thursday) at Hopeful Lutheran Church, Florence at 2 p. m. Burial will be in Hopeful Cemetery.

Mrs Brooks died Monday at Booth Hospital, following a short illness. Her home was on Shelby Street, Florence.

Chambers and Grubbs, Florence funeral directors were in charge of arrangements.

MRS. MARY FRAKES

Mrs. Mary Kate Frakes, 61, a former Burlington resident, died Monday at her home, 627 Willow Street, Elsmere, following a long illness. She had been a resident of Elsmere for 26 years.

She is survived by her husband, Charles Frakes, Sr.; three daughters, Mrs. Kenneth Beach, Walton; Mrs. George Radcliff, Erlanger, and Mrs. Melvin Dinser, Covington; three sons, Roy and Charles, Jr., both of Walton and Robert Frakes, at home; five brothers, four sisters, nine grandchildren and two great-grandchildren.

NEW MEMBERS WILL BE RECEIVED INTO CHURCH SUNDAY

Special services will be held at the Burlington Baptist Church Sunday morning, when twenty-eight new members will be received into the fellowship of the church. The pastor will speak on the subject "At His Table." This is to be a message bearing on the relationship that the member owes to his church.

After having had four Sundays that the Sunday School attendance was above 200, the name of the Burlington Baptist Church will be added to the list in The Western Recorder. This list consists of Sunday Schools with an attendance above 200. The pastor invites all to join with the membership of the church in this great hour. Bible School, 10 o'clock, worship hour at 11:00 a. m.

AUXILIARY TO GIVE SPRING FESTIVAL

The Ladies' Auxiliary of Florence Volunteer Fire Department will give a spring festival Saturday evening, April 24 at 8:00 p. m. at St. Paul auditorium. Amusement for both old and young. Refreshments will be served.

UTOPIA CLUBS AID IN DISASTER

RED CROSS OBLIGATIONS ARE FOOD SHELTER, CLOTHING AND MEDICAL CARE, ACCORDING TO MABEL G. SAYRE.

A called meeting at the Florence Town Hall on Tuesday night, April 16th was for the purpose of setting up disaster relief under the leadership of the co-chairmen, R. G. Eades and G. R. Scott.

At the meeting David Tanner, president of the Junior Utopia Club offered the services of himself and his members, wherever and whenever they can be used. As a beginning, Mr. Tanner on Wednesday April 17th took Mrs. Nestor, executive secretary of the Boone County Chapter in his car and they made a survey of the entire Boone County river front, approximately 50 miles.

G. R. Scott contacted radio station WZIP and newspapers instructing Boone County citizens where to call for assistance.

The four obligations of the Red Cross are food, shelter, clothing and medical care, according to Mabel G. Sayre, publicity chairman.

Thanks was extended to the senior and junior Utopia Clubs, represented by David Tanner and Sam Blackburn, and everyone else who helped, for their untiring efforts to reach everyone in need of help.

After this example of the material benefits derived from the Red Cross, the Chapter is asking any person who was not contacted for a donation during the recent campaign, but is minded to give, to send it to Mrs. Aleen Conner, Florence, Ky.

O. E. S. TO GIVE FISH FRY

Committee Requests Improvements By June 1

AT MEETING HELD MONDAY NIGHT, APRIL 19TH—LITTLE IMPROVEMENT MADE TO DATE ACCORDING TO COMMITTEE.

At a meeting of the committee for improved telephone service held at the courthouse in Burlington Monday night, nine points were stressed by the committee toward improving the present service of the Consolidated Telephone Co. The company was given until June 1st to do these improvements. If the company should fail to follow the 9-point program, a mass meeting of all telephone subscribers in the County will be called and more drastic action taken.

Action of the meeting was forwarded in a letter to the Consolidated Telephone Co. The letter follows:

"Consolidated Telephone Company, Florence, Kentucky.

"Gentlemen:

At a meeting of the Committee appointed by the subscribers of the Consolidated Telephone Company to work for improvement of the present poor telephone service in Boone County, held at Burlington, Kentucky, on April 19th, 1948, the Committee feels that very little or no improvement has been made by the Company to this date, and the Committee requests the said Company to make the following improvements by June 1, 1948:

FIRST: Replace all broken telephone poles, pull up all telephone wires, install insulators so that the circuits can be transposed according to accepted engineering practices, which will eliminate a great portion of the cross talk on all lines.

"SECOND: Sorder all lead in wires and make all mechanical connections by approved methods.

"THIRD: Repair or replace all of the antiquated switchboards in the County.

"FOURTH—No party line shall be operated to serve more than four subscribers.

"FIFTH: To take immediate steps to install all phones where applications have been made, as the Committee has been advised that some applications were made more than five years ago.

"SIXTH: That the extra twenty-five-cent monthly charge on cradle phones be eliminated.

"SEVENTH: That additional direct circuits be installed between Walton, Florence and Burlington.

"EIGHTH: That the present unsatisfactory dial system at Hebron be improved.

"NINTH: That all telephone lines be raised above a reasonable flood stage.

"Unless the Consolidated Telephone Company complies with the above recommendations, a mass meeting of all of the telephone subscribers in Boone County, will be called and more drastic action will be taken.

"Very truly yours,

"COMMITTEE

" By Frank Milburn, Chairman."

In order that all actions of Boone County be represented, the following members were added to the present Committee: Walter King, Verona; Powers Conrad, Walton, and C. Liston Hempfling, Constance.

HEBRON FIREMEN SPONSOR DANCE AT HEBRON SCHOOL

The Hebron Volunteer Fire Department will sponsor a benefit dance at the Hebron School auditorium on Saturday night, April 24, with all proceeds of the evening going directly to benefit the Hebron Fire Department.

Johnny Parker and his orchestra will supply the music for the program and all persons are urged and invited to attend.

BOONE COUNTY WELL REPRESENTED

WITH ALMOST ONE HUNDRED PERCENT ATTENDANCE OF TEACHERS AT 76TH ANNUAL K. E. A. MEETING.

There was almost one hundred percent attendance of Boone County teachers at the 76th annual Kentucky Education Association meeting at Louisville last week, according to local representatives.

Donovan President

Dr. H. L. Donovan, president of the University of Kentucky, was named president succeeding Herman McGuire, of Grayson. Donovan was elected over Dr. A. D. Owens, superintendent of Newport public schools.

Jive, Too

Exhibits at the K. E. A. convention were "jazzed up" this year. A sound system blared forth during many sessions of the three-day meet, not with "Old Dog Tray" and other classroom favorites, but raucous, fast, red hot jive.

Athletic Rules Change

The Kentucky State High School Athletic Association adopted eleven rules changes at their annual meet in Louisville, according to Ralph Maurer, delegate of this district.

Schools with football teams now may play only 24 scheduled basketball games, while smaller schools with no grid squad may play 30 games. Tournament games do not count.

Football teams must have three weeks practice under supervision of a coach before opening game, under another rule passed by the group. Post-season contests in any sport now require sponsorship of a member school before the commission will sanction them.

The football season is limited from the opening of school until Dec. 1. Basketball season is from opening of school until after the state high school tourney.

Eligibility remains unchanged, except that the veterans' eligibility clause was deleted. Warmup period of 15 minutes between games of the state tournament also were ordered. In another action, all coaches now must be certified faculty members.

The eligibility of coaches rule will affect approximately 20 coaches throughout the state, most of whom are in northern Kentucky.

Commissioner of Athletics Ted Sanford, Henderson, now will have the authority to name sites of regional tournaments under another rule. There were also several regulations concerning expenses for track teams and other groups.

CANCER GOAL IS SET AT $1500.00

FOR BOONE COUNTY—CONTROL WORK GETS UNDER WAY—SEVENTEEN LOCAL RESIDENTS VICTIMS DURING PAST YEAR.

April being Cancer Month, efforts are being made to reach all sections of the county with informative literature and solicitations for funds to continue the great work that the Kentucky Division of the American Cancer Society is doing. The goal for Boone County has been set at $1500.00, and it is believed that with the cooperation of all, the goal will be reached.

The Kentucky Medical Association is greatly concerned over the continued high rate of deaths from cancer. Last year statistical reports show that there were seventeen in Boone County alone, who died of cancer. There were only three deaths of tuberculosis and none from infantile paralysis.

It is most necessary that the public recognize that cancer is the greatest killer and therefore deserves the most support.

BURLINGTON SENIORS WILL PRESENT PLAY FRIDAY, APRIL 30TH

The senior class of Burlington high school will present a play entitled "Your Home Can Be Happy Without Pests," April 30 at 8:00 p. m. at the high school auditorium.

The play, written, directed, and produced by the senior class, concerns the life of poor Herman Drinkwater, his loving family and associates.

It seems poor Herman is always being mistaken for his brother Henry and this leads to trouble because Henry is certainly a slippery gentleman.

While trying to locate brother Henry, poor Herman gets "put away" in an insane asylum. The characters he meets including the "immortal Hamlet," Sultry La Bean "Polecat" Smith, meek little Prunella Appleby and Sitting Bull, are enough to drive anyone crazy—even Herman!

But all ends well, when Mrs. Cy Cology, world famous physciatrist, gets hold of Herman in a gripping courtroom scene.

It's drama, it's comedy, it's love, it's the senior play. Don't miss it.

FIRST CROP PAYS FOR TILE DRAINAGE

How land drainage pays even at present high costs of tile and labor is told by County Agent Robert F. Spence of Hackneyville and Southern Madison counties.

Charles Click in the spring of 1947 put 2,100 feet of tile in three acres of his farm on the Big Hill road just outside of Berea. The tile cost 6½ cents a foot and laying it cost 8 cents more, making a total cost of $262.50 for draining three acres.

Phosphate fertilizer was applied at the rate of 275 pounds an acre and the land planted to corn. Despite the wet season, the yield was 60 bushels an acre—180 bushels in all. Click said he could not have produced a bushel had the land not been drained.

Corn sold for $2.50 a bushel at Berea in 1947, which means $450 for the 180 bushels, had Mr Click bought that amount for his dairy herd. This is $187.50 more than the drainage system cost.

According to Burt O. Welch, College of Agriculture extension engineer, who helped lay out the drainage system, it should last for several generations.

KENTUCKY FESCUE WINTER RESISTANT

That Ky 31 fescue withstands severe winter weather better than Alta fescue was seen on the farm of Walter Goggin of Boyle county, who sowed both grasses at the same time, in the same field, and at the same rate per acre. Mr Goggin told Farm Agent John C Brown that the Ky. 31 fescue made a larger winter growth and earlier spring growth than did the Alta variety, about a third of the latter failing to come through the winter, while he has a perfect stand of Ky. 31 fescue.

SUGGESTS PREVENTION OF CHICKEN DISEASE

Coccidiosis, a disease which kills many chickens in Kentucky every spring, can be prevented by raising chicks in clean brooder houses on clean ground away from other poultry, according to a leaflet of the College of Agriculture and Home Economics, University of Kentucky.

The disease is most likely to appear when chicks are two to four weeks old, during May, June and July. It may, however, be found in older birds.

The leaflet, written by Drs Ross Brown and F. E. Hull, deals with symptoms, prevention and treatment of coccidiosis. Copies may be had at offices of county agents or by writing to the college at Lexington.

Twenty Years From Now

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE

Will they thank you for good strong feet

Oh, you mother of a child—you want his manners to be nice, you want his brain to be quick, you want his hands to be agile—but don't you want his feet to be sturdy and true, well-shaped and graceful? Are those of your daughter?

You mother of a child, twenty years from now his feet will be walking up to get a diploma, or confidently marching in to get a job, maybe walking up to an old church altar to meet a bride in white. (Or it may be the bride herself.) Your child may never thank you for good strong feet, he'll take them as a matter of fact. But what will he think if they're not good strong feet? Sure he'll still love you—but "why didn't mother make sure I was growing up right?"

It is a responsibility, just one of the many a mother takes on when she brings a child into the world.—Adv.

Do It with Style

The years to do things correctly is as near today as when ladies sat their calling cards on polished silver trays. The mannerisms of everyday living.

Our name on our personal stationery gives it that extra touch of elegance. Why not let us help you with your home decorating problems? Why not stop in at your convenience and browse around our shop? Or, if you prefer, write us for samples and prices.

And speaking of writing letters . . . Do you know how to put the finishing touches on your correspondence? Why not let us help you with your stamping problems? Why not let us help you with your stamping problems? Why not let us help you with your stamping problems

FARMERS URGED TO RETURN 1947 TOBACCO MARKETING CARDS

All farmers who still have their 1947 burley tobacco marketing cards are requested to mail or bring them to the A. C. A. office at Burlington immediately. These cards are necessary in order for the office to complete reports on 1947 production. If mailed, these cards are not postage free and require a three cent stamp.

Exhibits of sheets made by homemakers during the past few months are being held by Oldham county homemakers.

TREES TO SAVE SOIL

In an effort to check erosion, 34 farmers in Craven county have ordered 50,000 trees, the majority of which will be planted on waste land. Farm Agent Wilson B. Mayfield urges that loblolly pine leads in the number ordered, followed by black walnut and yellow pine.

Cardell Mann of Menifee county has completed the installation of an automatic water system for his farm home.

Jefferson county 4-H clubs have a membership of 1,490 boys and girls, 620 boys and 58 girls carrying agricultural projects.

ON KENTUCKY FARMS

It is estimated that Spencer county farmers will seed 3,000 acres of alfalfa this spring.

The Flat Creek Homemakers Club in Franklin county has voted to send garden seeds to Europe.

Nelson Green county farmers have divided the cost of a power sprayer for putting 0-4-50 on crops.

Nine farmers in Christian county are growing Kenland red clover for the Kentucky Seed Stocks.

James Fohr and Charles Schadler, Campbell county 4-H'ers and garden project winners, have joined the National Junior Vegetable Growers Association, entering the production and marketing contest.

Excellent ladino clover crops were seen on the farms of C. B. Weddle, H. S. Hall, M. E. Colson, Buck Bashears and Oscar Garner of Pulaski county.

In Calloway county, 671,800 pine and locust seedlings were distributed to farmers as an aid in controlling erosion.

In Bath county, 304 sewing machines have been adjusted and cleaned by members of homemakers clubs.

Harlan county homemakers estimate they saved $1,800 on spring hats by cleaning, re-making and trimming last year's models.

EDGE VALUE PUT ON RESTORED FURNITURE

After learning some of the tricks of restoring old furniture to beauty and usefulness, homemakers in Barren county are finding that they have pieces stealing those in exclusive antique stores. Mrs. Madison Smith of the Rocky Hill Brave Homemakers Club found five lovely diningroom chairs with which her grandmother had started housekeeping stored in her smokehouse. She has mended broken parts, restored the finish and re-caned the seats.

Mrs Charles Strader of the Hiseville Club has refinished and re-caned six diningroom chairs which were in her aunt's home, while Mrs. C. O. Depp, a leader of the same club, restored a walnut table, wash stand and rocking chair.

The modern trend is seen in a coffee table which Mrs. W. H. Baldock of the Slick Road Club had made from a three-inch-thick walnut plank. It had been lying in the attic since the house was bought 35 years ago. Home Agent Mildred Dunn notes that Mrs Baldock has sanded the wood to satin-smoothness, finishing the table with the oil finish.

HARLAN FARMERS MAY PRODUCE MORE FRUIT

Southeastern Kentucky has the labor, land and markets for the production of more fruit and vegetables, according to speakers at two meetings of Harlan county farmers and members of 4-H clubs. Ways and means of increasing production were discussed. Fred Breckman, assistant county agent, said production was not as big a problem as marketing.

W. W. Magill of the College of Agriculture and Home Economics discussed varieties, fertilization, spraying and marketing. Cooperative marketing was stressed by other speakers.

UNION W. M. U.

The Union W. M. U. met Wednesday, April 14th for an all-day service, consisting of a mission study class, social hour and regular monthly meeting.

The mission study book "America Must Be Christian," was ably taught by Mrs Crawford of Erlanger to the members, visitors from the Big Bone W. M. U and visitors from other churches.

After the mission study class the president presided over the regular meeting and urged all to attend the quarterly meeting at Hebron the 22nd. If 3 were present.

Mrs. Bruce Hodges took charge of the program. Those taking part were Mrs. Anna Smith and Mrs. Lander Bradshaw.

We were dismissed in prayer after being reminded of our next meeting May 13, 1948.

—Pub. Chairman.

Fifty-six 4-H clubs in Carter county have an enrollment of 888 girls and 488 boys, or three times that of last year.

HOME DEMONSTRATION WORK IN 95 COUNTIES

That rural and farm women of Kentucky are interested in learning the best ways of carrying on their job of homemaking is indicated by the fact that 95 counties in the state have requested and now have home demonstration agents, according to Miss Myrtle Weldon, state leader of home demonstration work at the College of Agriculture and Home Economics, University of Kentucky. During the past year, homemakers clubs increased in number from 879 to 1,216, and club membership from 17,737 to 21,839 women.

In calling attention to National Home Demonstration Week, May 2 to 8, which will be widely observed, Miss Weldon explained that the homemakers club program is built around the needs and interests of the women as expressed by them. Consequently, more than 103,780 farm and rural families reported changes in practices as a result of the cooperative effort of Agricultural Extension workers and more than 11,000 homemakers trained to relay the information to their neighbors. For example

In 79 counties where help in sewing had been requested, homemakers estimated they saved more than $186,840 by making new garments and remodeling others.

Making their homes more attractive through better selection of new furniture, refinishing pieces on hand, or making glass curtains, draperies, slipcovers and lamp shades was reported from 25,745 homes.

Better use of time, labor, money and equipment was discussed in 30 counties, where 9,802 families adopted improved housekeeping methods. Homemakers re-arranged 3,503 kitchens for convenience, and added 6,743 storage facilities.

A total of 4,337 families were reached through program on child care and training, while improved meal planning was reported by 23,792 farm and rural families.

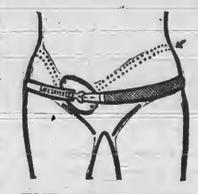
U. K.-STATE PLAN CONFERENCE ON SCHOOL BUILDING

Lexington, April 21—To avoid the threatening possibility that more than $40,000,000 for school building purposes might be expended unwisely over the next decade by Kentucky high school superintendents, a five-day School Building Conference will be held on the University of Kentucky campus this summer.

The conference, scheduled from June 14 to 18, inclusive, will be under the joint sponsorship of the University of Kentucky College of Education and the State Department of Education. It will be financed through a grant from the General Education Board of New York.

Reason behind the conference is the belief that many school systems in the state are planning to construct new building in the near future and that it is essential that administrative officers of these schools, many of whom have had little preparation for planning and administering a building program, become better acquainted with the problems of building construction, if better results are to be obtained.

Dr. Ralph Cherry, chairman of the Division of Administration in the U. K. Education College and one of the organizers of the conference, explains that "One of the critical problems faced by public school administrators in Kentucky today is that of providing buildings to house an increasing enrollment and an expanded program."



Specialists from the U. S. Office of Education, State Department of Education, and the University will serve as consultants. Professional engineers and architects also will be invited to the sessions to act in an advisory capacity.

State Superintendent of Public Instruction Boswell G. Hodgkin is expected to issue a call to local school boards and superintendents in the near future urging every board in the state to send one or more delegates to the meeting, it was reported.

Homemakers in Warren county sent a total of 22 boxes of food and clothing to England.

When You Sell Your Crops . . .

You do more than sell bushels of grain, tons of hay, or bales of cotton. You are actually selling out of your farm land the fertility that it took to grow them.

Calcium and magnesium (lime) are two of the important plant-food elements that all crops feed on. Some are heavier feeders than others. Alfalfa requires a lot—the equivalent of 100 pounds of limestone in each ton of hay—so do clover and the other legumes.

Keep your farm productive and profitable by replacing what you take out of your soil.

We shall be pleased to supply the limestone for your entire farm or any part of it. Let us quote you.

LEAFLET DEALS WITH REDUCING FOOD WASTE

"Don't Waste Food," a leaflet published by the College of Agriculture and Home Economics, University of Kentucky, says that one slice of bread wasted each day by each family in Kentucky would mean a total waste of about 17,500 loaves of bread in a year.

"If each family wasted only three tablespoons of flour a day," it continues, "the total wasted in a year would be over 8,000 tons of flour, or about 194 freight car loads."

In the leaflet Florence Imlay and Pearl J. Haak, extension food specialists, discuss ways to prevent food waste. These include a plan for buying, care in preparing food, serving of balanced meals, and use of left over, followed with a number of recommended recipes.

DISEASE RESISTANT LEAF BOOSTS INCOME

Farmers in Spencer county growing root-rot resistant varieties of tobacco realized $68 more per acre than those growing other varieties, the disease resistant kinds averaging 1,193 pounds an acre and selling for $609, while non-root-rot resistant varieties yielded 1,031 pounds, with an income of $541. Farm Agent Nevin L. Goebel reports that a survey made among tobacco growers indicates that Ky. 16 was the leading variety in both acreage and income per acre.

Farmers using 1,000 pounds or more of fertilizer per acre had the highest yields and incomes. Likewise, farmers using vetch or crimson clover cover crops came out on top.

A check-up of seed dealers in the county indicates that more than 90 percent of the tobacco produced in the county this year will be disease-resistant varieties.

GUNPOWDER HOMEMAKERS

The members of the Gunpowder Homemakers Club met at the home of Mrs. B. W. Clark, April 13 with 14 members and one visitor present.

There was much discussion on what we would like to study for the coming year. There were several members attending the State meeting held in Kenton County April 22.

Mrs. O. Oliver and Mrs. M. Sebree gave the first lesson on refinishing furniture.

The next meeting will be held May 11 at the home of Mrs. B. M. Stevens.

Picture of YOU doing your weekly washing

. . . the AUTOMATIC ELECTRIC WAY

Washday drudgery disappears the minute an automatic electric washer comes into your home. It washes, rinses and damp-dries—*automatically*. It even fills itself, empties itself and shuts itself off. All you do is put in soiled clothes and soap and set the controls. You don't have to wet a hand in water—*you don't even have to be there.* Why not start enjoying this work-saving miracle right away?

FLORENCE HOBBY FAIR HELD APRIL 1 AND 2ND

Homemakers Clubs of Florence Burlington Road ,Gunpowder and Kenjalwo sponsored a hobby fair for their communities at the Town Hall in Florence, April 1 and 2. Approximately 200 people attended. Eighty-six entries were made in 31 classes. Champion hobby ribbons were awarded George Moody on his stamp albums and William Fitzgerald on his collection of book plates accompanied by books on that subject. Judges were Mrs. Irvine Black, Mrs. Dean Caton and H. N. Ockerman.

The fair featured a hobby in action in that Mrs. William Fitzgerald sat at her loom weaving napkins and doilies while she answered questions, demonstrated and explained the art of home weaving.

Lime ice punch and cookies were served Thursday evening and Friday by Mrs Robert Hammersmith and her refreshment committee.

Silver donations were accepted for the Boone County Recreation Building Memorialising service men of World War II, to be built on the Boone County 4-H and Utopia fair grounds near Burlington.

Mrs. Curtis Moore served as general chairman. Mrs William Fitzgerald was chairman of arrangement of displays. Mrs. Victor Benham was chairman of entries and publicity. Members of each participating homemakers club served on the respective committees. Special notation is made of Mrs. Robert Meyers, Mrs. John Kyle, Mrs. Brady Johnson, Mrs. O. Northcutt, Mrs. Val Dolwick, Mrs. Joe Dringenburg, and Mrs. Arthur Ammon.

Acknowledgement is made for loan of Town Hall; to the Methodist Church for loan of tables; to Stith funeral home for guest register; and to "Pappy" Sheets for guarding the exhibits on Wednesday and Thursday nights.

HEBRON NORBEH 4-H CLUB

The regular monthly 4-H meeting was held April 12 at Hebron school. The president called the meeting to order. We repeated the club pledge. The song leaders lead us in singing, "Now Is The Hour."

The secretary called the roll and read the minutes of the last meeting which stood as approved.

Helen Rogers gave a report on the leaders' conference and also told us that we were the winners of the trophy this year and our club was extremely proud.

Miss Gillaspie spoke to us of the things in which we could take part at Spring Rally. We had a report from the project captains, and they all seem to be progressing.

The meeting was then adjourned.

Mary Bess Burns, Reporter.

FARMS! FARMS!! FARMS!!!

DIRT FOR DOUGH

Spring is here, now is the time to go farming, Mr. and Mrs. America. Do you know or did you ever think that farms are the backbone of the nation, everything you eat and wear comes off the farm.

I sell the earth and all that stands on it. I can sell anything from a runt pig to a skyscraper. I have proved it. Anything in real estate.

My slogan is Dirt for Dough. List your property for sale now. Put your property in my hands and I'll put it on the air. Listen to WZIP, 6 to 6:30 a. m. and come to the Jamboree, Sat. night 6:30. Library auditorium, Robbins and Scott Sts., Covington.

No Place For Eddie

The Evening Banner, of Greenville, Texas, recently told, in an editorial, the sad story of Eddie, an inefficient and discourteous clerk in a store. One day a customer noticed that Eddie wasn't present and asked about him. "He's just not working here any more," the proprietor said. "Got anybody in mind for the vacancy?" the customer responded. "Nope," said the proprietor. "Eddie didn't leave no vacancy."

As the banner added, "There's no place for the Eddies because the days of competition have returned and customers want to be waited upon . . . they want to see clerks take an interest in their requests, give them courteous, attentive service and try to make them feel at home. That's just human nature."

During the war, many a store, from the big chains down to little shops, had to employ poor and disinterested help, because nothing better could be had. But we're getting back to normal now, and we're seeing again that retailing is a career, that it calls for very special talents and mental attitudes and capabilities, and that it isn't a job that anyone can do. Many of the larger stores carry on highly developed training programs for their employes, and these are of service to small stores as well, by raising the standards of retail service in general.

The customer is entitled to interested and intelligent service, where he's after a pound of hamburger or a complete spring outfit, and retailing is giving it to him. That small percentage of stores which takes no interest in this basic form of public relations won't be in business long. And, like Eddie, they'll leave no vacancy.

Truth Stranger Than Fiction

The public knows that the Federal Bureau of Investigations is a great deterrent to crime because of the efficiency with which it runs down lawbreakers. But too few know what an aid it is in noncriminal investigations that affect people in many walks of life.

In the mammoth files of the Identification Division of the Bureau in Washington, there are more than 107,000,000 sets of fingerprints. Over 80% of such prints are in the non-criminal file which includes members of the armed forces, government employes, persons fingerprinted in applying for jobs in important national defense plants, and persons who voluntarily had their fingerprints recorded as a means of identification.

A typical case is that of an old man who in April 1946, asked the Los Angeles Police Department for assistance in locating two sons and a daughter from whom he had not heard since 1903. He believed his sons had served in World War I. An appeal was made to the FBI. In its files it found fingerprint cards bearing names and dates of birth reasonably agreeing with the information furnished by the father, together with information as to places of employment of the individuals in 1942 and 1943. The father was thus enabled to contact his sons, through whom he located the missing daughter. Three months after he first called on the police, he gratefully acknowledged the help that had been given him.

This closed one of the thousands of incidents in which the FBI has helped in the identification or location of missing persons.

For The Consumer

It is probable that never in its long history has American retailing given so much thought, and devoted so much hard work, to the problems of the consumer.

It is doing this for various reasons, most of them obvious. First of all, protection of the purchasing power of the masses of consumers is vital to its existence. Secondly, retailing is always on the firing line in the debate over inflation. And, thirdly, the American economy is dependent of preserving our unique system of mass production and mass distribution—the system which has given us more goods and better goods, for a smaller part of our earnings, than any other people enjoy.

Retailing's contribution to the fight against inflation has been partly obscured by the fact that prices remain high. This does not mean that fight has been a failure. In the opinion of those who have studied the situation, prices would be substantially higher than they are now had retailing done nothing and simply passed the boosts along to the consumer. Instead, by shaving profits, by increasing efficiency, by keeping a tight rein on inventories, and by other economies retailing has saved the people of America enormous sums of money.

"Resist further price increases to the limit" is the policy retailing is following now. It may or may not be successful—most of the basic factors that control the price level are beyond its reach. But, regardless of the future trend, it will work with every weapon in its armory to save the consumer dollar from more depreciation.

RURAL BOYS AND GIRLS ARE INVITED

TO VACATION AT CAMP ERNST—MANY ACTIVITIES ENJOYED THROUGHOUT SUMMER AT CAMP.

At the suggestion of Judge Cropper, Boone County Judge, the YMCA has made a spot in its program for boys and girls from outlying communities so that they, too, may enjoy the beauties of Camp Ernst when vacation days come, Judge Cropper visited the Camp last year and was so impressed with the program that he suggested to Gregory Hughes, chairman of the camp committee, and Willard L. Wade, general secretary of the YMCA, that this program be made available to the rural communities.

The week of June 6th to 13th has been set up for the boys within a radius of 50 miles of Covington.

Program

A vacation filled with fun and good fellowship with swimming every day, baseball, hikes, boating, archery, tennis, riflery, nature at its best, overnight trips, crafts, stunt nights and lots of thrills that will make this vacation one of the best ever.

Register Early

The YMCA hopes to have this first boys' period registered by May 15th so that complete plans may be made for taking care of the group.

The Camp is situated just three miles from Burlington in Boone County and is one of the most beautiful spots to be found for camping. Nature has blessed it with rough and scenic hills through which Gunpowder Creek cuts its way, forming many beautiful pools of clear water for boating and swimming.

Equipment

The Camp is equipped with modern cabins for sleeping, including beds and screening. The dining lodge is one of the best to be had for camp purposes. It has a capacity of 150 campers.

Leadership

The camp staff is made up of men who have had years of experience in working with boys. Mr. O. M. Wiseman, Superintendent of Schools, Ironton, Ohio is the camp director.

Girls

The girls will be taken care of in the regular girls' camp which opens July 29th. Miss Martha Bunch, Director of Women's work at the YMCA, will direct the girls' camp.

FOUR-H RALLY SET MAY 8TH

COUNTY CHAMPIONS WILL BE SELECTED AT MEETING HELD AT BURLINGTON SCHOOL—WILL BE ALL-DAY EVENT.

The Burlington school will be the scene of the annual 4-H Spring Rally Saturday, May 8th. All 4-H members, parents and leaders of 4-H members and friends are invited to attend the all-day event, according to the county extension offices.

County champions will be selected at this time to represent Boone County at State 4-H Club Week. If any county champion is under thirteen years of age, the highest scoring contestant thirteen or over will represent Boone in the State contest.

Contests planned for Rally Day are demonstrations, both individual and team for members under thirteen and above; seed identification, poultry judging and dairy judging for boys; and foods judging, clothing judging and style revue for girls. Four-H adult project and community leaders will serve on committees in charge of the various events.
